AN ORDINANCE OF THE CITY OF SAN DIEGO GRANTING THE NONEXCLUSIVE RIGHT, PRIVILEGE AND FRANCHISE TO LAY AND USE LINES, WIRES, COAXIAL CABLE AND APPURTENANCES FOR TRANSMITTING, DISTRIBUTING AND SUPPLYING RADIO AND TELEVISION ANTENNA SERVICE ALONG, ACROSS AND UPON THE PUBLIC STREETS, WAYS, ALLEYS AND PLACES WITHIN THE UNIVERSITY CITY AREA OF SAID CITY OF SAN DIEGO.

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

GENERAL

Section 1. CITATION OF ORDINANCE.

This ordinance may be cited as the University City Community Antenna Television Franchise Ordinance.

Section 2. RULES OF CONSTRUCTION.

This ordinance shall be construed liberally in order to effectuate its purposes. Unless otherwise specifically prescribed in this ordinance, the following provisions shall govern its interpretation and construction:

(a) When not inconsistent with the context, words used in the present tense include the future, words in the plural number include the singular number, and words in the singular number include the plural number.

(b) Time is of the essence of this ordinance. Grantee shall not be relieved of its obligation to comply promptly with any provision of this ordinance by any failure of City to enforce prompt compliance with any of its provisions.

(c) Any right or power conferred, or duty imposed upon any officer, employee, department or board of City is subject to transfer by operation of law to any other officer, employee, department or board of City.

(d) Grantee shall have no recourse whatsoever against City for any loss, cost, expense or damage arising out of any provision or requirement of this ordinance or the enforcement thereof.

(e) This ordinance does not relieve Grantee of any requirement of the City Charter or of any ordinance, rule, regulation or specification of City, including, but not limited to, any requirement relating to street work, street excavation permits, undergrounding of utility facilities, including CATV facilities, or the use, removal or relocation of property in streets.

(f) Provisions of this ordinance shall be construed in accordance with Sections 103, 103.1, 104 and 105 of the Charter of The City of San Diego.

Section 3. PURPOSE AND INTENT.

It is the purpose and intent of this ordinance to grant a franchise to engage in the business of operating a community antenna television system in that portion of the City of San Diego known as University City in a service area particularly described in Section 6 of this ordinance. It is the further purpose and intent of this ordinance that the Grantee of the franchise granted by this ordinance provide the citizens of the City of San Diego living in Grantee's service area the best possible community antenna television service consistent with the state of the art at rates reasonable to both Grantee and its subscribers.

Section 4. DEFINITIONS.

Whenever in this ordinance the following words or phrases are used, they shall mean:

(a) "City" shall mean The City of San Diego, a municipal corporation in the State of California.

(b) "Council" shall mean the City Council of City.

(c) "Franchise" shall mean the right and authority granted by this ordinance to Grantee to construct, maintain and operate a CATV system through use of the public streets, other public rights of way or public places in City.

(d) "Franchise Property" shall mean all property owned, installed or used under authority of this ordinance by Grantee.

(e) "Grantee" shall mean the person to whom the franchise is granted by this ordinance, and any lawful successor or assignee of the original Grantee.

(f) "Street" shall mean the surface, the air space above the surface and the area below the surface of any public street, other public right of way or public place.

(g) "Community Antenna Television System," referred to in this ordinance as "CATV System," shall mean any facility which receives directly or indirectly over the air and amplifies or otherwise modifies the signals transmitting programs broadcast by one or more radio or television stations and distributes such signals by wire or cable to subscribing members of the public who pay for such service. "CATV Service" shall mean any service furnished by a CATV System.

(h) "Subscriber" shall mean any person or entity receiving for any purpose the CATV service of Grantee.

(i) "Service Area" shall mean the area within which Grantee is permitted to serve subscribers under the provisions of this ordinance.

(j) "Total Gross Receipts" shall mean any and all compensation and other consideration collected or

received or in any manner gained or derived by Grantee from the operation of its CATV service within the corporate limits of The City of San Diego as such corporate limits now exist or may be established hereafter.

(k) "Undeveloped Region" shall mean any area in which there exists few or no buildings, streets or other improvements, and in which, in the opinion of the City Manager, the public interest does not require that the coaxial cables of the CATV system be placed underground.

(l) "Master Antenna Facilities" shall mean that portion of the CATV system consisting of the television receiving antennae and structures necessary to support such antennae in a position to receive television broadcast signals.

Section 5. NATURE AND EXTENT OF GRANT.

The franchise granted by this ordinance to University City Antenna System, Inc., Grantee, constitutes authority to use the public streets, other public rights of way or public places in City, to engage in the business of operating a CATV system within the service area described in Section 6 of this ordinance subject to all of the terms and conditions contained in this ordinance. Pursuant to such authority, until lawfully revoked, Grantee may construct, maintain and operate wires, cables, poles, conduits, manholes and other television conductors and equipment necessary for the maintenance and operation of a CATV system.

Grantee shall not engage in the business of selling television or other receivers which make use of signals transmitted by its system, nor shall Grantee engage in the

repair of or sale of parts for such receivers.

Section 6. DESIGNATION OF SERVICE AREA.

The service area referred to in Section 2 of this ordinance is described specifically in Appendix "A," which is attached and hereby incorporated into this ordinance by reference.

Section 7. DURATION OF GRANT.

(a) The franchise shall become effective on the thirtieth (30th) day after the passage of this ordinance, provided prior to that date Grantee has filed with the City Clerk: (1) a written instrument, addressed to the Council, accepting the franchise and agreeing to comply with all the provisions of this ordinance; (2) a surety bond, cash deposit or deposit in any federal or State of California chartered bank or savings and loan association in accordance with the provisions of Section 19 of this ordinance.

(b) The term of the franchise shall be fifteen (15) years commencing on the effective date of the franchise as provided in paragraph (a) of this section; provided, that upon written notice given by City or Grantee to the other not less than one year prior to the fifteenth (15th) anniversary of the effective date, the terms and conditions of this ordinance may be subject to renegotiation for a succeeding fifteen (15)-year term. Renegotiations shall be directed toward effecting alterations in the terms and conditions of the franchise in order to reflect those technical and economic changes which have occurred during the interim period. If renegotiation prior to the end of the term of the franchise does not result in agreement between City and Grantee for continuance of the franchise for a succeeding fifteen (15)-year term, the franchise shall terminate without further action by City at the end of its

first fifteen (15)-year term.

The franchise may be terminated by the City Council in the event the Council finds, after notice and hearing, that:

(1) the Grantee fails to comply with any provision of this ordinance;

(2) any provision of this ordinance becomes invalid or unenforceable and the Council expressly finds that the invalid or unenforceable provision constitutes a consideration material to the grant of the franchise; or

(3) City purchases the property of Grantee, as provided in the Charter of City; provided, however, that Grantee shall be given thirty (30) days' notice of any termination proceedings.

Section 8. LIMITATIONS UPON GRANT.

(a) No privilege or exemption is granted or conferred by this ordinance except those specifically prescribed in it.

(b) The franchise granted by this ordinance is subordinate to any existing public use or any existing franchise or lawful occupancy of any public highway, street, road or other public property for the purpose of erecting, operating and maintaining poles, lines, conduits, cables, gas pipelines and other necessary fixtures used in connection with the purpose of existing franchises or any extension of them.

(c) The franchise granted by this ordinance is a privilege personal to the original Grantee. It cannot in any event be sold, transferred, leased, assigned, or disposed of as a whole, or in part, either by forced sale, merger, consolidation, by operation of law, or otherwise,

without prior consent of City expressed by ordinance, and then only under such conditions as may be prescribed in the consenting ordinance; provided, however, that no such consent shall be required for any transfer in trust, mortgage, or other hypothecation, as a whole, to secure an indebtedness.

(d) In the event that Grantee is a corporation, prior approval of the City Council, expressed by ordinance, shall be required where ownership or control of more than thirty percent (30%) of the voting stock of Grantee is acquired by a person or group of persons acting in concert, none of whom already own or control thirty percent (30%) or more of the voting stock, singularly or collectively. Any such acquisition occurring without prior approval of the City Council shall constitute a failure to comply with a provision of this ordinance within the meaning of subparagraph (1) of paragraph (b) of Section 7 of this ordinance.

Section 9. RIGHTS RESERVED TO CITY.

(a) City provides and reserves to itself every right and power which is required to be reserved or provided in this ordinance by any provision of the Charter of City or of any ordinance of City, and Grantee by its acceptance of this franchise agrees to be bound thereby and to comply with any action or requirement of City in its exercise of any such right or power.

(b) Neither the granting of this franchise nor any provision of this ordinance shall constitute a waiver or bar to the exercise of any governmental right or power of City.

(c) The franchise granted by this ordinance shall be nonexclusive and neither the granting of the franchise nor any of the provisions contained in this

ordinance shall prevent City from granting any identical or similar franchise to any person or corporation other than the Grantee, either within or without the area designated in Section 6.

OPERATION OF SERVICE

Section 10. ESTABLISHMENT OF SERVICE.

Installation of a CATV system shall be commenced within one hundred eighty (180) days after the effective date of this ordinance and extensions and service pursued with due diligence thereafter. Failure to commence within one hundred eighty (180) days and diligently to pursue to completion shall be grounds for termination of the franchise.

Section 11. ABANDONMENT OF SERVICE.

(a) After Grantee has established service pursuant to this ordinance in the franchise area, such service shall not be suspended or abandoned unless the suspension or abandonment is authorized by the City Council.

(b) Whenever Grantee shall file with the City Council a written application alleging that the public interest, convenience and necessity no longer require that Grantee furnish service pursuant to this ordinance, in any part of the service area, the City Council, at a public hearing, shall take evidence upon that question and shall make a finding with respect to it. Notice of the hearing shall be given by Grantee to each subscriber in the part of the service area in question at least fifteen (15) days prior to the date scheduled for the hearing. If the City Council shall find that the public interest, convenience and necessity no longer require that Grantee furnish service, the City Council, after hearing as provided herein, shall authorize suspension or abandonment of service upon such reasonable terms and conditions as may be prescribed

by the City Council.

