Mr. John Bate
Port Director
1365 Harbor Drive
San Diego 1, California

Dear Sir:

In accordance with the terms of my present lease covering tidelands at 2614 Byron Street, I am writing to request that I be allowed to exercise my option to extend the terms of the lease for five years. If such renewal is granted, I would also like to have another five year option to extend added to that lease.

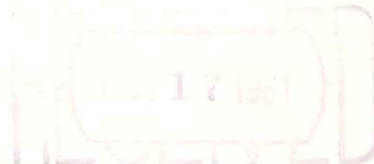

The present lease expires in January 1962, and I will be hopeful for an affirmative reply from you regarding the extension of it.

Yours very truly,

Jack Davis Jr.
