ORDINANCE NO. 8103
(*New Series*)

AN ORDINANCE OF THE CITY OF SAN DIEGO PROVIDING FOR THE ISSUANCE OF \$6,000,000 WATERWORKS REVENUE BONDS, ELECTION 1958, SERIES A, AND FIXING THE TERMS AND CONDITIONS THEREOF.

WHEREAS, The City of San Diego, a municipal corporation operating under the provisions of a freeholders' charter, owns and operates waterworks and has under and pursuant to Ordinance No. 6402 (New Series), adopted February 8, 1955, in exercise of the power provided by Section 90.1 of said charter, issued \$6,000,000 Waterworks Revenue Bonds, Election 1955, dated May 1, 1955, and payable in consecutive numerical order \$300,000 on May 1 of each year from May 1, 1956 to May 1, 1975; and

WHEREAS, on June 3, 1958, a majority of the qualified voters voting thereon voted in favor thereof and ratified an amendment to said Section 90.1 and said amendment was thereafter approved by the Legislature of the State of California and filed with the Secretary of State; and

WHEREAS, said Section 90.1, as amended, provides in subdivision 4(a) thereof as follows:

"(a) To provide money for the acquisition and construction of additions to and extensions and improvements of the waterworks of the City

and the reconstruction and replacement of parts of such waterworks and the acquisition of all lands, easements, rights and property necessary for such purposes, the Council may issue, in one issue or in separate issues or series from time to time, under this section, revenue bonds not to exceed \$11,000,000 in total principal amount. All waterworks revenue bonds in excess of said sum of \$11,000,000 shall be authorized by proceedings taken in the manner hereinafter provided in paragraph (b) of this subdivision.";

and

WHEREAS, the Council has not issued any of said total principal amount of \$11,000,000 authorized in said charter amendment and is herein providing for the issuance of \$6,000,000 thereof as "Series A";

NOW, THEREFORE,

BE IT ORDAINED By the Council of The City of San Diego as follows:

Section 1. Definitions. Unless the context otherwise requires, the following terms shall have the following meanings:

- (a) "City" means The City of San Diego.
- (b) "Council" means the Council of said City.
- (c) "Charter" or "City Charter" means the Charter of The City of San Diego referred to in the recitals hereof.

(d) "Section 90.1" means Section 90.1 of said charter amended as stated in the recitals hereof.

(e) "Bonds" or "revenue bonds" means the bonds provided for in this ordinance.

(f) "Waterworks" means all facilities, property and works of the City for the development, obtaining, conservation, production, storage, treatment, transmission, furnishing and distribution of water for public and private use (whether located within or without the City) and shall comprise the public utility system of the City for water purposes, as mentioned in Section 1 of said charter.

(g) "Water rates" means rates, tolls or charges for water or for service by the waterworks or any part thereof.

(h) "Revenues" includes all moneys received from rates, tolls or charges for water or for service from the waterworks or any part thereof, and all other income and receipts derived from the use of or operation of the waterworks or any part thereof, or otherwise arising from the waterworks or any part thereof, or any other income of the Water Department, and includes interest on all funds derived from or established for the waterworks. "Revenues" shall not be construed to include taxes or assessments.

(i) "Water Department Revenue Bond Fund" means a special fund which consists and which shall consist of such revenues of the Water Department as are in excess of the amount needed to operate and maintain the Water Department.

(j) "Fiscal year" means the year beginning on July 1st and ending on the next following June 30th.

Section 2. Amount, Issuance, Purpose and Nature of Bonds. The Council hereby provides for and orders the issuance of \$6,000,000 revenue bonds under said Section 90.1 to provide money for all of the purposes set forth in subdivision 4(a) thereof, heretofore quoted in the recitals hereof. Such revenue bonds shall not constitute an indebtedness of the City but shall constitute obligations which shall be payable, principal and interest and any premiums upon the redemption thereof prior to maturity, only from a special fund, to wit: the "Water Department Revenue Bond Fund," provided, however, (1) that this shall not preclude the payment or redemption of such bonds as are subject to call and redemption prior to maturity from the proceeds of refunding bonds issued to refund said revenue bonds or (2) the use of accrued interest and premiums paid upon the sale and delivery of said revenue bonds for the payment of principal thereof or interest thereon. No revenue bond issued hereunder or any interest payable thereon shall be or become an obligation chargeable or enforceable against any of the tax revenues of the City or any other revenues of the City except the revenues in the Water Department Revenue Bond

Fund. Nothing in this Ordinance shall preclude the issuance, subject to the limitations in the covenants in Section 13 hereof, of additional indebtedness evidenced by revenue bonds, revenue notes or other similar evidences of indebtedness payable out of the revenues of the Water Department and ranking on a parity with these bonds.

No bond shall be deemed to be outstanding and unpaid within the meaning of this Ordinance if moneys for the purpose of paying the same or redeeming the same prior to maturity and sufficient therefor have been irrevocably set aside in a bond service fund, sinking fund, redemption fund or other trust fund created to insure the payment or redemption thereof.

Section 3. Description of Bonds. Said bonds shall be in the principal amount of \$6,000,000, shall be 6,000 in number, numbered 1 to 6,000, inclusive, and shall be of the denomination of \$1,000 each. Said bonds shall be designated WATERWORKS REVENUE BONDS, ELECTION 1958, SERIES A, shall be dated June 1, 1959, and shall be payable in consecutive numerical order on June 1 in each year of maturity in the amounts for each of the several years as follows:

<u>Years of Maturity, Inclusive</u>	<u>Principal Amount per Year</u>
1960 - 1961	\$250,000
1962 - 1965	130,000
1966 - 1967	180,000
1968 - 1989	210,000

Section 4. Interest. Said bonds shall bear interest at a rate or rates to be hereafter fixed by resolution or resolutions, but not to exceed six per cent (6%) per annum, payable semiannually on the 1st days of June and

December of each year. Each bond shall bear interest until the principal sum thereof has been paid, provided, however, that if at the maturity date of any bond, or if the same is callable and redeemable prior to maturity and has been duly called for redemption, and at the redemption date funds are available for the payment or redemption thereof in full accordance with the terms of this ordinance, said bond shall then cease to bear interest. Said bonds and the interest thereon shall be payable in lawful money of the United States of America at the office of the Treasurer of The City of San Diego, in said city, or, at the option of the holder, at any fiscal agency of The City of San Diego in San Diego, California, or in Los Angeles, California, or in Chicago, Illinois, or in New York, New York.

Section 5. Execution of Bonds. The Mayor of the City and the Treasurer of the City are hereby authorized and directed to sign all of said bonds by their printed, lithographed or engraved facsimile signature, and the City Clerk of the City is hereby authorized and directed to countersign said bonds and to affix thereto the corporate seal of the City, and the Treasurer of the City is hereby authorized and directed to sign the interest coupons of said bonds by his printed, lithographed or engraved facsimile signature.

Section 6. Registration. Said bonds may be registered either as to principal only or as to both principal and interest, and the form of registration of any registered bond may be changed, or any registered bond may be discharged from registration in the manner and with the effect set forth in the provisions for registration to be printed on the bond as set forth in Section 18 hereof.

Section 7. Call and Redemption of Bonds Prior to Maturity. The bonds maturing on or prior to June 1, 1967 shall not be subject to call or redemption prior to maturity. The bonds maturing on or after June 1, 1968, or any of them, may be called before maturity and redeemed, at the option of the City, on June 1, 1967, or on any interest payment date thereafter prior to maturity, at a redemption price for each redeemable bond equal to the principal amount thereof plus the following premiums (percentage of par value) if redeemed at the following times:

REDEMPTION DATES AND PREMIUMS

<u>On or after June 1</u>	<u>And prior to June 1</u>	<u>Premium</u>	<u>On or after June 1</u>	<u>And prior to June 1</u>	<u>Premium</u>
1967	1968	4%	1976	1977	1 3/4%
1968	1969	3 3/4%	1977	1978	1 1/2%
1969	1970	3 1/2%	1978	1979	1 1/4%
1970	1971	3 1/4%	1979	1980	1%
1971	1972	3%	1980	1981	3/4%
1972	1973	2 3/4%	1981	1982	1/2%
1973	1974	2 1/2%	1982	1983	1/4%
1974	1975	2 1/4%	1983	Maturity	0
1975	1976	2%			

All or any of the bonds subject to call may be called for redemption at any one time. If less than all of the bonds are redeemed at any one time, such bonds shall be redeemed only in inverse order of maturity and number, beginning with the highest numbered bond. The interest payment date on which bonds are to be presented for redemption prior to

maturity is hereinafter sometimes called the "redemption date."

(a) Notice of Call and Redemption. Notice of the intended redemption prior to maturity shall be published by one insertion in a newspaper of general circulation in The City of San Diego, California, and in a financial newspaper or journal of national circulation published in the City of New York, New York, said publications to be at least 30 days but not more than 60 days prior to the redemption date. The notice of redemption shall (i) state the redemption date; (ii) state the redemption price; (iii) state the numbers and dates of maturity of the bonds to be redeemed prior to maturity, provided, however, that whenever any call includes all of the bonds of a maturity the numbers of the bonds need not be stated; (iv) require that such bonds be surrendered with all interest coupons maturing subsequent to the redemption date (except that no coupons need be surrendered on bonds registered as to both principal and interest) at the office of the Treasurer of The City of San Diego, in said city, or at any of the

aforesaid fiscal agencies of the City; (v) require that bonds which at the time of call are registered so as to be payable otherwise than to bearer shall be accompanied by appropriate instruments of assignment duly executed in blank; and (vi) give notice that further interest on such bonds will not accrue after the designated redemption date.

The Treasurer of the City shall, on or before the date of publication of said notice of call and redemption prior to maturity mail a similar notice, postage prepaid, to any person, firm or corporation that originally purchased these bonds from the City; provided, however, that failure of the Treasurer to mail such notice or any defect therein shall not affect the validity of the proceedings for the redemption of such bonds or the cessation of interest on the date fixed for redemption.

If any of the bonds designated for redemption prior to maturity shall be registered so as to be payable otherwise than to bearer, the Treasurer of the City shall, on or before the date of publication of said notice of redemption, mail a similar notice, postage prepaid, to the respective

registered owners thereof at the addresses appearing on the bond registry books.

The actual receipt by the holder of any bond (hereinafter referred to as "bondholder") of notice of such call and redemption shall not be a condition precedent to redemption, and failure to receive such notice shall not affect the validity of the proceedings for the redemption of such bonds or the cessation of interest on the date fixed for redemption. The notice or notices required by this section shall be given by the Treasurer of the City. A certificate by the Treasurer that notice of call and redemption has been given to original purchasers and to holders of registered bonds as herein provided shall be conclusive as against all parties, and no bondholder whose bond or registered bond is called for redemption may object thereto or object to the cessation of interest on the redemption date fixed by any claim or showing that he failed to actually receive such notice of call and redemption.

(b) Redemption Fund. Prior to the redemption date there shall be established in the City Treasury a redemption fund to be

described or known as WATERWORKS REVENUE BONDS, ELECTION 1958, SERIES A, REDEMPTION FUND (hereinafter sometimes referred to as "Redemption Fund"), and prior to the redemption date there must be set aside in said Redemption Fund moneys available for the purpose and sufficient to redeem, at the premiums payable as in this ordinance provided, the bonds designated in such notice for redemption prior to maturity. Said moneys must be set aside in said fund solely for that purpose and shall be applied on or after the redemption date to payment (principal and premium) of the bonds to be redeemed prior to maturity upon presentation and surrender of such bonds and (except as to bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, and shall be used only for that purpose. Any interest coupon due on or prior to the redemption date shall be paid from the Bond Service Fund upon presentation and surrender thereof. Any interest due on or prior to the redemption date upon bonds registered as to both principal and interest shall be paid from said Bond Service Fund. Each bond presented (if unregistered or registered as to principal only) must have attached thereto or presented therewith

all interest coupons maturing after the redemption date. If after all of the bonds have been redeemed and cancelled or paid and cancelled there are moneys remaining in said Redemption Fund, said moneys shall be transferred to the Water Department Revenue Bond Fund; provided, however, that if said moneys are part of the proceeds of refunding bonds said moneys shall be transferred to the fund created for the payment of principal of and interest on such refunding bonds.

(c) Effect of the Notice of Call and Redemption. When notice of call and redemption prior to maturity has been given, substantially as provided herein, and when the amount necessary for the redemption of the bonds called for redemption prior to maturity (principal and premium) is set aside for such purpose in the Redemption Fund, as provided herein, the bonds designated for such redemption shall become due and payable on the date fixed for redemption thereof, and upon presentation and surrender of said bonds and (except as to bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, at the place specified in the notice of such redemption, and, if any of said bonds be registered, upon the appropriate assignment thereof in blank, such bonds shall be redeemed and paid at said redemption price out

of the Redemption Fund, and no interest will accrue on such bonds called for such redemption or on any interest coupon thereof after the redemption date specified in such notice, and the holders of said bonds so called for such redemption after such redemption date shall look for the payment of such bonds and the premium thereon only to said Redemption Fund. All bonds redeemed and all interest coupons thereof shall be cancelled forthwith by the Treasurer of the City and shall not be reissued.

All interest coupons pertaining to any redeemed bonds, which coupons have matured on or prior to the time fixed for such redemption, shall continue to be payable to the respective holders thereof but without interest thereon. All unpaid interest payable at or prior to the date fixed for such redemption upon bonds registered in such manner that the interest is payable only to the registered owners shall continue to be payable to the respective registered owners of such bonds, or their order, but without interest thereon.

Section 8. Disposition of Bond Proceeds.
For the purpose of insuring the application of the proceeds received from the sale of bonds to the

aforesaid purposes for which said bonds are to be issued, there is hereby established in the City Treasury a fund to be described or known as WATERWORKS REVENUE BONDS, ELECTION 1958, CONSTRUCTION FUND (herein sometimes called "Construction Fund"). The proceeds from the sale of said bonds, except premium and accrued interest, if any, shall be paid into the Construction Fund and shall be applied exclusively to the aforesaid objects and purposes; provided, however, (1) that said proceeds may be used for the payment of interest on said bonds during the period of acquisition and construction and for the first six months thereafter; and (2) that when the objects and purposes for which said bonds are issued have been accomplished any remaining unexpended funds derived from the sale of the bonds shall be used for the payment of principal and interest of said bonds or for redemption of any of said bonds which by their terms are subject to call and redemption prior to maturity. Money in the Construction Fund may be temporarily invested in any authorized negotiable direct obligations of the United States, provided that the maturity or maturities thereof shall not be later than

the date or dates on which money must be available to meet scheduled Construction Fund expenditures.

Section 9. Water Department Fund. All revenues of the Water Department shall be deposited in the Water Department Fund. From such Water Department Fund there shall be paid the amount needed to operate and maintain the Water Department.

Section 10. Water Department Revenue Bond Fund. From the Water Department Fund there shall be transferred to the Water Department Revenue Bond Fund monthly, on the first day of each month, all such revenues of the Water Department as are in excess of the amount needed to operate and maintain the Water Department.

Section 11. Bond Service Fund. For the purpose of insuring the payment when due and payable of the principal of and interest on the bonds, there is hereby established in the City Treasury a fund to be described or known as the WATERWORKS REVENUE BONDS, ELECTION 1958, SERIES A, BOND SERVICE FUND (hereinafter sometimes referred to as the "Bond Service Fund"). Upon delivery of the bonds to the purchasers thereof any premium and

accrued interest paid by said purchasers shall be paid into said Bond Service Fund. After said delivery of the bonds and thereafter, so long as any of said bonds are outstanding, on the first day of each calendar month, there shall be set aside and transferred from the Water Department Revenue Bond Fund to the Bond Service Fund sums in equal aliquot parts for each half year so that at least the full amount required to pay, as it becomes due, the interest on the bonds and any maturity or installment of principal of the bonds shall be set aside in the Bond Service Fund at least one month prior to the date the installment of interest or principal becomes due. Such transfer on the first day of the first calendar month subsequent to the date of delivery must be at least sufficient, together with other transfers of the same amount made on the first day of each calendar month thereafter, to provide in said Bond Service Fund one month prior to the maturity of the first installment of interest the full amount of such interest, and to provide in said Bond Service Fund one month prior to the maturity of the first installment of principal the full amount of such principal. All such sums shall be set aside, transferred to and placed in the Bond

Service Fund in such time that the next maturing installment of interest and principal on the bonds shall be set aside in the Bond Service Fund in cash at least one month prior to the time the maturity or installment of interest or principal becomes due.

Any amounts required to be set aside, transferred to and placed in the Bond Service Fund may be prepaid, in whole or in part, by being earlier set aside, transferred to and placed in the Bond Service Fund, and in that event the monthly transfer, or any part thereof, which has been so prepaid need not be made at the time appointed therefor. In any event, at least one month prior to the due date of any maturity or installment of interest on or principal of such bonds, all sums required for the payment thereof must be in such Bond Service Fund in cash.

Such sums shall be so set aside out of the Water Department Revenue Bond Fund and not out of any other fund or moneys of the City. The Council directs that such sums be so set aside through transfers or payments made in such amounts as may be necessary to comply with this Section.

Money set aside and placed in said Bond Service Fund shall remain therein until from time

to time expended for the payment of such interest and principal, and shall not be used for any other purpose whatever, except that any such money so set aside and placed in said Bond Service Fund which at any time may be in excess of the amount which at that time is required by the terms of this section to be in the Bond Service Fund in cash may be temporarily invested in any authorized negotiable direct obligations of the United States maturing not later than 18 months from the date of investment, but such investment shall not affect the obligation of the City to cause the full amount required by the terms of this section to be available in said Bond Service Fund in cash at the time required by the terms of this section. All moneys remaining in said Bond Service Fund in excess of the amount required to accomplish the purpose of its establishment shall be transferred to the Water Department Revenue Bond Fund.

The bonds and interest coupons shall recite that they are payable from the Water Department Revenue Bond Fund, but said bonds and coupons, notwithstanding such recital, shall be paid from the Bond Service Fund which is derived from said Water Department Revenue Bond Fund and is a subdivision thereof.

Section 12. Use of Surplus. In any calendar month after the transfer of the amounts required to be paid into the bond service funds and sinking funds, if any, established and maintained for the payment of principal and interest of all outstanding revenue bonds payable out of the revenues of the Water Department, whether heretofore, herein or hereafter issued, have been made and all other covenants of the City contained herein have been duly performed, any balance remaining in said Water Department Revenue Bond Fund (herein sometimes referred to as "surplus") may be used as directed by the Council for any purposes of the Water Department authorized by the Charter and may also be used for the payment of all or any portion of the tax of The Metropolitan Water District of Southern California which the Council may elect to pay out of funds of the City; and out of said surplus there may be transferred as directed by the Council to the General Fund of the City a sum or sums sufficient to repay any moneys paid by the City that year for the redemption of general obligation water bonds and the payment of interest thereon, and also a sum or sums in payment of the reasonable costs of services and facilities furnished to the Water Department by other City departments, and out of said surplus the Council may purchase from time to time on the open market any revenue bonds payable out of the

revenues of the Water Department, whether heretofore, herein or hereafter issued, whether or not subject to call and redemption prior to maturity (irrespective of the maturity or number of such bonds), at such prices and in such manner, either at public or private sale or otherwise, as the Council in its discretion may determine, but the purchase price (including brokerage or other charges, but excluding accrued interest) shall not exceed 104% of the principal amount thereof, or if the bonds are subject to call and redemption prior to maturity shall not exceed the redemption price on the next interest payment date of the bonds so purchased, and out of said surplus the Council may transfer to the appropriate redemption fund and use for the purpose of calling and redeeming, prior to maturity, any revenue bonds payable out of the revenues of the Water Department, whether heretofore, herein or hereafter issued, which are subject to call and redemption prior to maturity. Surplus moneys in the Revenue Bond Fund may be temporarily invested in any securities in which the City may legally

invest funds subject to its control.