Section 12. REGULATION OF RATES AND SERVICE.

(a) The City Council shall have the power and right at all times for the duration of the franchise granted by this ordinance to require Grantee to conform to reasonable rules and regulations now or hereafter adopted by the City Council, including the power to regulate and establish reasonable rates and charges by Grantee for services rendered under this ordinance. The establishment of such rules and regulations shall be discretionary with the City Council.

(b) Grantee shall:

(1) produce a picture, whether in black and white or in color, that is undistorted, free from ghost images, and accompanied with proper sound on typical standard production television receiver sets in good repair, and as good as the state of the art allows;

(2) provide, maintain and operate facilities which deliver signals of adequate strength to produce good pictures with good sound at all outlets without causing cross-modulation in the cables or interfering with other electrical or electronic systems;

(3) limit failure to a minimum by locating and correcting malfunctions promptly, but in no event longer than twenty-four (24) hours after notice;

(4) upon complaint by a subscriber, make a demonstration satisfactory to the City Manager that a signal is being delivered which is of sufficient strength and quality to meet the

standards set forth in this paragraph;

(5) render efficient service, making repairs promptly and interrupting service only for good cause and for the shortest time possible; such interruptions insofar as possible shall be preceded by notice given to subscribers twenty-four (24) hours in advance and shall occur during periods of minimum use of the system;

(6) maintain an office in the service area described in Section 6 of this ordinance, which office shall be open during all the usual business hours, have a telephone number listed in the directories of The Pacific Telephone and Telegraph Company for the San Diego and North San Diego County extended areas, and be so operated that complaints and requests for repairs or adjustments may be received at any time.

(c) Grantee shall operate the CATV system authorized by this ordinance twenty-four (24) hours per day, seven (7) days per week.

Section 13. UNDERGROUND SYSTEM.

(a) The CATV system to be installed under authority of this ordinance shall be placed underground in all streets in which the utility facilities have been or are required to be placed underground as a result of the subdivision regulations, an underground utility district, or other means. Where overhead utility facilities exist and where the CATV system will be installed as an overhead system, no new poles or supporting structures shall be installed for the CATV system without the expressed permission of the City Manager.

(b) Where facilities are required to be installed

underground, Grantee may place aboveground the master antenna facilities necessary to operate the system; provided, however, that irrespective of whether the system is above or underground, no master antenna facilities shall be placed in any street.

(c) With approval of the City Manager, expressed in writing, Grantee may place coaxial cables aboveground in undeveloped regions of the service area. The City Manager, in writing, at his sole discretion, may withdraw such permission at any time, after giving Grantee 30 days' notice of his intention to do so.

STREET WORK

Section 14. LOCATION OF FRANCHISE PROPERTY.

Franchise property shall be constructed or installed only at such locations and in such manner as shall be approved by the City Engineer, acting in the exercise of reasonable discretion.

Section 15. REMOVAL OR ABANDONMENT OF FRANCHISE PROPERTY.

(a) In the event that (1) the use of any franchise property is discontinued for any reason for a continuous period of twelve (12) months, (2) franchise property has been installed in any street or other dedicated public right of way without complying with the requirements of this ordinance, or (3) the franchise has been terminated, cancelled or has expired, Grantee, at its expense, shall remove promptly from the street all franchise property other than any which the City Engineer may permit to be abandoned in place. In the event of any such removal, Grantee shall promptly restore to a condition satisfactory to the City Engineer the street or other dedicated public right of way from which the franchise property has been removed.

(b) Franchise property to be abandoned in place shall be abandoned in the manner prescribed by the City Engineer. Upon permanent abandonment of any franchise property in place, Grantee shall submit to the City Manager an instrument, satisfactory in form to the City Attorney, transferring to City the ownership of the franchise property abandoned.

Section 16. CHANGES REQUIRED BY PUBLIC IMPROVEMENTS.

Grantee shall, at its expense, protect, support, temporarily disconnect, relocate in the same street, alley, or public place, or remove from any street, alley or public place, any franchise property when required by the City Engineer by reason of traffic conditions, public safety, street vacation, freeway and street construction, change or establishment of street grade, installation of sewers, drains, water pipes, power lines, signal lines, and tracks or any other type of structures or improvements by governmental agencies when acting in a governmental or proprietary capacity, or any other structures or public improvements; provided, however, that Grantee shall in all such cases have the privileges and be subject to the obligations to abandon franchise property in place, as provided in Section 15.

Section 17. FAILURE TO PERFORM STREET WORK.

Upon failure of Grantee to commence, pursue or complete any work required by law or by the provisions of this ordinance to be done in any street, within the time prescribed and to the satisfaction of the City Engineer, the City Engineer may, at his option, cause such work to be done and the Grantee shall pay to the City the cost thereof in the itemized amounts reported by the City Engineer to Grantee, within thirty (30) days after receipt of such itemized report.

COMPENSATION AND GUARANTEE TO THE CITY

Section 18. ANNUAL PAYMENTS TO THE CITY.

(a) By its acceptance of this franchise, Grantee agrees to pay to City annually in lawful money of the United States three percent (3%) of the total gross receipts collected or received, or in any manner gained or derived by Grantee in each calendar year, or portion thereof, during the term of this franchise, from the properties, operations and business referred to in Section 5 of this ordinance.

(b) Checks for all such payments shall be made payable to the City Treasurer, and shall be submitted to the City Treasurer on or before March 1 of each year for the previous calendar year or portion thereof.

(c) Each payment shall be accompanied by a statement, in duplicate, verified by Grantee or by a general officer or other duly authorized representative of Grantee, showing in such form and detail as the City Manager may require from time to time the facts material to a determination of the amount due.

(d) The payment made to City by Grantee pursuant to this section for any calendar year shall be in lieu of any license, fee or business tax prescribed by City for the same period, but only to the extent of such payment.

(e) The amount of the annual payment to the City to be made by Grantee in accordance with this section is subject to renegotiation under the terms of paragraph (b) of Section 7 of this ordinance.

Section 19. FAITHFUL PERFORMANCE BOND.

Grantee shall, within the period specified in paragraph (a) of Section 7, file with the City Clerk and, at all times thereafter, maintain in full force and effect

an acceptable corporate surety bond in the amount of FIVE THOUSAND DOLLARS (\$5,000.00), effective for the entire term of the franchise granted by this ordinance, and conditioned that in the event Grantee shall fail to comply with any one or more of the provisions of this ordinance then there shall be recoverable jointly and severally from the principal and surety of such bond any damages suffered by City as a result thereof, including the full amount of any compensation, indemnification, or cost of removal or abandonment of property as prescribed by Sections 15, 18 or 20 of this ordinance which may be in default, up to the full amount of the bond; the condition to be a continuing obligation for the duration of the franchise granted by this ordinance and thereafter until Grantee has liquidated all of its obligations with City that may have arisen from the acceptance of the franchise by Grantee or from its exercise of any privilege herein granted. In lieu of said bond Grantee may deposit cash with The City of San Diego or in a federal or State of California bank or savings and loan association in the name of The City of San Diego, but with interest reserved to the Grantee, on terms and conditions approved by the City Attorney.

Neither the provisions of this section, any bond accepted by City pursuant thereto nor any damages recovered by City thereunder, nor any withdrawal from any cash deposit shall be construed to excuse faithful performance by Grantee or to limit the liability of Grantee under this ordinance or for damages, either to the full amount of the bond or otherwise.

Section 20. INDEMNIFICATION TO CITY.

Grantee shall indemnify City, its officers and its employees, against all claims, demands, actions, suits and proceedings by others and against all liability to

others, and against any loss, cost and expense resulting therefrom, including reasonable attorneys' fees, arising out of the exercise or enjoyment of the franchise granted by this ordinance, irrespective of the amount of the bond designated in Section 19.

Section 21. INSPECTION OF PROPERTY AND RECORDS.

(a) At all reasonable times Grantee shall permit examination by any duly authorized representative of the City Engineer or the City Auditor of all franchise property, together with any appurtenant property of Grantee situated within or without the City. Grantee shall also permit any duly authorized representative of the City Engineer or the City Auditor to examine and transcribe any and all maps and other records kept or maintained by Grantee or under its control concerning the operations, affairs, transactions or property of Grantee. If any of such maps or records are not kept in the City, or upon reasonable request made available in the City, and if the City Engineer or the City Auditor shall determine that an examination of such maps or records is necessary or appropriate to the performance of any of their duties, then all travel and maintenance expense necessarily incurred in making such examination shall be paid by Grantee.

(b) Grantee shall prepare and furnish to the City Engineer or the City Auditor, at the times and in the form prescribed by the City Engineer or the City Auditor, such reports with respect to its operations, affairs, transactions or property as may be reasonably necessary or appropriate to the performance of any of the duties of the City Engineer or the City Auditor in connection with this ordinance. Such reports may include, but are not limited to, a complete set of records and plans of all facilities as

finally installed within the franchise service area.

Section 22. FILINGS AND COMMUNICATION WITH REGULATORY AGENCIES.

