BE IT ORDAINED By the Council of The City of San Diego, as follows:

Section 1. The Park and Recreation Director of The City of San Diego, with the approval of the City Manager, shall have authority to promote the use of city-owned playgrounds and recreation areas for the benefit of the people of The City of San Diego by organizing, carrying on, conducting and maintaining regularly scheduled and planned athletic contests and games under the supervision of such Park and Recreation Director, under rules and regulations to be adopted by said Park and Recreation Director, which, among others, shall include the following:

(a) Organized and sponsored athletic teams may be assigned exclusive use of playgrounds or recreational areas for the carrying on and conducting of athletic contests and exhibitions, at which the public shall be admitted without charge, except that voluntary contributions may be collected under the direct supervision of such Park and Recreation Director at such contests. "TITLE II - AUCTIONEER - AUCTION HOUSE.

"Section 36. 'Auction sale' shall mean a sale of property by public outcry to the highest bidder, and all such sales in the City of San Diego shall be conducted only by a person or persons licensed pursuant to this ordinance.

'Auctioneer' shall include and comprehend any person who shall, by public outcry, sell, or offer to sell to the highest bidder any of the property hereinafter described, or any person who shall arrange for the disposal at public offering to the highest bidder, when bids are called for, either in person or by duly employed and licensed auctioneers, any goods, wares, merchandise, fruits, stocks, bonds and other securities, live stock or other personal property, or any real estate or interest therein, in any building or in any of the streets or sidewalks, or in any other place in the City where any and all persons who choose are permitted to attend and offer bids, or

any person who shall advertise as a public auctioneer, or in any other manner hold himself out as such for public patronage, or shall receive fees as a commission for services as such.

The following classifications are hereby established for the occupation or business of auctioneer and/or auction house, together with general requirements as herein stated.

Class A. Every person who sells or offers for sale at public auction, as an auctioneer as defined by Section 36 hereof.

Class B. Every person who sells or offers for sale at public auction, any real estate, live stock, new or second-hand goods, wares or merchandise in any place other than an auction house. In addition thereto, each auctioneer shall have a Class A license as herein provided. Where the application is for a Class B license, it shall also specify the store or place in the City of San Diego where the applicant proposes to conduct an auction sale or sales, the owner or owners and the character of the property to be sold.

Class C. Every person or group of persons, who operates an auction house. In addition thereto, each auctioneer shall have a Class A license as herein provided. Hereunder the term 'auction house' shall mean a place of business wherein goods, wares or merchandise are offered for sale at auction as an established auction business at a certain location. The applicant for a Class C license shall specify the location of the place of business in the City of San Diego, where the applicant proposes to conduct the auction house and said application must be accompanied by a bond in the sum of Twenty-five Hundred Dollars (\$2500.00).

"Section 37. No license shall be granted to a public auctioneer unless it shall appear by sworn statement in his application that the said person is a citizen of the United States or has duly declared his intention of becoming a citizen of the United States and has been a bona fide resi-

dent of the City of San Diego or of the County of San Diego for a period of one year immediately preceding such application, and it must be accompanied by a bond, the form of which shall be approved by the City Attorney, and with one or more sureties thereon, to be approved by the City Manager.

"Section 38. License applications shall be verified under oath and be filed in accordance with procedure established by City general license ordinances now in effect or subsequently amended or enacted. In addition thereto, each applicant shall specify the length of his residence in the City of San Diego, or County of San Diego, the location of his last place of business, and the name and character of such business, the length of time he was engaged therein, and the names and addresses of three persons residing within the City of San Diego as references.