Section 13. Covenants. So long as any of the bonds or interest coupons thereof are outstanding and unpaid or so long as provision for the full payment and discharge thereof at maturity or upon redemption prior to maturity, through the setting apart in the Bond Service Fund or in the Redemption Fund or in a special trust fund to insure the payment or redemption thereof (as the case may be) of money sufficient for that purpose has not been made, the City makes the following covenants with the bondholders which are necessary and desirable to facilitate the issuance and sale of the bonds and for the protection or security of the bondholders; provided, however, that said covenants do not require the City to expend any funds other than revenues of the Water Department.

Covenant 1. Punctual Payment. The City covenants that it will duly and punctually pay or cause to be paid the principal of and interest on every bond issued hereunder, together with the premium thereon, if any be payable, on the date,

at the place and in the manner mentioned in the bonds and coupons and in accordance with this ordinance, and that the payments into the Water Department Revenue Bond Fund and the Bond Service Fund will be made, all in strict conformity with the terms of said bonds and of this ordinance, and that it will faithfully observe and perform all of the conditions, covenants and requirements of this ordinance and all resolutions supplemental thereto and of the bonds issued hereunder, and that time of such payment and performance is of the essence of the City's contract with the bondholders.

Covenant 2. Discharge Claims. The City covenants that in order to fully preserve and protect the priority and security of the bonds the City shall pay from the appropriate fund and discharge all lawful claims for labor, materials and supplies furnished for or in connection with the waterworks which, if unpaid, may become a lien or charge upon the revenues prior or superior to the lien of the bonds and impair the security of the bonds. The City shall also pay from the appropriate fund all taxes and assessments or other

governmental charges lawfully levied or assessed upon or in respect of the waterworks or upon any part thereof or upon any of the revenues therefrom.

Covenant 3. Commence Acquisition and Construction. As soon as funds are available therefor, the City will commence the accomplishment of the purposes for which the bonds are issued and will continue the same to completion with all practical dispatch and in an economical manner.

Covenant 4. Operate Waterworks in Efficient and Economical Manner. The City covenants and agrees to operate the waterworks in an efficient and economical manner and to operate, maintain and preserve the waterworks in good repair and working order.

Covenant 5. Against Sale, Eminent Domain. The City covenants that the waterworks or any substantial part thereof shall not be sold, leased or otherwise disposed of or transferred, unless such sale, lease or other disposition or

transfer be so arranged as to provide for a continuance of payments into the Water Department Fund sufficient in amount to permit transfers to the Water Department Revenue Bond Fund and payment therefrom in full of the principal of and interest on and all premiums, if any, due upon the call or redemption thereof prior to maturity, on all revenue bonds payable out of the revenues of the Water Department, whether heretofore, herein or hereafter issued, or to provide for such payments into some other fund charged with such payments. The revenues shall not be mortgaged, encumbered, sold, leased, pledged, any charge placed thereon, or disposed of or used except as authorized by the terms of this ordinance. The City shall not enter any agreement which impairs the operation of the waterworks or any part thereof necessary to secure adequate revenues to pay the principal of and interest on the bonds or which otherwise would impair the rights of the bondholders with respect to the revenues or the operation of the waterworks.

The City covenants that any amounts received as awards as the result of the taking of all or any part of the waterworks by the lawful exercise of eminent domain, if and to the extent that such right can be exercised against such property of the City, shall either be used for the acquisition and/or construction of improvements and extensions of the waterworks or shall be placed in the appropriate bond service fund or redemption fund and shall be used to pay or call and redeem outstanding revenue bonds payable out of the revenues of the Water Department, whether heretofore, herein or hereafter issued.

Covenant 6. Insurance. The City covenants that it shall at all times maintain with responsible insurers all such insurance on the waterworks as is customarily maintained with respect to works and properties of like character against accident to, loss of or damage to such waterworks. If any useful part of the waterworks shall be damaged or destroyed, such part shall be restored to use. The money collected from insurance against accident to, loss of or

damage to the waterworks shall be used for repairing or rebuilding said waterworks, and to the extent not so applied shall be transferred to the appropriate bond service fund or redemption fund and shall be used to pay or call and redeem outstanding revenue bonds payable out of the revenues of the Water Department, whether heretofore, herein or hereafter issued.

The City shall also maintain with responsible insurers workmen's compensation insurance and insurance against public liability and property damage to the extent reasonably necessary to protect the City and the bondholders.

Covenant 7. Records and Accounts. The City covenants that it shall cause the books and accounts of the Water Department to be audited annually by an independent certified public accountant or firm of certified public accountants and will make available for inspection by the bondholders at the office of the City Clerk and the office of the Treasurer a copy of the report of such accountant or accountants, and will also furnish a copy thereof upon request to any bondholder.

Covenant 8. No Free Service. The City covenants that no water or other service from the waterworks may be furnished or rendered to the United States of America, the State of California, the City, any municipal or public corporation or district or public agency or any private corporation or person free, and that, except to the extent that the City is required under agreements and/or contracts existing on the effective date of this ordinance, no such service shall be rendered to the aforementioned at rates lower than those charged other persons for similar service. No building or other real property of the waterworks and no services of the Water Department shall be furnished free to other departments of the City. The City shall pay into the Water Department Fund the reasonable value of any such services rendered other departments of the City and the reasonable rental value of any property so used. Reasonable and proper charges for services rendered or quarters furnished to the Water Department by other city departments may be paid to the City from surplus. The City covenants that it shall at all times during the period any

of the bonds are outstanding maintain and enforce valid regulations for the payment of bills for water or water service and that such regulations shall at all times during such period provide that the City shall discontinue water service to any user whose water bill has not been paid within the time fixed by said regulations, which shall not be more than two months from the date the water bill became delinquent.

Nothing in this ordinance shall preclude the collection of sewer service charges with and not separately from the water rates of the City, and the Council may provide and covenant that sewer service charges shall be collected with and not separately from the water rates and that sewer service charges and water rates of the City shall be billed upon the same bill and collected as one item and may also provide and covenant that in the event of nonpayment of any part of the bill for the sewer service charge and water rate the water service shall be shut off within such time as may be or shall have been prescribed by the Council.

Covenant 9. Rates and Charges. The City hereby covenants that it shall prescribe and

collect water rates for the use of water and for services from the waterworks system which shall provide revenues at least sufficient to pay, as the same shall become due:

(a) the necessary expenses of operating and maintaining the Water Department,

(b) the principal of and interest on all outstanding revenue bonds payable out of the revenues of the Water Department, including premiums, if any, due upon the redemption of any thereof prior to maturity, and including all payments required to be made into the Bond Service Fund and into reserve and sinking funds, if any, for said revenue bonds or any thereof, and

(c) all other obligations and indebtedness payable out of said revenues.

Covenant 10. No Priority for Additional Bonds. The City covenants that no bonds shall be issued pursuant to Section 90.1 or under any other provision of the Charter or under any other law, having any priority in payment of principal or interest out of the revenues of the Water Department over any revenue bonds heretofore, herein or hereafter issued and payable out of such revenues.

Covenant 11. Limits on Additional Debt.

The City covenants and agrees that (except for bonds issued to refund revenue bonds payable out of the revenues of the Water Department) no additional indebtedness evidenced by revenue bonds, revenue notes or other similar evidences of indebtedness payable out of the revenues of the Water Department and ranking on a parity with these bonds shall be created or incurred unless:

First: The amount transferred to the Water Department Revenue Bond Fund (hereinafter in this covenant sometimes referred to as "net revenues"), shown by the books of the City for the latest fiscal year or the last completed 12 month period ended prior to the incurring of such additional indebtedness with respect to which such books have been examined and reported upon by an independent certified public accountant or firm of certified public accountants employed by the City, plus, at the option of the City, either or all of the items hereinafter in this Covenant 11 designated (a) and (b), shall have amounted to at least 1.25 times the maximum amount required to be paid in any fiscal year thereafter on account of interest and principal coming due on all revenue bonds, revenue notes or other similar evidences of indebtedness payable out of the revenues of the Water Department

outstanding immediately subsequent to the incurring of such additional indebtedness.

The items either or all of which may be added for the purpose of applying the restriction contained in this Covenant 11 are the following:

(a) An allowance for net revenues from any additions to or improvements or extensions of the waterworks to be made with the proceeds of such additional indebtedness, and also for net revenues from any such additions, improvements or extensions which have been made from moneys from any source but which, during all or any part of such fiscal year or last completed 12 month period, were not in service, all in an amount equal to 90% of the estimated additional average annual net revenues to be derived from such additions, improvements and extensions for the first 36 month period in which each addition, improvement or extension is respectively to be in operation, all as shown by the certificate or opinion of a qualified independent engineer employed by the City.

(b) An allowance for earnings arising from any increase in water rates which has become effective prior to the incurring of such additional

indebtedness but which, during all or any part of such fiscal year or last completed 12 month period, was not in effect, in an amount equal to 90% of the amount by which the net revenues would have been increased if such increase had been in effect during the whole of such fiscal year or last completed 12 month period, as shown by the certificate or opinion of a qualified independent engineer employed by the City.

Section 14. Investments. Obligations purchased as an investment of moneys in any funds which are herein authorized to be invested shall be deemed at all times to be a part of such funds and any profit realized from the investment shall be credited to such funds and any loss resulting from such investment shall be charged to such funds and the interest accruing thereunder shall be credited to such funds. The City shall sell at the best price obtainable or present for redemption any obligations so purchased whenever it shall be necessary to do so in order to provide moneys to meet any payment or transfer from such funds. For the purpose of determining at any given time the balance in any such fund any such investment constituting a part of such fund

shall be valued at the then estimated or appraised market value of such investment.

Section 15. Lost, Stolen, Destroyed or Mutilated Bonds. In the event that any bond or any interest coupon pertaining thereto is lost, stolen, destroyed or mutilated, the City will cause to be issued a new bond or coupon similar to the original to replace the same in such manner and upon such reasonable terms and conditions, including the payment of costs and the posting of a surety bond if the City deems such surety bond necessary, as may from time to time be determined and prescribed by resolution. The City may authorize such new bond or coupon or coupons to be signed and authenticated in such manner as it determines in said resolution.

Section 16. Cancellation of Bonds. All bonds and coupons surrendered to any fiscal agent of the City for payment upon maturity or for redemption prior to maturity shall upon payment therefor be cancelled immediately and forthwith transmitted to the Treasurer of the City. All of the bonds and interest coupons surrendered to the Treasurer for payment or redemption shall upon payment therefor be cancelled immediately. Any bonds purchased by the City from surplus as authorized by Section 12 hereof, together with all unpaid coupons pertaining thereto, shall be cancelled forthwith and shall not be reissued. All of the cancelled bonds and interest coupons shall remain in the custody of the Treasurer until destroyed pursuant to due authorization.

Section 17. Consent of Bondholders. The consents of bondholders provided for in this section shall relate solely to the amendment, waiver or modification of the covenants specified in Section 13 hereof and shall not be effective to waive or modify any other provisions of this ordinance or any other proceedings for the issuance of said bonds. Any act relating to the amendment, waiver or modification of any of the said covenants consented to by bondholders holding sixty per cent (60%) in aggregate principal amount of the outstanding bonds, exclusive of bonds, if any, owned by the City, shall be binding upon the holders of all of the bonds and interest coupons, whether such coupons be attached to bonds or detached therefrom, and shall not be deemed an infringement of any of the provisions of this ordinance or of said Charter or section 90.1 thereof, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this ordinance, and after such consent relating to such specified matters has been given, no bondholder or holder of any interest coupon, whether attached to a bond or detached therefrom, shall have any right or interest to object to such action or in any manner to question

the propriety thereof or to enjoin or restrain the City or any officer thereof from taking any action pursuant thereto.

No such amendment, waiver or modification shall be made which will permit (a) a change in the maturity or term of redemption of the principal of any bond or any installment of interest thereon; (b) a reduction in the principal amount of or redemption price or redemption premium or rate of interest upon any bond without the consent of the holder of such bond; or (c) a reduction of the percentage of the principal amount of bonds the vote or consent of which is required to effect any such amendment.

(a) Calling Bondholders' Meeting. If the City shall desire to obtain any such consent the Council thereof shall call a meeting of bondholders, by resolution, for the purpose of considering the action, the consent to which is desired.

(b) Notice of Meeting. Notice specifying the purpose, place, date and hour of such meeting shall be published once in a financial newspaper or journal of national circulation published in the City of New York, New York, not less than sixty (60) days and not more than ninety (90) days prior to the date fixed for the meeting. Such notice shall set forth the nature of the proposed action, consent to which is desired. If any of the bonds shall be so registered as to be payable otherwise than to bearer, the City Clerk shall, on or before the first publication of such notice, mail a similar notice, postage prepaid, to the respective registered owners thereof at their

addresses appearing on the bond registry books. The place, date and hour of holding such meeting and the date or dates of publishing and mailing such notice shall be determined by the City, in its discretion.

The actual receipt by any bondholder of notice of any such meeting shall not be a condition precedent to the holding of such meeting, and failure to receive such notice shall not affect the validity of the proceedings thereat. A certificate by the City Clerk, approved by resolution of the Council of said City, that the meeting has been called and that notice thereof has been given as herein provided shall be conclusive as against all parties and it shall not be open to any bondholder to show that he failed to receive notice of such meeting.

(c) Voting Qualifications. Any bondholder may, prior to any such meeting, deliver his bond or bonds to any agency designated by the City for the purpose, and shall thereupon be entitled to receive an appropriate receipt for the bond or bonds so deposited, calling for the redelivery of such bond or bonds at any time after the meeting. The Treasurer of the City shall prepare and deliver to the Chairman of the meeting a list of the names and addresses of the registered owners of bonds, with a statement of the maturities and serial numbers of the bonds held and deposited by each of such bondholders, and no bondholder shall be entitled to vote at such meeting

unless his name appears upon such list or unless he shall present his bond or bonds at the meeting or a certificate of deposit thereof, satisfactory to the City, executed by a bank or trust company. No bondholder shall be permitted to vote with respect to a larger aggregate principal amount of bonds than is set against his name on such list, unless he shall produce the bonds upon which he desires to vote, or a certificate of deposit thereof as above provided.

(d) Issuer-owned Bonds. The City covenants that it will present at the meeting a certificate, signed and verified by one member of the Council and by the Treasurer of the City stating the maturities and serial numbers of all bonds owned by, or held for account of, the City, directly or indirectly. No person shall be permitted at the meeting to vote or consent with respect to any bond appearing upon such certificate, or any bond which it shall be established at or prior to the meeting is owned by the City, directly or indirectly, and no such bond (in this ordinance referred to as "issuer-owned bond") shall be counted in determining whether a quorum is present at the meeting.

(e) Quorum and Procedure. A representation of at least sixty per cent (60%) in aggregate

principal amount of the bonds then outstanding (exclusive of bonds, if any, owned by the City) shall be necessary to constitute a quorum at any meeting of bondholders, but less than a quorum may adjourn the meeting from time to time, and the meeting may be held as so adjourned without further notice, whether such adjournment shall have been had by a quorum or by less than a quorum. The City shall, by an instrument in writing, appoint a temporary chairman of the meeting, and the meeting shall be organized by the election of a permanent chairman and a secretary. At any meeting each bondholder shall be entitled to one vote for every \$1,000 principal amount of bonds with respect to which he shall be entitled to vote as aforesaid, and such vote may be given in person or by proxy duly appointed by an instrument in writing presented at the meeting. The City, by its duly authorized representative, may attend any meeting of the bondholders, but shall not be required to do so.

(f) Vote Required. At any such meeting held as aforesaid there shall be submitted for the consideration and action of the bondholders a statement of proposed action, consent to which is desired, and if such action shall be consented to and approved by bondholders holding at least sixty per cent (60%)

in aggregate amount of the bonds then outstanding (exclusive of issuer-owned bonds) the chairman and secretary of the meeting shall so certify in writing to the City, and such certificate shall constitute complete evidence of consent of bondholders under the provisions of this ordinance. A certificate signed and verified by the chairman and the secretary of any such meeting shall be conclusive evidence and the only competent evidence of matters stated in such certificate relating to proceedings taken at such meeting.

Section 18. Bond and Coupon Forms. Said bonds shall be payable to bearer, shall be issued in negotiable form and shall be negotiable, and the form of said bonds and the interest coupons thereof shall be substantially as follows:

UNITED STATES OF AMERICA
STATE OF CALIFORNIA
THE CITY OF SAN DIEGO
WATERWORKS REVENUE BOND, ELECTION 1958
SERIES A

No. _____ \$1,000

THE CITY OF SAN DIEGO (hereinafter sometimes called "City"), a municipal corporation situated in the County of San Diego, State of California, FOR VALUE RECEIVED, hereby promises to pay to bearer, on _____, 19____, out of the Water Department Revenue Bond Fund and not out of any other fund or moneys of the City, upon presentation and surrender of this bond, the sum of ONE THOUSAND DOLLARS, with interest thereon at the rate of _____ per cent (____%) per annum, payable semiannually on the first days of _____ and _____ of each and every year from the date hereof until this bond is paid,

upon presentation and surrender of the respective interest coupons hereto attached; provided, however, that if at the maturity date of this bond, or if the same is callable and redeemable prior to maturity and shall be duly called for redemption and at the redemption date funds are available for the payment or redemption thereof, as provided in the ordinance hereinafter mentioned, this bond shall then cease to bear interest. Both principal and interest and any premium upon the redemption hereof are payable in lawful money of the United States of America at the office of the Treasurer of The City of San Diego, in said City, or, at the option of the holder hereof, at any fiscal agency of The City of San Diego in San Diego, California, or in Los Angeles, California, or in Chicago, Illinois, or in New York, New York.

This bond does not constitute an indebtedness of The City of San Diego but is an obligation payable, principal and interest, and premiums, if any, upon the redemption thereof, only from a special fund which shall consist of such revenues of the Water Department of said City as are in excess of the amount needed to operate and maintain the Water Department (and said special fund is presently designated and is herein called the "Water Department Revenue Bond Fund"); provided, however, that the foregoing statement shall not preclude the payment or redemption of this bond, if it is subject

to call and redemption prior to maturity, from the proceeds of refunding bonds, or the payment hereof from premium and accrued interest, if any, obtained upon the sale of the series of bonds of which this is one.

This is one of the first series of a duly authorized issue of bonds of the City, the bonds of which series are designated "Waterworks Revenue Bonds, Election 1958, Series A" (herein sometimes called "bonds" and any one of which may be called a "bond"), all of which have been issued pursuant to amended Section 90.1 of the Charter of said City (herein sometimes called the "Charter"). The terms and conditions of the bonds are provided for by the ordinance of said City designated Ordinance No.

