AN ORDINANCE AMENDING SECTIONS 22.0903
AND 22.0905 AND REPEALING SECTION 22.0906
OF THE SAN DIEGO MUNICIPAL CODE REGULATING
THE PAYMENT OF BROKERAGE FEES UPON THE SALE
OF CITY-OWNED PROPERTY.

BE IT ORDAINED, By the Council of The City of San Diego,
as follows:

Section 1. That Sections 22.0903 and 22.0905 of the San
Diego Municipal Code be, and the same are hereby amended to
read as follows:

"SEC. 22.0903 REAL ESTATE BROKER - REGISTRATION.

Whenever the City Council by resolution shall have
determined to offer a parcel or parcels of City-owned real
property for sale either by auction, sealed bid or
negotiation and have determined to pay a real estate
broker's commission in connection with the sale of such
property, pursuant to the provisions of Section 22.0902,
any regularly licensed real estate broker having a client
willing and able to make a bona fide bid or offer for
such property at least equal to the minimum amount which
the City Council shall have established in its resolution
authorizing such sale, may not later than the day preceding
the date fixed for such sale, register with the Property
Supervisor his name and address and the name and address
of his client.

When the City Council has declared its intention to
sell by negotiation City-owned property zoned for indus-
trial uses, the registration and declaration by a real
estate broker that he represents a particular client in
the purchase of a parcel of property shall constitute an
exclusive agency by such broker of such client for a
period of sixty (60) days if such agency has been created
by the written authority of the client.

"SEC. 22.0905 BROKER'S FEE.

If at the sale of the property the client of any real estate broker registered under the provisions of Section 22.0903 is the successful bidder or purchases property zoned for industrial uses by negotiation, then upon the consummation of such sale and the payment of the entire purchase price of the property, such real estate broker will be entitled to receive from The City of San Diego, and The City of San Diego will pay to such broker, a real estate broker's commission not exceeding five per cent (5%) of the sale price of the property; provided, however, that the City Council shall in every instance have the right to reject any and all bids at any sale by public auction or by sealed bids or by combination thereof, and in the event of such rejection The City of San Diego shall not be obligated to pay any commission whatsoever; the intent and purpose of this provision is to make the payment of any real estate commission absolutely contingent upon the acceptance of the bids or of the negotiated agreement and the complete consummation of the sale, including receipt by the City of the full purchase price bid or offered. A broker not registered under the provisions of Section 22.0903 shall not be entitled to receive the real estate broker's commission. Any disputes between brokers as to which broker is entitled to receive the broker's commission shall be decided by the City Manager of The City of San Diego, whose decision thereon shall be final.

The purchase price of any sale made hereunder, when received by the City, shall be deposited to the General Fund. If a commission is due and payable to any real estate broker as provided herein, the Auditor, when directed by the City Council, shall pay the same out of the money received as the purchase price of the property sold."

Section 2. That Section 22.0906 of the San Diego Municipal Code be, and the same is hereby repealed.

Section 3. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

 (NEW SERIES)

AN ORDINANCE AMENDING SECTIONS 22.0903 AND 22.0905 AND REPEALING SECTION 22.0906 OF THE SAN DIEGO MUNICIPAL CODE REGULATING THE PAYMENT OF BROKERAGE FEES UPON THE SALE OF CITY-OWNED PROPERTY.

BE IT ORDAINED By the Council of The City of San Diego, as follows:

Section 1. That Sections 22.0903 and 22.0905 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 22.0903 REAL ESTATE BROKER-REGISTRATION.

Whenever the City Council by resolution shall have determined to offer a parcel or parcels of City-owned real property for sale either by auction, sealed bid or negotiation and have determined to pay a real estate broker's commission in connection with the sale of such property, pursuant to the provisions of Section 22.0902, any regularly licensed real estate broker having a client willing and able to make a bona fide bid or offer for such property at least equal to the minimum amount which the City Council shall have established in its resolution authorizing such sale, may not later than the day preceding the date fixed for such sale, register with the Property Supervisor his name and address and the name and address of his client.

When the City Council has declared its intention to sell by negotiation City-owned property zoned for industrial uses, the registration and declaration by a real estate broker that he represents a particular client in the purchase of a parcel of property shall constitute an exclusive agency by such broker of such client for a period of sixty (60) days if such agency has been created by the written authority of the client.

"SEC. 22.0905 BROKER'S FEE.

