BE IT ORDAINED By the Council of The City of San Diego, as follows: \*

Section 1. That Ordinance No. 10792 of the ordinances of The City of San Diego, entitled, "An Ordinance establishing a City Employees' Retirement System for the employees of The City of San Diego," approved December 1, 1926, as amended to date, be, and the same is hereby amended by adding a new section thereto, to be numbered Section 5.1, which said section shall read as follows:

"Section 5.1. In addition to all the benefits, rights, privileges and obligations set forth in this ordinance for and on behalf of the employees of The City of San Diego, each police officer, fireman or lifeguard performing lifeguard service, other than those police officers and firemen who are already members of the pension system under Article X of the Charter of said City, shall receive the following benefits on account of or because of accidental disability or accidental death, which said benefits are herein enumerated as follows:

(1) Whenever any member of the City Employees' Retirement System who has been employed by The City of San Diego either as a member of the Police Department or of the Fire Department, and such employment in either the Police Department or Fire Department has taken place subsequent to June 30, 1946, and any member of said City Employees' Retirement System who as a lifeguard is performing lifeguard service

at the time of his injury, shall become physically or mentally disabled by reason of bodily injuries received in or by reason of sickness caused by the discharge of duty, or as a result thereof, to such extent as to render necessary his retirement from active service, the Board of Administration of the City Employees' Retirement System, upon determining such necessity for retirement, shall retire such member or employee, and cause to be paid to him the following benefits:

(a) An allowance of the salary then received by such member during the continuance of disability up to but not beyond one year from the date of injury, which allowance shall be paid out of budgeted salary accounts of the City for the fiscal year or years involved.

(b) After one year an annuity which shall be the actuarial equivalent of his accumulated contributions at the time of retirement, together with a pension in addition to such annuity of an amount sufficient to provide a total retirement allowance of money equivalent to one-half of the salary received by such member at the time of injury, but not in excess of one hundred fifty dollars (\$150.00) per month.

(2) If such disability shall cease, or if such member shall, upon the recommendation of the head of the department in which he was employed, be restored to such active duty as he is able to perform with the rank or rating in salary he held at the time of his retirement, the retirement allowance provided hereunder shall terminate and cease. Any retirement allowance or relief payment provided for herein shall cease immediately upon the death of the person receiving the same.

Any payments made under this section to dependents of a member shall cease upon the death or marriage of such dependents, or upon the attainment of eighteen years of such dependents, other than the widow of such member.

(4) In the event that any member, or widow of a member, or dependent of a member, under this section, shall become entitled to receive benefits by virtue of this section, and also should be entitled to receive Workmen's Compensation Insurance benefits under any law of the State, the City shall be obligated to pay to said employee, or widow, or dependent only such amount as shall represent the difference between the sum paid to such employee, or widow, or dependent by the State Compensation Insurance Fund and the maximum amount permitted to be paid said employee, or widow, or dependent under this section.

BE IT ORDAINED By the Council of The City of San Diego, as follows:

Section 1. Pursuant to the provisions of Section Eight of Article Eleven of the Constitution of the State of California, the Council of The City of San Diego, being the legislative body of said City, hereby proposes and submits to the qualified electors thereof, to be voted on at the Municipal General Election to be held in said City on the 19th day of April, 1949, the following propositions to amend the present Charter of said City:

PROPOSITION NO..1.

Amend Section 12 of Article III of the Charter of The City of San Diego to read as follows:

"Section 12. THE COUNCIL. The Council shall be composed of seven (7) Councilmen, including the Mayor, and shall be the legislative body of the City, each of the members of which, including the Mayor, shall have the right to vote upon all questions before it.

Councilmen, including the Mayor, shall be elected at a general municipal election held in the odd numbered years and, except as hereinafter provided, shall hold office for the term of four years from and after the first Monday after the first day of May next succeeding their election and until their successors are elected and qualified.