_____ (hereinafter sometimes called "ordinance") and by acceptance hereof the holder of this bond and the coupons hereto attached assents to said terms and conditions. In the manner provided in said ordinance certain of said terms and conditions may be amended, waived or modified with the consent of bondholders holding sixty per cent (60%) in aggregate principal amount of the outstanding bonds, exclusive of issuer-owned bonds. Said ordinance, this bond and the coupons thereof are to be construed in accordance with the laws of the State of California.

Unless this bond matures on or prior to _____, 19____, it is callable and redeemable

prior to maturity in accordance with the provisions for redemption endorsed hereon.

This bond and the coupons hereto attached are negotiable instruments and shall be negotiable by delivery. This bond may be registered either as to principal only or as to both principal and interest in accordance with the provisions for registration endorsed hereon.

IT IS HEREBY CERTIFIED AND RECITED that any and all acts, conditions and things required to exist, to happen and to be performed precedent to and in the incurring of the indebtedness evidenced by this bond and in the issuance of this bond, exist, have happened, and have been performed in due time, form and manner, as required by the Constitution and statutes of the State of California, and the Charter of The City of San Diego, and that this bond, together with all other indebtedness of the City pertaining to the aforesaid Water Department, is within every debt and other limit prescribed by the Constitution and statutes of the State of California and the Charter and ordinances of the City.

IN WITNESS WHEREOF, The City of San Diego has caused this bond to be signed by the Mayor and the Treasurer of said City, by their facsimile signatures, countersigned by the City Clerk of said City, and sealed with the corporate seal of said

City, and the interest coupons hereto attached to be signed by the Treasurer of said City by his facsimile signature, and has caused this bond to be dated the first day of _____, 19__.

PROVISIONS FOR REGISTRATION

This bond may be registered in the name of any person as the registered owner hereof, either as to principal only or as to both principal and interest, and, if registered in either of said forms may be changed to registration in the other of said forms or discharged from registration.

Each registration, transfer after registration, change of form of registration, or discharge from registration of this bond shall be entered by the Treasurer of the City of San Diego in books kept by him for the purpose and noted by him in the registration blank below. Registration as to principal only shall not affect the negotiability by delivery of the coupons pertaining hereto. Upon registration as to both principal and interest, all unmatured coupons pertaining hereto shall be surrendered to the Treasurer and may be preserved or cancelled in his discretion.

So long as this bond is registered no transfer hereof shall be valid for any purpose

unless made by the registered owner and entered and noted as herein provided, and the principal hereof and any redemption premium shall be payable only to the registered owner, or to his order. Interest on this bond, if registered as to both principal and interest, shall be payable to the person whose name appears upon the registry books as the registered owner hereof at the close of business on the tenth day preceding the interest payment date, or to his order. If this bond is registered as to both principal and interest and its registration is changed to registration as to principal only, or if it is discharged from registration, there shall be attached hereto coupons representing interest hereon to become due thereafter to the date of maturity hereof. In lieu thereof, and upon surrender and cancellation hereof, the Treasurer in his discretion may issue in exchange therefor a new bond, with such coupons attached, identical with this bond, except for the previous notations on the registration blank hereon, and except that the signatures on the new bond shall be those of the persons holding the offices at the time of affixing such signatures. The issuance of any such new bond or new coupons shall be at the expense of the registered owner.

Each discharge hereof from registration shall be effected by an entry on the registry books, and a notation in the blank below, that this bond is payable to bearer, whereupon this bond shall become an unregistered bearer instrument, negotiable by delivery as if it had never been registered. Each request for registration, transfer, change or discharge must be in form satisfactory to the Treasurer and must be made in writing, signed by the registered owner, or by his agent duly authorized in writing, or by the bearer, as the case may be.

Section 19. Proceedings Constitute Contract.

This ordinance and all other ordinances, resolutions or orders in the proceeding for the issuance of said bonds shall constitute a contract with the holders of the bonds and may be enforced by any holder by mandamus, injunction or any other applicable legal action, suit, proceeding or other remedy.

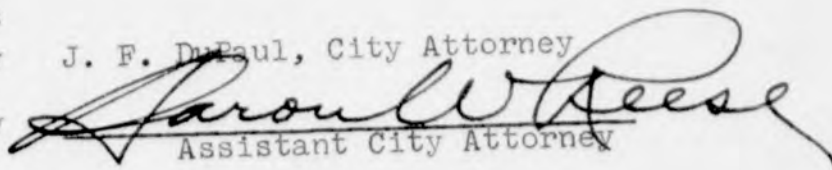

Section 20. Severability. If any covenant, agreement or provision, or any portion thereof contained in this ordinance, or the application thereof to any person or circumstance, is held to be unconstitutional, invalid or unenforceable, the remainder of this ordinance and the application of any such covenant, agreement or provision, or portion thereof, to other persons or circumstances, shall be deemed severable and shall not be affected thereby, and this ordinance and the bonds issued pursuant hereto shall remain valid and the bondholders shall retain all valid rights and benefits accorded to them under this ordinance and the Constitution and laws of the State of California.

Section 21. Effective date. This ordinance shall take effect the thirty-first (31st) day after the passage thereof.

regularly receive such notice of call and redemption.

(b) Redemption Fund. Prior to the redemption date there shall
be established in the City Treasury a redemption fund to be
described or known as WATERWORKS REVENUE BONDS, ELEC-
TION 1958, SERIES A, REDEMPTION FUND (hereinafter some-
times referred to as "Redemption Fund"), and prior to the re-
demption date there must be set aside in said Redemption Fund
moneys available for the purpose and sufficient to redeem, at the
premiums payable as in this ordinance provided, the bonds desig-
nated in such notice for redemption prior to maturity. Said moneys
must be set aside in said fund solely for that purpose and shall
not be applied on or after the redemption date to payment (principal
and premium) of the bonds to be redeemed prior to maturity upon
presentation and surrender of such bonds and except as to bonds
registered as to both principal and interest all interest coupons
maturing after the redemption date, and shall be used only for
that purpose. Any interest coupon due on or prior to the redemp-
tion date shall be paid from the Bond Service Fund upon presenta-
tion and surrender thereof. Any interest due on or prior to the re-
demption date upon bonds registered as to both principal and in-
terest shall be paid from said Bond Service Fund. Each bond
presented (if unregistered or registered as to principal only) must
be attached thereto or presented therewith all interest coupons
maturing after the redemption date. If after all of the bonds have
been redeemed and cancelled or paid and cancelled there are
moneys remaining in said Redemption Fund, said moneys shall be
referred to the Water Department Revenue Bond Fund; provided,
however, that if said moneys are part of the proceeds of refunding
said moneys shall be transferred to the fund created for the
payment of principal and interest on such refunding bonds.

(c) Effect of the Notice of Call and Redemption. When notice of
call and redemption prior to maturity has been given, substantially
provided herein, and when the amount necessary for the redemp-
tion of the bonds called for redemption prior to maturity (principal
and premium) is set aside for such purpose in the Redemption
Fund, as provided herein, the bonds designated for such redemp-
tion shall become due and payable on the date fixed for redemp-
tion thereof, and upon presentation and surrender of said bonds
and (except as to bonds registered as to both principal and in-
terest) all interest coupons maturing after the redemption date,
at the place specified in the notice of such redemption, and, if any
of said bonds be registered, upon the appropriate assignment there-
of in blank, such bonds shall be redeemed and paid at said redem-
ption price out of the Redemption Fund, and no interest will
accrue on such bonds called for such redemption or on any interest
coupon thereof after the redemption date specified in such notice,
and the holders of said bonds so called for such redemption after
such redemption date shall look for the payment of such bonds and
the premium thereon only to said Redemption Fund. All bonds
redeemed and all interest coupons thereof shall be cancelled forth-
with by the Treasurer of the City and shall not be reissued.

All interest coupons pertaining to any redeemed bonds, which cou-
pons have matured on or prior to the time fixed for such redem-
ption, shall continue to be payable to the respective holders
thereof but without interest thereon. All unpaid interest payable at
or prior to the date fixed for such redemption upon bonds registered
in such manner that the interest is payable only to the registered
owners shall continue to be payable to the respective registered
owners of such bonds, or their order, but without interest thereon.

Section 8. Disposition of Bond Proceeds. For the purpose of insuring
the application of the proceeds received from the sale of bonds to the
aforesaid purposes for which said bonds are to be issued, there is
hereby established in the City Treasury a fund to be described or
known as WATERWORKS REVENUE BONDS, ELECTION 1958, CON-
STRUCTION FUND (herein sometimes called "Construction Fund").
The proceeds from the sale of said bonds, except premium and ac-
crued interest, if any, shall be paid into the Construction Fund and
shall be applied exclusively to the aforesaid objects and purposes;
provided, however, (1) that said proceeds may be used for the payment
of interest on said bonds during the period of acquisition and construc-
tion and for the first six months thereafter; and (2) that when the
objects and purposes for which said bonds are issued have been ac-
complished any remaining unexpended funds derived from the sale of
the bonds shall be used for the payment of principal and interest of
said bonds or for redemption of any of said bonds which by their
terms are subject to call and redemption prior to maturity. Money
in the Construction Fund may be temporarily invested in any authorized
negotiable direct obligations of the United States, provided that the
maturity or maturities thereof shall not be later than the date or dates
on which money must be available to meet scheduled Construction
Fund expenditures.

Section 9. Water Department Fund. All revenues of the Water De-
partment shall be deposited in the Water Department Fund. From
such Water Department Fund there shall be paid the amount needed
to operate and maintain the Water Department.

Section 10. Water Department Revenue Bond Fund. From the Water
Department Fund there shall be transferred to the Water Department
Revenue Bond Fund monthly, on the first day of each month, all
such revenues of the Water Department as are in excess of the
amount needed to operate and maintain the Water Department.

Section 11. Bond Service Fund. For the purpose of insuring the pay-
ment when due and payable of the principal and interest on the
bonds, there is hereby established in the City Treasury a fund to be
described or known as the WATERWORKS REVENUE BONDS,
ELECTION 1958, SERIES A, BOND SERVICE FUND (hereinafter some-
times referred to as the "Bond Service Fund"). Upon delivery of
the bonds to the purchasers thereof any premium and accrued interest
paid by said purchasers shall be paid into said Bond Service Fund.
After said delivery of the bonds and thereafter, so long as any of
said bonds are outstanding, on the first day of each calendar month,
there shall be set aside and transferred from the Water Department
Revenue Bond Fund to the Bond Service Fund sums in equal aliquot
parts for each half year so that at least the full amount required to
pay, as it becomes due, the interest on the bonds and any maturity or
installment of principal of the bonds shall be set aside in the Bond
Service Fund at least one month prior to the date the installment of
interest or principal becomes due. Such transfer on the first day of
the first calendar month subsequent to the date of delivery must be
at least sufficient, together with other transfers of the same amount
made on the first day of each calendar month thereafter, to provide
in said Bond Service Fund one month prior to the maturity of the
first installment of interest the full amount of such interest, and to
provide in said Bond Service Fund one month prior to the maturity of
the first installment of principal the full amount of such principal. All
such sums shall be set aside, transferred to and placed in the
Bond Service Fund in such time that the next maturing installment
of interest and principal on the bonds shall be set aside in the Bond
Service Fund in cash at least one month prior to the time the
maturity or installment of interest or principal becomes due.

Any amounts required to be set aside, transferred to and placed in the
Bond Service Fund may be prepaid, in whole or in part, by being
carried set aside, transferred to and placed in the Bond Service
Fund, and in that event the monthly transfer, or any part thereof,
which has been so prepaid need not be made at the time appointed
herein for the installment of interest or principal of such bonds, all
sums required for the payment thereof must be in such Bond Service
Fund in cash.

Such sums shall be so set aside out of the Water Department
Revenue Bond Fund and not out of any other fund or moneys of the
City. The Council directs that such sums be so set aside through
transfers or payments made in such amounts as may be necessary
to comply with this Section.

Money set aside and placed in said Bond Service Fund shall remain
therein until from time to time expended for the payment of such
interest and principal, and shall not be used for any other purpose
whatsoever, except that any such money so set aside and placed in
said Bond Service Fund which at any time may be in excess of
the amount which at that time is required by the terms of this sec-

SAN DIEGO UNION

ORDINANCE NO. 8103
(NEW SERIES)

AN ORDINANCE OF THE CITY OF SAN DIEGO PROVIDING FOR
THE ISSUANCE OF \$6,000,000 WATERWORKS REVENUE BONDS,
ELECTION 1958, SERIES A, AND FIXING THE TERMS AND CON-
DITIONS THEREOF.

WHEREAS, The City of San Diego, a municipal corporation operat-
ing under the provisions of a freeholders' charter, owns and operates
waterworks and has under and pursuant to Ordinance No. 6402 (New
Series), adopted February 8, 1955, in exercise of the power provided
by Section 90.1 of said charter, issued \$6,000,000 Waterworks Revenue
Bonds, Election 1958, dated May 1, 1955, and payable in consecutive num-
erical order \$300,000 on May 1 of each year from May 1, 1956 to
May 1, 1975; and

WHEREAS, on June 3, 1958, a majority of the qualified voters
voting thereon voted in favor thereof and ratified an amendment to
said Section 90.1 and said amendment was thereafter approved by the
Legislature of the State of California and filed with the Secretary of
State; and

WHEREAS, said Section 90.1, as amended, provides in subdivision 4
(a) thereof as follows:

(a) To provide money for the acquisition and construction of
additions to and extensions and improvements of the waterworks
of the City and the reconstruction and replacement of parts of such
waterworks and the acquisition of all lands, easements, rights and
property necessary for such purposes, the Council may issue, in
one issue or in separate issues or series from time to time, under
this section, revenue bonds not to exceed \$11,000,000 in total prin-
cipal amount. All waterworks revenue bonds in excess of said sum
of \$11,000,000 shall be authorized by proceedings taken in the man-
ner hereinafter provided in paragraph (b) of this subdivision.

WHEREAS, the Council has not issued any of said total principal
amount of \$11,000,000 authorized in said charter amendment, and is
herein providing for the issuance of \$6,000,000 thereof as "Series A";
NOW, THEREFORE,

BE IT ORDAINED By the Council of The City of San Diego as
follows:

Section 1. Definitions. Unless the context otherwise requires, the fol-
lowing terms shall have the following meanings:

(a) "City" means The City of San Diego.

(b) "Council" means the Council of said City.

(c) "Charter" or "City Charter" means the Charter of The City
of San Diego referred to in the recitals hereof.

(d) "Section 90.1" means Section 90.1 of said charter amended
as stated in the recitals hereof.

(e) "Bonds" or "revenue bonds" means the bonds provided for
in this ordinance.

(f) "Waterworks" means all facilities, property and works of the
City for the development, obtaining, conservation, production, storage,
treatment, transmission, furnishing and distribution of water for
public and private use (whether located within or without the
City) and shall comprise the public utility system of the City for
water purposes, as mentioned in Section 1 of said charter.

(g) "Water rates" means rates, tolls or charges for water or
for service by the waterworks or any part thereof.

(h) "Revenues" includes all moneys received from rates, tolls
or charges for water or for service from the waterworks or any
part thereof, and all other income and receipts derived from the
use of or operation of the waterworks or any part thereof, or other-
wise arising from the waterworks or any part thereof, or any other
business of the Water Department, and includes interest on all funds
received from or established for the waterworks. "Revenues" shall
not be construed to include taxes or assessments.

(i) "Water Department Revenue Bond Fund" means a special
fund which consists and which shall consist of such revenues of
the Water Department as are in excess of the amount needed to
operate and maintain the Water Department.

(j) "Fiscal year" means the year beginning on July 1st and end-
ing on the next following June 30th.

Section 2. Amount, Issuance, Purpose and Nature of Bonds. The
Council hereby provides for and orders the issuance of \$6,000,000 revenue
bonds under said Section 90.1 to provide money for all of the pur-
poses set forth in subdivision 4(a) thereof, heretofore quoted in the
recitals hereof. Such revenue bonds shall not constitute an indebted-
ness of the City but shall constitute obligations which shall be payable,
principal and interest and any premiums upon the redemption thereof
prior to maturity, only from a special fund, to wit: the "Water
Department Revenue Bond Fund," provided, however, (1) that this
shall not preclude the payment or redemption of such bonds as are
subject to call and redemption prior to maturity from the proceeds
of refunding bonds issued to refund said revenue bonds or (2) the
use of special interest and premiums paid upon the sale and delivery
of said revenue bonds for the payment of principal thereof or interest
thereon. No revenue bond issued hereunder or any interest payable
thereon shall be or become an obligation chargeable or enforceable
against any of the tax revenues of the City or any other revenues
of the City except the revenues in the Water Department Revenue
Bond Fund. Nothing in this Ordinance shall preclude the issuance, sub-
ject to the limitations in the covenants in Section 11 hereof, of addi-
tional indebtedness evidenced by revenue bonds, revenue notes or
other similar evidences of indebtedness payable out of the revenues
of the Water Department and ranking on a parity with these bonds.

No bond shall be deemed to be outstanding and unpaid within the
meaning of this Ordinance if moneys for the purpose of paying the
same or redeeming the same prior to maturity and sufficient therefor
have been irrevocably set aside in a bond service fund, sinking fund,
redemption fund or other trust fund created to insure the payment
or redemption thereof.

Section 3. Description of Bonds. Said bonds shall be in the principal

SERIES A

No. _____ \$1,000
THE CITY OF SAN DIEGO (hereinafter sometimes called "City"), a municipal corporation situated in the County of San Diego, State of California, FOR VALUE RECEIVED, hereby promises to pay to bearer, on _____, 19____, out of the Water Department Revenue Bond Fund and not out of any other fund or moneys of the City, upon presentation and surrender of this bond, the sum of ONE THOUSAND DOLLARS, with interest thereon at the rate of _____ per cent (____%) per annum, payable semiannually on the first days of _____ and _____ of each and every year from the date hereof until this bond is paid, upon presentation and surrender of the respective interest coupons hereto attached; provided, however, that if at the maturity date of this bond, or if the same is callable and redeemable prior to maturity and shall be duly called for redemption and at the redemption date funds are available for the payment or redemption thereof, as provided in the ordinance hereinafter mentioned, this bond shall then cease to bear interest. Both principal and interest and any premium upon the redemption hereof are payable in lawful money of the United States of America at the office of the Treasurer of The City of San Diego, in said City, or, at the option of the holder hereof, at any fiscal agency of The City of San Diego in San Diego, California, or in Los Angeles, California, or in Chicago, Illinois, or in New York, New York.

This bond does not constitute an indebtedness of The City of San Diego but is an obligation payable, principal and interest, and premiums, if any, upon the redemption thereof, only from a special fund which shall consist of such revenues of the Water Department of said City as are in excess of the amount needed to operate and maintain the Water Department (and said special fund is presently designated and is herein called the "Water Department Revenue Bond Fund"); provided, however, that the foregoing statement shall not preclude the payment or redemption of this bond, if it is subject to call and redemption prior to maturity, from the proceeds of refunding bonds, or the payment hereof from premium and accrued interest, if any, obtained upon the sale of the series of bonds of which this is one.

