Gentlemen:

Attached for ratification by the City Council is an Agreement for Amendment of Tideland Lease, Amendment No. 2, which modifies the Jack Davis, Jr., premises on Byron Street under lease dated 19 February 1957.

This amendment modifies the legal description by increasing his water covered area to provide for lessee's new slip facilities. The use clause of this lease has also been modified to permit lessee to engage in a sportfishing operation and the rental clause modified to provide that the Harbor Department shall receive 5% from the sale and rental of bait and tackle, plus 2-1/2% of gross income from the sale of sportfishing tickets. On pages 5 and 6 of this amendment appear the rules and regulations which will govern lessee and any person operating from the leased premises in this sportfishing operation.

This amendment has been drawn in accordance with the established policies of the Harbor Commission.

Very truly yours,

JOHN BATE  
Port Director
