ORDINANCE NO. 4384
(New Series)

AN ORDINANCE AMENDING ORDINANCE NO. 3201 (NEW SERIES) OF THE ORDINANCES OF THE CITY OF SAN DIEGO, ADOPTED MAY 31, 1946, BY AMENDING SECTIONS 1-1/2, 3, 4, 5, 10 AND 11-1/2, AND BY ADDING 15 NEW SECTIONS THERETO, TO BE NUMBERED SECTIONS 12.1, 12.2, 12.3, 12.4, 12.5, 12.6, 12.7, 12.8, 12.9, 12.10, 12.11, 12.14, ~~12.15~~ AND 16.
12.12, 12.13

BE IT ORDAINED By the Council of The City of San Diego, as follows:

Section 1. That Section 1-1/2 of Ordinance No. 3201 (New Series) of the ordinances of The City of San Diego, entitled, "An Ordinance establishing and levying a Sales and Use Tax on retail sales within The City of San Diego, State of California," adopted on the 31st day of May, 1946, be, and the same is hereby amended to read as follows:

"Section 1-1/2. (a) An excise tax is hereby imposed on the use or other consumption in The City of San Diego of tangible personal property purchased from any retailer on and after the effective date of this section, for use or other consumption in this City, at the rate of one-half of one per cent of the sales price of the property.

(b) Every person using or otherwise consuming in this City tangible personal property purchased from a retailer is liable for the tax imposed under Section 1-1/2 (a) hereof. His liability is not extinguished until the tax has been paid to this City, except that a receipt from a retailer who is authorized by the City Treasurer, under such rules and regulations as he may prescribe, to collect the tax, given to the purchaser pursuant to Section 1-1/2 (c) hereof, is sufficient to relieve the purchaser from further liability for the tax to which the receipt refers.

(c) Every retailer who is authorized by the City Treasurer to collect the taxes imposed by this section, and who makes sales of tangible personal property for use or

other consumption in this City not exempted under other provisions of this Ordinance, shall at the time of making the sales, or if the use or other consumption of the tangible personal property is not then taxable hereunder, at the time the use or other consumption becomes taxable, collect the tax from the purchaser. In such event the retailer shall give to the purchaser a receipt therefor, in the manner and form prescribed by the City Treasurer. The tax so collected by the retailer constitutes a debt owed by the retailer to the City, and it shall be unlawful for such retailer to fail to pay the same to the City in the manner and at the time elsewhere specified in this Ordinance."

Section 2. That Section 3 of said Ordinance No. 3201 (New Series) be, and the same is hereby amended to read as follows:

"Section 3. It is unlawful for any retailer to advertise or hold out or state to the public or to any customer, directly or indirectly, that the sales or use tax, or any part thereof, will be assumed or absorbed by the retailer or that it will^{not} be added to the selling price of the property sold, or if added it or any part thereof will be refunded; provided, however, that the Treasurer may, by regulation, provide that the amount collected by the retailer from the consumer in reimbursement of the tax be displayed separately from the list price, the price advertised in the premises, the marked price, or other price on the sales check or other proof of sale."

Section 3. That Section 4 of said Ordinance No. 3201 (New Series) be, and the same is hereby amended to read as follows:

"Section 4. (a) The sales and use taxes imposed by this Ordinance and the return herein required to be filed, shall be due, payable and filed with the Treasurer on or before the last day of the month next succeeding each monthly or quarterly period; provided, however, that the Treasurer, if he deems it necessary in order to insure payment or to

facilitate the collection by the City of the amount of taxes, may require returns and payment of the amount of taxes for quarterly periods other than calendar quarters depending upon the principal place of business of the seller, retailer or purchaser, as the case may be, or for other than quarterly periods.

(b) For the purposes of the sales tax a return shall be filed by every seller. For purposes of the use tax a return shall be filed by every retailer maintaining a place of business in The City of San Diego and by every person purchasing tangible personal property, the use or other consumption of which is subject to the use tax, who has not paid the use tax to a retailer required to collect the tax. Returns shall be signed by the person required to file the return, or by his duly authorized agent, but need not be verified by oath.

(c) For the purposes of the sales tax the return shall show the gross receipts of the seller during the preceding reporting period. For the purposes of the use tax, in case of a return filed by a retailer, the return shall show the total sales price of the property sold by him, the use or consumption of which property became subject to the use tax during the preceding reporting period. In case of a return filed by a purchaser the return shall show the total sales price of the property purchased by him, the use or consumption of which became subject to the use tax during the preceding reporting period. The return shall also show the amount of taxes for the period covered by the return, and such other things as the Treasurer deems necessary for the proper administration of this part of the Ordinance.

(d) EXTENSION OF TIME. The Treasurer for good cause may from time to time extend for not more than thirty (30) days the time for making any return or paying any sum required to be paid hereunder. Upon proper showing additional

extension of time may be granted; provided, that in no event shall the maximum period of extension exceed one hundred twenty (120) days from the due date.

(e) All taxes paid hereunder shall be deemed delinquent if not paid within the time required. Whenever any tax required to be paid by this section is not paid on or before the date on which it becomes delinquent, or within the period of extension or extensions granted pursuant hereto, a penalty shall be imposed of ten per cent (10%) of the tax or amount of the tax in addition to the tax or amount of the tax, plus interest at the rate of one-half of one per cent per month, or fraction thereof, from the date on which the tax or the amount of the tax required to be collected became due and payable to The City of San Diego until the date of payment.

(f) The tax required to be collected by the retailer from the purchaser may be displayed separately from the list price, the price advertised in the premises, the marked price, or other price on the sales check or other proof of sales.

(g) For the purposes of the sales tax gross receipts from rentals or leases of tangible personal property shall be reported and the tax paid in accordance with such rules and regulations as the Treasurer may prescribe, and which have been approved by the Council of said City."

Section 4. That Section 8 of said Ordinance No. 3201 (New Series) be, and the same is hereby amended to read as follows:

"Section 8. (a) For the purpose of the proper administration of this Ordinance and to prevent evasion of the use tax and the duty to collect the use tax, it shall be presumed that tangible personal property sold by any person for delivery in this City is sold for use or other consumption in this City until the contrary is established. The burden of proving the contrary is upon the person who makes the

sale, unless he takes from the purchaser a certificate to the effect that the property is purchased for resale.

(b) For the purpose of the proper administration of this Ordinance, and to prevent evasion of the sales tax, it shall be presumed that all gross receipts are subject to the tax until the contrary is established by the permittee.

(c) The certificate relieves the person selling the property from the burden of proving only if taken in good faith from a person who is engaged in the business of selling tangible personal property and holds the permit provided for by this Ordinance, and who, at the time of purchasing the tangible personal property, intends to sell it in the regular course of business or is unable to ascertain at the time of purchase whether the property will be sold or will be used for some other purpose.

(d) The certificate shall be signed by and bear the name and address of the purchaser, shall indicate the number of the permit issued to the purchaser, and shall indicate the general character of the tangible personal property sold by the purchaser in the regular course of business. The certificate shall be substantially in such form as the Treasurer may prescribe.