This is one of the first series of a duly authorized issue of bonds of the City, the bonds of which series are designated "Waterworks Revenue Bonds, Election 1958, Series A" (herein sometimes called "bonds" and any one of which may be called a "bond"), all of which have been issued pursuant to amended Section 90.1 of the Charter of said City (herein sometimes called the "Charter"). The terms and conditions of the bonds are provided for by the ordinance of said City designated Ordinance No. _____ (hereinafter sometimes called "ordinance") and by acceptance hereof the holder of this bond and the coupons hereto attached assents to said terms and conditions. In the manner provided in said ordinance certain of said terms and conditions may be amended, waived or modified with the consent of bondholders holding sixty per cent (60%) in aggregate principal amount of the outstanding bonds, exclusive of issuer-owned bonds. Said ordinance, this bond and the coupons thereof are to be construed in accordance with the laws of the State of California.

Unless this bond matures on or prior to _____, 19____, it is callable and redeemable prior to maturity in accordance with the provisions for redemption endorsed hereon.

IT IS HEREBY CERTIFIED AND RECITED that any and all acts, conditions and things required to exist, to happen and to be performed precedent to and in the incurring of the indebtedness evidenced by this bond and in the issuance of this bond, exist, have happened, and have been performed in due time, form and manner, as required by the Constitution and statutes of the State of California, and the Charter of The City of San Diego, and that this bond, together with all other indebtedness of the City pertaining to the aforesaid Water Department, is within every debt and other limit prescribed by the Constitution and statutes of the State of California and the Charter and ordinances of the City.

IN WITNESS WHEREOF, The City of San Diego has caused this bond to be signed by the Mayor and the Treasurer of said City, by their facsimile signatures, countersigned by the City Clerk of said City, and sealed with the corporate seal of said City, and the interest coupons hereto attached to be signed by the Treasurer of said City by his facsimile signature, and has caused this bond to be dated the first day of _____, 19____.

Coupon No. _____ (COUPON FORM)
On the first day of _____, 19____, THE CITY OF SAN DIEGO, CALIFORNIA, will pay to the bearer, at the office of the Treasurer of the City of San Diego, in said City, or, at the option of the holder, at any fiscal agency of The City of San Diego in San Diego, California, or in Los Angeles, California, or in Chicago, Illinois, or in New York, New York, out of the Water Department Revenue Bond Fund and not out of any other fund or moneys of the City, the sum of \$_____ in lawful money of the United States of America, being the semiannual interest then due on its WATERWORKS REVENUE BOND, ELECTION 1958, SERIES A, NO. _____ Dated _____, 19____.

(facsimile signature)
Treasurer of The City of San Diego, California

On the reverse side of the coupon there shall be printed substantially the following:
If the bond to which this coupon is attached is redeemable and is duly called for redemption on a date prior to the maturity date of this coupon, this coupon will be void.

Substantially the following provisions for redemption and registration shall be printed on the reverse side of the bond:
PROVISIONS FOR CALL AND REDEMPTION PRIOR TO MATURITY
Unless this bond matures on or prior to _____, 19____, it is callable and redeemable prior to maturity in the manner and subject to the terms and provisions, and with the effect set forth in the ordinance referred to on the face of this bond, at the option of the City, on _____, 19____, or on any interest payment date thereafter prior to maturity, upon at least 30 days' prior notice published in a newspaper circulated in the City of San Diego, California, and in a financial newspaper or journal of national circulation published in the City of New York, New York, at a redemption price equal to the principal amount thereof plus the following premiums (percentage of par value) if redeemed at the following times:

REDEMPTION DATES AND PREMIUMS
(Insert Schedule)

PROVISIONS FOR REGISTRATION
This bond may be registered in the name of any person as the registered owner hereof, either as to principal only or as to both principal and interest, and, if registered in either of said forms may be changed to registration in the other of said forms or discharged from registration.

Each registration, transfer after registration, change of form of registration, or discharge from registration of this bond shall be entered by the Treasurer of the City of San Diego in books kept by him for the purpose and noted by him in the registration blank below. Registration as to principal only shall not affect the negotiability by delivery of the coupons pertaining hereto. Upon registration as to both principal and interest, all unmatured coupons pertaining hereto shall be surrendered to the Treasurer and may be preserved or cancelled in his discretion.

So long as this bond is registered no transfer hereof shall be valid for any purpose unless made by the registered owner and entered and noted as herein provided, and the principal hereof and any redemption premium shall be payable only to the registered owner, or to his order. Interest on this bond, if registered as to both principal and interest, shall be payable to the person whose name appears upon the registration books as the registered owner hereof at the close of business on the tenth day preceding the interest payment date, or to his order. If the bond is registered as to both principal and interest and its re...

ORDINANCE No. 8110
(New Series)

AN INTERIM ORDINANCE ESTABLISHING REGULATIONS
GOVERNING THE USE OF LAND IN PORTIONS OF SECTIONS
21 AND 22, TOWNSHIP 18 SOUTH, RANGE 2 WEST, SAN
BERNARDINO BASE AND MERIDIAN, IN THE CITY OF SAN
DIEGO, CALIFORNIA.

WHEREAS, the Planning Commission is making a study of a comprehensive zoning plan for certain recently annexed areas within The City of San Diego, which areas include portions of Sections 21 and 22, Township 18 South, Range 2 West, San Bernardino Base and Meridian in The City of San Diego, California, (Swiss Park Tract Annexation), as indicated on Planning Commission Zone Map Drawing No. C-171, attached to Planning Communication on file in the office of the City Clerk as Document No. 590010; and

WHEREAS, it is desirable under the authority of section 101.0203.1 of the San Diego Municipal Code to regulate the use of said above-described lands pending the adoption of a comprehensive zoning plan therefor; and

WHEREAS, the development of the land and use of buildings thereon might be accomplished in a manner adverse to said comprehensive zoning plan; and

WHEREAS, the City Council is of the opinion that the public safety, health and welfare would be promoted by the adoption of such temporary interim zoning ordinance; NOW, THEREFORE,

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That all that territory situated in The City of San Diego, California, within the boundary of the district designated "A1-1" on Planning Commission Zone Map Drawing

No. C-171, filed in the office of the City Clerk of said City under Document No. 590010, be, and the same is hereby incorporated into temporary interim zone, in which no building, and/or improvement, or portion thereof, shall be erected, constructed, converted, established, altered and/or enlarged, nor shall any premises be used for any purpose except as hereinafter specifically provided, subject to the following restrictions:

- a. Only one single family dwelling may be erected on any one lot as defined by Section 101.0101.23 of the Code; however, on lots containing more than 5 acres, there may be constructed and maintained one additional single family dwelling for each additional 10 acres or fraction thereof;
- b. Elementary and Junior High Schools, public parks and playgrounds, and public or private stables;
- c. Crop and tree farming; truck gardening, nurseries, greenhouses, apiaries, commercial hatcheries, aviaries, commercial flower or vegetable gardens;
- d. Processing for market of crops raised or produced on the premises;
- e. Small livestock farming; the raising or keeping of poultry, fowl, rabbits, sheep, goats or similar animals; farms or ranches for the grazing, breeding or training of horses and cattle; commercial goat or cattle dairies; provided such dairies are located on lots of 5 acres or more. On any lot of less than 5 acres, the number of sheep, goats, cattle, horses or hogs shall not exceed a number per acre, equal to 3 animals in any combination of the foregoing animals;

- f. Killing and dressing of poultry, fowl and rabbits raised on the premises, provided the building used for killing and dressing is a minimum of 50 feet from any property line;
- g. Public utility substations and transmission lines;
- h. Accessory buildings and uses customarily incident to any of the above uses;
- i. One stand exclusively of wood frame construction (except the floor), having a floor area of not more than 300 square feet, for the display and sale of products lawfully produced on the property. Such stand shall be placed not nearer than 40 feet from the center line of any street or highway upon which such property fronts;
- j. Signs
 - (1) One double-faced, unlighted sign, not exceeding 12 square feet in area per face, and pertaining only to the sale of the products produced on the premises;
 - (2) One temporary, double-faced, unlighted sign, not exceeding 8 square feet in area per face, advertising the sale, lease or hire of the premises;
 - (3) One name plate, not exceeding 1 square foot in area, containing only the name and/or occupation of the occupant of the premises.
- k. The following uses may be authorized by Conditional Use Permits granted by the Planning Commission under a finding made as provided by section 101.0505 of the San Diego Municipal Code:
 - (1) High Schools;
 - (2) Living Quarters for persons employed in work

directly related to agriculture, if occupied only by such persons and their immediate families; provided however, that no such permits for living quarters shall be issued for lots of less than 5 acres in area;

1. Yard Requirements

(1) Front Yard - no buildings or structures, except a stand or a fence shall be erected or placed less than 50 feet from the center line of street or highway;

(2) Side yard - no buildings or structures, except a fence shall be erected or placed less than 20 feet from the side property line;

(3) Rear Yard - no buildings or structures, except a fence, shall be erected or placed less than 25 feet from the rear property line;

(4) Area - any lot in an A1-1 zone shall have a minimum area of one acre;

m. Width of lot and street frontage

Any lot within the A1-1 zone shall have a minimum width and a minimum frontage on a dedicated street or highway, of 100 feet.

Section 2. This is an ordinance for the preservation of the public peace, health, property and safety of the inhabitants of The City of San Diego, and is an emergency measure for the reasons set forth in the preamble to this ordinance and shall take effect and be in force from and after its passage.

ORDINANCE NO. 8110
(NEW SERIES)

AN INTERIM ORDINANCE ESTABLISHING REGULATIONS GOVERNING THE USE OF LAND IN PORTIONS OF SECTIONS 21 AND 22, TOWNSHIP 18 SOUTH, RANGE 2 WEST, SAN BERNARDINO BASE AND MERIDIAN, IN THE CITY OF SAN DIEGO, CALIFORNIA.

WHEREAS, the Planning Commission is making a study of a comprehensive zoning plan for certain recently annexed areas within The City of San Diego, which areas include portions of Sections 21 and 22, Township 18 South, Range 2 West, San Bernardino Base and Meridian, in the City of San Diego, California, (Swiss Park Tract Annexation), as indicated on Planning Commission Zone Map Drawing No. C-171, attached to Planning Communication on file in the office of the City Clerk as Document No. 590010; and

WHEREAS, it is desirable under the authority of section 101.0203.1 of the San Diego Municipal Code to regulate the use of said above-described lands pending the adoption of a comprehensive zoning plan therefor; and

WHEREAS, the development of the land and use of buildings thereon might be accomplished in a manner adverse to said comprehensive zoning plan; and

WHEREAS, the City Council is of the opinion that the public safety, health and welfare would be promoted by the adoption of such temporary interim zoning ordinance:

NOW, THEREFORE, BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That all that territory situated in The City of San Diego, California, within the boundary of the district designated "A1-1" on Planning Commission Zone Map Drawing No. C-171, filed in the office of the City Clerk of said City under Document No. 590010, be, and the same is hereby incorporated into temporary interim zone, in which no building, and/or improvement, or portion thereof, shall be erected, constructed, converted, established, altered and/or enlarged, nor shall any premises be used for any purpose except as hereinafter specifically provided, subject to the following restrictions:

a. Only one single family dwelling may be erected on any one lot as defined by Section 101.0101.23 of the Code; however, on lots containing more than 5 acres, there may be constructed and maintained one additional single family dwelling for each additional 10 acres or fraction thereof;

b. Elementary and Junior High Schools, public parks and playgrounds, and public or private stables;

c. Crop and tree farming; truck gardening, nurseries, greenhouses, apiaries, commercial hatcheries, aviaries, commercial flower or vegetable gardens;

d. Processing for market of crops raised or produced on the premises;

e. Small livestock farming; the raising or keeping of poultry, fowl, rabbits, sheep, goats or similar animals; farms or ranches for the grazing, breeding or training of horses and cattle; commercial goat or cattle dairies; provided such dairies are located on lots of 5 acres or more. On any lot of less than 5 acres, the number of sheep, goats, cattle, horses or hogs shall not exceed a number per acre, equal to 3 animals in any combination of the foregoing animals;

f. Killing and dressing of poultry, fowl and rabbits raised on the premises, provided the building used for killing and dressing is a minimum of 80 feet from any property line;

g. Public utility substations and transmission lines;

h. Accessory buildings and uses customarily incident to any of the above uses;

i. One stand exclusively of wood frame construction (except the floor), having a floor area of not more than 300 square feet, for the display and sale of products lawfully produced on the property. Such stand shall be placed not nearer than 40 feet from the center line of any street or highway upon which such property fronts;

j. Signs

(1) One double-faced, unlighted sign, not exceeding 12 square feet in area per face, and pertaining only to the sale of the products produced on the premises;

(2) One temporary, double-faced, unlighted sign, not exceeding 8 square feet in area per face, advertising the sale, lease or hire of the premises;

(3) One name plate, not exceeding 1 square foot in area, containing only the name and/or occupation of the occupant of the premises.

k. The following uses may be authorized by Conditional Use Permits granted by the Planning Commission under a finding made as provided by section 101.0505 of the San Diego Municipal Code:

(1) High Schools;
(2) Living Quarters for persons employed in work directly related to agriculture, if occupied only by such persons and their immediate families, provided however, that no such permits for living quarters shall be issued for lots of less than 5 acres in area.

l. Yard Requirements
(1) Front Yard—no buildings or structures, except a stand or a fence shall be erected or placed less than 50 feet from the center line of street or highway.

(2) Side yard—no buildings or structures, except a fence, shall be erected or placed less than 20 feet from the side property line;

(3) Rear Yard—no buildings or structures, except a fence, shall be erected or placed less than 25 feet from the rear property line;

(4) Area—any lot in an A1-1 zone shall have a minimum area of one acre;

m. Width of lot and street frontage
Any lot within the A1-1 zone shall have a minimum width and a minimum frontage on a dedicated street or highway, of 100 feet.

Section 2. This is an ordinance for the preservation of the public peace, health, property and safety of the inhabitants of The City of San Diego, and is an emergency measure for the reasons set forth in the preamble to this ordinance and shall take effect and be in force from and after its passage.

Passed and adopted by the Council of the City of San Diego, California, this 12th day of May, 1959, by the following vote, to-wit:

YEAS—Councilmen: Tharp, Hartley, Schneider, Kerrigan, Curran, Evenson.

ORDINANCE NO. 8113
(New Series)

AN ORDINANCE AMENDING SECTION 64.13 OF
THE SAN DIEGO MUNICIPAL CODE RELATING
TO CONNECTIONS TO PUBLIC SEWERS.

BE IT ORDAINED, by the Council of The City of San Diego,
as follows:

Section 1. That Section 64.13 of the San Diego Municipal
Code, be, and the same is hereby amended to read as follows:

"SEC. 64.13 CONNECTIONS TO PUBLIC SEWERS - WORK TO BE DONE
BY DEPARTMENT OF PUBLIC WORKS - FEES AND CHARGES
ESTABLISHED

No person, other than The City of San Diego, its agents
and employees, shall connect any pipe, drain or sewer with,
or open or penetrate any public sewer in The City of San
Diego, California, or injure, break, remove or open any
portion of any manhole, flush tank, inspection pipe, or any
other part of, or appurtenance to, any public sewer. All
laterals from public sewer mains shall be laid by the Depart-
ment of Public Works to the property line of any such property
requiring connection with any public sewer.

The following fees and charges therefor are hereby
established:

Permit for connection with the public sewer \$2.50. In
addition to said permit fee, the owner or applicant for such
connection shall pay to said City for construction and laying
of laterals the following charges:

SEWER LATERALS

Street connection - 4 inch-----	\$230.00
For each foot in excess of 40 feet on street connections - 4 inch, add-----	5.75
Street connection - 6 inch-----	\$240.00
For each foot in excess of 40 feet on street connections - 6 inch, add-----	\$ 6.00
Alley connection - 4 inch-----	\$115.00
For each foot in excess of 15 feet on alley connections - 4 inch, add-----	\$ 5.75

Alley connection - 6 inch-----\$130.00

For each foot in excess of 15 feet on
alley connections - 6 inch, add-----\$ 6.00

Private property, private contract or public
contract connection-----\$ 7.00

Curb to property line connection-----\$ 90.00

The above charges are for installations under normal conditions. Under abnormal conditions, such as difficult or unusual excavations, additional appropriate charges may be established by the Director of Public Works.

When a connection is made to a sewer where it crosses private property, the plumber shall install the pipe to the main sewer and shall uncover the main sewer so that a connection can be properly made and the Department of Public Works shall make such connection.

When a connection can be made to a normal, shallow sewer main or to a special deep sewer main, the property owner may connect to the special deep sewer main by paying the special connection charges established by the Director of Public Works.

In all cases in which a lateral has been installed to serve a particular lot or parcel of land and the street is, or has been subsequently, paved, that lateral must be used unless an exception is made by the Director of Public Works."

Section 2. A violation of any provision or the failure to comply with any of the requirements established by this ordinance shall constitute a misdemeanor. Any person convicted of such violation or such failure shall be punishable by a fine of not more than Five Hundred Dollars (\$500.00) or by imprisonment in the City Jail for a period of not more than six months or by both fine and imprisonment. The provisions of Section 11.12 of the San Diego Municipal Code shall apply.

Section 3. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

Affidavit of Publication
OF

ORDINANCE NO. 8118
(New Series)

AN ORDINANCE ESTABLISHING A SCHEDULE OF COMPENSATION FOR OFFICERS AND EMPLOYEES OF THE CITY OF SAN DIEGO.

BE IT ORDAINED, By the Council of The City of San Diego, as follows:

Section 1. As a schedule of compensation for all officers and employees of The City of San Diego, including the Unclassified and Classified Services, there is hereby adopted and established a Table of Standard Rates of Pay for bi-weekly salaries, containing minimum, maximum and intermediate range steps for each standard rate. Said compensation schedule is attached hereto as Exhibit "A".

The "Equivalent Monthly Rates" set forth in Exhibit "A" are for comparative and information purposes.

Section 2. "COMPENSATION", as used in this ordinance, means the remuneration paid in cash out of City funds controlled by the Council of The City of San Diego, plus the monetary value, as determined by the department head with the approval of the Civil Service Commission, of such housing, lodging, fuel, public utility services, or other advantages similar in character, furnished to an officer or employee in payment of his services.

For purposes of deduction for contributions of officers and employees required by law, the City Auditor and Comptroller shall use the amount fixed in the standard rate hereinafter set forth without regard to the monetary value of the advantages herein enumerated furnished to the officer or employee in payment of his services. Warrants issued for compensation to such officers and employees by such City Auditor and Comptroller shall be for the amount set forth in the standard rate attached to the position minus the monetary value of the advantages furnished said employee as compensation, as determined above.

Section 3. For all positions in the Classified Service of The City of San Diego the Standard Rate Numbers, providing uniform compensation for like service, attached hereto as Exhibit "B", are hereby adopted. Increases in compensation within the range limits of the Standard Rate Number attached to the position may be granted by the appointing authority upon the basis of efficiency and seniority after first receiving the approval of the Civil Service Commission therefor.