At the first election held after this Charter takes effect there shall be elected a Mayor, whose term of of-

office shall expire May 6, 1935, and one Councilman from each of the six (6) Districts as provided in ARTICLE II of this Charter. At the first meeting of the Council held for organization under this Charter, the Councilmen elected from the six Districts shall draw lots to determine which three (3) Councilmen shall retire on May 6, 1935, and which three (3) Councilmen shall retire on May 8, 1933. Thereafter there shall be elected at each general municipal election according as their respective terms of office expire either four Councilmen, including the Mayor, or three Councilmen.

Any vacancy occurring in the Council shall be filled from the District in which the vacancy occurs by appointment by the remaining Councilmen; but in the event that said remaining Councilmen fail to fill such vacancy by appointment within thirty (30) days after the vacancy occurs, they must immediately cause an election to be held to fill such vacancy; provided, however, that any person appointed to fill such vacancy shall hold office only until the next regular municipal election, at which date a person shall be elected to serve for the remainder of such unexpired term.

In case a member of the Council is absent from the City for a period of forty (40) days, unless by permission of the Council, his office shall be declared vacant by the Council and the same filled as in the case of other vacancies.

Each Councilman shall receive as compensation for his services the sum of ten dollars (\$10.00) per meeting, and also an additional sum of ten dollars (\$10.00) for each day in which a conference is attended where a quorum of the Council is present.

No Councilman shall be eligible during the term for which he was appointed or elected to hold any other office

or employment with the City, except as Mayor and a member of any Board, Commission or Committee thereof, of which he is constituted such a member by general law or by this Charter."

PROPOSITION NO. 2.

Amend Section 24 of Article IV of the Charter of The City of San Diego, to read as follows:

"Section 24. The Mayor shall preside at the meetings of the Council and perform such other duties as may be prescribed by this Charter or as may be imposed by the Council, consistent with the duties of his office. He shall have no power of veto, but shall have a vote as a member of the Council. He shall be recognized as the official head of the City for all ceremonial purposes by the Courts for the purpose of serving civil process, for the signing of all legal instruments and documents, and by the Governor for military purposes. In time of public danger or emergency, he may, with the consent of the Council, take command of the police, maintain order and enforce the law.

The Mayor shall receive as compensation the sum of \$7500.00 per year, payable in semi-monthly installments. The Mayor shall also receive each year for entertainment purposes a sum not to exceed \$3000.00.

In the event of a vacancy occurring in the office of the Mayor, existing by reason of any cause, the Council shall have authority to fill such vacancy, provided, however, that if the Council shall fail to fill such vacancy by appointment within thirty (30) days after the vacancy, the Council must immediately cause an election to be held to fill such vacancy. Any person appointed to fill such vacancy shall hold office only until the next regular municipal election, at which date a

person shall be elected to serve for the remainder of such unexpired term."

PROPOSITION NO. 3.

Amend Article V of the Charter of The City of San Diego, by adding a new section thereto, to be numbered Section 38.1, to read as follows:

"Section 38.1. The City Clerk and the head of any department, commission or board of the City may cause any or all records kept by him or it to be photographed, micro photographed, or reproduced on film. Such photographic film shall be of durable material, and the device used to reproduce such records on said film shall be one which accurately reproduces the original record in all details. Such photographic film shall be deemed to be an original record for all purposes, including introduction in evidence in all courts or administrative agencies. A transcript, exemplification or certified copy thereof shall, for all purposes recited herein, be deemed to be a transcript, exemplification or certified copy of the original.

Whenever such photographs or micro photographs or reproductions on films shall be placed in conveniently accessible files and provisions made for preserving, examining or using the same, the City Clerk, or the said department head, commission or board may certify those facts to the Council of The City of San Diego, who shall have power to authorize the destruction of the original of such records or papers which have been so reproduced and preserved."

"Section 60.1. Notwithstanding the provisions of subdivision (h) of Section 60 of this Article, the Council of The City of San Diego shall have power by ordinance to provide that permits for the operation and inspection of plumbing and gas installations may be issued by the Department of Inspection, as provided in Section 59 hereof, and in said ordinance said Council may provide that the Plumbing Inspector and such assistants as may be provided by ordinance shall be under the supervision and control of the Chief Inspector of the Department of Inspection; provided, however, that nothing herein contained shall be construed as to affect the power of the Department of Public Health, or any other health officer of the State of California, from enforcing sanitary laws of the City and the State, and protecting the public health of the people of The City of San Diego."