(e) If a purchaser who gives a certificate makes any use of the property other than retention, demonstration, or display while holding it for sale in the regular course of business, the use shall be deemed a retail sale by the purchaser as of the time the property is first so stored or used. If the sole use of the property other than retention, demonstration, or display in the regular course of business, is the rental of the property while holding it for sale, the purchaser may elect to pay the tax on the use, measured by the amount of the rental charge rather than the sales price of the property to him.

(f) If a purchaser gives a certificate with respect to

the purchase of fungible goods and thereafter commingles these goods with other fungible goods not so purchased but of such similarity that the identity of the constituent goods in the commingled mass cannot be determined, sales from the mass of commingled goods shall be deemed to be sales of the goods so purchased until a quantity of commingled goods equal to the quantity of purchased goods so commingled has been sold."

Section 5. That Section 10 of said Ordinance No. 3201 (New Series) be, and the same is hereby amended to read as follows:

"Section 10. Except as herein expressly stated, the definitions contained in Chapter I, Part I, Division 2, Sections 6005, 6006, 6006.5, 6007, 6009, 6009.1, 6010, 6011, 6012, 6013, 6014, 6015, 6016 and 6018, of the Sales and Use Tax Law of the Revenue and Taxation Code of the State of California, are hereby incorporated, adopted and made a part of this Ordinance as though fully set forth herein.

All of said definitions shall be construed to apply to sales taking place, had and performed within The City of San Diego, and for the use and consumption of property within said City.

All of the provisions of the State Sales and Use Tax Law of the Revenue and Taxation Code of the State of California, as contained in Sections 6244, and in Section 6351 to and including Section 6402, as now in force or as hereafter amended, applicable to sales of property at retail, are hereby adopted and made a part of this Ordinance as though fully set forth herein, and all provisions of any ordinance of The City of San Diego in conflict herewith are inapplicable to this Ordinance and the tax hereby imposed. Whenever any of said sections provide for the performance of official action on the part of the State Board of Equalization, such official action shall be performed by the Treasurer of The City of San Diego. Whenever the State of California is mentioned in any of the foregoing sections herein adopted and made a part of this Ordinance The City of San Diego shall be deemed substituted for said State unless another meaning is clearly evidenced.

All taxes hereby levied shall be payable to the Treasurer of The City of San Diego, and any civil suit for the collection thereof may be filed in any court of competent jurisdiction in the State of California, and the City Attorney of said City shall prosecute said action to a final judgment."

Section 6. That Section 11-1/2 of said Ordinance No. 3201 (New Series), be, and the same is hereby amended to read as follows:

"Section 11-1/2. All of the exemptions contained in Part I, of Division 2 of the Revenue and Taxation Code of the State of California, as contained in Section 6351 to and including Section 6403, are hereby granted as applicable to the sales and use tax herein in this Ordinance provided,

and in addition thereto there shall be excluded from the computation of the taxes gross receipts from:

(1) Sales made to or by the State of California, or any agency, department, political subdivision, district or municipal corporation thereof;

(2) Sales of property to be used in connection with the erection, construction, repair or alteration of either public works or buildings belonging to or being constructed by or on behalf of, or for the use of the United States Government, State of California, or any agency, department, political subdivision, district or public or municipal corporation of the State;

(3) Sales made pursuant to contracts actually executed in good faith prior to July 1, 1946;

(4) Sales of meals, food and drinks sold or served on common carriers operating into, through or out of this City from or to points outside this City;

(5) Sales made by manufacturers, processors, jobbers and wholesalers when such sales are made in wholesale quantities at less than retail prices when said sales are made to purchasers for use and consumption in the conduct of their business; provided, however, that purchases of personal property by firms operating within The City of San Diego for use and consumption in the conduct of their business within The City of San Diego shall be subject to the Use Tax imposed by Section 1-1/2 of this Ordinance;

(6) Sales of property upon which a sales tax, purchase tax, use tax, purchase and use tax, or any of them, has been legally imposed by and paid on the same transaction to any City of the State of California having a similar reciprocal exemption."

Section 7. That said Ordinance No. 3201 (New Series) be, and the same is hereby amended by adding thereto fourteen (14) new sections, to be numbered Section 12.1, Section 12.2, Section

Section 12.3, Section 12.4, Section 12.5, Section 12.6, Section 12.7, Section 12.8, Section 12.9, Section 12.10, Section 12.11, Section 12.12, Section 12.13 and Section 12.14, which said sections shall read as follows:

"Section 12.1. (a) DEFICIENCY DETERMINATIONS. If the Treasurer is not satisfied with the return or returns of the tax or the amount of tax required to be paid to The City of San Diego by any person, he may compute and determine the amount required to be paid upon the basis of the facts contained in the return or returns, or upon the basis of any information within his possession or that may come into his possession. One or more deficiency determinations may be made of the amount due for one or for more than one period. When a business is discontinued a determination may be made at any time thereafter within the periods specified in Section 12.1, Subdivision (g) as to liability arising out of that business, irrespective of whether the determination is issued prior to the due date of the liability as otherwise specified herein.

(b) INTEREST. The amount of the determination, exclusive of penalties, shall bear interest at the rate of one-half of one per cent per month, or fraction thereof, from the last day of the month following the period for which the amount or any portion thereof should have been returned until the date of payment.

(c) OFFSETS. In making a determination the Treasurer may offset overpayments for a period or periods, together with interest on the overpayments, against underpayments for another period or periods, against penalties, and against the interest on the underpayments. The interest on underpayments and overpayments shall be computed in the manner as set forth in Section 4 of this Ordinance.

(d) 10% PENALTY. If any part of the deficiency for which a deficiency determination is made is due to negligence or

intentional disregard of this Ordinance, or of the authorized rules and regulations adopted as a result of this Ordinance, a penalty of ten per cent (10%) shall be added thereto.

(e) 25% PENALTY. If any part of the deficiency for which a deficiency determination is made is due to fraud or an intent to evade this Ordinance or the authorized rules and regulations adopted as a result of this Ordinance, a penalty of twenty-five per cent (25%) of the amount of the determination shall be added thereto.

(f) NOTICE OF DETERMINATION. The Treasurer shall give to the retailer or person using or consuming tangible personal property written notice of his determination. This notice may be served personally or by mail, and if served by mail shall be registered with a return receipt demanded, and such notice shall be addressed to the retailer or person using or consuming tangible personal property at his address as it appears in the records of the Treasurer. In case of service by mail of any notice required herein the service is complete at the time of deposit in the United States Post Office.

(g) LIMITATIONS. Except in the case of fraud or failure to make a return, every notice of a deficiency determination herein provided for shall be mailed within three (3) years after the last day of the calendar month following the period for which the amount is proposed to be determined, or within three (3) years after the return is filed, whichever period expires the later."

Section 12.2. DETERMINATIONS IF NO RETURN MADE.