Section 4. For all positions in the Unclassified Service of The City of San Diego the Standard Rate Numbers, attached hereto as Exhibit "C", are hereby adopted.

The compensation for officers and employees in the Unclassified Service shall be determined and set by the appointing authority at any one of the range steps of the Standard Rate Numbers attached to the position in said Exhibit "C".

Increases in compensation for officers and employees in the Unclassified Service, within the range limits of the Standard Rate Number attached to the position, may be granted by the appointing authority upon the basis of efficiency and seniority after first receiving the approval of the City Council therefor.

Section 5. For the purpose of computing vacations, leaves of absence, overtime, and terminal severance pay, the Auditor and Comptroller is hereby authorized to utilize compilations based upon an eight-hour day and a forty-hour week.

Section 6. The members of the Classified Service, other than firemen and part-time employees, shall receive the salaries provided herein as compensation in full for work performed by said members of the Classified Service during an average forty-hour week and eight-hour day, except as herein-after provided.

Whenever the City Manager, or other appointing authority, certifies to the Civil Service Commission that the City's interest requires an employee, in order to perform the duties assigned to him or to the position he occupies, to work at times unusual for the class of position he occupies, such as (1) working a night shift in which the majority of hours of work scheduled for said employee throughout any pay period are before 8:00 A.M. or after 6:00 P.M. or (2) on a long term schedule, working a shift regularly split by more than two consecutive hours, or such other work schedule as may be determined by the Civil Service Commission and the City Manager or non-managerial appointing authority to be substantially unusual for the class of employment, the Civil Service Commission may authorize an increase of compensation for an employee who is required to work under the unusual conditions above described, in which case such employee shall receive one Standard Rate increase for each of the said unusual conditions which shall be certified by the appointing authority on the official payroll time sheet to the Personnel Director. Such increases in compensation shall be identified and symbolized on all official payrolls and all records appertaining to said employees' compensation. When one or more of the said working conditions are commonly accepted conditions for a class of employment, the Civil Service Commission shall take such working conditions into consideration in establishing the compensation for the class.

In addition to the foregoing provisions for extra compensations the Civil Service Commission, upon request of the City Manager or other department head, may authorize the

payment of additional compensation for work performed by employees in excess of the normal day and forty-hour week, or authorize the granting of compensatory time off. In this connection the Commission may authorize the payment of overtime pay up to but not in excess of one and one-half times the regular rate for the employees who are required to work overtime. The employees in the Classified Service who shall be entitled to receive overtime payment or compensatory time off, as herein provided, shall be designated by the Civil Service Commission after consultation with the department heads concerned and in accordance with definitions and procedures to be developed by the Civil Service Commission after collaboration with the appointing authorities, which said definitions and procedures after adoption shall be binding on all appointing authorities.

Section 7. In fixing and approving the Standard Rates for the officers and employees of the City this Council has recognized the necessity to increase certain salaries heretofore paid, and in so doing the Council has intended and does hereby intend, in fixing said rates, that where a standard rate of pay has been increased from that heretofore paid, said officer and employee whose rate of pay has thus been increased, shall be entitled to the percentage rate of increase intended, and that such new rate of pay shall be fixed so as to apply to that same step under the new Standard Rate that said employee occupied under the old Standard Rate.

Section 8. There is hereby created a class to be known as "Terminal Employee." Any employee, Classified or Unclassified, taking terminal leave prior to termination of City service shall be transferred to the class of "Terminal Employee" as of the date said terminal leave commences. Upon transfer to said class each employee shall be paid at the rate and step established for the position occupied by him at the

time of his transfer. Such employee shall be an employee of the department in which he was serving at the time of his transfer.

Section 9. The compensation schedule established by Ordinance No. 7883 (New Series) is hereby continued in force and effect through the pay period ending July 9, 1959. The compensation schedule established by this ordinance shall become effective with the pay period commencing July 10, 1959.

Section 10. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

ORDINANCE NO. 8118 (NEW SERIES)

AN ORDINANCE ESTABLISHING A SCHEDULE OF COMPEN- SATION FOR OFFICERS AND EM- PLOYEES OF THE CITY OF SAN DIEGO.

BE IT ORDAINED, By the Council of the City of San Diego, as follows:

Section 1. As a schedule of compensation for all officers and employees of the City of San Diego, including the Unclassified and Classified Services, there is hereby adopted and established a Table of Standard Rates of Pay for bi-weekly salaries, containing minimum, maximum and intermediate range steps for each standard rate. Said compensation schedule is attached hereto as Exhibit "A".

The "Equivalent Monthly Rates" set forth in Exhibit "A" are for comparative and information purposes.

Section 2. "COMPENSATION," as used in this ordinance, means the remuneration paid in cash out of City funds controlled by the Council of the City of San Diego, plus the monetary value, as determined by the department head with the approval of the Civil Service Commission, of such housing, lodging, fuel, public utility services, or other advantages similar in character, furnished to an officer or employee in payment of his services.

For purposes of deduction for contributions of officers and employees required by law, the City Auditor and Comptroller shall use the amount fixed in the standard rate hereinafter set forth without regard to the monetary value of the advantages herein enumerated furnished to the officer or employee in payment of his services. Warrants issued for compensation to such officers and employees by such City Auditor and Comptroller shall be for the amount set forth in the standard rate attached to the position minus the monetary value of the advantages furnished said employee as compensation, as determined above.

Section 3. For all positions in the Classified Service of the City of San Diego the Standard Rate Numbers, providing uniform compensation for like service, attached hereto as Exhibit "B", are hereby adopted. Increases in compensation within the range limits of the Standard Rate Number attached to the position may be granted by the appointing authority upon the basis of efficiency and seniority after first receiving the approval of the Civil Service Commission therefor.

Section 4. For all positions in the Unclassified Service of the City of San Diego the Standard Rate Numbers, attached hereto as Exhibit "C", are hereby adopted.

The compensation for officers and

employees in the Unclassified Service shall be determined and set by the appointing authority at any one of the range steps of the Standard Rate Numbers attached to the position in said Exhibit "C".

Increases in compensation for officers and employees in the Unclassified Service, within the range limits of the Standard Rate Number attached to the position, may be granted by the appointing authority upon the basis of efficiency and seniority after first receiving the approval of the City Council therefor.

Section 5. For the purpose of computing vacations, leaves of absence, overtime, and terminal severance pay, the Auditor and Comptroller is hereby authorized to utilize compilations based upon an eight-hour day and a forty-hour week.

Section 6. The members of the Classified Service, other than firemen and part-time employees, shall receive the salaries provided herein as compensation in full for work performed by said members of the Classified Service during an average forty-hour week and eight-hour day, except as hereinafter provided.

Whenever the City Manager, or other appointing authority, certifies to the Civil Service Commission that the City's interest requires an employee, in order to perform the duties assigned to him or to the position he occupies, to work at times unusual for the class of position he occupies, such as (1) working a night shift in which the majority of hours of work scheduled for said employee throughout any pay period are before 8:00 A.M. or after 6:00 P.M. or (2) on a long term schedule, working a shift regularly split by more than two consecutive hours, or such other work schedule as may be determined by the Civil Service Commission and the City Manager or non-managerial appointing authority to be substantially unusual for the class of employment, the Civil Service Commission may authorize an increase of compensation for an employee who is required to work under the unusual conditions above described, in which case such employee shall receive one Standard Rate increase for each of the said unusual conditions which shall be certified by the appointing authority on the official payroll time sheet to the Personnel Director.

Such increases in compensation shall be identified and symbolized on all official payrolls and all records appertaining to said employees' compensation. When one or more of the said working conditions are commonly accepted conditions for a class of employment, the Civil Service Commission shall take such working conditions into consideration in establishing the compensation for the class.

In addition to the foregoing provisions for extra compensations the Civil Service Commission, upon request of the City Manager or other department head, may authorize the payment of additional compensation for work performed by employees in excess of the normal day and forty-hour week, or authorize the granting of compensatory time off. In this connection the Commission may authorize the payment of overtime pay up to but not in excess of one and one-half times the regular rate for the employees who are required to work overtime. The employees in the Classified Service who shall be entitled to receive overtime payment or compensatory time off, as herein provided, shall be designated by the Civil Service Commission after consultation with the department heads concerned and in accordance with definitions and procedures to be developed by the Civil Service Commission after collaboration with said definitions and procedures after adoption shall be binding on all appointing authorities.

Section 7. In fixing and approving the Standard Rates for the officers and employees of the City this Council has recognized the necessity to increase certain salaries heretofore paid, and in so doing the Council has intended and does hereby intend, in fixing said rates, that where a standard rate of pay has been increased from that heretofore paid, said officer and employee whose rate of pay has thus been increased, shall be entitled to the percentage rate of increase intended, and that such new rate of pay shall be fixed so as to apply to that same step under the new Standard Rate that said employee occupied under the old Standard Rate.

Section 8. There is hereby created a class to be known as "Terminal Employee." Any employee, Classified or Unclassified, taking terminal leave prior to termination of City service shall be transferred to the class of "Terminal Employee" as of the date said terminal leave commences. Upon transfer to said class each employee shall be paid at the rate and step established for the position occupied by him at the time of his transfer. Such employee shall be an employee of the department in which he was serving at the time of his transfer.

Section 9. The compensation schedule established by Ordinance No. 7883 (New Series) is hereby continued in force and effect through the pay period ending July 9, 1959. The compensation schedule established by this ordinance shall become effective with the pay period commencing July 10, 1959.

Section 1. As a schedule of compensation for all officers and employees of the City of San Diego, including the Unclassified and Classified Services, there is hereby adopted and established a Table of Standard Rates of Pay for bi-weekly salaries, containing minimum, maximum and intermediate range steps for each standard rate. Said compensation schedule is attached hereto as Exhibit "A".

The "Equivalent Monthly Rates" set forth in Exhibit "A" are for comparative and information purposes.

Section 2. "COMPENSATION," as used in this ordinance, means the remuneration paid in cash out of City funds controlled by the Council of the City of San Diego, plus the monetary value, as determined by the department head with the approval of the Civil Service Commission, of such housing, lodging, fuel, public utility services, or other advantages similar in character, furnished to an officer or employee in payment of his services.

For purposes of deduction for contributions of officers and employees required by law, the City Auditor and Comptroller shall use the amount fixed in the standard rate hereinafter set forth without regard to the monetary value of the advantages herein enumerated furnished to the officer or employee in payment of his services. Warrants issued for compensation to such officers and employees by such City Auditor and Comptroller shall be for the amount set forth in the standard rate attached to the position minus the monetary value of the advantages furnished said employee as compensation, as determined above.

Section 3. For all positions in the Classified Service of the City of San Diego the Standard Rate Numbers, providing uniform compensation for like service, attached hereto as Exhibit "B", are hereby adopted. Increases in compensation within the range limits of the Standard Rate Number attached to the position may be granted by the appointing authority upon the basis of efficiency and seniority after first receiving the approval of the Civil Service Commission therefor.

Section 4. For all positions in the Unclassified Service of the City of San Diego the Standard Rate Numbers, attached hereto as Exhibit "C", are hereby adopted.

The compensation for officers and

employees in the Unclassified Service shall be determined and set by the appointing authority at any one of the range steps of the Standard Rate Numbers attached to the position in said Exhibit "C".

Increases in compensation for officers and employees in the Unclassified Service, within the range limits of the Standard Rate Number attached to the position, may be granted by the appointing authority upon the basis of efficiency and seniority after first receiving the approval of the City Council therefor.

Section 5. For the purpose of computing vacations, leaves of absence, overtime, and terminal severance pay, the Auditor and Comptroller is hereby authorized to utilize compilations based upon an eight-hour day and a forty-hour week.

Section 6. The members of the Classified Service, other than firemen and part-time employees, shall receive the salaries provided herein as compensation in full for work performed by said members of the Classified Service during an average forty-hour week and eight-hour day, except as hereinafter provided.

Whenever the City Manager, or other appointing authority, certifies to the Civil Service Commission that the City's interest requires an employee, in order to perform the duties assigned to him or to the position he occupies, to work at times unusual for the class of position he occupies, such as (1) working a night shift in which the majority of hours of work scheduled for said employee throughout any pay period are before 8:00 A.M. or after 6:00 P.M. or (2) on a long term schedule, working a shift regularly split by more than two consecutive hours, or such other work schedule as may be determined by the Civil Service Commission and the City Manager or non-managerial appointing authority to be substantially unusual for the class of employment, the Civil Service Commission may authorize an increase of compensation for an employee who is required to work under the unusual conditions above described, in which case such employee shall receive one Standard Rate increase for each of the said unusual conditions which shall be certified by the appointing authority on the official payroll time sheet to the Personnel Director.

Such increases in compensation shall be identified and symbolized on all official payrolls and all records appertaining to said employees' compensation. When one or more of the said working conditions are commonly accepted conditions for a class of employment, the Civil Service Commission shall take such working conditions into consideration in establishing the compensation for the class.

In the matter of the publication of ORDINANCE
NO. 8118 EMPLOYEE COMPENSATION

J. A. Denton, being duly sworn, deposes and says: That he is a resident of the County of San Diego, State of California, over twenty-one years of age, and not interested as a party or otherwise in the above-named matter.

That he is the principal clerk of the printers of The San Diego Union, a newspaper published daily in the City of San Diego, County of San Diego, State of California, and of general circulation in said City; that as such principal clerk he has charge of all the advertisements published in said newspaper; that the said

of which the annexed clipping is a copy, has been published in said newspaper for the period of ONE (1)

days, to-wit: upon the 4th day of June, 19 59, and upon the

days of 19 and that said publication was made in the said newspaper proper, and not in a supplement thereof.

J. A. Denton

Subscribed and sworn to before me, this 12th day of June, A.D. 19 59.

ORDINANCE No. 3119
(New Series)

AN ORDINANCE AMENDING SECTION 44.0307 OF
THE SAN DIEGO MUNICIPAL CODE RELATING TO
MAINTENANCE OF HOG RANCHES.

BE IT ORDAINED, by the Council of The City of San Diego,
as follows:

Section 1. That Section 44.0307 of the San Diego Municipal
Code be, and the same is hereby amended to read as follows:

"SEC. 44.0307 HOGS, PIGS, CATTLE, GOATS AND SHEEP

No person shall bring or maintain, within the city,
any hogs, pigs or other swine, or, within any non-
agricultural area, any cattle or bovine animals or
any goats or sheep.

Provided, that where the keeping of any such animals
was lawfully established and existing in an area there-
after annexed to The City of San Diego, such keeping
may, without enlargement, be continued for a period not
to exceed three (3) years after the date of annexation
of the area wherein contained, or the effective date
of this ordinance, whichever is longer.

Dairies or dairy farms, licensed as such by section
31.0376 at any time during the month of July, 1953, shall
be exempt from the prohibition as to cattle or bovine
animals, contained in this section, to the extent of
the maximum number of such animals maintained thereon
during any month in the immediately preceding calendar
year."

Section 2. A violation of any provision or the failure
to comply with any of the requirements established by this
ordinance shall constitute a misdemeanor. Any person convicted

of such violation or such failure, shall be punishable by a fine of not more than \$500.00 or by imprisonment in the City Jail for a period of not more than six months or by both fine and imprisonment. The provisions of Section 11.12 of the San Diego Municipal Code shall apply.

Section 3. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

ORDINANCE NO. 8123
(New Series)

AN ORDINANCE AMENDING SECTIONS
82.06 AND 86.13 OF THE SAN DIEGO
MUNICIPAL CODE REGULATING VEHICULAR
PARKING IN METER ZONES.

BE IT ORDAINED, by the Council of The City of San Diego,
as follows:

Section 1. That Sections 82.06 and 86.13 of the San Diego
Municipal Code be, and the same are hereby amended to read as
follows:

"SEC. 82.06 PARKING METERS--OPERATION

Parking meters installed in the parking meter zones
established as provided in Section 82.04, shall be placed
upon the curb immediately adjacent to the individual
parking places hereinafter described. Each parking meter
shall be placed or set in such manner as to show or display
by a signal that the parking space adjacent to such meter
is or is not legally in use. Each parking meter shall be
set to display, upon the deposit ^{of coins} of five-cent ^{or more} coins ~~therein~~,
a sign indicating legal parking for that period of time
conforming to the limit of parking time which has been or
may be established for that area or zone of the street upon
which said parking meter is installed, and shall continue to
operate from the time of the deposit of such coins therein
until the expiration of the time fixed as the parking limit
for the part of the street upon which said meter is placed.
Each said meter shall also be so arranged that upon the
expiration of said legal parking time it will indicate by
a mechanical operation and by proper signal that the lawful
parking period has expired."

"SEC. 86.13 PARKING METERS--DEPOSIT MONEY

(a) In any zone where a parking time limit of thirty
(30) minutes or less is established, when any vehicle shall

be parked in any space alongside of or next to which a parking meter is located in accordance with the provisions of this chapter, the operator of said vehicle shall upon entering said parking space immediately deposit or cause to be deposited a five-cent (5¢) coin for each thirty (30) minute interval or portion thereof of the maximum legal parking time limit established for such zone.

(b) In any zone where a one (1) hour parking time limit is established, when any vehicle shall be parked in any space alongside of or next to which a parking meter is located in accordance with the provisions of this chapter, the operator of said vehicle shall upon entering said parking space immediately deposit or cause to be deposited ten cents (10¢) for the maximum legal time limit or a five-cent (5¢) coin for each thirty (30) minute interval or portion thereof of the maximum legal parking time limit established for such zone.

(c) In any zone where a two (2) hour parking time limit is established, when any vehicle shall be parked in any space alongside of or next to which a parking meter is located in accordance with the provisions of this chapter, the operator of said vehicle shall upon entering said parking space immediately deposit or cause to be deposited twenty cents (20¢) for the maximum legal time limit, or ~~five-cent~~ (5¢) ~~coin~~ for each thirty (30) minute interval or portion thereof of the maximum legal parking time limit established for such zone.

ORDINANCE NO. 8123 (NEW SERIES)

AN ORDINANCE AMENDING SECTIONS 82.06 AND 86.13 OF THE SAN DIEGO MUNICIPAL CODE REGULATING VEHICULAR PARKING IN METER ZONES.

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That Sections 82.06 and 86.13 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

SEC. 82.06 PARKING METERS—OPERATION

Parking meters installed in the parking meter zones established as provided in Section 82.04, shall be placed upon the curb immediately adjacent to the individual parking places hereinafter described. Each parking meter shall be placed or set in such manner as to show or display by a signal that the parking space adjacent to such meter is or is not legally in use. Each parking meter shall be set to display, upon the deposit of five-cent coins therein, a sign indicating legal parking for that period of time conforming to the limit of parking time which has been or may be established for that area or zone of the street upon which said parking meter is installed, and shall continue to operate from the time of the deposit of such coins therein until the expiration of the time fixed as the parking limit for the part of the street upon which said meter is placed. Each said meter shall also be so arranged that upon the expiration of said legal parking time it will indicate by a mechanical operation and by proper signal that the lawful parking period has expired.