PROPOSITION NO. 5.

Amend Section 77 of Article VII, of the Charter of The City of San Diego, to read as follows:

"Section 77. There is hereby created a fund in the City Treasury, to be known as the Capital Outlay Fund. Into this fund each year there shall be placed all moneys derived from taxation required or needed for capital outlay expenditures and all proceeds received from the sale of city-owned real property.

The moneys in the Capital Outlay Fund shall be used exclusively for the acquisition, construction and completion of permanent public improvements, including public buildings and the furnishing thereof, real property, water

and sewer mains and extensions, and other improvements of permanent character, and also the replacement or reconstruction of the same, but not the repair or maintenance thereof, and shall not be used for any other purpose or transferred from said fund, except with the consent of two-thirds of the qualified electors of said City, voting at a general or special election.

No moneys in said fund shall be transferred at the end of a fiscal year, but shall remain therein as trust moneys for the purposes above outlined, and the said fund shall be used and maintained, if possible, as a cash reserve to enable the City to meet public emergencies or acquire needed permanent public improvements without the issuance of bonds.

Each year the Council may appropriate from said fund in the Annual Appropriation Ordinances, except for use of the Harbor Department, sufficient moneys to care for the needs of the various departments of the City for capital outlay expenditures of a permanent character."

#### PROPOSITION NO. 6.

Whenever it is claimed that The City of San Diego is obligated to pay money to any person because of contract or by virtue of operation of law, a demand or claim for

such money shall be presented in writing and filed with the Auditor and Comptroller of The City of San Diego within ninety (90) days after the last item of the account or claim has accrued.

The bidder must be the responsible publisher of a newspaper in said City having a bona fide daily circulation and which has been regularly published in said City for at least two years immediately preceding his bid. The award of said advertising shall in all cases be made to the lowest responsible bidder. **PROPOSITION NO. 3**

Amend Article V of the Charter of The City of San Diego, by adding a new section thereto, to be numbered Section 35.1, to read as follows:

"Section 35.1. Such photographic film shall be of durable material, and the device used to reproduce such records on said film shall be one which accurately reproduces the original record in all details. Such photographic film shall be deemed to be an original record for all purposes, including introduction in evidence in all courts or administrative agencies. A transcript, exemplification or certified copy thereof shall, for all purposes recited herein, be deemed to be a transcript, exemplification or certified copy of the original.

Whenever such photographs or micro photographs or reproductions on films shall be placed in conveniently accessible files and provisions made for preserving, examining or using the same, the City Clerk, of the said department head, commission or board may certify those facts to the Council of The City of San Diego, who shall have power to authorize the destruction of the original of such records or papers which have been so reproduced and preserved."

**PROPOSITION NO. 5**

Amend Section 77 of Article VII of the Charter of The City of San Diego, to read as follows:

In case a member of the Council is absent from the City for a period of forty (40) days, unless by permission of the Council, his office shall be declared vacant by the Council and the same filled as in the case of other vacancies.

Each Councilman shall receive as compensation for his services the sum of ten dollars (\$10.00) per meeting, and also an additional sum of ten dollars (\$10.00) for each day in which a conference is attended where a quorum of the Council is present.

No Councilman shall be eligible during the term for which he was appointed or elected to hold other office or employment with the City, except as Mayor and a member of any Board, Commission or Committee thereof, of which he is constituted such a member by general law or by this Charter.

The bidder must be the responsible publisher of a newspaper in said City having a bona fide daily circulation and which has been regularly published in said City for at least two years immediately preceding his bid. The award of said advertising shall in all cases be made to the lowest responsible bidder. The newspaper to which the award of advertising is made shall be known and designated as the 'City Official Newspaper.' No board, department, officer or authority shall make any publication which is not expressly authorized by this Charter or by Ordinance; and all publications so authorized shall be made in the City Official Newspaper exclusively, except as hereinafter provided.