(a) DETERMINATION - FAILURE TO FILE RETURN. If any person fails to make a return, the Treasurer shall make an estimate of the amount of the gross receipts of the person, or, as the case may be, of the amount of the total sales price of tangible personal property sold or purchased by the person,

the use or other consumption of which in this City is subject to the Use Tax. The estimate shall be made for the period or periods in respect to which the person failed to make a return and shall be based upon any information which is in the Treasurer's possession or which may come into his possession. Upon the basis of this estimate the Treasurer shall compute and determine the amount required to be paid to the City, adding to the sum thus arrived at a penalty equal to ten per cent (10%) thereof. One or more determinations may be made for one or for more than one period.

(b) OFFSETS. In making a determination the Treasurer may offset overpayments for a period or periods, together with interest on the overpayments, against the underpayments for another period or periods, against penalties and against the interest on the underpayments. The interest on underpayments and overpayments shall be computed in the manner set forth in Section 4 of this Ordinance.

(c) INTEREST. The amount of the determination, exclusive of penalties, shall bear interest at the rate of one-half of one per cent per month, or fraction thereof, from the last day of the month following the period for which the amount, or any portion thereof, should have been returned until the date of payment.

(d) PENALTIES. If the failure of any person to file a return is due to fraud or an intent to evade this ordinance, or the rules and regulations enacted pursuant thereto, a penalty of twenty-five per cent (25%) of the amount required to be paid by the person, exclusive of penalties, shall be added thereto in addition to the ten per cent (10%) penalty provided in subdivision (a) of this section.

(e) Promptly after making his determination the Treasurer shall give to the person written notice of the estimate, determination and penalty, the notice to be served personally or by mail in the manner prescribed for service of notice of

deficiency determination."

"Section 12.3 JEOPARDY DETERMINATION. (a) If the Treasurer believes that the collection of any tax or any amount of tax required to be collected and paid to the City, or of any determination will be jeopardized by delay, he shall thereupon make a determination of the tax or amount of tax required to be collected, noting that fact upon the determination. The amount determined is immediately due and payable.

(b) INTEREST AND PENALTY. If the amount specified in the determination is not paid within ten (10) days after service of notice thereof upon the person against whom the determination is made, the amount becomes final at the expiration of the ten (10) days, unless a petition for redetermination is filed within the ten (10) days, and a penalty of ten per cent (10%) of the tax or the amount of the tax, plus interest at the rate of one-half of one per cent per month, or fraction thereof, from the date on which the tax or the amount of tax required to be collected becomes due and payable to the City until the date of payment, shall be added.

(c) PETITION FOR REDETERMINATION. The person against whom a jeopardy determination is made may petition the Treasurer for the redetermination of the tax. He shall, however, file such petition with the Treasurer within ten (10) days after the service upon him of the notice of the determination. The person shall also at the time of filing said petition deposit with the Treasurer such security as the Treasurer may require to insure compliance with this ordinance."

"Section 12.4. (a) PETITION FOR REDETERMINATION. Any person against whom a determination is made under this Ordinance, or any person directly interested, may petition for a redetermination within thirty (30) days after the service upon the person of notice thereof. If a petition

for redetermination is not filed within the thirty-day period the determination becomes final at the expiration of the period.

(b) ORAL HEARING - DECREASE OR INCREASE OF DETERMINATION. If a petition for redetermination is filed within the thirty-day period, the Treasurer shall reconsider the determination, and if the person has so requested in his petition, shall grant the person an oral hearing and shall give him ten (10) days' notice of the time and place of hearing. The Treasurer may continue the hearing from time to time as may be necessary. At such hearing the Treasurer may decrease or increase the amount of the determination before it becomes final, but the amount may not be increased by the Treasurer unless the Treasurer presents a claim for the increase to the person interested at or before the hearing.

(c) FINALTY DATE. The order or decision of the Treasurer upon a petition for redetermination becomes final thirty (30) days after service upon the petitioner of notice thereof.

(d) DUE DATE OF DETERMINATIONS: PENALTY. All determinations made by the Treasurer under this Ordinance are due and payable at the time they become final. If they are not paid when due and payable a penalty of ten per cent (10%) of the amount of the determination, exclusive of interest and penalties, shall be added thereto.

(e) SERVICE OF NOTICE. Any notice required by this Ordinance shall be served personally or by mail, in the manner prescribed for service of notice of a deficiency determination.

(f) Any person dissatisfied with the determination or redetermination of the Treasurer may within thirty (30) days after the receipt of the order or decision of the Treasurer upon a petition for redetermination, appeal to the Council of The City of San Diego. Such appeal may be taken by filing in writing an application for a decision of the Council

upon the order or decision of the Treasurer.

The Council is authorized to review the evidence submitted to the Treasurer and also accept additional evidence in connection with the taxes claimed to be due, and the decision of said Council upon the appeal shall be final."

"Section 12.5 The Treasurer is hereby authorized to examine the books, papers, records and equipment of any person selling tangible personal property within the City and any person liable for the Use Tax, and may investigate the character of the business of the person in order to verify the accuracy of any return made, or, if no return is made by the person, to ascertain and determine the amount required to be paid.

It shall be unlawful for any person, firm or corporation to refuse to permit such examination as herein authorized, or to conceal or refuse to submit any book, paper, record or equipment of any person selling tangible personal property and any person liable for the Use Tax to the Treasurer, or to his authorized representative, for his examination.

If the Treasurer, as a result of such audit, determines that any amount, penalty or interest has been paid more than once, or has been erroneously or illegally collected or computed, he shall make a finding to that effect, which shall be placed of record in his office. Thereupon the excess amount collected or paid shall be credited on any amounts then due and payable from the persons under this Ordinance, and the balance shall be refunded to the person, his successors, administrators or executors. Upon such determination by the Treasurer that such excess amount has been collected or paid to the City, the City shall refund such money upon the filing by such person of a claim for such refund, and said claim may be filed by any person entitled to file the same at any time within ninety (90) days

from the date of the determination made by such Treasurer of such excess amount so collected or paid to said City. In case, however, the Treasurer finds, as a result of said audit, that the full amount of either the sales tax or use tax has not been paid to the City, then the Treasurer shall proceed as in this Ordinance provided for the determination of the amount of sales or use tax due to the City."

"Section 12.6. The Treasurer, whenever he deems it necessary to insure compliance with any part of this Ordinance, may require any person subject thereto to deposit with him such securities as he may determine. The amount of the securities shall be fixed by the Treasurer, but shall not be greater than twice the estimated average liability of persons filing returns for quarterly periods or three times the estimated average liability of persons required to file returns for monthly periods, determined in such manner as the Treasurer deems proper, or ten thousand dollars (\$10,000.00), whichever amount is the lesser. The amount of the security may be increased or decreased by the Treasurer, subject to the limitations herein provided. The Treasurer may sell the security at public auction if it becomes necessary so to do in order to recover any tax or any amount required to be collected, interest or penalty due. Notice of the sale may be served upon the person who deposited the security personally or by mail. If by mail service shall be made in the manner prescribed for service of a notice of deficiency determination, and shall be addressed to the person at his address as it appears in the records of the Treasurer. Security in the form of a bearer bond issued by the United States or the State of California which has a prevailing market price may, however, be sold by the Treasurer at private sale at a price not lower than the prevailing market price thereof. Upon any sale any surplus above the amounts due shall be returned to the person

who deposited the security."

