AN ORDINANCE APPROVING AND ADOPTING PROPOSED AMENDMENTS OF SECTION 4, RULE II, AND SECTION 11, RULE III, OF THE RULES OF THE CIVIL SERVICE COMMISSION OF THE CITY OF SAN DIEGO.

WHEREAS, the Civil Service Commission of The City of San Diego has heretofore recommended that this Council approve and adopt proposed amendments of Section 4, Rule II, and Section 11, Rule III, of the Rules of the Civil Service Commission; and

WHEREAS, the Council has heretofore conducted a public hearing upon the question of adopting said proposed amendments of said rules on the 18th day of December, 1951, after notice of such public hearing had been duly published and posted as required by the provisions of the Charter of said City; and

WHEREAS, this Council is now of the opinion that it will be to the best interests of the City and its inhabitants that said proposed amendments be adopted, as recommended by said Civil Service Commission; NOW, THEREFORE,

BE IT ORDAINED By the Council of The City of San Diego, as follows:

Section 1. That the proposed amendment of Section 4 of Rule II of the Rules of the Civil Service Commission of The City of San Diego, by adding a new subdivision thereto, be, and the same is hereby approved and adopted; which said proposed amendment is in words and figures as follows:

"(c) Retirement of members of the Classified Service shall be compulsory at the age of sixty-five years, except that the Manager or other department head, for the City's benefit, may thereafter continue an employee who has reaches such age limit in the City service from year to year up to, but not beyond, the time when such employee reaches the age of seventy-two years."

Section 2. That the proposed amendment of Section 11 of Rule III of the Rules of the Civil Service Commission of The City of San Diego, be, and the same is hereby approved and adopted; which said proposed amendment is in words and figures as follows:

"Section 11. EXAMINATION GRADES: Unless otherwise published in notices prior to holding the examination, candidates shall be graded on a scale in which 100% represents the highest possible attainment and 70% represents the minimum acceptable attainment. In order to attain a place on the eligible list a candidate's general average in the examination must be no less than 70%; provided, however, that the Personnel Director may, with the approval of the Commission, require at least 70% in some specific part of an examination as published in the announcement, and the failure of the candidate to make such required 70% in that part of the examination will disqualify him in the entire examination. Except as hereinafter provided no person who has failed to pass an examination shall be permitted to be re-examined for the same class of position within six months from the date of such failure; provided, however, that the Personnel Director may, if no adequate eligible list for the class of position was secured by such examination, and if it is deemed by the Civil Service Commission necessary for the good of the service, permit persons who have failed in an examination to be re-examined before the expiration of the six-months' period, but in no case prior to sixty (60) days from the date of such failure; provided, further, that the foregoing rule with respect to re-examination of candidates shall not be applicable to tests of strength, agility or athletic ability."

Section 3. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

ORDINANCE NO. 5019
(New Series)

AN ORDINANCE PROVIDING FOR A MORATORIUM ON THE DOG LICENSING REQUIREMENTS OF THE CITY OF SAN DIEGO, AND AMENDING SECTIONS 2, 3 and 7 OF TITLE III OF, AND ADDING A NEW SECTION TO BE KNOWN AND NUMBERED SECTION 8 OF TITLE III TO, ORDINANCE NO. 4992 (NEW SERIES) OF THE ORDINANCES OF THE CITY OF SAN DIEGO, ADOPTED NOVEMBER 27, 1951.

WHEREAS, there has recently been adopted Ordinance No. 4992 (New Series), effective December 28, 1951, which provides, among other things, for the licensing of dogs in a manner somewhat at variance with that heretofore obtaining in The City of San Diego; and

WHEREAS, it has been found impossible to procure the necessary printed forms and tags in time to make them available for licensing purposes consistent with the terms of said ordinance during the period immediately following its effective date; and

WHEREAS, the existence of certain requirements of an ordinance with which the public, through no fault of their own, find it impossible to comply may lead to a belief that other provisions of such ordinance will likewise not be enforced during the period of such impossibility; and

WHEREAS, the vaccination of dogs required in said Ordinance No. 4992 (New Series) may not be feasible with respect to certain infirm or aged animals; and

WHEREAS, it is therefore necessary for the immediate preservation of the public peace, health, property and safety to postpone the date as of which dogs are required to be licensed under said Ordinance No. 4992 (New Series) and to make certain modifications therein; NOW, THEREFORE,

BE IT ORDAINED, by the Council of The City of San Diego as follows:

Section 1. Between December 28, 1951, and February 29, 1952, no dog in The City of San Diego shall be required to be licensed, although all other provisions of applicable ordinances shall be in force and effect.