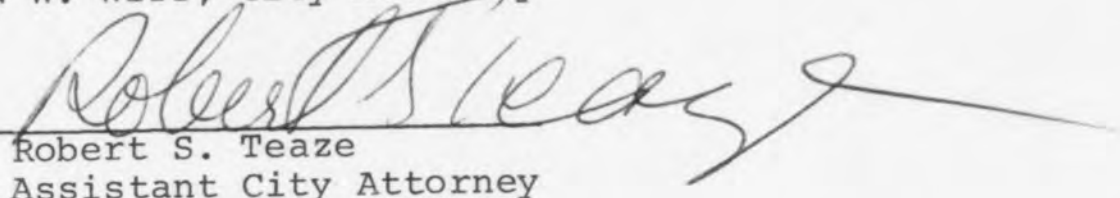

Copies of all petitions, applications and communications of all types submitted by Grantee to the Federal Communications Commission, Securities and Exchange Commission, California Public Utilities Commission, or any other Federal or State regulatory commission or agency having jurisdiction over any matter affecting operation of Grantee's CATV system shall be submitted simultaneously to the City by delivery to the City Clerk who shall advise interested City Departments of such filing. A copy of each document filed with the City Clerk in accordance with this section shall be delivered to the City Attorney.

Section 23. Notwithstanding any other provisions contained herein, this franchise is granted solely and exclusively under Sections 103, 103.1, 104 and 105 of the Charter of The City of San Diego and under no other authority.

Section 24. This ordinance shall take effect and be in force on the thirtieth day from and after its passage.

This ordinance may be cited as the University City Community Antenna Television Franchise Ordinance.

Section 2. RULES OF CONSTRUCTION.

This ordinance shall be construed liberally in order to effectuate its purposes. Unless otherwise specifically prescribed in this ordinance, the following provisions shall govern its interpretation and construction:

(a) When not inconsistent with the context, words used in the present tense include the future, words in the plural number include the singular number, and words in the singular number include the plural number.

(b) Time is of the essence of this ordinance. Grantee shall not be relieved of its obligation to comply promptly with any provision of this ordinance by any failure of City to enforce prompt compliance with any of its provisions.

(c) Any right or power conferred, or duty imposed upon any officer, employee, department or board of City is subject to transfer by operation of law to any other officer, employee, department or board of City.

(d) Grantee shall have no recourse whatsoever against City for any loss, cost, expense or damage arising out of any provision or requirement of this ordinance or the enforcement thereof.

(e) This ordinance does not relieve Grantee of any requirement of the City Charter or of any ordinance, rule, regulation or specification of City, including, but not limited to, any requirement relating to street work, street excavation permits, undergrounding of utility facilities, including CATV facilities, or the use, removal or relocation of property in streets.

(f) Provisions of this ordinance shall be construed in accordance with Sections 103, 103.1, 104 and 105 of the Charter of The City of San Diego.

Section 3. PURPOSE AND INTENT.

It is the purpose and intent of this ordinance to grant a franchise to engage in the business of operating a community antenna television system in that portion of the City of San Diego known as University City in a service area particularly described in Section 6 of this ordinance. It is the further purpose and intent of this ordinance that the Grantee of the franchise granted by this ordinance provide the citizens of the City of San Diego living in Grantee's service area the best possible community antenna television service consistent with the state of the art at rates reasonable to both Grantee and its subscribers.

Section 4. DEFINITIONS.

Whenever in this ordinance the following words or phrases are used, they shall mean:

(f) "Street" shall mean the surface, the air space above the surface and the area below the surface of any public street, other public right of way or public place.

(g) "Community Antenna Television System," referred to in this ordinance as "CATV System," shall mean any facility which receives directly or indirectly over the air and amplifies or otherwise modifies the signals transmitting programs broadcast by one or more radio or television stations and distributes such signals by wire or cable to subscribing members of the public who pay for such service. (l) "Master Antenna Facilities" shall mean that portion of the CATV system consisting of the television receiving antennae and structures necessary to support such antennae in a position to receive television broadcast signals.

Section 5. NATURE AND EXTENT OF GRANT.

The franchise granted by this ordinance to University City Antenna System, Inc., Grantee, constitutes authority to use the public streets, other public rights of way or public places in City, to engage in the business of operating a CATV system within the service area described in Section 6 of this ordinance subject to all of the terms and conditions contained in this ordinance. Pursuant to such authority, until lawfully revoked, Grantee may construct, maintain and operate wires, cables, poles, conduits, manholes and other television conductors and equipment necessary for the maintenance and operation of a CATV system.

Grantee shall not engage in the business of selling television or other receivers which make use of signals transmitted by its system, nor shall Grantee engage in the repair of or sale of parts for such receivers.

Section 6. DESIGNATION OF SERVICE AREA.

The service area referred to in Section 2 of this ordinance is described specifically in Appendix "A," which is attached and hereby incorporated into this ordinance by reference.

Section 7. DURATION OF GRANT.

(a) The franchise shall become effective on the thirtieth (30th) day after the passage of this ordinance, provided prior to that date Grantee has filed with the City Clerk: (1) a written instrument, addressed to the Council, accepting the franchise and agreeing to comply with all the provisions of this ordinance; (2) a surety bond, cash deposit or deposit in any federal or State of California chartered bank or savings and loan association in accordance with the provisions of Section 19 of this ordinance.

(b) The term of the franchise shall be fifteen (15) years commencing on the effective date of the franchise as provided in paragraph (a) of this section; provided, that upon written notice given by City or Grantee to the other not less than one year prior to the fifteenth (15th) anniversary of the effective date, the terms and conditions of this ordinance may be subject to renegotiation for a succeeding fifteen (15)-year term. Renegotiations shall be directed toward effecting alterations in the terms and conditions of the franchise in order to reflect those technical and economic changes which have occurred during the interim period. If renegotiation prior to the end of the term of the franchise does not result in agreement between City and Grantee for continuance of the franchise for a succeeding fifteen (15)-year term, the franchise shall terminate without further action by City at the end of its first fifteen (15)-year term.

The franchise may be terminated by the City Council in the event the Council finds, after notice and hearing, that:

(1) the Grantee fails to comply with any provision of this ordinance;

(2) any provision of this ordinance becomes invalid or unenforceable and the Council expressly finds that the invalid or unenforceable provision constitutes a consideration material to the grant of the franchise; or

(3) City purchases the property of Grantee, as provided in the Charter of City; provided, however, that Grantee shall be given thirty (30) days' notice of any termination proceedings.

Section 8. LIMITATIONS UPON GRANT.

(a) No privilege or exemption is granted or conferred by this ordinance except those specifically prescribed in it.

(b) The franchise granted by this ordinance is subordinate to any existing public use or any existing franchise or lawful occupancy of any public highway, street, road or other public property for the purpose of erecting, operating and maintaining poles, lines, conduits, cables, gas pipelines and other necessary fixtures used in connection with the purpose of existing franchises or any extension of them.

(c) The franchise granted by this ordinance is a privilege personal to the original Grantee. It cannot in any event be sold, transferred, leased, assigned, or disposed of as a whole, or in part, either by forced sale, merger, consolidation, by operation of law, or otherwise, without prior consent of City expressed by ordinance, and then only under such conditions as may be prescribed in the consenting ordinance; provided, however, that no such consent shall be required for any transfer in trust, mortgage, or other hypothecation, as a whole, to secure an indebtedness.

(d) In the event that Grantee is a corporation, prior approval of the City Council, expressed by ordinance, shall be required where ownership or control of more than thirty percent (30%) of the voting stock of Grantee is acquired by a person or group of persons acting in concert, none of whom already own or control thirty percent (30%) or more of the voting stock, singularly or collectively. Any such acquisition occurring without prior approval of the City Council shall constitute a failure to comply with a provision of this ordinance within the meaning of subparagraph (1) of paragraph (b) of Section 7 of this ordinance.

Section 9. RIGHTS RESERVED TO CITY.

(a) City provides and reserves to itself every right and power which is required to be reserved or provided in this ordinance by any provision of the Charter of City or of any ordinance of City, and Grantee by its acceptance of this franchise agrees to be bound thereby and to comply with any action or requirement of City in its exercise of any such right or power.

(b) Neither the granting of this franchise nor any provision of this ordinance shall constitute a waiver or bar to the exercise of any governmental right or power of City.

(c) The franchise granted by this ordinance shall be nonexclusive and neither the granting of the franchise nor any of the provisions contained in this ordinance shall prevent City from granting any identical or similar franchise to any person or corporation other than the Grantee, either within or without the area designated in Section 6.

OPERATION OF SERVICE

Section 10. ESTABLISHMENT OF SERVICE.

Installation of a CATV system shall be commenced within one hundred eighty (180) days after the effective date of this ordinance and extensions and service pursued with due diligence thereafter. Failure to commence within one hundred eighty (180) days and diligently to pursue to completion shall be grounds for termination of the franchise.

Section 11. ABANDONMENT OF SERVICE.

(a) After Grantee has established service pursuant to this ordinance in the franchise area, such service shall not be suspended or abandoned unless the suspension or abandonment is authorized by the City Council.

(b) Whenever Grantee shall file with the City Council a written application alleging that the public interest, convenience and necessity no longer require that Grantee furnish service pursuant to this ordinance, in any part of the service area, the City Council, at a public hearing, shall take evidence upon that question and shall make a finding with respect to it. Notice of the hearing shall be given by Grantee to each subscriber in the part of the service area in question at least

fifteen (15) days prior to the date scheduled for the hearing. If the City Council shall find that the public interest, convenience and necessity no longer require that Grantee furnish service, the City Council, after hearing as provided herein, shall authorize suspension or abandonment of service upon such reasonable terms and conditions as may be prescribed by the City Council.

Section 12. REGULATION OF RATES AND SERVICE.

(a) The City Council shall have the power and right at all times for the duration of the franchise granted by this ordinance to require Grantee to conform to reasonable rules and regulations now or hereafter adopted by the City Council, including the power to regulate and establish reasonable rates and charges by Grantee for services rendered under this ordinance. The establishment of such rules and regulations shall be discretionary with the City Council.