SEC. 86.13 PARKING METERS—DEPOSIT MONEY

(a) In any zone where a parking time limit of thirty (30) minutes or less is established, when any vehicle shall be parked in any space alongside of or next to which a parking meter is located in accordance with the provisions of this chapter, the operator of said vehicle shall upon entering said parking space immediately

deposit or cause to be deposited a five-cent (5c) coin for each thirty (30) minute interval or portion thereof of the maximum legal parking time limit established for such zone.

(b) In any zone where a one (1) hour parking time limit is established, when any vehicle shall be parked in any space alongside of or next to which a parking meter is located in accordance with the provisions of this chapter, the operator of said vehicle shall upon entering said parking space immediately deposit or cause to be deposited ten cents (10c) for the maximum legal time limit or a five-cent (5c) coin for each thirty (30) minute interval or portion thereof of the maximum legal parking time limit established for such zone.

(c) In any zone where a two (2) hour parking time limit is established, when any vehicle shall be parked in any space alongside of or next to which a parking meter is located in accordance with the provisions of this chapter, the operator of said vehicle shall upon entering said parking space immediately deposit or cause to be deposited twenty cents (20c) for the maximum legal time limit, or a five-cent (5c) coin for each thirty (30) minute interval or portion thereof of the maximum legal parking time limit established for such zone.

(d) In any zone where a parking time limit exceeding two (2) hours is established, when any vehicle shall be parked in any space alongside of or next to which a parking meter is located in accordance with the provisions of this chapter, the operator of said vehicle shall upon entering said parking space immediately deposit or cause to be deposited an amount of money equivalent to five cents (5c) for each half hour for the maximum legal time limit established for said zone or five cents (5c) for each thirty (30) minute interval or portion thereof.

The parking meter rates established by this section shall become effective upon the installation of appropriate parking meters and signs thereon giving notice of such parking meter rates.

Section 2. A violation of any provision or the failure to comply with any of the requirements established by this ordinance shall constitute a misdemeanor. Any person convicted of such violation or such failure shall be punishable by a fine of not more than Five Hundred Dollars (\$500.00) or by imprisonment in the City Jail for a period of not more than six months or by both fine and imprisonment. The provisions of Section 11.12 of the San Diego Municipal Code shall apply.

Section 3. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

Passed and adopted by the Council of the City of San Diego, California, this 4th day of June, 1959, by the following vote, to-wit:

YEAS—Councilmen: Tharp, Hartley, Schneider, Curran, Evenson, Mayor Dall.

NAYS—Councilman: Kerrigan.

ORDINANCE NO. 8128
(New Series)

AN ORDINANCE AMENDING SECTION 62.0501 & SECTION 62.0502
OF THE SAN DIEGO MUNICIPAL CODE REGULAT-
ING STREET BENCHES.

BE IT ORDAINED, by the Council of The City of San Diego,
as follows:

Section 1. That Section 62.0501 of the San Diego Municipal
Code be, and the same is hereby amended to read as follows:

"SEC. 62.0501 STREET BENCHES, CONDITIONS AND REGULATIONS

No person shall place, or cause to be placed, any
bench, seat, chair, or settee in, over, along, or upon
any street or City-owned property without first obtaining
a written permit from the City Manager and without
complying with the terms and conditions of such permit
and the following conditions:

(a) Location of any bench, seat, chair, or settee
shall be subject to the approval of the City Manager, and
any change thereof shall be subject to his direction and
control.

(b) The permittee shall obtain and file in his
records the written consent of the legal or equitable owner
of the property adjacent to the proposed location, approving
the placing of such a bench, seat, chair, or settee in
front of his property.

(c) The type, design and construction of any bench,
seat, chair or settee shall be submitted with the applica-
tion and shall be subject to the approval of the City
Manager.

(d) The permittee under this Section shall at all
times keep and maintain each and all of said benches, seats,
chairs or settees in a good state of repair and in a neat,
clean and sanitary condition and to the satisfaction of the
said City Manager.

(e) That the permittee may use said benches, seats, chairs or settees for the purpose of placing advertising matter thereon; provided, however, that no objectionable advertisements shall be placed thereon, and all advertising shall be subject to the approval of the City Manager of The City of San Diego; and provided, further, that the permittee first granted advertising privileges shall have exclusive advertising rights at said location.

(f) That the permittee shall not sell, assign, transfer or dispose of any interest contained in any of said benches, seats, chairs or settees, or sell, assign or otherwise dispose of any of the said articles placed upon the City streets of The City of San Diego, without first obtaining consent of the City Manager of said City.

(g) The permittee for a bench, seat, chair or settee having advertising placed thereon shall furnish a good and sufficient bond to The City of San Diego in the sum of Five Hundred Dollars (\$500.00), to be conditioned upon the faithful performance of the terms of this Section.

(h) The permittee shall file with the City Manager an insurance policy in any company authorized to do business in the State of California, said policy of insurance to inure to and be to the benefit of The City of San Diego, and shall indemnify The City of San Diego for any loss, damage or liability suffered by The City of San Diego by reason of the existence of said benches, seats, chairs or settees in or upon the public streets and/or the operation and maintenance of said benches, seats, chairs or settees. Said policy of insurance shall indemnify the City of San Diego in the sum of Fifty Thousand Dollars (\$50,000.00) against loss of liability arising from the injury or death of one person, and shall indemnify the City of San Diego

in the sum of One Hundred Thousand Dollars (\$100,000.00) against loss or liability arising from the injury or death of two or more persons in any one accident, and the sum of Five Thousand Dollars (\$5,000.00) with respect to any property damage aforesaid.

(1) Each and every bench, seat, chair or settee shall have placed thereon in an inconspicuous place a small identification marker giving the name of the owner or permittee, his address, and serial number of such bench, seat, chair or settee.

The provisions of Division 4 of this Chapter relating to fees shall not apply to the location and maintenance of benches, seats, chairs or settees under the provisions of this Section."

Section 2. That Section 62.0502 of the San Diego Municipal Code be, and the same is hereby amended to read as follows:

"SEC. 62.0502 SAME--LICENSE FEES

For each bench, seat, chair or settee upon which is displayed advertising matter, the owner or permittee shall pay license fees as follows:

For the first 100 benches, seats,
chairs or settees-----\$1.00 per month or
fraction thereof;

For the second 100 benches, seats,
chairs or settees-----\$0.75 per month or
fraction thereof;

For the third 100 benches, seats,
chairs or settees-----\$0.50 per month or
fraction thereof;

All over 300 benches, seats, chairs
or settees-----\$0.25 per month or
fraction thereof;

Payable monthly in arrears.

An itemized report shall be filed by the owner or permittee with the City Manager, showing the location of each bench, seat, chair or settee; and not later than the fifteenth day of each month thereafter permittee shall render

to City an itemized report showing a list of the locations which have been discontinued in use and a list showing the locations which have been put into use during the preceding month; with said itemized report, permittee shall render to City a detailed statement showing all money accrued and sales made during the preceding month together with the amount payable to City and shall accompany same with a remittance of the amount so shown to be due City."

Section 3. A violation of any provision or the failure to comply with any of the requirements established by this ordinance shall constitute a misdemeanor. Any person convicted of such violation or such failure shall be punishable by a fine of not more than Five Hundred Dollars (\$500.00) or by imprisonment in the City Jail for a period of not more than six months or by both fine and imprisonment. The provisions of Section 11.12 of the San Diego Municipal Code shall apply.

Section 4. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

AN ORDINANCE AMENDING SECTION 62.0501 & SECTION 62.0502 OF THE SAN DIEGO MUNICIPAL CODE REGULATING STREET BENCHES.

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That Section 62.0501 of the San Diego Municipal Code be, and the same is hereby amended to read as follows:

"SEC. 62.0501 STREET BENCHES, CONDITIONS AND REGULATIONS

No person shall place, or cause to be placed, any bench, seat, chair, or settee in, over, along, or upon any street or City-owned property without first obtaining a written permit from the City Manager and without complying with the terms and conditions of such permit and the following conditions:

(a) Location of any bench, seat, chair, or settee shall be subject to the approval of the City Manager, and any change thereof shall be subject to his direction and control.

(b) The permittee shall obtain and file in his records the written consent of the legal or equitable owner of the property adjacent to the proposed location, approving the placing of such a bench, seat, chair, or settee in front of his property.

(c) The type, design and construction of any bench, seat, chair or settee shall be submitted with the application and shall be subject to the approval of the City Manager.

(d) The permittee under this Section shall at all times keep and maintain each and all of said benches, seats, chairs or settees in a good state of repair and in a neat, clean and sanitary condition and to the satisfaction of the said City Manager.

(e) That the permittee may use said benches, seats, chairs or settees for the purpose of placing advertising matter thereon; provided, however, that no objectionable advertisements shall be placed thereon, and all advertising shall be subject to the approval of the City Manager of the City of San Diego; and provided, further, that the permittee first granted advertising privileges shall have exclusive advertising rights at said location.

ORDINANCE NO. 8143
(New Series)

AN ORDINANCE AMENDING SECTION 82.07 OF
THE SAN DIEGO MUNICIPAL CODE CONCERNING
ENFORCEMENT OF PARKING IN METER ZONES.

BE IT ORDAINED, by the Council of The City of San Diego,
as follows:

Section 1. That Section 82.07 of the San Diego Municipal
Code be, and the same is hereby amended to read as follows:

"SEC. 82.07 PARKING METERS--ENFORCEMENT

Every police officer and every City employee charged
with the enforcement of the provisions of Chapter VIII
of this Code relating to time limitations in parking meter
zones, shall have the duty, when any vehicle is illegally
parked, as prohibited in Sections 86.14 or 86.15 of this
Code, to issue written notice thereof stating the meter
number, the State vehicle license number, make of such
vehicle, the time and date of such illegal parking, a
reference to the appropriate section of this Code and
fixing a time and place for appearance by the registered
owner to answer said notice. Such notice shall be attached
to said vehicle either on the steering post or front door
handle thereof or in such other conspicuous place upon
the vehicle as to be easily observed by the person in
charge of such vehicle upon his return thereto.

For the purpose of regulating the use of streets and
traffic thereon and as a deterrent to the abuse of the
parking privileges provided in this Code, the following
fees are established:

1. A fee of Two Dollars (\$2.00) shall be
charged for overtime parking in violation of the
prohibitions of Section 86.14 of this Code, which
fee shall, within seventy-two (72) hours of the time
such notice was issued, be paid by the owner or
operator of a vehicle to which such notice was

attached to the office of the City Treasurer for and as full satisfaction of such overtime parking; provided, however, that in the event that any owner or operator shall fail to make such payment within said seventy-two (72) hours the said fee shall thereafter be and become the sum of Four Dollars (\$4.00) and said owner or operator shall thereafter be required to pay to the City Treasurer the fee in the amount of Four Dollars (\$4.00).

2. A fee of Four Dollars (\$4.00) shall be charged for illegal parking in violation of the prohibitions of Section 86.15 of this code, which fee shall, within seventy-two (72) hours of the time such notice was issued, be paid by the owner or operator of a vehicle to which such notice was attached to the office of the City Treasurer for and as full satisfaction of such illegal parking; provided, however, that in the event that any owner or operator shall fail to make such payment within said seventy-two (72) hours the said fee shall thereafter be and become the sum of Eight Dollars (\$8.00) and said owner or operator shall thereafter be required to pay to the City Treasurer the fee in the amount of Eight Dollars (\$8.00).

Such owner or operator may mail such payments to the City Treasurer within the time established therefor, but shall be responsible for delivery thereof to the office of the City Treasurer. This paragraph shall not apply to any such owner or operator failing to make payment as herein provided within thirty (30) days of the date of issuance of the notice of violation, and he shall be subject to the penalties provided in Section 11.12 of this Code for a violation thereof, and proceedings shall be had in a court of competent jurisdiction in compliance with the

procedure as set forth in Section 739.6 of the Vehicle Code and laws of the State of California applicable to traffic violations within the City of San Diego."

Section 2. Subject to the provisions of Section 82.07 of the San Diego Municipal Code as amended in Section 1 of this ordinance, a violation of any provision or the failure to comply with any of the requirements established by this ordinance shall constitute a misdemeanor. Any person convicted of such violation or such failure shall be punishable by a fine of not more than Five Hundred Dollars (\$500.00) or by imprisonment in the City Jail for a period of not more than six months or by both fine and imprisonment. The provisions of Section 11.12 of the San Diego Municipal Code shall apply.

Section 3. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

OF

AN ORDINANCE AMENDING ARTICLE 3, CHAPTER IX
OF THE SAN DIEGO MUNICIPAL CODE AFFECTING
PLUMBING REGULATIONS.

BE IT ORDAINED by the Council of the City of San Diego, as follows:

Section 1. That Sections 93.0108, 93.0201, 93.0211, 93.0301, 93.0302, 93.0306 and 93.0401 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

SEC. 93.0108 PROHIBITIONS.

It is unlawful for any person, either as owner, architect, contractor, artisan, or otherwise, to do or knowingly to cause to permit to be done or to maintain any plumbing in such manner that the same shall not conform to all of the provisions of this Code.

SEC. 93.0201 CERTIFICATE OF COMPETENCY REQUIRED.

It shall be unlawful for any person to work or labor as a plumber on work requiring a plumbing permit, unless he is the holder of a valid certificate of competency issued by the Board of ^{PLUMBER} Plumbing Examiners authorizing him to work or labor as a plumber. *af*

SEC. 93.0211 SPECIAL OWNER'S CERTIFICATE.

An owner, or a member of his immediate family, may obtain a Special Owner's Certificate for a single family dwelling once every two years after a satisfactory examination by the Board of Plumber Examiners authorizing him to install plumbing work and fixtures as provided in Section 93.0303. The fee for such examination shall be Two Dollars (\$2.00).

SEC. 93.0301 PERMITS REQUIRED.

(a) No plumbing installation, sanitary piping, fixture, device, appliance or equipment shall be installed within or on any building, structure or premises nor shall any alteration, addition or replacement be made in any such existing installation, sanitary piping, device, appliance or equipment unless a permit therefor has first been issued by the Department of Building Inspection, except as stated in Section 93.0302.

(b) Permits shall be obtained before or at the time work is started, except in cases where emergency or urgent necessity can be shown to exist, provided a permit is obtained within twenty-four (24) hours, exclusive of Saturdays, Sundays, and holidays.

(c) There shall be one permit for each building in which rough work for a plumbing fixture or fixtures is installed, except in the case of an unoccupied accessory building or a garage that is part of the plumbing system of a single family dwelling.

SEC. 93.0301 PERMITS REQUIRED (cont'd)

(d) No privately owned lines or other facilities shall be installed over, under or across any public property without first complying with the requirements established in Section 62.0103 of this Code.

(e) Except as provided in Section 93.0303, permits shall be issued only to Contractors licensed by the State of California to engage in the business or act in the capacity of a contractor relating to plumbing installation.

SEC. 93.0302 WORK NOT REQUIRING PERMIT.

No permit shall be required in the case of any repair work as follows:

The stopping of leaks in drains, soil, waste or vent pipe, provided however, that should any drainpipe, soil, waste or vent pipe be or become defective, and it becomes necessary to remove and replace the same with new material in any part or parts, the same shall be considered as new work and a permit shall be procured and inspection made as hereinbefore provided. No permit shall be required for the clearing of stoppages, or the repair of leaks in soil, waste or vent pipes, valves, fixtures or replacement of exposed traps in existing plumbing systems serving lavatories, sinks, laundry trays and/or similar fixtures.

SEC. 93.0306 INCOMPLETED INSTALLATIONS.

Should any person to whom a permit has been issued quit an installation, the Building Inspection Department shall be so notified in writing by either the permittee, owner or his authorized representative and request an inspection of work installed. Such notice shall be made within forty-eight (48) hours. No person shall resume work on any incomPLETED installation until such installation has been released by the Building Inspection Department and a new permit obtained. A copy of the written notice must accompany the application for the new permit.

SEC. 93.0401 PERMIT FEES REQUIRED.

Each application for a plumbing permit shall be submitted in writing, shall state the location of the work proposed to be installed and the amount and kind of plumbing in connection therewith. Each such application shall be signed by the person qualified to obtain such permit and shall be accompanied by a permit fee in accordance with the schedule of fees hereinafter established.

Section 2. That Division 4, Article 3, Chapter IX of the San Diego Municipal Code be, and the same is hereby amended by adding thereto a new Section to be known as numbered Section 93.0403 and to read as follows:

SEC. 93.0403 REINSPECTION FEES.

A reinspection fee of Two Dollars (\$2.00) may be assessed for each inspection or reinspection when such portion of work for which inspection is called is not complete.

Explanation: This section is not to be interpreted to require reinspection fees the first time a job is rejected for failure to comply with code requirements but to control the practice of calling for inspections before a job is ready for inspection or reinspection.

Section 3. That Sections 93.0501, 93.0502, 93.0601.15, 93.0601.73, 93.0612, 93.0614, 93.0703, 93.0705, 93.0706, 93.0708, 93.0710, 93.0711, 93.0712, 93.0801, 93.0802, 93.0804, 93.0806, 93.0807, 93.0809, 93.0902, 93.0904, 93.0905, 93.1001, 93.1004, 93.1005, 93.1009, 93.1013, 93.1101, 93.1102, 93.1202, 93.1204, 93.1305, 93.1309, 93.1311, 93.1312, 93.1401, 93.1405, 93.1406 and 93.1408 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

SEC. 93.0501 INSPECTIONS

(a) Scope. All new plumbing work, and such portions of existing systems as may be affected by new work or any changes, shall be inspected by the Director of Building Inspection to insure compliance with all the requirements of this Code and to assure that the installation and construction of the plumbing system is in accordance with approved plans.

SEC. 93.0501 INSPECTIONS (cont'd)

(b) Advance Notice. It shall be the duty of the person⁵ doing the work authorized by the permit to notify the Director of Building Inspection orally or in writing that said work is ready for inspection.

(c) Responsibility. It shall be the duty of the holder of a permit to make sure that the work will stand the test prescribed before giving the notification.

(d) Retesting. If the Director of Building Inspection finds that the work will not pass the test, necessary corrections shall be made and the work shall then be resubmitted for test or inspection.

(e) Test. Tests shall be conducted in the presence of the Administrative Authority or of his duly appointed representative.

(f) Corrections. Notices of correction or violation shall be written by the Director of Building Inspection and may be posted at the site of the work or mailed or delivered to the permittee or his authorized representative. Refusal, failure or neglect to comply with any such notice or order shall be considered a violation of this Code, and shall be subject to the penalties set forth elsewhere in this Code for violations.

(g) Approval. Upon the satisfactory completion and final test of the plumbing system a certificate of approval shall be issued by the Director of Building Inspection to the permittee on demand.

(h) Covering or Using. No plumbing or drainage system, house sewer, private sewer disposal system or part thereof shall be covered, concealed, or used until it has been tested, inspected, and accepted as prescribed in this Code.

(i) Uncovering. If any drainage or plumbing system, house sewer, or part thereof which is installed, altered, or repaired is covered or concealed before being inspected, tested, and approved, as prescribed in this Code, it shall be uncovered for inspection after notice to uncover the work has been issued to the responsible person by the Director of Building Inspection.

SEC. 93.0502 TESTING.

(a) Responsibility. The equipment, material, and labor necessary for inspection or tests shall be furnished by the person to whom the permit is issued or by whom inspection is requested.