Section 2. That Section 2 of Title III of Ordinance No. 4992 (New Series) of the ordinances of The City of San Diego, entitled "An ordinance providing for a City Pound and the impounding of certain animals; providing for the licensing, regulation and care of dogs; providing for the control of rabies and providing for the regulation of dog kennels; prescribing penalty for the violation of its provisions; and repealing ordinances numbered 292 (New Series), adopted September 5, 1933; 343 (New Series), adopted October 30, 1933; 344 (New Series, adopted October 30, 1933; 437 (New Series), adopted April 30, 1934; 572 (New Series), adopted December 18, 1934; 618 (New Series), adopted March 12, 1935; 2508 (New Series), adopted August 11, 1942; 2923 (New Series), adopted December 26, 1944; 2887 (New Series), adopted September 26, 1944; 3831 (New Series), adopted August 17, 1948; and 4433 (New Series), adopted June 8, 1950.", adopted November 27, 1951, be, and the same is hereby amended to read as follows:

Section 2. Dog licenses shall be valid only during the calendar year for which issued and shall expire on December 31 of such year.

Section 3. That Section 3 of Title III of said Ordinance No. 4992 (New Series), be, and the same is hereby amended to read as follows:

Section 3. A numbered receipt bearing a brief description of a licensed dog, and a correspondingly numbered license tag, bearing the year for which issued, shall be issued with each license granted. The numbered license tag shall be firmly attached by the licensee to the collar or harness of the dog for which issued, except when the dog is securely

confined on or within the premises of the owner. No licensee, or any other person, shall attach, or permit to be attached, such a tag to the collar or harness of, or otherwise cause such tag to be worn or carried by, any dog other than the dog for which such a tag was issued.

Section 4. That Section 7 of Title III of said Ordinance No. 4992 (New Series), be, and the same is hereby amended to read as follows:

Section 7. No license fee shall be required with respect to licenses issued for dogs which have been honorably discharged or released from the service of the armed forces of the United States during World War II, or dogs which have been specifically trained and are principally used for the purpose of leading persons with defective eyesight. The license fee for other dogs shall be Two Dollars and Fifty Cents (\$2.50) if application is made prior to June 30 of the year for which the license is desired, or One Dollar and Twenty-five Cents (\$1.25) if application is made subsequent thereto. Provided, however, that to such license fees there shall be added a penalty of One Dollar (\$1.00) in the event that application is made subsequent to the date on which the animal is required to be licensed under this ordinance.

Section 5. That said Ordinance No. 4992 (New Series), be, and the same is hereby amended by adding to Title III thereof a new section to be known and numbered as Section 8, which section shall read as follows:

Section 8. Nothing herein to the contrary notwithstanding, no dog need be vaccinated for rabies if:

(a) A licensed veterinarian has examined the dog

and certified that at such time vaccination would endanger the dog's health because of its age, infirmity, debility, or other physiological considerations; and

(b) Such certificate is presented to the Director of Public Health within thirty days of such examination; and

(c) The Director of Public Health concurs in the opinion of the veterinarian contained in such certificate and indorses on such certificate his approval thereof or indorses the license application form as being free from the requirement of vaccination.

The Treasurer is hereby authorized to accept such indorsed certificate or application in lieu of the proof of vaccination elsewhere in this ordinance required, but may issue in connection with such license a tag so differing from the regular tag as to indicate that no vaccination was required therefor.

Any such waiver of vaccination shall expire at the same time as the license with respect to which it is granted.

Section 6. This ordinance is passed and adopted in the exercise of the police power vested in the legislative body of The City of San Diego and is for the preservation of the public peace, health, property and safety of the inhabitants thereof and is an emergency measure for the reasons set forth in the preamble to this ordinance and shall therefore take effect and be in force on the 28th day of December, 1951.
