AN ORDINANCE AMENDING SECTIONS 67.24 AND 67.25,
CHAPTER VI, ARTICLE 7, OF THE SAN DIEGO MUNI-
CIPAL CODE.

BE IT ORDAINED By the Council of The City of San Diego,
as follows:

Section 1. That Section 67.24, Chapter VI, Article 7, of
the San Diego Municipal Code be, and the same is hereby amended
to read as follows:

"Sec. 24. METER READING PERIOD. Under ordinary
conditions continuous service meters shall be read bi-
monthly on approximately the same day of the month, provided,
however, that the Water Department may, at its discretion,
read the meter of any consumer on a monthly schedule and
a bill issued showing the period covered by the meter read-
ings, the quantity of water used and the total charge for
the service rendered. If the meter readings indicate that
a large or unusual consumption has occurred, the readings
will be checked before the bill is mailed. The Department's
services will be available without charge in assisting
in locating the probable causes of high consumption. When
it is impossible to read the meter due to any obstructions
an average bill, or a series of average bills, will be ren-
dered, and the accumulated over-read or under-read (if any)
will be adjusted at the next actual reading date. If the
meter fails to register the charge for water will be based
upon the average of the comparable period of the preceding
year, taking into consideration the volume of business,
weather conditions, and any other factors that may assist
in determining an equitable charge. Unless the applicant
for water service shall direct otherwise, all bills will
be mailed to the premises where water service is furnished."

Section 2. That Section 67.25, Chapter VI, Article 7, of

the San Diego Municipal Code be, and the same is hereby amended to read as follows:

"Sec. 67.25. PAYMENT OF WATER BILLS. For convenience in the reading of meters and the preparation of water bills, the Department is hereby expressly authorized and it shall be its duty to divide the city into districts. These districts may, from time to time, be revised or changed as necessary or desirable, in order to equalize the work of reading meters and billing. The meters in each district so established shall be read on approximately the same day of each or every other month, except when Saturdays, Sundays and legal holidays intervene. Water bills based on such meter readings shall be prepared and mailed to the consumers in each district on approximately the same day of each or every other month, except when Saturdays, Sundays and legal holidays intervene. Fifteen (15) days shall be allowed from the date of mailing said bills for the payment thereof. The final date for payment shall be plainly printed on each water bill.

PENALTIES. If a water bill is not paid before the close of business or postmarked before midnight of the final date for payment, a penalty of ten per cent (10%) (not to exceed the amount of ten dollars (\$10.00)) of the amount of said bill, shall be added thereto; provided, however, that when the final day for payment falls on Saturday, Sunday or a legal holiday payment may be made without penalty on the next regular business day.

NON-PAYMENT OF WATER BILLS. In the event that any consumer shall be delinquent in the payment of his water bill, and such delinquency shall continue for a period of five (5) days after the final date for payment of such bill or bills, the Department shall have the right forthwith and without notice to discontinue water service to such delin-

quent consumer, and water shall not again be supplied to him until all delinquent water bills, plus the penalties thereon, as herein provided, have been paid."

Section 3. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.