If at the sale of the property the client of any real estate broker registered under the provisions of Section 22.0903 is the successful bidder or purchases property zoned for industrial uses by negotiation, then upon the consummation of such sale and the payment of the entire purchase price of the property, such real estate broker will be entitled to receive from The City of San Diego, and The City of San Diego will pay to such broker, a real estate broker's commission not exceeding five per cent (5%) of the sale price of the property; provided, however, that the City Council shall in every instance have the right to reject any and all bids at any sale by public auction or by sealed bids or by combination thereof, and in the event of such rejection The City of San Diego shall not be obligated to pay any commission whatsoever; the intent and purpose of this provision is to make the payment of any real estate commission absolutely contingent upon the acceptance of the bids or of the negotiated agreement and the complete consummation of the sale, including receipt by the City of the full purchase price bid or offered. A broker not registered under the provisions of Section 22.0903 shall not be entitled to receive the real estate broker's commission. Any disputes between brokers as to which broker is entitled to receive the broker's commission shall be decided by the City Manager of The City of San Diego, whose decision thereon shall be final.

The purchase price of any sale made hereunder, when received by the City, shall be deposited to the General Fund. If a commission is due and payable to any real estate broker as provided herein, the Auditor, when directed by the City Council, shall pay the same out of the money received as the purchase price of the property sold.

Section 2. That Section 22.0906 of the San Diego Municipal Code be, and the same is hereby repealed.

Section 3. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

Section 1. That Section 102.19 of the San Diego Municipal Code be, and it is hereby amended to read as follows:

SEC. 102.19. FINAL MAPS -- IMPROVEMENTS

1. Subdivider shall improve all land for streets, highways and other public ways in the manner and to the extent set forth and required in resolution of City Council approving the tentative subdivision map and shall set survey monuments as required by the Code.

2. Prior to any construction of improvements required by subsection 1, subdivider shall file with the City Clerk detailed Plans and Specifications, approved by the City Engineer, for all the public improvements required in subsection 1 to be made or installed in the streets or public ways, within or without said subdivision.

3. In the event the improvements required in subsection 1 have not been made, installed and completed at the time the final map is presented to the City Council for acceptance, such map shall not be accepted by the City Council unless the subdivider, prior to or simultaneously with the presentation of said final map to the City Council shall have complied with and performed the following requirements:

(a) Subdivider shall, in addition to filing detailed Plans and Specifications required by subsection 2, file a detailed estimate made or approved by the City Engineer, of the cost of such improvements and an estimate of the time reasonably necessary to complete the same.

(b) Subdivider shall enter into a contract with The City of San Diego to make, install and complete within one year of the date of execution thereof, all the improvements not already installed and completed, required under subsection 1 of this section, and shall cause to be filed with the City Clerk a faithful performance bond which shall insure the performance of the said contract and the completion of the said improvements, free of liens, in favor of The City of San Diego, in a principal sum equal to the cost of the said improvements, plus 10%, which said bond shall have been approved by the City Attorney as to form, and by the City Manager. Said bond need not cover the cost of any improvements for which a permit has been issued under Chapter VI, Article 2 of this Code.

(c) In the event that subdivider desires to submit cash in lieu of a faithful performance bond, he may do so by depositing with the City, a sum of money equal to the City Engineer's estimate of the cost of said improvements, plus 10 per cent. In that event, the subdivider shall agree in the contract with the City heretofore provided for, that if the said work is not performed within the agreed time or within an extension of time authorized by City Council Resolution, and the subdivider is, by City Council Resolution, declared to be in default of his contract, said sum of money so deposited shall be used by the City for the completion of the public improvements referred to in subsection 1 hereof and, thereafter, the payment of any claim arising in connection therewith under the provisions of Part III, Title IV, Chapter II, Code of Civil Procedure. Upon completion and acceptance by the City of the improvements, the deposit of any portion remaining with the City Treasurer shall be returned by the City to the subdivider.

4. In the event subdivider desires to install improvements in existing public streets, or rights of way, he shall have the option of complying with the provisions of subsection 3 of this section, or complying with the provisions of Chapter VI, Article 2, San Diego Municipal Code.

as follows:

Section 1. That Sections 55.0513 and 55.0517 of the San

install or use or permit the installation or use of a pump
dispensing flammable or combustible liquids unless such

The Chief of the Fire Department shall issue a decalcomania of appropriate design indicating such inspection and approval.