(b) Media. The piping of the plumbing, drainage and venting systems shall be tested with water or air. The Director of Building Inspection may require the removal of any cleanouts, etc., to ascertain if the pressure has reached all parts of the system. After the plumbing fixtures have been set and their traps filled with water, they shall be submitted to a running test or such other test as may be necessary to establish compliance.

(c) Water Test. The water test shall be applied to the drainage system either in its entirety or in sections. If applied to the entire system, all openings in the piping shall be tightly closed, except the highest opening, and the system filled with water to point of overflow. If the system is tested in sections, each opening shall be tightly plugged except the highest opening of the section under test, and each section shall be filled with water, but no section shall be tested with less than a 10-foot head of water. In testing successive sections at least the upper 10 feet of the next preceding section shall be tested, so that no joint or pipe in the building (except the uppermost 10 feet of the system) shall have been submitted to a test of less than a 10-foot head of water. The water shall be kept in the system, or in the portion under test, for at least 15 minutes before inspection starts; the system shall then be tight at all points. EXCEPTION: Where more than one vent terminates immediately above the same story, vents need to be tested only to a point of overflow of the lowest vent which is above the highest joint in all other such vents.

(d) Air Test. The air test shall be made by attaching an air compressor testing apparatus to any suitable opening, and, after closing all other inlets and outlets to the system, forcing air into the system until there is a uniform gage pressure of 5 pounds per square inch or sufficient to balance a column of mercury 10 inches in height. This pressure shall be held without introduction of additional air for a period of at least 15 minutes.

(e) House Sewer Test. A "Y" shall be placed at the property line for the purpose of testing the house sewerline. Such test shall consist of filling the system with water to a point producing not less than a ten foot head on the house sewer.

(f) Moved Structures. All plumbing, whether old or new installations, in all building or parts thereof that are moved from one foundation to another, regardless of their location on any property^{or}/properties, shall be tested to the water level of the highest fixture.

SEC. 93.0502 TESTING (cont'd)

(g) Test plugs, rubber test plugs or other approved methods shall be used to seal openings of plumbing outlets for testing.

(h) Flooring Removable: Where there is less than 3 ft. clearance below the floor joists of a building, where plumbing is to be installed, no flooring shall be laid over the soil, waste or vent piping until after the plumbing has been installed, inspected and approved. Provided however flooring may be cut and loose laid, over such pipe, in a manner to permit easy removal for installation and inspection.

SEC. 93.0601.15 BUILDING DRAIN

The building (house) drain is that part of the lowest piping of a drainage system which receives the discharge from soil, waste and other drainage pipes inside the walls of the building and conveys it three (3') feet outside the building wall.

SEC. 93.0601.73 HORIZONTAL PIPES

Any line rising from the true horizontal to a pitch less than thirty (30°) degrees shall be considered a "Horizontal Pipe."

SEC. 93.0612 INDEPENDENT SYSTEMS

(a) The drainage system of each new building and of new work installed in any existing building shall be separate and independent of that of any other building except as permitted in SEC. 93.0612 (c).

(b) The drainage system of each habitable building on a corner lot shall be separate and independent of that of any other building.

(c) Buildings on an inside lot, having the same frontage, under the same ownership and constructed so that each building overlaps the prolongation of another building, may be connected to one and the same building sewer.

(d) Public school districts, governmental agencies or large commercial or industrial installations may be granted deviations from the provisions of this section after plans have been submitted to and approved by the Department of Building Inspection and the City Engineer's Office.

SEC. 93.0614 PROTECTION OF MATERIALS AND STRUCTURES

(a) All pipes passing under or through walls shall be protected from breakage.

(b) All piping in connection with a plumbing system shall be installed without undue strains or stresses, and provisions shall be made for expansion, contraction and structural settlement. No horizontal piping, fittings or equipment shall be built into or embedded in concrete footings or foundations. Where necessary to penetrate columns, beams, walls or foundations horizontal or vertical piping must be protected by adequate chases, sleeves or by wrapping with several layers of felt.

(c) No structural member shall be seriously weakened or impaired by cutting or notching. All trenches deeper than the footing of any building or structure and paralleling the same must be at least forty-five (45°) degrees therefrom, unless permission be otherwise granted by the Director of Building Inspection.

(d) No house sewer or other drainage piping or part thereof constructed of materials other than those approved for use under or within a building shall be installed under or within three (3') feet of any building or structure or less than one (1') foot below the surface of the ground.

SEC. 93.0703 USE OF COPPER TUBING.

(a) No copper tubing of a weight less than type "L" shall be used for underground drainage or vent piping.

(b) No copper tubing of a weight less than type DW shall be used in any part of the soil, waste or vent piping of any plumbing system above ground.

(c) All copper tubing drainage and vent piping shall be installed in conformance with plans approved by the administrative authority. Fittings shall be of an approved type manufactured for the purpose for which they are used. Fitting patterns shall be comparable to similar fittings of cast iron or brass as regulated by this Code. Design of copper tubing drainage and venting shall provide for the effects of expansion in long lines or stacks. Changes in direction shall be made with approved drainage fittings of copper, bronze or brass. Bending of tubing and made-up fittings are prohibited. Hard temper copper tubing shall be used unless structural

SEC. 93.0703 USE OF COPPER TUBING (cont')

conditions warrant the use of soft temper tubing and such use is approved by the Administrative Authority. Drainage and vent fittings for copper tubing shall be cast brass or wrought copper solder joint drainage fittings. Size of copper tubing drainage and vent piping shall be determined in the same manner as required for cast iron and steel and using the same nominal dimensions.

SEC. 93.0705 FERRULES AND BUSHINGS:

Caulking ferrules and bushings shall be manufactured from brass.

SEC. 93.0706 FLOOR FLANGES.

(a) Floor flanges for water closets or similar fixtures shall be of approved type and shall be copper, brass or cast iron.

(b) Caulked-on flanges shall be not less than one fourth ($1/4$ ") inch thick and not less than two (2") inches in overall depth.

(c) Flanges shall be caulked to cast iron soil pipe or shall be fastened in an approved manner to other materials.

(d) All such flanges shall be adequately designed and secured to support fixtures connected thereto.

(e) Closet screws and bolts shall be of brass or other approved corrosion resistant metal. All such screws and bolts shall be of adequate size and number to properly support the fixture installed.

SEC. 93.0708 THREAD FITTINGS.

(a) Screwed vent fittings shall be of drainage type cast iron of standard weights and dimensions.

(b) Drainage fittings used as vent fittings shall be of cast iron with smooth interior waterway having threads tapped out of solid metal. The threads of drainage fittings shall be tapped so as to allow one-fourth ($1/4$ ") inch per foot grade.

SEC. 93.0710 VALVES AND FITTINGS

(a) Gate valves when used on drainage work shall be full way type with working parts of corrosion resistant metal. Sizes four (4") inches or more in diameter shall have cast iron bodies, and sizes less than four (4") inches cast iron or brass bodies.

SEC. 93.0711 HANGERS AND SUPPORTS

(a) Vertical Piping

(1) Attachment. - Vertical piping shall be secured at sufficiently close intervals to keep the pipe in alignment and carry the weight of the pipe and contents. Stacks shall be supported at their bases, and if over two (2) stories in height at each floor by approved metal floor clamps.

(2) Cast iron soil pipe. - Cast iron soil pipe shall be supported at not less than at every story height and at its base.

(3) Screwed pipe. - Screwed pipe (IPS) shall be supported at not less than every other story height.

(4) Copper tubing. - Copper tubing shall be supported at each story for piping $1\frac{1}{2}$ inches and over and at not more than 6 foot intervals for $1\frac{1}{4}$ inches and smaller. Copper pipe or tube in contact with structural members or hangers shall be insulated or padded.

(5) Lead pipe. - Lead pipe shall be supported at intervals not exceeding 4 feet.

(b) Horizontal Piping

(1) Supports. - Horizontal piping shall be supported at sufficiently close intervals to keep it in alignment and prevent sagging.

(2) Cast iron soil pipe. - Cast iron soil pipe shall be supported at not more than 5 foot intervals.

(3) Screwed pipe. - Screwed pipe (IPS) shall be supported at

SEC. 93.0711 HANGERS AND SUPPORTS (b) (cont'd)

approximately 12 foot intervals.

(4) Copper tubing. - Copper tubing shall be supported at approximately 8 foot intervals for piping $1\frac{1}{2}$ inches and smaller and 10 foot intervals for piping 2 inches and larger.

(5) Lead pipe. - Lead pipe shall be supported by strips or otherwise for its entire length.

(c) Hangers and Anchors

(1) Material. Hangers and anchors shall be of metal of sufficient strength to support their proportional share of the pipe and contents. Hangers and anchors shall be of rust resistant iron or other approved material. In no case shall hangers be less weight than perforated iron $1/32$ inch thick and three-fourths ($3/4$ ") inch wide securely nailed, bolted to the structure or screwed and held in place with not less than $3/16$ " x $1/2$ " stove bolts.

(2) Stone, concrete, brick or similar material shall be used where necessary to support any part of the plumbing system above ground on piers or pedestals.

SEC. 93.0712 TRENCHING, EXCAVATION AND BACKFILL.

(a) Support of piping. - Buried piping shall be supported throughout its entire length.

(b) Open trenches. - All excavations required to be made for the installation of a building-drainage system, or any part thereof within the walls of a building, shall be open trench work and shall be kept open until the piping has been inspected, tested and accepted.

SEC. 93.0801 MATERIALS.

(a) Building drainage pipe shall be cast iron soil pipe, copper tubing or lead pipe.

(b) Copper tubing installed underground shall be not less than Type "L". Copper tubing above ground shall be not less than Type D'V.

(c) Drainage fittings shall be of cast iron, lead, brass or copper having smooth interior waterway of the same diameter as the piping served.

1. Fittings on screwed pipe shall be of the recessed drainage type. Burred ends shall be reamed to the full bore of the pipe.

2. The threads of drainage fittings shall be tapped so as to allow one fourth ($1/4$ ") inch per foot grade.

SEC. 93.0804 FIXTURE CONNECTIONS DRAINAGE

(a) Drainage piping shall be provided with approved inlet fittings for fixture connections, correctly located according to the size and type of fixture proposed to be connected and meeting all the requirements of this division.

SEC. 93.0804 FIXTURE CONNECTIONS DRAINAGE (cont'd)

(b) Two fixtures of similar usage set within the distance allowed between a trap and its vent, may be served by a single drainage pipe provided that each fixture wastes separately into an approved double fitting having inlet openings at the same level.

(c) Each waste outlet for a plumbing fixture that requires roughing-in above grade shall be immediately in the rear of the fixture trap. One change of direction of not more than forty-five (45°) degrees will be permitted.

(d) Fixture connections or screw pipe trap arms installed below grade or in inaccessible locations shall be copper, cast iron or brass of iron pipe size.

Galvanized iron screw pipe trap arms may be installed a minimum of six (6") inches above grade when entirely exposed to view. Galvanized trap arms shall not be installed to serve urinals, water closets, bidets or similar fixtures.

(e) No food waste disposal unit or grinder unit shall be installed in any waste on a back to back fitting.

SEC. 93.0806 CLEANOUTS

(a) Size: All cleanout bodies shall be the same size as the line they serve. No cleanout shall be installed in a plumbing or drainage system, which is not an approved type.

(b) There shall be a cleanout placed at the end of each horizontal soil or waste line over fifteen (15") inches in length and at each horizontal change of direction, except that one horizontal change of direction of forty-five (45°) degrees or less, or two horizontal changes of direction using 1/16 bends may be permitted without a cleanout when said forty-five (45°) degree or twenty-two and one-half ($22\frac{1}{2}^{\circ}$) degree horizontal change of direction is in a line served by a cleanout in compliance with this Code.

(c) Distance between Cleanouts: Soil lines or waste lines shall not be installed with a greater distance between cleanouts than one-hundred (100') feet.

(d) Property Line Cleanout: There shall be installed a cleanout in each soil line at the point of connection with the Public Sewer at the property line, said cleanout shall be not more than three (3') feet inside the property line and shall be not more than twelve (12") inches below the finished grade line of the property. Cleanouts in paved areas shall be made accessible in the same manner as provided for in paragraph (h) of this section. All property line cleanout bodies shall be a minimum of four (4") inch size and of the same size as the line from the cleanout to the sewer main.

SEC. 93.0806 CLEANOUTS (cont'd)

(e) Access to Cleanouts: 1. Under a building, where there is less than eighteen (18") inches clearance between the ground level and the lower edge of the floor joists, all cleanouts shall be extended through the foundation wall where they shall be made accessible, or as required in paragraphs (f) and (i) of this section.

2. Cleanouts under buildings: Cleanouts installed under buildings, and in basements shall be installed so that there will be a clearance of not less than 24 inches in front of each cleanout. Cleanouts three inches or less may have 18 inches clearance in front.

(f) Floor Cleanouts: Where it is structurally impractical to extend cleanouts through the foundation wall, as required in paragraph (e) 1. of this section, they may be extended up through the floor and made accessible as required in (h) 1. of this section.

(g) Line Type Cleanout: Where main line cleanouts are not accessible or are not extended through foundation walls as required in (e) 1. of this section, approved directional two-way line cleanout fittings may be used provided they are located outside the foundation wall, not more than six (6') feet nor less than four (4') feet from said wall and not more than twelve (12") inches from the top of the cleanout to finish grades.

An approved type two-way cleanout fitting installed outside of the building at the lower end of the house drain, not more than six (6') feet nor less than four (4') feet from the wall and not more than twelve (12") inches from the top of the cleanout to finish grade may be installed in lieu of line cleanout. This cleanout opening shall not be used for any purpose except for cleaning line.

The Director may, for structural reasons, permit line cleanouts to be placed in other locations than those mentioned in this paragraph. Concrete boxes shall be placed over all line type cleanouts.

(h) Cleanout Floor Plates: 1. Cleanouts extended through finished floor slabs, decks or drives shall be so installed that the entire top of the cleanout plug shall be plainly exposed to view.

2. The top of each exterior cleanout shall be brought within twelve (12") inches of grade.

3. Where for structural reasons it is desired to keep the cleanout flush with the finished floor deck or slab, an approved type cleanout plate or an approved type cleanout plug designed for this purpose, shall be used. Where plates are used, the cleanout plug shall be kept as close to the plate as possible.

(i) Cleanout Nuisance: No cleanout shall be installed so as to become an obstruction.

(j) Cleanout Lubrication: Cleanout plugs shall be lubricated with non-hardening compound.

SEC. 93.0806 CLEANOUTS (cont'd)

(k) Cleanouts above First Floors: Soil and waste lines on floors above the first floor, when concealed or completely enclosed, may be installed without cleanouts.

(l) Cleanouts in Vertical Lines: Where it is structurally impractical to extend the cleanouts through the foundation wall as required in paragraph (e) 1. of this section, they may be located in the vertical and made accessible. Wall cleanouts may be used only where sweeps or combination of fittings having a radius of not less than 2-1/8 bends are installed at the base of the stack. The wall cleanout shall be installed as close to the horizontal line as practical.

(m) Cleanout plugs shall not be removed except to work on the lines involved and then only for the minimum time necessary.

(n) Cleanouts serving plumbing or drainage lines shall not be used for any other purpose.

(o) Vitrified tile cleanouts extended through slabs or driveways shall be housed by an approved type meter box with metal cover. The cleanout shall be as close to the surface as possible and not more than twelve (12") inches from the top surface of the box.

(p) Required cleanouts serving soil pipe (Building drain) and waste pipes shall not be permitted in any part of living quarters or any kitchen attached thereto. When structurally impossible to comply with this section, prior approval of an alternate installation must be obtained from the Director before making installation.

SEC. 93.0807 GRADE OF HORIZONTAL DRAINAGE PIPING.

Minimum Grade: Horizontal plumbing and drainage piping shall be installed in the shortest practical alignment using the minimum number of fittings and at a uniform slope of not less than one-fourth (1/4") inch per foot toward the point of disposal; except that where it is impractical due to the depth of the public sewer, or for structural features, or the arrangement of the building, or structure does not permit a slope of one-fourth (1/4") inch per foot, such pipe or piping may then have a slope of not less than one-eighth (1/8") inch per foot.

SEC. 93.0809 BACK FLOW PROTECTION AND DRAINAGE BELOW MAIN SEWER LEVEL.

(a) Fixtures within a building may be protected from back flow of sewage by installing an approved type back water valve.

(b) 1. Drainage piping serving fixtures within a building located below the crown level of the main sewer, shall discharge into an approved

SEC. 93.0809 BACK FLOW PROTECTION AND DRAINAGE BELOW MAIN SEWER LEVEL (cont'd)
water-tight sump or receiving tank, so located as to receive the sewage or wastes by gravity. From such sump or receiving tank the sewage or other liquid wastes shall be lifted and discharged into the house drain or house sewer by approved ejectors, pumps, or other equally sufficient approved mechanical device.

2. Waste Ejectors: When waste ejectors are to be installed to receive the discharge of waste water from plumbing fixtures other than water closets, urinals and clinic sinks, which waste ejectors are to be located below the flow line of the main sewer, they shall be constructed of cement, cast iron, or other approved material. The cover shall be made gas tight. The capacity of the tank shall meet the approval of the Director. The ejector shall be automatic. All tanks and waste ejectors shall be of an approved type.

(c) The minimum size of any sump pump or any discharge pipe from a sump having a water closet connected thereto shall be not less than two (2") inches.

(d) The discharge line from such ejector, pump, or other mechanical device shall be provided with an accessible back-water valve and gate valve or check valve and gate valve, and if the gravity drainage line to which such discharge line connects is horizontal, the method of connection shall be from the top through a "Wye" branch fitting.

(e) House drains or house sewers receiving discharge from any pump or ejector shall be adequately sized to prevent overloading. Two (2) fixture units shall be allowed for each gallon per minute of continuous flow.

(f) Back-water valves, gate valves, motors, compressors, air tanks, or other mechanical devices, required by this Section shall be located where they will be readily and easily accessible for inspection and repair at all times, and unless continuously exposed, shall be enclosed in a water-tight masonry pit fitted with an adequately sized removable cover.

(g) The drainage and venting systems in connection with fixtures, sumps, receiving tanks and mechanical waste lifting devices, shall be installed as required in this Code for gravity systems.

(h) Sumps and receiving tanks shall be constructed of concrete or metal. If constructed of concrete, the walls and bottom shall be not less than six (6") inches thick, plastered on the inside with cement plaster, not less than one-half (1/2") inch thick. Metal sumps and receiving tanks shall be of such thickness as to serve the purpose for which they are intended, and shall be painted inside and outside with corrosion resisting paint.

SEC. 93.0809 BACK FLOW PROTECTION AND DRAINAGE BELOW MAIN SEWER LEVEL (cont'd)

(i) All such sumps and receiving tanks shall be automatically discharged.

(j) Sumps and receiving tanks shall be provided with substantial air tight covers having a bolt and gasket type manhole that will permit access to the tank for repairs and cleaning. The top shall be provided with a vent pipe which shall extend separately to the roof or, when permitted, may be combined with other vent pipes. Such vent shall be large enough to maintain atmospheric pressure within the sump under all normal operating conditions, and in no case shall be less in size than that required by Table 3 for the number of fixtures discharging into the sump nor less than one and one-half (1½") inches in diameter. When the foregoing requirements are met and the vent after leaving the sump is combined with vents from fixtures discharging into the sump the size of the combined vent need not exceed that required for the total number of fixtures discharging into the sump. No vent from an air operated sewage ejector shall combine with other vents.