"Section 12.7. If any person is delinquent in the payment of the amount required to be paid by him, or in the event a determination has been made against him which remains unpaid, the Treasurer may, not later than three (3) years after the payment became delinquent, give notice thereof by registered mail to all persons having in their possession or under their control any credits or other personal property belonging to the delinquent or owing any debts to the delinquent. After receiving the notice the person so notified shall neither transfer nor make any other disposition of the credits, other personal property, or debts in their possession or under their control at the time they receive the notice until the Treasurer consents to a transfer or disposition or until twenty (20) days elapse after the receipt of the notice. All persons so notified shall within five (5) days after receipt of the notice advise the Treasurer of all such credits, other personal property or debts in their possession, under their control or owing by them."

"Section 12.8. At any time within three (3) years after any tax or any amount of tax required to be collected becomes due and payable and at any time within three (3) years after the delinquency of any tax or any amount of tax required to be collected, the Treasurer may bring an action in the courts of this state, or in any other state, or of the United States in the name of the People of The City of San Diego, to collect the amount delinquent, together with penalties and interest."

"Section 12.9. At any time within three (3) years after any person is delinquent in the payment of any amount the Treasurer may forthwith collect the amount in the following manner: The Treasurer shall seize any property, real or personal, of the person and sell the property or a sufficient part of it at public auction to pay the amount due

together with any interest or penalties imposed for the delinquency and any costs incurred on account of the seizure and sale. Any seizure made to collect a sales or use tax due shall be only the property of the retailer not exempt from execution under the provisions of the Code of Civil Procedure."

"Section 12.10. Notice of the sale and time and place thereof shall be given to the delinquent person in writing at least ten (10) days before the date set for the sale in the following manner: The notice shall be enclosed in an envelope addressed to the person, in case of a sale for use taxes due, at his last known address or place of business, and in case of a sale for sale taxes due at his last known residence or place of business in this City. It shall be deposited in the United States Mail, postage prepaid. The notices shall also be published for at least ten (10) days before the date set for the sale in a newspaper of general circulation published in the City in which the property seized is to be sold. The notice shall contain a description of the property to be sold, a statement of the amount due, including interest, penalties and costs, the name of the delinquent, and the further statement that unless the amount due, interest, penalties and costs are paid on or before the time fixed in the notice for the sale, the property, or so much of it as may be necessary, will be sold in accordance with law and the notice."

"Section 12.11. At the sale the Treasurer shall sell the property in accordance with law and the notice, and shall deliver to the purchaser a bill of sale for the personal property and a deed for any real property sold. The bill of sale or deed vests the interest or title of the person liable for the amount in the purchaser. The unsold portion of any property seized may be left at the place of sale at the risk of the person liable for the amount."

"Section 12.12. If upon the sale the moneys received exceed the total of all amounts, including interest, penalties and costs due the City, the Treasurer shall return the excess to the person liable for the amounts and obtain his receipt. If any person having an interest in or lien upon the property files with the Treasurer prior to the sale notice of his interest or lien, the Treasurer shall withhold any excess pending a determination of the rights of the respective parties thereto by a court of competent jurisdiction. If for any reason the receipt of the person liable for the amount is not available, the Treasurer shall deposit the excess moneys with himself as trustee for the owner, subject to the order of the person liable for the amounts, his heirs, successors or assigns."

"Section 12.13. If any retailer liable for any amount under this Ordinance sells out his business or stock of goods or quits the business, his successors or assigns shall withhold sufficient of the purchase price to cover such amount until the former owner produces a receipt from the Treasurer showing that he has been paid, or a certificate stating that no amount is due."

"Section 12.14. If the purchaser of a business or stock of goods fails to withhold purchase price as required, he becomes personally liable for the payment of the amount required to be withheld by him to the extent of the purchase price, valued in money. Within sixty (60) days after receiving a written request from the purchaser for a certificate, or within sixty (60) days from the date the former owner's records are made available for audit, whichever period expires the later, but in no event not later than ninety (90) days after receiving the request, the Treasurer

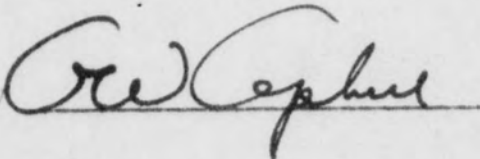

shall either issue the certificate or mail notice to the purchaser at his address as it appears on the records of the Treasurer, of the amount that must be paid as a condition of issuing the certificate.

Section 8. That said Ordinance No. 3201 (New Series) be, and the same is hereby amended by adding thereto a new section, to be numbered Section 16, which said section shall read as follows:

"Section 16. It shall be unlawful for any person, firm or corporation to violate any of the provisions of this Ordinance. A violation of any section of this Ordinance constitutes a misdemeanor, and in the event of conviction thereof, any person found guilty of such violation shall be punished by a fine of not to exceed five hundred dollars (\$500.00), or by imprisonment in the City Jail for a period of not to exceed six (6) months, or by both such fine and imprisonment."

AN ORDINANCE AMENDING ORDINANCE NO. 3201 (NEW SERIES) OF THE ORDINANCES OF THE CITY OF SAN DIEGO, ADOPTED MAY 31, 1946, BY AMENDING SECTIONS 1 1/2, 3, 4, 5, 10 AND 11 1/2, AND BY ADDING 15 NEW SECTIONS THERE TO, TO BE NUMBERED SECTIONS 12.1, 12.2, 12.3, 12.4, 12.5, 12.6, 12.7, 12.8, 12.9, 12.10, 12.11, 12.12, 12.13, 12.14 AND 16.

BE IT ORDAINED By the Council of The City of San Diego, as follows:

Section 1. That Section 1 1/2 of Ordinance No. 2291 (New Series) of the Ordinances of The City of San Diego, entitled, "An Ordinance establishing and levying a Sales and Use Tax on retail sales within The City of San Diego, State of California," adopted on the 21st day of May, 1916, be, and the same is hereby amended to read as follows:

Section 1 1/2. (a) An excise tax is hereby imposed on the use or other consumption in The City of San Diego of tangible personal property purchased from any retailer on and after the effective date of this section, for use or other consumption in this City, at the rate of one-half of one per cent of the sales price of the property.

(b) Every person using or otherwise consuming in this City tangible personal property purchased from a retailer is liable for the tax imposed under Section 1 1/2 (a) hereof. His liability is not extinguished until the tax has been paid to this City, except that a receipt from a retailer who is authorized by the City Treasurer, under such rules and regulations as he may prescribe, to collect the tax, given to the purchaser pursuant to Section 1 1/2 (c) hereof, is sufficient to relieve the purchaser from further liability for the tax to which the receipt refers.