(b) Grantee shall:

(1) produce a picture, whether in black and white or in color, that is undistorted, free from ghost images, and accompanied with proper sound on typical standard production television receiver sets in good repair, and as good as the state of the art allows;

(2) provide, maintain and operate facilities which deliver signals of adequate strength to produce good pictures with good sound at all outlets without causing cross-modulation in the cables or interfering with other electrical or electronic systems;

(3) limit failure to a minimum by locating and correcting malfunctions promptly, but in no event longer than twenty-four (24) hours after notice;

(4) upon complaint by a subscriber, make a demonstration satisfactory to the City Manager that a signal is being delivered which is of sufficient strength and quality to meet the standards set forth in this paragraph;

(5) render efficient service, making repairs promptly and interrupting service only for good cause and for the shortest time possible; such interruptions insofar as possible shall be preceded by notice given to subscribers twenty-four (24) hours in advance and shall occur during periods of minimum use of the system;

(6) maintain an office in the service area described in Section 6 of this ordinance, which office shall be open during all the usual business hours, have a telephone number listed in the directories of the Pacific Telephone and Telegraph Company for the San Diego and North San Diego County extended areas, and be so operated that complaints and requests for repairs or adjustments may be received at any time.

(c) Grantee shall operate the CATV system authorized by this ordinance, twenty-four (24) hours per day, seven (7) days per week.

Section 13. UNDERGROUND SYSTEM.

(a) The CATV system to be installed under authority of this ordinance shall be placed underground in all streets in which the utility facilities have been or are required to be placed underground as a result of the subdivision regulations, an underground utility district, or other means. Where overhead utility facilities exist and where the CATV system will be installed as an overhead system, no new poles or supporting structures shall be installed for the CATV system without the expressed permission of the City Manager.

(b) Where facilities are required to be installed underground, Grantee may place aboveground the master antenna facilities necessary to operate the system; provided, however, that irrespective of whether the system is above or underground, no master antenna facilities shall be placed in any street.

(c) With approval of the City Manager, expressed in writing, Grantee may place coaxial cables aboveground in undeveloped regions of the service area. The City Manager, in writing, at his sole discretion, may withdraw such permission at any time, after giving Grantee 30 days' notice of his intention to do so.

STREET WORK

Section 14. LOCATION OF FRANCHISE PROPERTY.

Franchise property shall be constructed or installed only at such locations and in such manner as shall be approved by the City Engineer, acting in the exercise of reasonable discretion.

Section 15. REMOVAL OR ABANDONMENT OF FRANCHISE PROPERTY.

(a) In the event that (1) the use of any franchise property is discontinued for any reason for a continuous period of twelve (12) months, (2) franchise property has been installed in any street or other dedicated public right of way without complying with the requirements of this ordinance, or (3) the franchise has been terminated, cancelled or has expired, Grantee, at its expense, shall remove promptly from the street all franchise property other than any which the City Engineer may permit to be abandoned in place. In the event of any such removal, Grantee shall promptly restore to a condition satisfactory to the City Engineer the street or other dedicated public right of way from which the franchise property has been removed.

(b) Franchise property to be abandoned in place shall be abandoned in the manner prescribed by the City Engineer. Upon permanent abandonment of any franchise property in place, Grantee shall submit to the City Manager an instrument, satisfactory in form to the City Attorney, transferring to City the ownership of the franchise property abandoned.

Section 16. CHANGES REQUIRED BY PUBLIC IMPROVEMENTS.

Grantee shall, at its expense, protect, support, temporarily disconnect, relocate in the same street, alley, or public place, or remove from any street, alley or public place, any franchise property when required by the City Engineer by reason of traffic conditions, public safety, street vacation, freeway and street construction, change or establishment of street grade, installation of sewers, drains, water pipes, power lines, signal lines, and tracks or any other type of structures or improvements by governmental agencies when acting in a governmental or proprietary capacity, or any other structures or public improvements; provided, however, that Grantee shall in all such cases have the privileges and be subject to the obligations to abandon franchise property in place, as provided in Section 15.

Section 17. FAILURE TO PERFORM STREET WORK.

Upon failure of Grantee to commence, pursue or complete any work required by law or by the provisions of this ordinance to be done in any street, within the time prescribed and to the satisfaction of the City Engineer, the City Engineer may, at his option, cause such work to be done and the Grantee shall pay to the City the cost thereof in the itemized amounts reported by the City Engineer to Grantee, within thirty (30) days after receipt of such itemized report.

Section 18. ANNUAL PAYMENTS TO THE CITY.

(a) By its acceptance of this franchise, Grantee agrees to pay to City annually in lawful money of the United States three percent (3%) of the total gross receipts collected or received, or in any manner gained or derived by Grantee in each calendar year, or portion thereof, during the term of this franchise, from the properties, operations and business referred to in Section 5 of this ordinance.

(b) Checks for all such payments shall be made payable to the City Treasurer, and shall be submitted to the City Treasurer on or before March 1 of each year for the previous calendar year or portion thereof.

(c) Each payment shall be accompanied by a statement, in duplicate, verified by Grantee or by a general officer or other duly authorized representative of Grantee, showing in such form and detail as the City Manager may require from time to time the facts material to a determination of the amount due.

(d) The payment made to City by Grantee pursuant to this section for any calendar year shall be in lieu of any license, fee or business tax prescribed by City for the same period, but only to the extent of such payment.

(e) The amount of the annual payment to the City to be made by Grantee in accordance with this section is subject to renegotiation under the terms of paragraph (b) of Section 7 of this ordinance.

Section 19. FAITHFUL PERFORMANCE BOND.

Grantee shall, within the period specified in paragraph (a) of Section 7, file with the City Clerk and, at all times thereafter, maintain in full force and effect an acceptable corporate surety bond in the amount of FIVE THOUSAND DOLLARS (\$5,000.00), effective for the entire term of the franchise granted by this ordinance, and conditioned that in the event Grantee shall fail to comply with any one or more of the provisions of this ordinance then there shall be recoverable jointly and severally from the principal and surety of such bond any damages suffered by City as a result thereof, including the full amount of any compensation, indemnification, or cost of removal or abandonment of property as prescribed by Sections 15, 18 or 20 of this ordinance which may be in default, up to the full amount of the bond; the condition to be a continuing obligation for the duration of the franchise granted by this ordinance and thereafter until Grantee has liquidated all of its obligations with City that may have arisen from the acceptance of the franchise by Grantee or from its exercise of any privilege herein granted. In lieu of said bond Grantee may deposit cash with The City of San Diego or in a federal or State of California bank or savings and loan association in the name of The City of San Diego, but with interest reserved to the Grantee, on terms and conditions approved by the City Attorney.

Neither the provisions of this section, any bond accepted by City pursuant thereto nor any damages recovered by City thereunder, nor any withdrawal from any cash deposit shall be construed to excuse faithful performance by Grantee or to limit the liability of Grantee under this ordinance or for damages, either to the full amount of the bond or otherwise.

Section 20. INDEMNIFICATION TO CITY.

Grantee shall indemnify City, its officers and its employees, against all claims, demands, actions, suits and proceedings by others and against all liability to others, and against any loss, cost and expense resulting therefrom, including reasonable attorneys' fees, arising out of the exercise or enjoyment of the franchise granted by this ordinance, irrespective of the amount of the bond designated in Section 19.

Section 21. INSPECTION OF PROPERTY AND RECORDS.

(a) At all reasonable times Grantee shall permit examination by any duly authorized representative of the City Engineer or the City Auditor of all franchise property, together with any appurtenant property of Grantee situated within or without the City. Grantee shall also permit any duly authorized representative of the City Engineer or the City Auditor to examine and transcribe any and all maps and other records kept or maintained by Grantee or under its control concerning the operations, affairs, transactions or property of Grantee. If any of such maps or records are not kept in the City, or upon reasonable request made available in the City, and if the City Engineer or the City Auditor shall determine that an examination of such maps or records is necessary or appropriate to the performance of any of their duties, then all travel and maintenance expense necessarily incurred in making such examination shall be paid by Grantee.

(b) Grantee shall prepare and furnish to the City Engineer or the City Auditor, at the times and in the form prescribed by the City Engineer or the City Auditor, such reports with respect to its operations, affairs, transactions or property as may be reasonably necessary or appropriate to the performance of any of the duties of the City Engineer or the City Auditor in connection with this ordinance. Such reports may include, but are not limited to, a complete set of records and plans of all facilities as finally installed within the franchise service area.

Section 22. FILINGS AND COMMUNICATION WITH REGULATORY AGENCIES.

Copies of all petitions, applications and communications of all types submitted by Grantee to the Federal Communications Commission, Securities and Exchange Commission, California Public Utilities Commission, or any other Federal or State regulatory commission or agency having jurisdiction over any matter affecting operation of Grantee's CATV system shall be submitted simultaneously to the City by delivery to the City Clerk who shall advise interested City Departments of such filing. A copy of each document filed with the City Clerk in accordance with this section shall be delivered to the City Attorney.

Section 23. Notwithstanding any other provisions contained herein, this franchise is granted solely and exclusively under Sections 103, 103.1, 104 and 105 of the Charter of The City of San Diego and under no other authority.

Section 24. This ordinance shall take effect and be in force on the thirtieth day from and after its passage.

ORDINANCE NO. 10125
(New Series)

AN ORDINANCE OF THE CITY OF SAN DIEGO, CALIFORNIA, ORDERING, CALLING, PROVIDING FOR AND GIVING NOTICE OF A SPECIAL ELECTION TO BE HELD IN THE CITY ON NOVEMBER 4, 1969, FOR THE PURPOSE OF SUBMITTING TO THE QUALIFIED VOTERS OF THE CITY OF SAN DIEGO PROPOSITIONS TO AMEND THE CHARTER OF THE CITY OF SAN DIEGO; AND CONSOLIDATING SAID SPECIAL MUNICIPAL ELECTION WITH THE GENERAL MUNICIPAL ELECTION TO BE HELD IN SAID CITY ON NOVEMBER 4, 1969.