"Section 39. Whenever a bond is required under this ordinance, the penalty of said bond must be Twenty-five Hundred Dollars (\$2500.00); the condition of each bond must be substantially such that the principal therein named will faithfully conform to each and all ordinances of said City of San Diego and each and all laws of the State of California, whether then in force or which may thereafter be adopted, relating to auction sales or the business of auctioneers, or the prevention of fraudulent practices in general. The principal and the surety or sureties named in the bond, and their heirs, executors, administrators, successors and assigns shall be jointly and severally bound unto any and every person aggrieved or damaged by breach of the condition of said bond, and said bond shall not be void upon the first recovery, but may be sued and recovered upon from time to time, by any person aggrieved or damaged, in his own name, until the whole penalty is exhausted; and the life of the obligation of such bond shall be made such that it will continue for such length of time as such

license remains in force and effect. In the event a person is licensed in more than one class as provided herein; the posting of one bond shall be deemed sufficient to cover all classes of auction licenses held by such person.

"Section 40. Each applicant for a Class C license shall pay the sum of \$50.00 to The City of San Diego at the time of making an original application which said sum of \$50.00 shall be used by The City of San Diego as compensation for making an investigation of the statements and references contained in said application and it shall be the duty of the said City after the said application and the said bond above referred to have been filed, to make a careful and thorough investigation of the statements and references contained in said application. The payment of \$50.00 shall be required only upon the making of an original application by each applicant for a Class C license and shall not apply to an application for renewal of said license.

Upon approval of any application above referred to, there shall be issued to the applicant either a Class A license, or a Class A and Class B license, or a Class A and Class C license, to do business as an auctioneer, as required by the provisions of this ordinance and the application filed. If the license is a Class B or Class C license, it shall always designate the store or other place in said City of San Diego where the applicant proposes to conduct an auction sale or sales.

"Section 41. Where the sale of any goods, wares or merchandise is sold by public auction, such sale shall be held on successive days, Sundays and legal holidays excepted, and shall not continue for more than fifteen (15) days in all from the commencement of said sale. No Class B retail jewelry auction as described in this ordinance shall be held in the City of San Diego during the months of November and December. Where said auction is the stock on hand of a merchant dis-

posing of his stock for the purpose of retiring from business, then in the event fifteen (15) days shall be an insufficient time to successfully conclude such auction, an application may be made to the Council of The City of San Diego for an additional fifteen days (15) period of time and the Council may grant such additional time as it may deem necessary under the circumstances.

"Section 42. Any person intending to dispose of his stock on hand by sale at public auction at retail, which sale is to be advertised as a 'Closing out sale', a 'going out of business sale', or a 'quitting business sale', must make a sworn written application to the City Council at least fifteen (15) days before the intended sale is to begin, specifying under oath the name and address of the applicant, the location and purpose of the sale, and its expected duration, a statement itemizing in detail the quality, quantity, kind or grade of each item of goods, wares, and other articles to be sold, with the wholesale market value thereof, together with a declaration that the merchandise or property proposed to be sold at public auction sale is a bona fide part of the merchant's stock in trade, and that the items listed in the said inventory do not exceed by 25% the unit volume of the inventory carried by the applicant 90 days prior to the application, and was not secured, purchased or brought into said place of business for or in anticipation of said sale, and the name of the auctioneer who shall conduct the sale.

The inventory accompanying the application as herein provided shall not exceed by 25% of the unit volume of the inventory carried by the applicant ninety (90) days prior to application. Any inventory in excess of the foregoing shall be cause for refusal to issue license. Such statement and inventory listing the stock of goods to be sold at auction shall be accompanied by a notarized affidavit by the appli-

cant certifying that the merchandise is as represented by the statement and that sale of any merchandise listed will not be in violation of any law or city ordinance with respect to auctions.

Provided further, that whenever the stock on hand to be sold at public auction as described in this section is a stock of jewelry as described in section 44 (a) of this ordinance, then in that event the application required herein to be made to the City Council shall be accompanied by the sum of \$100.00, which sum shall be used by the City for the purpose of making an investigation of the statements and inventory contained in said application.

"Section 43. During the pendency of auction sales held for the purpose of closing out a stock of goods at retail, no goods shall be added to such stock. Under no circumstances shall the inventory offered for sale at auction exceed by 25% the unit volume of the inventory carried by the applicant ninety (90) days prior to the application.