(c) Every retailer who is authorized by the City Treasurer to collect the taxes imposed by this section, and who makes sales of tangible personal property for use or other consumption in this City not exempted under other provisions of this Ordinance, shall at the time of making the sales, or if the use or other consumption of the tangible personal property is not then taxable hereunder, at the time the use or other consumption becomes taxable, collect the tax from the purchaser. In such event the retailer shall give to the purchaser a receipt therefor, in the manner and form prescribed by the City Treasurer. The tax so collected by the retailer constitutes a debt owed by the retailer to the City, and it shall be unlawful for such retailer to fail to pay the same to the City in the manner and at the time elsewhere specified in this Ordinance.

Section 2. That Section 3 of said Ordinance No. 3201 (New Series) be, and the same is hereby amended to read as follows:

"Section 3. It is unlawful for any retailer to advertise or hold out or state to the public or to any customer, directly or indirectly, that the sales or use tax, or any part thereof, will be assumed or absorbed by the retailer or that it will not be added to the selling price of the property sold, or if added it or any part thereof will be refunded; provided, however, that the Treasurer may, by regulation, provide that the amount collected by the retailer from the consumer in reimbursement of the tax be displayed separately from the list price, the price advertised in the premises, the marked price, or other price on the sales check or other proof of sale."

Section 3 1/2. That Section 4 of said Ordinance No. 3201 (New Series) be, and the same is hereby amended to read as follows:

"Section 4. (a) The sales and use taxes imposed by this Ordinance and the return thereon required to be filed, shall be due, payable and filed with the Treasurer on or before the last day of the month next succeeding each monthly or quarterly period; provided, however, that the Treasurer, if he deems it necessary in order to insure payment or to facilitate the collection by the City of the amount of taxes, may require returns and payment of the amount of taxes for quarterly periods other than calendar quarters depending upon the principal place of business of the seller, retailer or purchaser, as the case may be, or for other than quarterly periods.

(b) For the purposes of the sales tax a return shall be filed by every seller. For purposes of the use tax a return shall be filed by every retailer maintaining a place of business in The City of San Diego and by every person purchasing tangible personal property, the use or other consumption of which is subject to the use tax, who has not paid the use tax to a retailer required to collect the tax. Returns shall be signed by the person required to file the return, or by his duly authorized agent, but need not be verified by oath.

(c) For the purposes of the sales tax the return shall show the gross receipts of the seller during the preceding reporting period. For the purposes of the use tax, in case of a return filed by a retailer, the return shall show the total sales price of the property sold by him, the use or consumption of which property became subject to the use tax during the preceding reporting period. In case of a return filed by a purchaser the return shall show the total sales price of the property purchased by him, the use or consumption of which became subject to the use tax during the preceding reporting period. The return shall also show the amount of taxes for the period covered by the return, and such other things as the Treasurer deems necessary for the proper administration of this part of the Ordinance.

(d) EXTENSION OF TIME. The

tangible goods not so purchased but of such similarity that the identity of the constituent goods in the commingled mass cannot be determined, sales from the mass of commingled goods shall be deemed to be sales of the goods so purchased until a quantity of commingled goods equal to the quantity of purchased goods so commingled has been sold."

Section 5. That Section 10 of said Ordinance No. 3201 (New Series) be, and the same is hereby amended to read as follows:

"Section 10. Except as herein expressly stated, the definitions contained in Chapter I, Part I, Division 2, Sections 6005, 6006, 6006.5, 6007, 6009, 6009.1, 6010, 6011, 6012, 6013, 6014, 6015, 6016 and 6018, of the Sales and Use Tax Law of the Revenue and Taxation Code of the State of California, are hereby incorporated, adopted and made a part of this Ordinance as though fully set forth herein.

All of said definitions shall be construed to apply to sales taking place, had and performed within The City of San Diego, and for the use and consumption of property within said City.

All of the provisions of the State Sales and Use Tax Law of the Revenue and Taxation Code of the State of California, as contained in Sections 6244, and in Section 6351 to and including Section 6402, as now in force or as hereafter amended, applicable to sales of property at retail, are hereby adopted and made a part of this Ordinance as though fully set forth herein, and all provisions of any ordinance of The City of San Diego in conflict herewith are inapplicable to this Ordinance and the tax hereby imposed. Whenever any of said sections provide for the performance of official action on the part of the State Board of Equalization, such official action shall be performed by the Treasurer of The City of San Diego. Whenever the State of California is mentioned in any of the foregoing sections herein adopted and made a part of this Ordinance The City of San Diego shall be deemed substituted for said State unless another meaning is clearly evidenced.

All taxes hereby levied shall be payable to the Treasurer of The City of San Diego, and any civil suit for the collection thereof may be filed in any court of competent jurisdiction in the State of California, and the City Attorney of said City shall prosecute said action to a final judgment."

Section 6. That Section 11 1/2 of said Ordinance No. 3201 (New Series) be, and the same is hereby amended to read as follows:

"Section 11 1/2. All of the exemptions contained in Part I, of Division 2 of the Revenue and Taxation Code of the State of California, as contained in Section 6351 to and including Section 6402, are hereby granted as applicable to the sales and use tax herein in this Ordinance provided, and in addition thereto there shall be excluded from the computation of the taxes gross receipts from:

(1) Sales made to or by the State of California, or any agency, department, political subdivision, district or municipal corporation thereof.

(2) Sales of property to be used in connection with the erection, construction, repair or alteration of either public works or buildings belonging to or being constructed by or on behalf of, or for the use of the United States Government, State of California, or any agency, department, political subdivision, district or public or municipal corporation of the State.

(3) Sales made pursuant to contracts actually executed in good faith prior to July 1, 1946.

(4) Sales of meals, food and drinks sold or served on common carriers operating into, through or out of this City from or to points outside this City.

(5) Sales made by manufacturers, processors, jobbers and wholesalers when such sales are made in wholesale quantities at less than retail prices when said sales are made to purchasers for use and consumption in the conduct of their business; provided, however, that purchases of personal property by firms operating within The City of San Diego for use and consumption in the conduct of their business within The City of San Diego shall be subject to the Use Tax imposed by Section 1 1/2 of this Ordinance;

(6) Sales of property upon which a sales tax, purchase tax, use tax, purchase and use tax, or any of them, has been legally imposed by and paid on the same transaction to any City of the State of California having a similar reciprocal exemption."

Section 7. That said Ordinance No. 3201 (New Series) be, and the same is hereby amended by adding thereto fourteen (14) new sections, to be numbered Section 12.1, Section

upon any information which is in the Treasurer's possession or which may come into his possession. Upon the basis of this estimate the Treasurer shall compute and determine the amount required to be paid to the City, adding to the sum thus arrived at a penalty equal to ten per cent (10%) thereof. One or more determinations may be made for one or for more than one period.

(b) OFFSETS. In making a determination the Treasurer may offset overpayments for a period or periods, together with interest on the overpayments, against the underpayments for another period or periods, against penalties and against the interest on the underpayments. The interest on underpayments and overpayments shall be computed in the manner set forth in Section 4 of this Ordinance.

(c) INTEREST. The amount of the determination, exclusive of penalties, shall bear interest at the rate of one-half of one percent per month, or fraction thereof, from the last day of the month following the period for which the amount, or any portion thereof, should have been returned until the date of payment.