WHEREAS, a general municipal election in the City and in the San Diego Unified School District is to be held on November 4, 1969; and

WHEREAS, the Council of The City of San Diego desires to submit to the qualified voters of the City propositions amending the Charter of The City of San Diego; and

WHEREAS, the Council of The City of San Diego desires to consolidate the two elections; NOW, THEREFORE,

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. A special municipal election is hereby called and ordered to be held in the City of San Diego, California, on November 4, 1969; and pursuant to the provisions of Section 223 of the Charter of The City of San Diego and the provisions of Section 8 of Article 11 of the Constitution of the State of California, the Council of The City of San Diego being the legislative body thereof, hereby proposes and submits to the qualified voters of the City at such special municipal election the following propositions amending the Charter of The City of San Diego:

PROPOSITION A

Amend the Charter of The City of San Diego to add the following statement as a preamble:

PREAMBLE

It is the purpose of this Charter to provide a system of municipal government which builds on the best of the past while adapting to the challenges and problems of future growth and to the change which occurs inevitably with the passing of time. The government provided by this Charter should support the efforts of San Diego's residents to enhance their community's potential as a desirable place for work and leisure.

This Charter seeks to blend the advantage of professional administration of government through the council-manager system with leadership in city policy-making firmly placed in the hands of officials selected by the citizens through democratic electoral machinery and responsive to the views of all segments of the community.

PROPOSITION B

Amend Sections 4, 5 and the second paragraph of Section 66 of the Charter of The City of San Diego to read as follows:

Section 4. DISTRICTS ESTABLISHED.

For the purpose of electing members of the Council the City shall be divided into eight Districts as ^{nearly} equal in population as practicable. The boundaries of such districts shall be subject to alteration and change under the provisions of this Charter.

S.H.S.

In any ordinance adopted by the Council establishing, changing or altering the boundaries of any councilmanic district the ordinance may describe the new boundaries by reference to a map on file in the office of the City Clerk; a metes and bounds description of the new boundaries need not be contained in said ordinance.

10125

Section 5. REDISTRICTING.

In the event that any voting precinct which may be established at the time this Charter takes effect or which may be thereafter established is partly within two or more such districts, said precinct shall be allocated to the District in which a majority of the voters within such precinct resides, and said district boundaries shall be changed accordingly by an ordinance of the Council. The City shall be redistricted by ordinance for the purpose of maintaining approximate equality of population at least once every five (5) years, but shall not be redistricted within four years after any such redistricting.

Any territory hereafter annexed to or consolidated with The City of San Diego shall at the time of such annexation or consolidation be added to an adjacent District or Districts by an ordinance of the Council, provided, that if any territory annexed or consolidated at any one time shall contain population sufficient to upset the approximate equality of the established districts, the Council shall at least sixty days before an election after such annexation or consolidation redistrict the City regardless of the time limitation of four years heretofore mentioned.

In any redistricting, the districts shall be comprised of contiguous territory and made as equal in population as practicable, and as geographically compact as practicable, and the districts so formed shall, as far as practicable, be bounded by natural boundaries, by street lines and/or by City boundary lines, and insofar as practicable shall not divide whole communities.

Section 66. BOARD OF EDUCATION.

(Second
para-
graph)

For the purpose of electing members of the Board of Education, the San Diego Unified School District shall be divided into five (5) districts as nearly equal in population as practicable. The boundaries of such election districts shall be subject to alteration and change under the provisions of this section. The Board of Education, by resolution, may after public hearing change and alter the boundaries of the election districts and in the resolution may describe the new boundaries by reference to a map on file in the office of the City Clerk; a metes and bounds description of the new boundaries need not be contained in said resolution.

PROPOSITION C

Amend Section 7, and amend second paragraph and add a new paragraph to be inserted between second and third paragraphs of Section 12 of the Charter of The City of San Diego to read as follows:

Section 7. ELECTIVE OFFICERS.

No person shall be eligible to or hold any elective office of the City, either by election or appointment, unless he shall have been a resident and elector thereof for at least three years next preceding his taking office.

In addition to the foregoing qualifications, every Councilman must have been at the time of his taking office, or appointment in the event of a vacancy, an actual resident in the district from which he was nominated for one year immediately preceding his taking office. Any Councilman who

10125

moves from the district of which he was a resident at the time of his taking office forfeits his office, but no Councilman shall forfeit his office as a result of redistricting.

Section 12. THE COUNCIL.

(Second
para-
graph)

Councilmen, including the Mayor, shall be elected at a general municipal election held in the odd-numbered years and, except as hereinafter provided, shall hold office for the term of four years from and after 10 a.m. the first Monday after the first day of December next succeeding their election and until their successors are elected and qualified. Upon any redistricting pursuant to the provisions of this Charter, incumbent councilmen will continue to represent the district in which they reside, unless as a result of such redistricting more than one incumbent councilman resides within any one district, in which case the City Council may determine by lot which councilman shall represent each district. At the next municipal primary and general elections following a redistricting, councilmen shall be elected from those districts not represented and from those districts represented by incumbent councilmen whose terms expire as of the general election in said year. If as a result of any redistricting more than a simple majority of the City Council as redistricted shall be elected at the general election next following any such redistricting, the City Council prior to any such election shall designate one or more new districts for which the initial councilmanic term shall be two (2) years in order to retain staggered terms for councilmen.

nd
ara-
)

The one-year district residency requirement of Section 7 of this Charter shall not apply to a person, herein called "prospective candidate," who seeks to be a candidate for election or appointment to the office of councilman and is otherwise eligible for the office, if all of the following conditions apply: a redistricting has occurred less than one year before prospective candidate, if elected or appointed, would take office; as a result of the redistricting, the district of prospective candidate's residence has changed to a district in which no councilmanic election will be held at the next succeeding municipal election; prior to filing his candidacy for election or appointment, prospective candidate moves his residence into a district bordering upon the district into which prospective candidate's residence has been placed by the redistricting.

PROPOSITION D

Amend Section 10 of the Charter of The City of San Diego to read as follows:

Section 10. ELECTIONS.

The regular municipal primary election shall be held on the third Tuesday in September in each odd-numbered year, and the general municipal election shall be held on the first Tuesday after the first day in November of the same year, or, if either of these days falls on a legal holiday, then the election shall be held on the next succeeding day which is not a legal holiday. All other municipal elections which may be held under this Charter shall be known as special municipal elections.

10125

CORRECTION

**The foregoing document is
rephotographed to insure legibility.**

(New paragraph to be inserted between second and third paragraphs)

The one-year district residency requirement of Section 7 of this Charter shall not apply to a person, herein called "prospective candidate," who seeks to be a candidate for election or appointment to the office of councilman and is otherwise eligible for the office, if all of the following conditions apply: a redistricting has occurred less than one year before prospective candidate, if elected or appointed, would take office; as a result of the redistricting, the district of prospective candidate's residence has changed to a district in which no councilmanic election will be held at the next succeeding municipal election; prior to filing his candidacy for election or appointment, prospective candidate moves his residence into a district bordering upon the district into which prospective candidate's residence has been placed by the redistricting.

Section 10. ELECTIONS.

The regular municipal primary election shall be held on the third Tuesday in September in each odd-numbered year, and the general municipal election shall be held on the first Tuesday after the first day in November of the same year, or, if either of these days falls on a legal holiday, then the election shall be held on the next succeeding day which is not a legal holiday. All other municipal elections which may be held under this Charter shall be known as special municipal elections.

There shall be chosen by all of the registered voters of the City not more than twice the number of candidates necessary to fill any office of any other officer whose term expires the succeeding December. However, in the event that any candidate shall receive a majority of the votes cast for all the candidates for nomination to such office at such primary election, the candidate so receiving such majority of all votes shall be deemed to be, and declared by the Council to be, elected to such office.

In the event that no candidate shall have received a majority of the votes cast for all the candidates for nomination to such office at such primary election, then at the general municipal election the registered voters of each respective council district shall select from among the candidates chosen at the primary election in that district one candidate for the office of each Councilman whose term expires the succeeding December, and there shall be chosen by the registered voters of the whole City from among the candidates chosen at the primary one candidate to succeed any other elective officer whose term expires in December succeeding the election.

After the result of an election for any office is declared, or when an appointment is made, the City Clerk, under his hand and official seal, shall issue a certificate therefor, and shall deliver the same immediately to the person elected or appointed, and

such person must prior to taking office take and subscribe to the oath of office required of him by this Charter, which oath must be filed with the City Clerk.

PROPOSITION G

Section 16. INTRODUCTION AND PASSAGE OF ORDINANCES AND RESOLUTIONS.

Ordinances shall be introduced in the Council only in written or printed form. All ordinances, except annual appropriation ordinances and ordinances codifying or re-arranging existing ordinances, shall be confined to one subject, and the subject or subjects of all ordinances shall be clearly expressed in the title. The annual appropriation ordinance, any ordinance calling or relating to elections, ordinances recommended by the City Manager or other independent department heads transferring or appropriating moneys already appropriated by the annual appropriation ordinance, ordinances establishing or changing the grade of a public highway, and emergency ordinances as defined by Section 17 of this Charter, may be passed by the Council on the day of their introduction. Other ordinances, however, shall be passed only after twelve (12) calendar days have elapsed between the day of their introduction and the day of their final passage. Each ordinance shall be read in full prior to the final passage of such ordinance, unless such reading shall be dispensed with by a vote of not less than a majority of the members elected to the Council, and not then unless there shall have

The enacting clause of ordinances submitted by the initiative shall be "Be it ordained by the people of The City of San Diego."

PROPOSITION H

Amend the first paragraph of Section 24 of the Charter of The City of San Diego to read as follows:

Section 24. MAYOR.