"Section 44 (a). It shall be unlawful for any person to sell, dispose of, or offer for sale in the City of San Diego, at public auction, or cause or permit to be sold, disposed of, or offered for sale in the City of San Diego, at public auction, any either new or second-hand platinum, gold, new silver, or new plated ware, precious stones, or semi-precious stones, watches or other jewelry, whether the same shall be their property or whether they shall sell the same as the agents or employees of others; provided, that the foregoing provisions of this section shall not apply to judicial sales or sales made by executors or administrators or sale made by or in behalf of licensed pawn brokers or unredeemed pledges in manner provided by law, nor to the sale at public auction of the stock on hand of any person or persons who shall, for the period of one year next preceding such sale, have been continuously in business in the City of San Diego as a retail or wholesale merchant of platinum, silver, or plated ware, precious stones or semi-precious stones, watches or other jewelry; nor to the sale at public auction of such stock on hand of any person or persons as described above where said stock has been purchased by a holder of a Class A license under this ordinance; and no such sale shall be had between sunset and sunrise.

(b) It shall be unlawful for any person to offer for sale, or sell, either for himself or for another, at public auction, any jewelry, unless there is securely attached to the article

so offered for sale or sold, a tag, card or label bearing accurate reference to the written inventory, upon which shall be plainly written or printed in English a true and correct statement of the kind and/or quality and/or weight of the metal of which said article is made or composed and the percentage or carat of purity of such metal or article; and in case such article is plated or overlaid then such statement shall contain a true statement of the kind of plate and the percentage of purity of such plate, and the kind of metal or material covered, and in case such article is a precious or semi-precious stone, such statement shall contain the true name, weight, quality, color and fineness of said stone; and in case such article be a watch or clock, such statement shall contain the true name of the manufacturer thereof; and in case any second-hand or old movement or substitute part of movement of any watch or clock be offered for sale in a new case, such fact shall be set forth in said statement; and in the event that any jewelry auction sale shall have been advertised as offering goods from a designated or named estate or source, then, the tag or label on said article shall state the designated or named estate or source from which that particular article was obtained; and no such article so sold or offered for sale shall bear any false or misleading name, description or entry thereon; and it shall be deemed prima facie evidence of intent to defraud or violate the provisions of this ordinance where such goods, wares, merchandise and/or articles so sold or offered for sale fail to compare with the descriptions indicated on the tag, card or label, as hereinbefore provided.

Such tag, card, or label shall remain securely attached to any such article so sold or offered for sale, and shall be delivered to the purchaser by the person, firm or corporation so selling the same as a correct description and representa-

tion of the article so sold. In case there are more than one of the same kind of article to be sold, then such tag, card or label shall indicate the chronological number of the respective articles of the same class so sold. The auctioneer must at the end of every twenty-four hours, forward to the Chief of Police, by mail or otherwise, an itemized account of all sales of jewelry made by him for each twenty-four hour period. This itemized statement shall be subscribed by the auctioneer, conducting the same, and any false statement submitted by said auctioneer to the Chief of Police shall be deemed sufficient cause for the suspension or revocation of his permit to conduct such auction.

(c) Whenever any person advertises as offering for sale at public auction any goods or articles other than jewelry from a designated or named estate or source, it shall be unlawful for any person to offer for sale such goods or articles unless a tag, card, or label shall be securely attached to said goods or articles bearing accurate reference to the designated or named estate or source.

(d) It shall be the duty of every auctioneer each day at the beginning of such auction sale, to fully state the terms and conditions upon which the sale or sales will be made, and that such buyer must settle for the article so purchased within 24 hours after the conclusion of said auction sale.

(e) It shall be the duty of the person whose merchandise is thus being sold at public auction to give each and every purchaser of an article the selling price of which amounts to the sum of One Dollar (\$1.00) or more, an invoice, containing a full description of the article, the selling price thereof, together with a statement giving each and every warranty under which the article was sold. Duplicate copies of said invoices shall be kept.