(d) PENALTIES. If the failure of any person to file a return is due to fraud or an intent to evade this ordinance, or the rules and regulations enacted pursuant thereto, a penalty of twenty-five per cent (25%) of the amount required to be paid by the person, exclusive of penalties, shall be added thereto in addition to the ten per cent (10%) penalty provided in subdivision (a) of this section.

(e) Promptly after making his determination the Treasurer shall give to the person written notice of the estimate, determination and penalty, the notice to be served personally or by mail in the manner prescribed for service of notice of deficiency determination."

"Section 12.3 JEOPARDY DETERMINATION. (a) If the Treasurer believes that the collection of any tax or any amount of tax required to be collected and paid to the City, or of any determination will be jeopardized by delay, he shall thereupon make a determination of the tax or amount of tax required to be collected, noting that fact upon the determination. The amount determined is immediately due and payable.

(b) INTEREST AND PENALTY. If the amount specified in the determination is not paid within ten (10) days after service of notice thereof upon the person against whom the determination is made, the amount becomes final at the expiration of the ten (10) days, unless a petition for redetermination is filed within the ten (10) days, and a penalty of ten per cent (10%) of the tax or the amount of the tax, plus interest at the rate of one-half of one percent per month, or fraction thereof, from the date on which the tax or the amount of tax required to be collected becomes due and payable to the City until the date of payment, shall be added.

(c) PETITION FOR DETERMINATION. The person against whom a jeopardy determination is made may petition the Treasurer for redetermination of the tax. He shall, however, file such petition with the Treasurer within ten (10) days after the service upon him of the notice of the determination. The person shall also at the time of filing said petition deposit with the Treasurer such security as the Treasurer may require to insure compliance with this ordinance."

"Section 12.4. (a) PETITION FOR REDETERMINATION. Any person against whom a determination is made under this Ordinance, or any person directly interested, may petition for a redetermination within thirty (30) days after the service upon the person of notice thereof. If a petition for redetermination is not filed within the thirty-day period the determination becomes final at the expiration of the period.

(b) ORAL HEARING—DECREASE OR INCREASE OF DETERMINATION. If a petition for redetermination is filed within the thirty-day period, the Treasurer shall reconsider the determination, and if the person has so requested in his petition, shall grant the person an oral hearing and shall give him ten (10) days' notice of the time and place of hearing. The Treasurer may continue the hearing from time to time as may be necessary. At such hearing the Treasurer may decrease or increase the amount of the determination before it becomes final, but the amount may not be increased by the Treasurer unless the Treasurer presents a claim for the increase to the person interested at or before the hearing.

(c) FINALTY DATE. The order or decision of the Treasurer upon a petition for redetermination becomes final thirty (30) days after

The Treasurer may sell the security at public auction if it becomes necessary so to do in order to recover any tax or any amount required to be collected, interest or penalty due. Notice of the sale may be served upon the person who deposited the security personally or by mail, in the manner prescribed for service of a notice of deficiency determination, and shall be addressed to the person at his address as it appears in the records of the Treasurer. Security in the form of a hearing bond issued by the United States or the State of California which has a prevailing market price may, however, be sold by the Treasurer at private sale at a price not lower than the prevailing market price thereof. Upon any sale any surplus above the amounts due shall be returned to the person who deposited the security.

"Section 12.7. If any person is delinquent in the payment of the amount required to be paid by him, or in the event a determination has been made against him which remains unpaid, the Treasurer may, not later than three (3) years after the payment became delinquent, give notice thereof by registered mail to all persons having in their possession or under their control any credits or other personal property belonging to the delinquent or owing any debts to the delinquent. After receiving the notice the person so notified shall neither transfer nor make any other disposition of the credits, other personal property or debts in their possession or under their control at the time they receive the notice until the Treasurer consents to a transfer or disposition or until twenty (20) days elapse after the receipt of the notice. All persons so notified shall within five (5) days after receipt of the notice advise the Treasurer of all such credits, other personal property or debts in their possession, under their control or owing by them."

"Section 12.8. At any time within three (3) years after any tax or any amount of tax required to be collected becomes due and payable and at any time within three (3) years after the delinquency of any tax or any amount of tax required to be collected, the Treasurer may bring an action in the courts of this state, or in any other state, or of the United States in the name of the People of The City of San Diego, to collect the amount delinquent, together with penalties and interest."

"Section 12.9. At any time within three (3) years after any person is delinquent in the payment of any amount the Treasurer may forthwith collect the amount in the following manner: The Treasurer shall seize any property, real or personal, of the person and sell the property or a sufficient part of it at public auction to pay the amount due together with any interest or penalties imposed for the delinquency and any costs incurred on account of the seizure and sale. be filed, shall be due, payable and filed with the Treasurer on or before the last day of the month next succeeding each month or quarterly period, provided, however, that the Treasurer, if he deems it necessary in order to insure payment or to facilitate the collection by the City of the amount of taxes, may require returns and payment of the amount of taxes for quarterly periods other than calendar quarters depending upon the principal place of business of the seller, retailer or purchaser, as the case may be, or for other than quarterly periods.

(b) For the purposes of the sales tax a return shall be filed by every seller. For purposes of the use tax a return shall be filed by every retailer maintaining a place of business in The City of San Diego and by every person purchasing tangible personal property, the use or other consumption of which is subject to the use tax, who has not paid the use tax to a retailer required to collect the tax. Returns shall be signed by the person required to file the return, or by his duly authorized agent, but need not be verified by oath.

(c) For the purposes of the sales tax the return shall show the gross receipts of the seller during the preceding reporting period. For the purposes of the use tax, in case of a return filed by a retailer, the return shall show the total sales price of the property sold by him, the use or consumption of which property became subject to the use tax during the preceding reporting period. In case of a return filed by a purchaser, the return shall show the total sales price of the property purchased by him, the use or consumption of which became subject to the use tax during the preceding reporting period. The return shall also show the amount of taxes for the period covered by the return, and such other things as the Treasurer deems necessary for the proper administration of this part of the Ordinance.

(d) EXTENSION OF TIME. The Treasurer for good cause may from time to time extend for not more than thirty (30) days the time for making any return or paying any sum required to be paid hereunder. Upon proper showing additional extension of time may be granted; provided, that in no event shall the maximum period of extension exceed one hundred twenty (120) days from the due date.

(e) All taxes paid hereunder shall be deemed delinquent if not paid within the time required. Whenever any tax required to be paid by this section is not paid on or before the date on which it becomes delinquent, or within the period of extension or extensions granted pursuant hereto, a penalty shall be imposed of ten per cent (10%) of the tax or amount of the tax in addition to the tax or amount of the tax, plus interest at the rate of one-half of one per cent per month, or fraction thereof, from the date on which the tax or the amount of the tax required to be collected became due and payable to The City of San Diego until the date of payment.

(f) The tax required to be collected by the retailer from the purchaser may be displayed separately from the list price, the price advertised in the premises, the marked price, or other price on the sales check or other proof of sales.