(First
para-
graph)

The Mayor shall preside at the meetings of the Council and perform such other duties as may be prescribed by this Charter or as may be imposed by the Council, consistent with the duties of his office. He shall have no power of veto, but shall have a vote as a member of the Council. He shall be recognized as the official head of the City for all ceremonial purposes, by the courts for the purpose of serving civil process, for the signing of all legal instruments and documents, and by the Governor for military purposes. On or before the 15th day of January of each year, he shall communicate by message to the City Council a statement of the conditions and affairs of the City,

10125

and make recommendations on such matters as he may deem expedient and proper. Subject to the other provisions of this Charter: the Mayor shall be recognized as the political and legislative head of the City; he shall provide human relations leadership; he shall develop an annual municipal legislative program for presentation to the Council; and he is authorized to develop and propose to the Council other legislative proposals from time to time. In time of public danger or emergency, he may, with the consent of the Council, take command of the police, maintain order and enforce the law.

PROPOSITION I

Amend Section 27 of the Charter of The City of San Diego to read as follows:

Section 27. THE CITY MANAGER.

The Council shall elect a Manager under this Charter, who shall be the chief administrative officer of the City. The Manager shall be chosen by the Council solely on the basis of his proven administrative qualifications. The Manager need not, when elected, be a resident of the City or State, but must be a citizen of the United States. He shall, upon his election, immediately become a resident of the City. No member of the Council shall, during the time for which he was elected, or for one (1) year thereafter, be eligible to hold the position of Manager. The Manager shall be elected for an indefinite term, but may be removed at the pleasure of the Council; provided, however, that the Manager shall not be

removed unless a majority of the members of the Council shall vote in favor of such removal. Before the Manager may be removed he shall, if he shall so demand, be given a written statement of the reasons alleged for his removal and the right to be heard publicly thereon at a meeting of the Council prior to the final vote on the question of his removal, but pending and during such hearing the Council may suspend him from office. At least two weeks shall be given the Manager between notice and hearing for the preparation of his answer to the reasons for removal. The action of the Council in suspending or removing the Manager shall be final and conclusive on everyone, it being the intention of this Charter to vest all authority and fix all responsibility for such suspension or removal in the Council. He shall receive a salary to be fixed in the annual appropriation ordinance. The salary set in the appropriation ordinance shall not be reduced while the Manager holds office, but may be subject to increase by the Council at its discretion. The Manager shall designate one of his subordinates as Assistant Manager, who shall serve as Manager in case of the absence or disability of the Manager.

Section 41. COMMISSIONS.

The Mayor shall appoint, subject to the confirmation of the Council, members of all commissions established pursuant to this section. Whenever the Mayor does not appoint a member within forty-five (45) days after a vacancy occurs, the Council shall make such appointment. The commissioners shall be limited to two (2) full consecutive terms, with one (1) term intervening before they become eligible for reappointment; and this provision shall apply to anyone who has served two (2) full consecutive terms by January 1972. The terms of commissioners may extend beyond the elective term of the appointing Mayor. The Mayor shall fill, subject to the confirmation of the Council, any vacancy and such appointment shall be for the unexpired term of the office being filled. The City Council may remove a member of the Civil Service Commission for cause by vote of two-thirds (2/3) of the members of the Council. However, before the Council may remove a member of the Civil Service Commission, written charges shall be made against the commission member and an opportunity afforded for public hearing before the Council upon such charges. The City Council may remove members of all other commissions established pursuant to this section for cause by vote of a majority of the members of the Council.

They shall serve without compensation for terms of four (4) years and until their successors are elected and qualified. Notwithstanding any other provision of this section, appointments shall be made so that not more than one (1) term of office shall expire in any year.

(b) CIVIL SERVICE COMMISSION. There shall be a Civil Service Commission consisting of five members who shall be electors of the City. Not more than three members of the Commission shall be of the same sex. The Mayor, with the approval of the Council, shall appoint the members of the Commission. Notwithstanding any other provision of this section, appointments shall be made so that not more than one (1) term of office shall expire in any year. The Mayor, with the approval of the Council, shall fill any vacancy.

Members of the Civil Service Commission shall not hold any other office in City government.

The Commission shall consist of seven (7) members appointed by the Mayor, subject to the confirmation of the Council. The City Engineer, and the City Attorney, or their designated representatives, shall be members ex-officio, but neither of said officers shall have a vote. Members of such advisory boards shall be limited to a maximum of eight (8) consecutive years in office and an interval of four (4) years must pass before such persons can be reappointed.

(b) The Mayor, City Council or City Manager may create and establish citizens' committees. Such committees shall be created and established only for the purpose of advising on questions with clearly defined objectives, and shall be temporary in nature, and shall be dissolved upon the completion of the objectives for which they were created. Committee members shall serve without compensation.

(c) Whenever under the provisions of this Charter or ordinance the Mayor is vested with authority to appoint the members of boards or committees and does not take such action within forty-five (45) days after the board or committee has been established or a vacancy occurs, then the Council shall make such appointments. The Council may remove committee and board members by vote of a majority of the members of the Council.

The budget shall include a summary outline of the fiscal policy of the City for the budget year, describing in connection therewith the important features of the budget plan; a general budget summary setting forth the aggregate figures of the budget in such manner as to show the balanced relations between the total proposed expenditures and the total anticipated income and other means of financing the budget for the ensuing year, contrasted with the corresponding figures for the current year. The classification of the estimate shall be as nearly uniform as possible for the main divisions of all Departments and shall furnish necessary detailed fiscal information.

The Council shall provide for printing a reasonable number of copies of the estimate thus prepared, for examination or distribution to citizens at least fifteen days before final passage. Copies shall also be furnished to the newspapers of the City and to each library thereof which is open to the public.

All increases and decreases of salary or wages of officers and employees shall be determined at the time of the preparation and adoption of the budget, and no such increase or decrease shall be effective prior to the fiscal year for which the budget is adopted; provided, however, that if during any fiscal year, the Council should find and determine that because of a significant change in living costs, the salaries and wages fixed for such fiscal year are not comparable to the level of other salaries and wages of other public or private employments for comparable services and as a result, the best interests of the City are not being protected or are in jeopardy, said Legislative Body, upon recommendation of the Manager or other department head, and if funds are available, may revise such salary and wage schedules to the extent necessary to protect the City's interests.

Section 85. DAILY DEPOSITS OF MONEY.

Amend the Charter of The City of

PREAMBLE

It is the purpose of this Charter
to provide a system of municipal
government which builds on the best
of the past while adapting to the
challenges and problems of future

efforts of San Diego's residents to
enhance their community's potential

This Charter seeks to blend the
advantage of professional administra-
tion of government through the
council-manager system with leader-
ship in city policy-making firmly
placed in the hands of officials se-
lected by the citizens through demo-
cratic electoral machinery and re-
sponsive to the views of all segments
of the community.

PROPOSITION B

Amend Sections 4, 5 and the second paragraph of Section 66 of the Charter of The City of San Diego to read as follows:

Section 4. DISTRICTS ESTABLISHED.

For the purpose of electing members of the Council the City shall be divided into eight Districts as nearly equal in population as practicable. The boundaries of such districts shall be subject to alteration and change under the provisions of this Charter.

In any ordinance adopted by the Council establishing, changing or altering the boundaries of any councilmanic district the ordinance may describe the new boundaries by reference to a map on file in the office of the City Clerk; a metes and bounds description of the new boundaries need not be contained in said ordinance.

Section 5. REDISTRICTING.

In the event that any voting precinct which may be established at the time this Charter takes effect or which may be thereafter established is partly within two or more such districts, said precinct shall be allocated to the District in which a majority of the voters within such precinct resides, and said district boundaries shall be changed accordingly by an ordinance of the Council. The City shall be redistricted by ordinance for the purpose of maintaining approximate equality of population at least once every five (5) years, but shall not be redistricted within four years after any such redistricting.

Any territory hereafter annexed to or consolidated with The City of San Diego shall at the time of such annexation or consolidation be added to an adjacent District or Districts by an ordinance of the Council, provided, that if any territory annexed or consolidated at any one time shall contain population sufficient to upset the approximate equality of the established districts, the Council shall at least sixty days before an election after such annexation or consolidation redistrict the City regardless of the time limitation of four years heretofore mentioned.

In any redistricting, the districts shall be comprised of contiguous territory and made as equal in population as practicable, and as geographically compact as practicable, and the districts so formed shall, as far as practicable, be bounded by natural boundaries, by street lines and/or by City boundary lines, and insofar as practicable shall not divide whole communities.

Section 66. BOARD OF EDUCATION.

For the purpose of electing members of the Board of Education, the San Diego Unified School District shall be divided into five (5) districts as nearly equal in population as practicable. The boundaries of such election districts shall be subject to alteration and change under the provisions of this section. The Board of Education, by resolution, may after public hearing change and alter the boundaries of the election districts and in the resolution may describe the new boundaries by reference to a map on file in the office of the City Clerk; a metes and bounds description of the new boundaries need not be contained in said resolution.

PROPOSITION C

Amend Section 7, and amend second paragraph and add a new paragraph to be inserted between second and third paragraphs of Section 12 of the Charter of The City of San Diego to read as follows:

Section 7. ELECTIVE OFFICERS.

No person shall be eligible to or hold any elective office of the City, either by election or appointment, unless he shall have been a resident and elector thereof for at least three years next preceding his taking office.

In addition to the foregoing qualifications, every Councilman must have been at the time of his taking office, or appointment in the event of a vacancy, an actual resident in the district from which he was nominated for one year immediately preceding his taking office. Any Councilman who moves from the district of which he was a resident at the time of his taking office forfeits his office, but no Councilman shall forfeit his office as a result of redistricting.

Section 12. THE COUNCIL.

Councilmen, including the Mayor, shall be elected at a general municipal election held in the odd-numbered years and, except as hereinafter provided, shall hold office for the term of four years from and after 10 a.m. the first Monday after the first day of December next succeeding their election and until their successors are elected and qualified. Upon any redistricting pursuant to the provisions of this Charter, incumbent councilmen will continue to represent the district in which they reside, unless as a result of such redistricting more than one incumbent councilman resides within any one district, in which case the City Council may determine by lot which councilman shall represent each district. At the next municipal primary and general elections following a redistricting, councilmen shall be elected from those districts not represented and from those districts represented by incumbent councilmen whose terms expire as of the general election in said year. If as a result of any redistricting more than a simple majority of the City Council as redistricted shall be elected at the general election next following any such redistricting, the City Council prior to any such election shall designate one or more new districts for which the initial councilmanic term shall be two (2) years in order to retain staggered terms for councilmen.