"Section 45. It is hereby made unlawful for any person carrying on or conducting, or assisting in carrying on or conducting an auction sale -

(a) To knowingly and intentionally make any statement which is false in any particular, or which has a tendency to mislead any person present, or to make any misrepresentation whatsoever or at all, as to the quality or quantity or character or present condition or value or cost of general selling price, whether new or second-hand, or partly so, of any property offered for disposal by auction sale;

(b) To have or employ or permit any person to be or take part in, or for any person to act as a capper or by-bidder, booster or puffer, or to make any fictitious or fraudulent bid, or bid not made in good faith, or not intended to be consummated by a sale at any auction sale of property;

(c) To ring any bell or sound any other loud or noisy instrument for the purpose of attracting attention to any auction sale;

(d) To offer or attempt to dispose of any property at any auction sale in blind packages or any property not at the time actually exhibited to public view, or to the view of the person bidding on the same, except that property which is described in Sections 3152 and 3153 of the Political Code of the State of California;

(e) To offer or attempt to dispose of goods, wares, or merchandise at an auction sale between sunset and sunrise, unless such goods, wares or merchandise have been on display during the daylight business hours of the day preceding such sale;

(f) To refuse, fail, or neglect to deliver complete and immediate possession to the purchaser of any property upon the payment of the purchase price thereon, at the conclusion of such auction sale;

(g) To substitute any article in lieu of the article offered to and purchased by the bidder, except with the bidder's knowledge and consent;

(h) To sell or offer for sale at public auction any property whatsoever without having a valid and unrevoked license therefor, as required by this ordinance.

"Section 46. Nothing contained in this section shall apply to any sale made upon the execution or by virtue of any process issued by a court, nor to any sale made by any public officer in his official capacity required to be made under the laws of the United States or the State of California, or under the Charter of The City of San Diego, nor to any sale of property by any social organization for the purpose of raising funds to promote or further its objects, or for any public purpose whatsoever; or any sale conducted under the provisions of the Uniform Warehouse Receipts Act; nor to any sale made under a non-statutory assignment for the benefit of creditors generally, which sale shall be conducted by a licensed auctioneer licensed pursuant to this ordinance, where said sale is limited to the stock in trade and fixtures on the premises in the City of San Diego at the time of said assignment and where said sale is held on said premises."

ORDINANCE NO. 4197
(NEW SERIES)

AN ORDINANCE PROPOSING AND SUBMITTING TO THE ELECTORS OF THE CITY OF SAN DIEGO AT A SPECIAL ELECTION TO BE HELD IN SAID CITY ON TUESDAY, THE 8TH DAY OF NOVEMBER, 1949, CERTAIN PROPOSITIONS TO AMEND THE CHARTER OF THE CITY OF SAN DIEGO; ORDERING, CALLING, PROVIDING FOR AND GIVING NOTICE OF SAID SPECIAL MUNICIPAL ELECTION, AND CONSOLIDATING SAID SPECIAL MUNICIPAL ELECTION WITH THE GENERAL STATE ELECTION TO BE HELD IN SAID CITY ON SAID NOVEMBER 8, 1949.

BE IT ORDAINED By the Council of The City of San Diego, as follows:

Section 1. That a special municipal election be held, and the same is hereby called and ordered to be held in The City of San Diego, California, on Tuesday, the 8th day of November, 1949, pursuant to the provisions of Section Eight of Article Eleven of the Constitution of the State of California. The Council of The City of San Diego, being the legislative body of said City, hereby proposes and submits to the qualified electors thereof the following propositions to amend the present Charter of said City:

(a) Amend Section 12 of Article III of the Charter of The City of San Diego, to read as follows:

"Section 12. THE COUNCIL. The Council shall be composed of seven (7) Councilmen, including the Mayor, and shall be the legislative body of the City, each of the members of which, including the Mayor, shall have the right to vote upon all questions before it.

Councilmen, including the Mayor, shall be elected at a general municipal election held in the odd numbered years and, except as hereinafter provided, shall hold office for the term of four years from and after the first Monday after the first day of May next succeeding

their election and until their successors are elected and qualified.