(g) For the purposes of the sales tax gross receipts from rentals or leases of tangible personal property shall be reported and the tax paid in accordance with such rules and regulations as the Treasurer may prescribe, and which have been approved by the Council of said City.

Section 4. That Section 3 of said Ordinance No. 3201 (New Series) be, and the same is hereby amended to read as follows:

"Section 3. (a) For the purpose of the proper administration of this Ordinance and to prevent evasion of the use tax and the duty to collect the use tax, it shall be presumed that tangible personal property sold by any person for delivery in this City is sold for use or other consumption in this City until the contrary is established. The burden of proving the contrary shall be upon the person who makes the sale, unless he takes from the purchaser a certificate to the effect that the property is purchased for resale.

(b) For the purpose of the proper administration of this Ordinance, and to prevent evasion of the sales tax, it shall be presumed that all gross receipts are subject to the tax until the contrary is established by the permittee.

(c) The certificate relieves the person selling the property from the burden of proving only if taken in good faith from a person who is engaged in the business of selling tangible personal property and holds the permit provided for by this Ordinance, and who, at the time of purchasing the tangible personal property, intends to sell it in the regular course of business or is unable to ascertain at the time of purchase whether the property will be sold or will be used for some other purpose.

(d) The certificate shall be signed by and bear the name and address of the purchaser, shall indicate the number of the permit issued to the purchaser, and shall indicate the general character of the tangible personal property sold by the purchaser in the regular course of business. The certificate shall be substantially in such form as the Treasurer may prescribe.

(e) If a purchaser who gives a certificate makes any use of the property other than retention, demonstration, or display while holding it for sale in the regular course of business, the use shall be deemed a retail sale by the purchaser as of the time the property is first so stored or used, if the sole use of the property other than retention, demonstration, or display in the regular course of business, is the rental of the property while holding it for sale, the purchaser may elect to pay the tax on the use, measured by the amount of the rental charge rather than the sales price of the property to him.

(f) If a purchaser gives a certificate with respect to the purchase of fungible goods and thereafter commingles these goods with other

property granted as applicable to the sale and use tax herein in this Ordinance provided, and in addition thereto there shall be excluded from the computation of the taxes gross receipts from:

(1) Sales made to or by the State of California, or any agency, department, political subdivision, district or municipal corporation thereof;

(2) Sales of property to be used in connection with the erection, construction, repair or alteration of either public works or buildings belonging to or being constructed by or on behalf of, or for the use of the United States Government, State of California, or any agency, department, political subdivision, district or public or municipal corporation of the State;

(3) Sales made pursuant to contracts actually executed in good faith prior to July 1, 1915;

(4) Sales of meats, food and drinks sold or served on common carriers operating into, through or out of this City from or to points outside this City;

(5) Sales made by manufacturers, processors, jobbers and wholesalers when such sales are made in wholesale quantities at less than retail prices when said sales are made to purchasers for use and consumption in the conduct of their business; provided, however, that purchases of personal property by firms operating within The City of San Diego for use and consumption in the conduct of their business within The City of San Diego shall be subject to the Use Tax imposed by Section 15 of this Ordinance;

(6) Sales of property upon which a sales tax, purchase tax, use tax, purchase and use tax, or any of them, has been legally imposed by and paid on the same transaction to any City of the State of California having a similar reciprocal exemption.

Section 7. That said Ordinance No. 3201 (New Series) be, and the same is hereby amended by adding thereto fourteen (14) new sections, to be numbered Section 12.1, Section 12.2, Section 12.3, Section 12.4, Section 12.5, Section 12.6, Section 12.7, Section 12.8, Section 12.9, Section 12.10, Section 12.11, Section 12.12, Section 12.13 and Section 12.14, which said sections shall read as follows:

"Section 12.1 (a) DEFICIENCY DETERMINATIONS. If the Treasurer is not satisfied with the return or returns of the tax or the amount of tax required to be paid amount of tax required to be paid to The City of San Diego by any person, he may compute and determine the amount required to be paid upon the basis of the facts contained in the return or returns, or upon the basis of any information within his possession or that may come into his possession, and one or more deficiency determinations may be made of the amount due for one or for more than one period. When a business is discontinued a determination may be made at any time thereafter within the periods specified in Section 12.1, Subdivision (g) as to liability arising out of that business, irrespective of whether the determination is issued prior to the due date of the liability as otherwise specified herein.

(b) INTEREST. The amount of the determination, exclusive of penalties, shall bear interest at the rate of one-half of one per cent per month, or fraction thereof, from the last day of the month following the period for which the amount or any portion thereof should have been returned until the date of payment.

(c) OFFSETS. In making a determination the Treasurer may offset overpayments for a period or periods, together with interest on the overpayments, against underpayments for another period or periods, against penalties, and against the interest on the underpayments. The interest on underpayments and overpayments shall be computed in the manner as set forth in Section 4 of this Ordinance.

(d) 10% PENALTY. If any part of the deficiency for which a deficiency determination is made is due to negligence or intentional disregard of this Ordinance, or of the authorized rules and regulations adopted as a result of this Ordinance, a penalty of ten per cent (10%) shall be added thereto.

(e) 25% PENALTY. If any part of the deficiency for which a deficiency determination is made is due to fraud or an intent to evade this Ordinance or the authorized rules and regulations adopted as a result of this Ordinance, a penalty of twenty-five per cent (25%) of the amount of the determination shall be added thereto.

(f) NOTICE OF DETERMINATION. The Treasurer shall give to the retailer or person using or consuming tangible personal property written notice of his determination. This notice may be served personally or by mail, and if served by mail shall be registered with a return receipt demanded, and such notice shall be addressed to the retailer or person using or consuming tangible personal property at his address as it appears in the records of the Treasurer. In case of service by mail of any notice required herein the service is complete at the time of deposit in the United States Post Office.

(g) LIMITATIONS. Except in the case of fraud or failure to make a return, every notice of a deficiency determination herein provided for shall be mailed within three (3) years after the last day of the calendar month following the period for which the amount is proposed to be determined, or within three (3) years after the return is filed, whichever period expires the later.

Section 12.2. DETERMINATIONS IF NO RETURN MADE.

(a) DETERMINATION - FAILURE TO FILE RETURN. If any person fails to make a return, the Treasurer shall make an estimate of the amount of the gross receipts of the person, or, as the case may be, of the amount of the total sales price of tangible personal property sold or purchased by the person, the use or other consumption of which in this City is subject to the Use Tax. The estimate shall be made for the period or periods in respect to which the person failed to make a return and shall be based

on the date on which the tax or the amount of tax required to be collected becomes due and payable to the City until the date of payment, the City shall be added.

(b) PETITION FOR DETERMINATION. The person against whom a deficiency determination is made may petition the Treasurer for the redetermination of the tax. He shall, however, file such petition with the Treasurer within ten (10) days after the service upon him of a notice of the determination. The person shall also at the time of filing said petition deposit with the Treasurer such security as the Treasurer may require to insure compliance with this Ordinance.

(c) PETITION FOR REDETERMINATION. Any person against whom a determination is made under this Ordinance, or any person directly interested, may petition for a redetermination within thirty (30) days after the service upon the person of notice thereof. If a petition for redetermination is not filed within the thirty-day period the determination becomes final at the expiration of the period.