The one-year district residency re-

quirement of Section 7 of this Charter shall not apply to a person, herein called "prospective candidate," who seeks to be a candidate for election or appointment to the office of councilman and is otherwise eligible for the office, if all of the following conditions apply: a redistricting has occurred less than one year before prospective candidate, if elected or appointed, would take office; as a result of the redistricting, the district of prospective candidate's residence has changed to a district in which no councilmanic election will be held at the next succeeding municipal election; prior to filing his candidacy for election or appointment, prospective candidate moves his residence into a district bordering upon the district into which prospective candidate's residence has been placed by the redistricting.

PROPOSITION D

Amend Section 10 of the Charter of The City of San Diego to read as follows:

Section 10. ELECTIONS.

The regular municipal primary election shall be held on the third Tuesday in September in each odd-numbered year, and the general municipal election shall be held on the first Tuesday after the first day in November of the same year, or, if either of these days falls on a legal holiday, then the election shall be held on the next succeeding day which is not a legal holiday. All other municipal elections which may be held under this Charter shall be known as special municipal elections.

At the municipal primary election there shall be chosen by the registered voters of each Council District two candidates for the office of any councilman from a district whose term expires the succeeding December. There shall be chosen by all of the registered voters of the City not more than twice the number of candidates necessary to fill any office of any other officer whose term expires the succeeding December. However, in the event that any candidate shall receive a majority of the votes cast for all the candidates for nomination to such office at such primary election, the candidate so receiving such majority of all votes shall be deemed to be, and declared by the Council to be, elected to such office.

In the event that no candidate shall have received a majority of the votes cast for all the candidates for nomination to such office at such primary election, then at the general municipal election the registered voters of each respective council district shall select from among the candidates chosen at the primary election in that district one candidate for the office of each Councilman whose term expires the succeeding December, and there shall be chosen by the registered voters of the whole City from among the candidates chosen at the primary one candidate to succeed any other elective officer whose term expires in December succeeding the election.

After the result of an election for any office is declared, or when an appointment is made, the City Clerk, under his hand and official seal, shall issue a certificate therefor, and shall deliver the same immediately to the person elected or appointed, and such person must prior to taking office take and subscribe to the oath of office required of him by this Charter, which oath must be filed with the City Clerk.

PROPOSITION E

Amend the fourth paragraph of Section 12 of the Charter of The City of San Diego to read as follows:

Section 12. THE COUNCIL.

It is the duty of councilmen to attend all Council meetings. The Council shall vacate the seat of any councilman who is absent from eight (8) consecutive meetings or fifty percent (50%) of any scheduled meetings within a month unless the absence thereof is excused by resolution of the Council.

PROPOSITION F

Amend the fifth paragraph of Section 12, the second paragraph of Section 24, and add new Section 41.1 of the Charter of The City of San Diego to read as follows:

Section 12. THE COUNCIL.

The rate of pay of each Councilman shall be Five Thousand Dollars (\$5,000.00) a year until the effective date of the first salary ordinance adopted pursuant to the provisions of Section 41.1 of this Charter; thereafter the salary of Councilmen shall be established pursuant to Section 41.1 of this Charter.

Section 24. MAYOR.
The rate of pay of the Mayor shall be Twelve Thousand Dollars (\$12,000.00) per year until the effective date of the first salary ordinance adopted pursuant to the provisions of Section 41.1 of this Charter; thereafter the salary of the Mayor shall be established pursuant to Section 41.1 of this Charter.

Section 41.1. LEGISLATIVE SALARY REVIEW COMMISSION.

The Legislative Salary Review Commission shall make recommendations to the City Council concerning the rates of pay for the Mayor and members of the Council. Said Commission shall consist of five (5) members appointed by the Civil Service Commission. The members shall be electors of the City and shall not hold any other office or employment in City government.

Except as otherwise provided herein, terms of the members of the Commission shall be for four (4) years and until their successors have been appointed and qualified; provided, however, that no member shall serve more than two (2) full consecutive terms and an interval of one (1) full term shall have elapsed before any member may be reappointed to the Commission.

The first members of the Commission so appointed shall draw lots so that two members serve a four (4)-year term; one member serves a three (3)-year term; and two members serve a two (2)-year term. Any appointment to fill a vacancy shall be for the unexpired term.

The Commission shall make its recommendations to the City Council on or before March 1 of each even-numbered year. Pursuant to these recommendations, the Council shall adopt rates of pay for the Mayor and members of the Council; provided, however, that said rates of pay shall not exceed the amounts recommended by the Commission and all members of the Council shall receive the same rate of pay. No ordinance establishing rates of pay for the Mayor and members of the Council shall be effective until ninety (90) days after its passage, during which time it shall be subject to the referendum provisions of this Charter.

PROPOSITION G

Amend Section 16 of the Charter of The City of San Diego to read as follows:

Section 16. INTRODUCTION AND PASSAGE OF ORDINANCES AND RESOLUTIONS.

Ordinances shall be introduced in the Council only in written or printed form. All ordinances, except annual appropriation ordinances and ordinances codifying or re-arranging existing ordinances, shall be confined to one subject, and the subject or subjects of all ordinances shall be clearly expressed in the title. The annual appropriation ordinance, any ordinance calling or relating to elections, ordinances recommended by the City Manager or other independent department heads transferring or appropriating moneys already appropriated by the annual appropriation ordinance, ordinances establishing or changing the grade of a public highway, and emergency ordinances as defined by Section 17 of this Charter, may be passed by the Council on the day of their introduction. Other ordinances, however, shall be passed only after twelve (12) calendar days have elapsed between the day of their introduction and the day of their final passage. Each ordinance shall be read in full prior to the final passage of such ordinance, unless such reading shall be dispensed with by a vote of not less than a majority of the members elected to the Council, and not then unless there shall have been available for the consideration of each member of the Council and the public prior to the day of its final passage a written or printed copy of said ordinance. The yeas and nays shall be taken upon the passage of all ordinances and entered upon the journal of the proceedings of the Council. The yeas and nays shall be taken and entered upon the passage of all resolutions receiving a split vote, or upon the request of two or more members of the Council. The enacting clause of ordinances passed by the Council shall be "Be it ordained by the Council of The City of San Diego." The enacting clause of ordinances submitted by the initiative shall be "Be it ordained by the people of The City of San Diego."

PROPOSITION H

Amend the first paragraph of Section 24 of the Charter of The City of San Diego to read as follows:

Section 24. MAYOR.

The Mayor shall preside at the meetings of the Council and perform such other duties as may be prescribed by this Charter or as may be imposed by the Council, consistent with the duties of his office. He shall have no power of veto, but shall have a vote as a member of the Council. He shall be recognized as the official head of the City for all ceremonial purposes, by the courts for the purpose of serving civil process, for the signing of all legal instruments and documents, and by the Governor for military purposes. On or before the 15th day of January of each year, he shall communicate by message to the City Council a statement of the conditions and affairs of the City, and make recommendations on such matters as he may deem expedient and proper. Subject to the other provisions of this Charter: the Mayor shall be recognized as the political and legislative head of the City; he shall provide human relations leadership; he shall develop an annual municipal legislative program for presentation to the Council; and he is authorized to develop and propose to the Council other legislative proposals from time to time. In time of public danger or emergency, he may, with the consent of the Council, take command of the police, maintain order and enforce the law.

PROPOSITION I

Amend Section 27 of the Charter of The City of San Diego to read as follows:

Section 27. THE CITY MANAGER.

The Council shall elect a Manager under this Charter, who shall be the chief administrative officer of the City. The Manager shall be chosen by the Council solely on the basis of his proven administrative qualifications. The Manager need not, when elected, be a resident of the City or State, but must be a citizen of the United States. He shall, upon his election, immediately become a resident of the City. No member of the Council shall, during the time for which he was elected, or for one (1) year thereafter, be eligible to hold the position of Manager. The Manager shall be elected for an indefinite term, but may be removed at the pleasure of the Council; provided, however, that the Manager shall not be removed unless a majority of the members of the Council shall vote in favor of such removal. Before the Manager may be removed he shall, if he shall so demand, be given a written statement of the reasons alleged for his removal and the right to be heard publicly thereon at a meeting of the Council prior to the final vote on the question of his removal, but pending and during such hearing the Council may suspend him from office. At least two weeks shall be given the Manager between notice and hearing for the preparation of his answer to the reasons for removal. The action of the Council in suspending or removing the Manager shall be final and conclusive on everyone, it being the intention of this Charter to vest all authority and fix all responsibility for such suspension or removal in the Council. He shall receive a salary to be fixed in the annual appropriation ordinance. The salary set in the appropriation ordinance shall not be reduced while the Manager holds office, but may be subject to increase by the Council at its discretion. The Manager shall designate one of his subordinates as Assistant Manager, who shall serve as Manager in case of the absence or disability of the Manager.

In the event of a vacancy in the office of the City Manager, the Council shall fill the same within ninety (90) days after the vacancy occurs; provided, however, that if the Council does not fill the vacancy within ninety (90) days then said vacancy shall be filled by the Mayor.

PROPOSITION J

Amend Sections 41, 43, 115 and the first paragraph of Section 144, and repeal Sections 42 and 43.1 of the Charter of The City of San Diego to read as follows:

Section 41. COMMISSIONS.