At the first election held after this Charter takes effect there shall be elected a Mayor, whose term of office shall expire May 6, 1935, and one Councilman from each of the six (6) Districts as provided in ARTICLE II of this Charter. At the first meeting of the Council held for organization under this Charter, the Councilmen elected from the six Districts shall draw lots to determine which three (3) Councilmen shall retire on May 6, 1935, and which three (3) Councilmen shall retire on May 8, 1933. Thereafter there shall be elected at each general municipal election according as their respective terms of office expire either four Councilmen, including the Mayor, or three Councilmen.

Any vacancy occurring in the Council shall be filled from the District in which the vacancy occurs by appointment by the remaining Councilmen; but in the event that said remaining Councilmen fail to fill such vacancy by appointment within thirty (30) days after the vacancy occurs, they must immediately cause an election to be held to fill such vacancy; provided, however, that any person appointed to fill such vacancy shall hold office only until the next regular municipal election, at which date a person shall be elected to serve for the remainder of such unexpired term.

In case a member of the Council is absent from the City for a period of forty (40) days, unless by permission of the Council, his office shall be declared vacant by the Council and the same filled as in the case of other vacancies.

Each Councilman shall receive as compensation for his services, the sum of Twenty Dollars (\$20.00) per official meeting, provided that not more than Two Thousand Dollars (\$2,000.00) in any fiscal year shall be paid to any Councilman for such services.

No Councilman shall be eligible during the term for which he was appointed or elected to hold any other office or employment with the City, except as Mayor and a member of any Board, Commission or Committee thereof, of which he is constituted such a member by general law or by this Charter."

(b) Amend Section 118 of Article VIII of the Charter of The City of San Diego, to read as follows:

"Section 118. RULES. The Civil Service Commission shall recommend to the City Council all rules and amendments thereto for the government, supervision and control of the classified service. No rule or amendment thereto shall become effective until it shall have been adopted by ordinance after a public hearing thereon, with notice of such hearing first given by publication of such rule or amendment thereto in full once in the official newspaper of the City at least ten (10) days prior to said hearing and by posting of such rule or amendment thereto in full in three public places at least ten (10) days prior to the said hearing thereon. Following such public hearing the City Council may adopt the rule or amendment as recommended by the Civil Service Commission, may amend the same, or may reject the said recommendation. Any rule or amendment thereto adopted by ordinance shall have the force and effect of law.

Pending the adoption by ordinance of Civil Service rules as hereinabove provided, the present Civil Service rules shall remain in full force and effect for a period not to exceed ninety (90) days from the effective date of this section."

(c) Amend Section 120 of Article VIII of the Charter of The City of San Diego, to read as follows:

"Section 120. LIMITATIONS AND CREDITS. No question in any test shall relate to race, or to political or religious opinions, affiliations or service, and no appointment, transfer, lay-off, promotion, reduction, suspension or removal shall be affected or influenced by race or such opinions, affiliations or service. In all original examinations the Civil Service Commission shall in addition to all other credits, give a credit of five per cent of the total credits specified for such examinations to all those who have served in the United States Army, Navy, Marine Corps, or any division thereof in time of war, insurrection or rebellion, and who have been honorably discharged, or retired from active service; and also to the wife of such of those as were, while in such service, wounded, crippled, or otherwise physically or mentally incapacitated to an extent preventing them from engaging in any remunerative occupation, and also to the widow of any such person, and also the widow of any soldier, sailor or marine killed or who died while in such service, and a credit of ten per cent to disabled veterans of the United States Army, Navy, Marine Corps or any division thereof who served this country in time of war, insurrection or rebellion, and who have been

honorably discharged or retired from active service, and whose disability has been first determined and rated by the United States Veterans' Bureau, or any similar official Federal agency determining and rating disability for Veterans of the United States Army, Navy, Marine Corps or any division thereof or successor thereto."