(d) ORAL HEARING - DECREASE OR INCREASE OF DETERMINATION. If a petition for redetermination is filed within the thirty-day period, the Treasurer shall reconsider the determination, and if the person has so requested in his petition, shall grant the person an oral hearing and shall give him ten (10) days' notice of the time and place of hearing. The Treasurer may continue the hearing from time to time as may be necessary. At such hearing the user may decrease or increase the amount of the determination before it becomes final, but the amount may not be increased by the Treasurer unless the Treasurer presents a claim for the increase to the person interested at or before the hearing.

(e) FINALITY DATE. The order or decision of the Treasurer upon a petition for redetermination becomes final thirty (30) days after service upon the petitioner of notice thereof.

(f) DUE DATE OF DETERMINATIONS: PENALTY. All determinations made by the Treasurer under this Ordinance are due and payable at the time they become final. If they are not paid when due and payable a penalty of ten per cent (10%) of the amount of the determination, exclusive of interest and penalties, shall be added thereto.

(g) SERVICE OF NOTICE. Any notice required by this Ordinance shall be served personally or by mail, in the manner prescribed for service of notice of a deficiency determination.

(h) Any person dissatisfied with the determination or redetermination of the Treasurer may within thirty (30) days after the receipt of the order or decision of the Treasurer upon a petition for redetermination, appeal to the Council of The City of San Diego. Such appeal may be taken by filing in writing an application for a decision of the Council upon the order or decision of the Treasurer.

The Council is authorized to review the evidence submitted to the Treasurer and also accept additional evidence in connection with the taxes claimed to be due, and the decision of said Council upon the appeal shall be final.

Section 12.3. The Treasurer is hereby authorized to examine the books, papers, records and equipment of any person selling tangible personal property within the City and any person liable for the Use Tax, and may investigate the character of the business of the person in order to verify the accuracy of any return made, or, if no return is made by the person, to ascertain and determine the amount required to be paid.

It shall be unlawful for any person, firm or corporation to refuse to permit such examination as herein authorized, or to conceal or refuse to submit any book, paper, record or equipment of any person selling tangible personal property and any person liable for the Use Tax to the Treasurer, or to his authorized representative, for his examination.

If the Treasurer, as a result of such audit, determines that any such amount, penalty or interest has been paid more than once, or has been erroneously or illegally collected or computed, he shall make a finding to that effect, which shall be placed of record in his office. Thereupon the excess amount collected or paid shall be credited on any amounts then due and payable from the persons under this Ordinance, and the balance shall be refunded to the person, his successors, administrators or executors. Upon such such excess amount has been collected or paid to the City, the City shall refund such money upon the filing by such person of a claim for such refund, and said claim may be filed by any person entitled to file the same at any time within sixty (60) days from the date of the determination made by such Treasurer of such excess amount so collected or paid to said City. In case, however, the Treasurer finds, as a result of said audit, that the full amount of either the sales tax or use tax has not been paid to the City, then the Treasurer shall proceed as in this Ordinance provided for the determination of the amount of sales or use tax due to the City.

Section 12.4. The Treasurer, whenever he deems it necessary to insure compliance with any part of this Ordinance, may require any person subject thereto to deposit with him such securities as he may determine. The amount of the securities shall be fixed by the Treasurer, but shall not be greater than twice the estimated average liability of persons filing returns for quarterly periods or three times the estimated average liability of persons required to file returns for monthly periods, determined in such manner as the Treasurer deems proper, or ten thousand dollars (\$10,000.00), whichever amount is the lesser. The amount of the security may be increased or decreased by the Treasurer, subject to the limitations herein provided.

with any interest or penalties imposed for delinquency and any costs incurred on account of the seizure and sale. Any seizure made to collect a sales or use tax due shall be only the property of the retailer not exempt from execution under the provisions of the Code of Civil Procedure.

Section 12.10. Notice of the sale and time and place thereof shall be given to the delinquent person in writing at least ten (10) days before the date set for the sale in the following manner: The notice shall be enclosed in an envelope addressed to the person, in case of a sale for use taxes due, at his last known address or place of business, and in case of a sale for sales taxes due at his last known residence or place of business in this City. It shall be deposited in the United States Mail, postage prepaid. The notice shall also be published for at least ten (10) days before the date set for the sale in a newspaper of general circulation published in the City in which the property is to be sold. The notice shall contain a description of the property to be sold, a statement of the amount due, including interest, penalties and costs, the name of the delinquent, and the further statement that unless the amount due, interest, penalties and costs are paid on or before the time fixed in the notice for the sale, the property, or so much of it as may be necessary, will be sold in accordance with law and the notice.

Section 12.11. At the sale the Treasurer shall sell the property in accordance with law and the notice, and shall deliver to the purchaser a bill of sale for the personal property and a deed for any real property sold. The bill of sale or deed vests the interest or title of the person liable for the amount in the purchaser. The unsold portion of any property seized may be left at the place of sale at the risk of the person liable for the amount.

Section 12.12. If upon the sale the moneys received exceed the total of all amounts, including interest, penalties and costs due the City, the Treasurer shall return the excess to the person liable for the amounts and obtain his receipt. If any person having an interest in or lien upon the property files with the Treasurer prior to the sale notice of his interest or lien, the Treasurer shall withhold any excess pending a determination of the rights of the respective parties thereto, by a court of competent jurisdiction. If for any reason the receipt of the person liable for the amount is not available, the Treasurer shall deposit the excess moneys with himself as trustee for the owner, subject to the order of the person liable for the amounts, his heirs, successors or assigns.

Section 12.13. If any retailer liable for any amount under this Ordinance sells out his business or stock of goods or quits the business, his successors or assigns shall withhold sufficient of the purchase price to cover such amount until the former owner produces a receipt from the Treasurer showing that he has been paid, or a certificate stating that no amount is due.

Section 12.14. If the purchaser of a business or stock of goods fails to withhold purchase price as required, he becomes personally liable for the payment of the amount required to be withheld by him to the extent of the purchase price, valued in money. Within sixty (60) days after receiving a written request from the purchaser for a certificate, or within sixty (60) days from the date the former owner's records are made available for audit, whichever period expires the later, but in no event not later than ninety (90) days after receiving the request, the Treasurer shall either issue the certificate or mail notice to the purchaser at his address as it appears on the records of the Treasurer, of the amount that must be paid as a condition of issuing the certificate.

Section 15. That said Ordinance No. 3201 (New Series) be, and the same is hereby amended by adding thereto a new section, to be numbered Section 16, which said section shall read as follows:

"Section 16. It shall be unlawful for any person, firm or corporation to violate any of the provisions of this Ordinance. A violation of any section of this Ordinance constitutes a misdemeanor, and in the event of conviction thereof, any person found guilty of such violation shall be punished by a fine or not to exceed five hundred dollars (\$500.00), or by imprisonment in the City Jail for a period of not to exceed six (6) months, or by both such fine and imprisonment."