The Mayor shall appoint, subject to the confirmation of the Council, members of all commissions established pursuant to this section. Whenever the Mayor does not appoint a member within forty-five (45) days after a vacancy occurs, the Council shall make such appointment. The commissioners shall be limited to two (2) full consecutive terms, with one (1) term intervening before they become eligible for reappointment; and this provision shall apply to anyone who has served two (2) full consecutive terms by January 1972. The terms of commissioners may extend beyond the elective term of the appointing Mayor. The Mayor shall fill, subject to the confirmation of the Council, any vacancy and such appointment shall be for the unexpired term of the office being filled. The City Council may remove a member of the Civil Service Commission for cause by vote of two-thirds (2/3) of the members of the Council. However, before the Council may remove a member of the Civil Service Commission, written charges shall be made against the commission member and an opportunity afforded for public hearing before the Council upon such charges. The City Council may remove members of all other commissions established pursuant to this section for cause by vote of a majority of the members of the Council.

(a) **FUNDS COMMISSION.** This Commission shall have supervision and control over all trust, perpetuity, and investment funds of the City and such pension funds as shall be placed in its custody, and shall administer them subject to the laws of the State and ordinances of the Council. The membership of this Commission shall be appointed by the Mayor and confirmed by the Council and shall be one bank official, two unclassified citizens, and the City Attorney and City Treasurer, ex-officio. They shall serve without compensation for terms of four (4) years and until their successors are elected and qualified. Notwithstanding any other provision of this section, appointments shall be made so that not more than one (1) term of office shall expire in any year.

(b) **CIVIL SERVICE COMMISSION.** There shall be a Civil Service Commission consisting of five members who shall be electors of the City. Not more than three members of the Commission shall be of the same sex. The Mayor, with the approval of the Council, shall appoint the members of the Commission. The members of the Commission shall be appointed to serve for five years and until their successors have been appointed and qualified. Notwithstanding any other provision of this section, appointments shall be made so that not more than one (1) term of office shall expire in any year. The Mayor, with the approval of the Council, shall fill any vacancy.

Members of the Civil Service Commission shall not hold any other office in City government.

(c) **CITY PLANNING COMMISSION.** The City Planning Commission shall be organized as provided by the laws of the State and have such powers and perform such duties as are prescribed by such laws. The duties of the Commission shall also include advising upon public buildings, bridges, retaining walls, approaches, park and harbor structures, the improvement of Pueblo lands and such other improvements as the Council may by ordinance determine. The Commission shall consist of seven (7) members appointed by the Mayor, subject to the confirmation of the Council. The City Engineer, and the City Attorney, or their designated representatives, shall be members ex-officio, but neither of said officers shall have a vote. The members of this Commission shall serve without compensation for terms of four years and until their successors are elected and appointed and qualified.

Notwithstanding any other provisions of this section, appointments to this Commission shall be made so that not more than three (3) members are appointed in any one year. To accomplish this, initial appoint-

ments to this Commission, after the effective date of this amendment, shall be made so as to provide that the terms of office of two (2) members shall be for four (4) years; two (2) members for three (3) years; two (2) members for two (2) years; and one (1) member for one (1) year.

Section 43. ADVISORY BOARDS AND COMMITTEES.

(a) The City Council may by ordinance create and establish advisory boards. Such boards shall be advisory to the Mayor, Council or City Manager as may be designated by ordinance. All members of such boards shall be appointed by the Mayor with Council confirmation, and the terms of office of such members may extend beyond the elective term of the appointing Mayor. The members of such boards shall serve without compensation and it shall be their duty to consult and advise with the Mayor, Council or City Manager, as the case may be, but not to direct the conduct of any Department or Division. Members of such advisory boards shall be limited to a maximum of eight (8) consecutive years in office and an interval of four (4) years must pass before such persons can be reappointed.

(b) The Mayor, City Council or City Manager may create and establish citizens' committees. Such committees shall be created and established only for the purpose of advising on questions with clearly defined objectives, and shall be temporary in nature, and shall be dissolved upon the completion of the objectives for which they were created. Committee members shall serve without compensation.

(c) Whenever under the provisions of this Charter or ordinance the Mayor is vested with authority to appoint the members of boards or committees and does not take such action within forty-five (45) days after the board or committee has been established or a vacancy occurs, then the Council shall make such appointments. The Council may remove committee and board members by vote of a majority of the members of the Council.

Section 115. CIVIL SERVICE COMMISSION.

This Commission shall have supervision over the selection, promotion and removal of all employees of the City subject to the Civil Service provisions of this Charter.

Section 144. BOARD OF ADMINISTRATION.

The system shall be managed by a Board of Administration which is hereby created, consisting of the City Manager, City Auditor and Comptroller, the City Treasurer, three members of the Retirement System, to be elected from the active membership, an officer of a local bank and two (2) citizens of the City, the latter three to be appointed by the Council. Such appointees shall serve without compensation. Members of the Board, other than ex-officio, shall serve six years or until their successors are elected and qualified, and shall so classify themselves by lot that one term shall expire each year. The members of the existing Board shall serve out their unexpired terms.

SECTIONS 42 AND 43.1 ARE TO BE REPEALED IN THEIR ENTIRETY:

Section 42. CITY PLANNING COMMISSION.

The City Planning Commission shall be organized as provided by the laws of the State and have such powers and perform such duties as are prescribed by such laws. The duties of the Commission shall also include advising upon public buildings, bridges, retaining walls, approaches, park and harbor structures, the improvement of Pueblo lands and such other improvements as the Council may by ordinance determine. The Commission shall consist of seven (7) members appointed by the Mayor, subject to the confirmation of the Council. The City Engineer, and the City Attorney, or their designated representatives, shall be members ex-officio, but neither of said officers shall have a vote. The members of this Commission shall serve without compensation for terms of two years or until their successors are elected and appointed and qualified.

Section 43.1. COMMISSIONS, BOARDS, COMMITTEES — APPOINTMENTS.

Whenever under the provisions of this Charter or ordinance the Mayor is vested with authority to nominate or appoint subject to confirmation of the Council the members of commissions, boards or committees, and the Council has failed or refused to confirm two successive nominations of the Mayor to a vacancy on such commission, board or committee, the nomination and appointment to fill such vacancy shall be by vote of the Council.

PROPOSITION K

Amend the first paragraph of Section 66 of the Charter of The City of San Diego to read as follows, and repeal the third paragraph:

Section 66. BOARD OF EDUCATION.

The government of the San Diego Unified School District shall be vested in a Board of Education, composed of five members who shall be nominated and elected at the regular municipal primary elections and the general municipal elections at the same time as the election of councilmen. At the municipal primary election there shall be chosen by the registered voters of each Board of Education District two candidates for the office of any Board of Education member from a District whose term expires the succeeding December. At the general municipal election the registered voters of the whole San Diego Unified School District shall select from among the candidates chosen at the primary election in each district one candidate for the office of each Board of Education member whose term expires the succeeding December. Each candidate for the Board of Education shall have been a registered voter of the San Diego Unified School District at least three years next preceding his taking office and shall have been an actual resident of the election district from which he was nominated for one year immediately preceding his taking office. The members shall serve for a term of four years, or until their successors are elected and qualified, except as herein provided. Any vacancy occurring in the Board shall be filled from the election district in which the vacancy occurs by appointment by the remaining Board members; but in the event that said remaining members fail to fill such vacancy by appointment within thirty (30) days after the vacancy occurs, they must immediately cause to be held a primary election in the district in which the vacancy occurs and a general election within the entire school district to fill such vacancy; provided, however, that any person appointed to fill such vacancy shall hold office only until the next regular municipal election, at which date a person shall be elected to serve for the remainder of such unexpired term. Each member shall receive a compensation of \$1,200.00 per annum, which compensation shall be paid by the San Diego Unified School District.

THE FOLLOWING PARAGRAPH 3 IS TO BE REPEALED IN ITS ENTIRETY:

The term of office of one of the three members of the Board of Education elected at the general municipal election in 1963 shall be extended for two (2) additional years. Thereafter, the term of the office so extended shall be four (4) years. The member whose term will thus be extended shall be chosen by lot prior to April 1, 1965, at a drawing conducted by the City Clerk, held at a public meeting of the Board of Education.

PROPOSITION L

Amend Sections 69, 71 and 81 of the Charter of The City of San Diego to read as follows:

Departments not under the Manager shall submit their annual budget estimates to the Manager, or to such official as he may designate, and in such form as he shall require on or before April 1 for transmittal in proper form by the Manager to the Council. The budget shall include a

summary outline of the fiscal policy of the City for the budget year, describing in connection therewith the important features of the budget plan; a general budget summary setting forth the aggregate figures of the budget in such manner as to show the balanced relations between the total proposed expenditures and the total anticipated income and other means of financing the budget for the ensuing year, contrasted with the corresponding figures for the current year. The classification of the estimate shall be as nearly uniform as possible for the main divisions of all Departments and shall furnish necessary detailed fiscal information.

The Council shall provide for printing a reasonable number of copies of the estimate thus prepared, for examination or distribution to citizens at least fifteen days before final passage. Copies shall also be furnished to the newspapers of the City and to each library thereof which is open to the public.

REGARDING THE FOLLOWING ORDINANCE NO. 10169 (New Series).

October 28, 1969

REPORT TO THE HONORABLE MAYOR
AND CITY COUNCIL

MUNICIPAL CODE TRAFFIC VIOLATIONS

A recent amendment to the California Vehicle Code changed certain offenses within our Municipal Code from misdemeanors to infractions. The provisions of the San Diego Municipal Code relating to regulation of bicycles, vehicles and pedestrians were enacted pursuant to a grant of authority under the Vehicle Code. Section 11.12 of the Municipal Code currently provides that all violations of the Municipal Code are misdemeanors. Accordingly, we have been unable to prosecute violations of the Municipal Code because they are properly infractions and not misdemeanors. This amendment to the Code will make those sections relating to regulation of bicycles, vehicles and pedestrians infractions in conformity with State law.

Respectfully submitted,

JOHN W. WITT
John W. Witt, City Attorney