(d) Amend Section 121 of Article VIII of the Charter of The City of San Diego, to read as follows:

"Section 121. ELIGIBLE LISTS. The list of applicants eligible to appointment as determined by the Rules of the Civil Service shall be known as the register of eligibles and shall be open to public inspection. The names of such eligibles shall be arranged in their respective lists in the order of their standing as determined by said rules. The name of no person shall remain on the register of eligibles for more than two (2) years without a new application and, if Civil Service Rules so require, a new test."

(e) Amend Article VIII of the Charter of The City of San Diego by adding a new section thereto to be numbered Section 140a, to read as follows:

"Section 140a. STATUS OF PRESENT EMPLOYEES. All officers and employees who at the time of the taking effect of this section would be included in the classified service and who shall have been continuously in the service of the City for a period of six (6) months prior to the effective date of this section, shall automatically retain their positions as if duly appointed thereto as of the date of their original appointment in accordance with the provisions of this Charter and the Civil Service Rules, and shall be deemed to have the necessary qualifications required by the provisions thereof; and thereafter be superseded, replaced, discharged, reduced in rank, promoted,

transferred or retired only in accordance with the provisions of this Charter. All officers and employees who at the time of the taking effect of this section would be included in the classified service, but who have been in the service of the City for a period of less than six (6) months, shall be deemed to be serving under probation and be subject to the same regulations as other officers and employees serving under probation as provided by the Civil Service Rules."

Said propositions shall be presented and printed upon the ballot, and submitted to the voters, in the manner and form set out in Section 4 of this ordinance.

Section 2. That said special municipal election hereby called to be held in The City of San Diego on the 8th day of November, 1949, shall be and is hereby ordered consolidated with the general state election to be held in The City of San Diego on said date, and within The City of San Diego the precincts, polling places, voting booths and officers of election for the special municipal election hereby called shall be the same as those provided for said general state election. Said Board of Supervisors shall certify the result of the canvass of the returns to the Council of The City of San Diego who shall thereupon declare the result thereof.

Section 3. That the polls for said election shall be opened at seven o'clock, A. M., of the day of said election and shall remain open continuously from said time until seven o'clock, P. BE IT ORDAINED BY the Council of The City of San Diego, as follows:

Section 1. That a special municipal election be held, and the same is hereby called and ordered to be held in The City of San Diego, California, on Tuesday, the 8th day of November, 1949, pursuant to the provisions of Section Eight of Article Eleven of the Constitution of the State of California. The Council of The City of San Diego, being the legislative body of said City, hereby proposes and submits to the qualified electors thereof the following propositions to amend the present Charter of said City:

(a) Amend Section 12 of Article III of the Charter of The City of San Diego, to read as follows:

"Section 12. THE COUNCIL. The Council shall be composed of seven (7) Councilmen, including the Mayor, and shall be the legislative body of the City, each of the members of which, including the Mayor, shall have the right to vote upon all questions before it.

Councilmen, including the Mayor, shall be elected at a general municipal election held in the odd numbered years and, except as hereinafter provided, shall hold office for the term of four years from and after the first Monday after the first day of May next succeeding their election and until their successors are elected and qualified.

At the first election held after this Charter takes effect there shall be elected a Mayor, whose term of office shall expire May 6, 1935, and one Councilman from each of the six (6) Districts as provided in ARTICLE II of this Charter. At the first meeting of the Council held for organization under this Charter, the Councilmen elected from the six Districts shall draw lots to determine which three (3) Councilmen shall retire on May 6, 1935, and which three (3) Councilmen shall retire on May 8, 1933. Thereafter there shall be elected at each general municipal election according as their respective terms of office expire either four Councilmen, including the Mayor, or three Councilmen.

Any vacancy occurring in the Council shall be filled from the District in which the vacancy occurs by appointment by the remaining Councilmen; but in the event that said remaining Councilmen fail to fill such vacancy by appointment within thirty (30) days after the vacancy occurs, they must immediately cause an election to be held to fill such vacancy; provided, however, that any person appointed to fill such vacancy shall hold office only until the next regular municipal election, at which date a person shall be elected to serve for the remainder of such unexpired term.

