

CITY OF SAN DIEGO

City Attorney's Office,  
San Diego, California, Dec. 6, 1913.

To the Honorable,

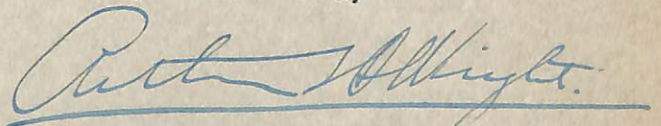

The Common Council of the City of San Diego.

Gentlemen:-

On October 22nd, 1913, Dam Romero petitioned your Honorable Body for a lease of certain tide lands. The description which he furnished is so indefinite that it would be impossible to locate on the grounds the particular piece of land which he desires to lease.

I would recommend that before Romero be given any land by lease a correct description of the property he desires should be filed.

Respectfully submitted,

Deputy City Attorney.