In case a member of the Council is absent from the City for a period of forty (40) days, unless by permission of the Council, his office shall be declared vacant by the Council and other vacancies in the case of other Councilmen shall receive as compensation for his services, the sum of Twenty Dollars (\$20.00) per official meeting, provided that not more than Two Thousand Dollars (\$2,000.00) in any fiscal year shall be paid to any Councilman for such services.

No Councilman shall be eligible during the term for which he was appointed or elected to hold any other office or employment with the City, except as Mayor and a member of any Board, Commission or Committee thereof, of which he is constituted such a member by general law or by this Charter.

(b) Amend Section 118 of Article VIII of the Charter of The City of San Diego, to read as follows: "Section 118. RULES. The Civil Service Commission shall recommend to the City Council all rules and amendments thereto for the government, supervision and control of the classified service. No rule or amendment thereto shall become effective until it shall have been adopted by ordinance after a public hearing thereon, with notice of such hearing first given by publication of such rule or amendment thereto in full once in the official newspaper of the City at least ten (10) days prior to said hearing and by posting of such rule or amendment thereto in full in three public places at least ten (10) days prior to the said hearing thereon. Following such public hearing the City Council may adopt the rule or amendment as recommended by the Civil Service Commission, may amend the same, or may reject the said recommendation. Any rule or amendment thereto adopted by ordinance shall have the force and effect of law.

Pending the adoption by ordinance of Civil Service rules as hereinabove provided, the present Civil Service rules shall remain in full force and effect for a period not to exceed ninety (90) days from the effective date of this section."

(c) Amend Section 120 of Article VIII of the Charter of The City of San Diego, to read as follows: "Section 120. LIMITATIONS AND CREDITS. No question in any test shall relate to race, or to political or religious opinions, affiliations or service, and no appointment, transfer, lay-off, promotion, reduction, suspension or removal shall be affected or influenced by race or such opinions, affiliations or service. In all original examinations the Civil Service Commission shall in addition to all other credits, give a credit of five per cent of the total credits specified for such examinations to all those who have served in the United States Army, Navy, Marine Corps, or any division thereof in time of war, insurrection or rebellion, and who have been honorably discharged, or retired from active service; and also to the wife of such of those as were, while in such service, wounded, crippled, or otherwise physically or mentally incapacitated to an extent preventing them from engaging in any remunerative occupation, and also to the widow of any such person, and also the widow of any soldier, sailor or marine killed or who died while in such service, and a credit of ten per cent to disabled veterans of the United States Army, Navy, Marine Corps or any division thereof who served this country in time of war, insurrection or rebellion, and who have been honorably discharged or retired from active service, and whose disability has been first determined and rated by the United States Veterans' Bureau, or any similar official Federal agency determining and rating disability for Veterans of the United States Army, Navy, Marine Corps or any division thereof or successor thereto."

(d) Amend Section 121 of Article VIII of the Charter of The City of San Diego, to read as follows:

"Section 121. ELIGIBLE LISTS. The list of applicants eligible for appointment as determined by the Rules of the Civil Service shall be known as the register of eligibles and shall be open to public inspection. The names of such eligibles shall be arranged in their respective lists in the order of their standing as determined by said rules. The name of no person shall remain on the register of eligibles for more than two (2) years without a new application and, if Civil Service Rules so require, a new test."

(e) Amend Article VIII of the Charter of The City of San Diego by adding a new section thereto to be numbered Section 140a, to read as follows: "Section 140a. STATUS OF PRESENT EMPLOYEES. All officers and employees who at the time of the taking effect of this section would be included in the classified service, but who have been in the service of the City for a period of less than six (6) months, shall be deemed to be serving under probation and be subject to the same regulations as other officers and employees serving under probation as provided by the Civil Service Rules."

of \$20.00 per official meeting, and further provides that no Councilman shall receive in excess of \$2,000.00 per fiscal year for such services rendered by him.