(k) Air tanks shall be so proportioned as to be of equal cubical capacity to the ejectors connected therewith in which there shall be maintained an air pressure of not less than two (2) pounds for each foot of height the sewage is to be raised. No water operated ejectors shall be permitted.

(l) When subsoil drainage systems are installed, they shall be discharged into an approved sump or receiving tank and shall be discharged in a manner satisfactory to the Administrative Authority.

any vertical pipe or stack provided that not more than two toilets or trailer park traps or fixtures are connected to the stack in any one story and that water closets are limited to flush tank type. Flushometer water closets are permitted on not less than four (4") inch vertical or horizontal lines.

SEC. 93.0902 MATERIALS

(a) Vent pipes shall be cast iron soil pipe, galvanized steel, galvanized wrought iron, threaded cast iron, lead, copper or brass, except that no galvanized steel or galvanized wrought iron, shall be used underground and shall be kept at least six (6") inches above slab.

(b) Copper tubing installed underground shall be not less than Type L. Copper tubing installed above ground shall be not less than Type DWV.

(c) Changes in direction of vent piping shall be made by the appropriate use of drainage-type fittings and no such pipe shall be strained or bent. Burred ends shall be reamed to the full bore of the pipe.

SEC. 93.0904 VENT PIPE GRADES AND CONNECTIONS

(a) Location of Main Vent: The main vent stack may be placed where most practical.

(b) Venting Methods: Venting shall be accomplished by the appropriate use of soil or waste stacks, vents, revents, back vents, circuit of continuous vents or a combination thereof, installed in accordance with the requirements of this Code. The venting methods set forth in sections regulating foot vents and combination waste and vent systems are alternate methods of venting when separate venting is not practical. Such alternate methods shall comply separately and shall not be combined in the installation of any single fixture or group of fixtures.

(c) Trap Protection: Every trap shall be protected from siphonage and back pressure, and air circulation assured, by means of a vent pipe of the caliber, weight, and material as specified in this Code, except as provided for indirect fixtures.

(d) Vent Below Trap: Vent pipes shall not be taken off below the weir of the trap they serve, except for water closets, clinical sinks, urinals or other similar fixtures requiring siphonic action.

(e) Siphon Leg: The vent pipe for plumbing fixtures that require a siphon leg to complete the function of fixture trap, shall be taken off at a point below the fixture, in such manner as not to interfere with the proper operation of the fixture.

(f) Grade of Vent: All vent pipes shall be so graded and connected, as to drain back to the drainage pipe it serves. No vent shall have less

SEC. 93.0904 VENT PIPE GRADES AND CONNECTIONS (cont'd)

than one-quarter ($1/4$ ") inch per foot grade.

(g) Rise of Vent: Vent pipes shall rise vertically to a point not less than four (4 ") inches above the overflow level of the fixture served before changing to a horizontal direction.

(h) Vent Intersection: All vent intersections shall be not less than four (4 ") inches above the highest possible water line of the fixtures they serve.

(i) Vent for Double Fitting: Two fixtures back to back or side by side may be served with one vent provided that each fixture wastes separately into an approved type double fitting.

(j) Horizontal vents may be installed provided said vents and other vertical portions of the vent above the horizontal vent shall be constructed of cast iron or copper.

(k) Venting Changes of Direction: Changes in direction of vent piping shall be made by the appropriate use of approved fittings and no vent pipe shall be strained or bent.

SEC. 93.0905 VENT TERMINATION.

(a) Each vent pipe or stack shall extend through its flashing and shall terminate vertically not less than four (4 ") inches nor more than ten (10 ") inches above the roof or fire wall and not less than one ($1'$) foot from any vertical surface except as provided for in SEC. 93.0905 (b). A vent may terminate not less than one (1 ") inch above a finished pitched roof when flashed with not less than a two and one-half ($2\frac{1}{2}$) pound lead flashing properly turned down into vent pipe when approved by the Department of Building Inspection.

(b) Each vent shall terminate not less than ten ($10'$) feet from or at least two ($2'$) feet above any window, door opening, air intake or vent shaft, nor less than three ($3'$) feet in every direction from any lot line, alley and street excepted.

(c) Vent pipes shall be extended separately or combined, of full required size, not less than four (4 ") inches above the roof or fire wall. Flagpoling of vents is prohibited except where the roof is used for purposes other than weather protection. In such cases the vent shall extend not less than seven ($7'$) feet above the roof and be securely stayed.

(d) Vent pipes for outdoor installations shall extend at least ten ($10'$) feet above the surrounding ground and shall be securely supported.

(e) Joints at the roof, around vent pipes, shall be made watertight by the use of approved flashings or flashing material.

SEC. 93.1001 INDIRECT CONNECTIONS

No evaporative cooler, air washer or similar air conditioning equipment and no cold storage room refrigerator, cooling counter, compartment, receptacle, aperture or device, which is used, designed or intended to be used for the manufacture, preparation, storage, or handling of food or drinks, shall have any drain pipe in connection therewith directly connected to any soil, waste or vent pipe. Such equipment shall be drained by means of indirect waste pipes as defined in this Code, and all wastes drained by such equipment shall terminate at least one (1") inch above the overflow rim of such fixture.

Counter sinks, bar sinks, fountain sinks and similar fixtures may be drained by indirect waste pipes.

The foregoing does not apply to any dishwashing or culinary sink in any food preparation room unless such receptacle is used for soaking or washing ready-to-serve food.

The material and size of indirect waste pipes shall be in accordance with the provisions of other sections of this Code applicable to drainage piping and in addition shall include brass, galvanized steel pipe and fittings.

It is provided however that no indirect waste pipe need be larger in diameter than the drain outlet or tailpiece of the fixture, appliance or equipment served, but in no case shall any such indirect waste pipe be less than one-half (1/2") inch in size.

SEC. 93.1004 INDIRECT WASTE RECEPTORS.

(a) All plumbing fixtures or other receptors receiving indirect waste discharge shall be of such shape and capacity as to prevent spashing or flooding, shall be located where they are readily accessible for inspection and cleaning and shall not be located within the enclosure or housing of any food storage equipment. No floor drain and no plumbing fixture which is used for domestic or culinary purposes, shall be used as an indirect waste receptor. Indirect waste pipes shall discharge into floor sinks, stand-pipe receptors or other approved fixtures. No stand-pipe receptor shall extend more than two (2') feet above its trap. No indirect waste receptor shall be installed in any toilet room, closet, or store room nor in any other portion of a building not in general use by the occupants thereof, except as allowed in SEC. 93.1009.

(b) When impractical to properly trap and vent, laboratory sinks may waste indirectly into floor sinks on approval of the Director of Building Inspection.

SEC. 93.1005 INDIRECT WASTE PIPING

(a) No indirect waste pipe shall exceed fifteen (15') feet in length, except cooling or condensate drainage. Any indirect waste pipe exceeding four (4') feet in length shall be effectively trapped but such traps need not be vented. Angles and changes of direction of indirect waste pipes shall be provided with cleanouts so as to permit flushing and cleaning.

SEC. 93.1005 INDIRECT WASTE PIPING

(b) All stand-pipe receptors serving domestic clothes washing machines shall extend not less than twenty-four (24") inches above its trap nor shall it terminate higher than thirty-four (34") inches above the floor.

SEC. 93.1009 COOLING WATER

Condensate, or clean running water used exclusively as a cooling medium in an appliance, device, or apparatus, may discharge into the drainage system through the inlet side of a fixture trap. When such an indirect connection is used, the trap connection may be by means of a pipe connected to the inlet side of an approved fixture trap ^{with} the upper end terminating in a funnel-shaped receptor set adjacent to, and not less than six (6") inches above the overflow rim of the fixture. Receptor for cooling or condensate water may be installed in toilet rooms. However, water closets, urinals, or similar fixtures may not be used as receptors.

Plastic pipe bearing NSY approval may be used for condensate drains on air conditioning units.

SEC. 93.1013 DOMESTIC FOOD DISPOSERS

(a) 1. Waste food disposers shall be installed only with a separate properly vented trap and with a separate waste opening to receive the discharge therefrom. The discharge from no other fixture shall discharge into the waste food disposer. Domestic dishwashers may discharge into the house side of the trap serving a domestic sink when approved directional fittings are used but cannot connect into a continuous waste portion of an installation.

2. One waste food disposer and one sink may be connected to approved and properly installed fittings, located in a vertical waste line, provided that the waste openings serving the sink and disposer are not more than seven and one-half ($7\frac{1}{2}$ ") inches center to center apart and that the waste food disposer is connected to the lower waste fitting. Center line of the horizontal outlet of the lower waste fitting shall be not less than nine (9") inches above finished floor.

3. A waste food disposer may be installed in a two-part sink in a dwelling. One of the sink compartments may be connected to the inlet side of a trap serving the food waste disposer by means of a continuous waste, said continuous waste connection shall be below the waste outlet of the grinder and shall be entirely above the water seal of the trap, and shall be installed in the most direct method with a minimum of fittings and shall not be more than thirty (30") inches in length. The disposer connection shall be

SEC. 93.1013 DOMESTIC FOOD DISPOSERS (cont'd)

immediately over the trap inlet.

4. A food waste disposal unit shall not be connected to, or discharge into, an interceptor or separator.

SEC. 93.1101 TRAPS AND INTERCEPTORS

(a) Each plumbing fixture, except those having integral traps, shall be separately trapped by an approved type water seal trap.

(b) Continuous Wastes: Continuous wastes and fixture tail pieces shall be constructed of seamless drawn brass not less than no 20 gauge. Tail pieces, or continuous waste shall not be less than one and one-half ($1\frac{1}{2}$ ") inches O.D. for sink, dishwashers, laundry tubs, bath tubs, and urinals and similar fixtures, and not less than one and one-quarter ($1\frac{1}{4}$ ") inches for lavatories, drinking fountains and similar small fixtures.

(c) Qualities of Fixture Traps: Each trap, except interceptors or similar devices, shall have a uniform interior, smooth waterway and be self-cleansing. Fixture traps shall be of standard design and weight and be of lead, cast iron, cast brass, copper, or of drawn brass tubing of not less 20 B&S gauge in thickness. Each trap shall have the manufacturer's name stamped legibly on the body of the trap. Each tubing trap shall have the gauge of the tubing stamped legibly thereon.

(d) Trap Seal: Each trap shall have a water seal of not less than two (2") inches and not more than seven (7") inches.

(e) Traps: Traps shall be installed level, so as to provide a full water seal.

(f) Trap Screw Protection: Each trap shall be constructed so that the water seal will protect the trap screw.

(g) Use of Code Traps Only: No type of trap shall be installed in any soil or waste line except fixture traps and traps required by this Code.

(h) Drum Traps: Drum traps or pot traps shall not exceed four (4") inches in diameter nor be more than eight (8") inches deep. Drum traps may be installed only as provided for in this Section or as required by the Director.

1. Drum traps may be installed to receive the waste from dental cuspidors, when it is necessary to provide against dental materials entering the plumbing system.

2. The distance between the drum trap and the vent may be greater than provided for in Section 93.1102, but in no case shall said distance be

SEC. 93.1101 TRAP REQUIREMENTS (cont'd)

greater than eight (8') feet.

3. Drum traps shall be installed with the trap screw on top and accessible, to expedite trap cleaning.

(i) Illegal Traps: No trap which depends upon the action of movable parts or concealed interior partitions for its seal shall be used. Full "S" traps are prohibited. Bell traps are prohibited. Crown-vented traps are prohibited.

(j) Slip Joints: Slip joints are prohibited on the sewer side of the trap seal.

SEC. 93.1102 TRAPS PROTECTED BY VENT PIPES

(a) Each plumbing fixture trap, except as otherwise provided in this Code, shall be protected against syphonage and back pressure, and air circulation assured throughout all parts of the drainage system, by means of a vent pipe, installed in accordance with the requirements of this Code.

(b) Each fixture trap shall have a protecting vent so located that the developed length in the fixture drain from the trap weir to the vent is within the distance given in the following table:

Horizontal Distance of Fixture Trap from Vent

Size of Fixture Drain (Inches)	Distance Trap to Vent	
	Feet	Inches
Maximum slope one-fourth (1/4") inch per foot		
1 1/4" - - - Drinking Fountain only - - - - -	2	6
1 1/2" - - - - -	2	6
2" - - - - -	3	0
3" - - - - -	3	6
2" and 3" floor drains and floor sinks - - - -	10	0
4" and larger floor drains and sand traps - -	10	0
Water closets, clinic sinks, bedpan washers and similar fixtures - - - - -	3	6

(c) The vent pipe opening from a soil or waste pipe, except for water closets and similar fixtures having siphonic action, shall not be below the weir of the trap. The developed length between the trap of a water closet or similar fixture and its vent shall not exceed (3'6") three feet 6 inches.

SEC. 93.1202 TYPES OF JOINTS

(a) Caulked Joints: Caulked joints for cast iron bell-and-spigot soil pipe shall be firmly packed with oakum or hemp and filled with molten lead of standard width to a depth of not less than one (1") inch and not to extend more than one-eighth (1/8") inch below rim of hub. No paint, varnish,

SEC. 93.1202 TYPES OF JOINTS (cont'd)

or other coatings shall be permitted on the joining material until after the joint has been tested and approved.

(b) Threaded joints - screwed joints: Threads shall conform to American National Taper Pipe thread, ASA B2. 1-1945 or FS GGG-P-351a. All burrs shall be removed. Pipe ends shall be reamed or filed out to size of bore, and all chips shall be removed. Pipe-joint compound shall be used only on male threads. Pipe joint compound shall be insoluble in water and all such compound used on water piping shall be non-toxic. Cleanout plugs and caps shall be lubricated with water insoluble non-hardening compound.

(c) Wiped joints: Joints in lead pipe or fittings, or between lead pipe or fittings and brass or copper pipe, ferrules, solder nipples, or traps, shall be full-wiped joints. Wiped joints shall have an exposed surface on each side of a joint not less than three-fourth (3/4") inch and at least as thick as the material being jointed. Wall or floor flange lead-wiped joints shall be made by using a lead ring or flange placed behind the joint at wall or floor. Joints between lead pipe and cast iron, steel or wrought iron shall be made by means of a caulking ferrule or soldering nipple.

(d) Soldered or sweat joints: Soldered or sweat joints for tubing shall be made with approved fittings. Surfaces to be soldered or sweated shall be cleaned bright. The joints shall be properly fluxed with non-corrosive flux and made with approved solder.

Tubing traps shall be connected to their waste outlets by means of an approved metal to metal joint, hexagon brass solder bushing, brass solder ring or an approved all brass compression fitting.

(e) Burned lead joints: Burned (welded) lead joints shall be lapped and the lead shall be fused together to form a uniform weld at least as thick as the lead being jointed.

SEC. 93.1204 SPECIAL JOINTS:

(a) 1. Joints from copper tubing to threaded pipe shall be made by the use of copper or brass adapter fittings. Solder rings are not accepted as approved adapter fittings except as provided in SEC. 93.1202 (d). The joints between the copper tubing and fittings shall be properly sweated or soldered and the connection between the threaded pipe and the fitting shall be made with a standard pipe size screw joint.

2. Copper Tubing to Cast Iron Soil Pipe and Cast Iron Soil Fittings:

Joints between cast iron soil pipe or cast iron soil pipe fittings and copper tubing shall be made with the proper adapter. The joints between the

SEC. 93.1204 SPECIAL JOINTS (cont'd)

copper tubing and the adapter shall be properly sweated or soldered and the connection between the adapter and the soil pipe or soil fitting shall be made with a caulked joint as provided in SEC. 93.1202 (a).

(b) Brazing or welding: Brazing or welding shall be performed in accordance with requirements of recognized published standards of practice.

(c) Slip joints: In drainage work slip joints may be used only on the inlet side of the trap.

(d) Expansion joints: Approved expansion joints shall be accessible and may be used where necessary to provide for expansion and contraction of the pipes.

(e) Unions: Approved screw type ground joint metal to metal seat unions may be used in drainage work when accessibly located in the trap seal, or between a fixture and its trap and in the vent system except underground or in wet vents.

(f) Ground joint brass connections: Ground joint brass connections which allow adjustment of water tubing but provides a rigid joint when made up shall not be considered as slip joints.

SEC. 93.1305 STRAINERS AND CONNECTIONS

(a) Strainers - All plumbing fixtures, other than water closets and syphon action washdown or blowout urinals, shall be provided with approved strainers having an approved waterway area.

(b) Continuous wastes and fixture tail pieces shall be constructed from the materials specified in SEC. 93.0801 for drainage piping, provided, however, that such connections where exposed or accessible may be of seamless drawn brass not less than No. 20 B&S gauge. .032" in thickness. Each such tail piece or continuous waste shall be not less than one and one-half ($1\frac{1}{2}$ " inches O.D. for sinks, dishwashers, laundry tubs, urinals and similar fixtures, and not less than one and one-quarter ($1\frac{1}{4}$ " inches for lavatories, drinking fountains and similar small fixtures. Trip lever waste and overflows for bathtub shall be not less than one and one-half ($1\frac{1}{2}$ " inches O.D. except chain and stopper waste and overflow may be one and three-eighths ($1\frac{3}{8}$ " inches O.D.

(c) Approved directional type fittings shall be used in any continuous waste line.

(d) The vertical distance between a fixture outlet and the trap weir shall be as short as structurally possible.

SEC. 93.1309 URINALS

(a) Automatic flushing tank - Tanks flushing more than one urinal shall be automatic in operation and of sufficient capacity to provide the necessary volume to flush and properly cleanse all urinals simultaneously.

(b) Automatic Flush Valves - No flushometer valve shall be used to flush more than one urinal and each urinal flush valve shall be of an approved self-closing type.

(c) 1. Trough urinals: Trough urinals shall have strainers with outlets at least one and one-half ($1\frac{1}{2}$) inches in diameter. The washdown pipe shall be perforated so as to flush with an even curtain of water against the back of the urinal. This pipe shall be of approved type brass, and shall be securely clamped as high as practicable to the back of the urinal.

2. Equivalent length - Trough urinals shall be figured on the basis of one urinal for each 18 inches of length, provided that--

24-inch trough equals 1 urinal.
36-inch trough equals 2 urinals.
48-inch trough equals 2 urinals.
60-inch trough equals 3 urinals.
72-inch trough equals 4 urinals.

(d) Floor-type Urinals. - Floor-type trough urinals are prohibited.

(e) Urinals shall be provided with an approved type vacuum breaker or an air gap in the water supply line to urinal.

SEC. 93.1311 FLOOR DRAINS AND SHOWER STALLS

Floor drain Requirement: (a) Floor drains and shower drains shall be considered plumbing fixtures and each such drain shall be provided with an approved type strainer. Floor drains shall be suitably flanged to provide a water-tight joint in the floor.

(b) Each shower receptor shall be an approved type and be so constructed as to have a finished dam, curb or threshold which is at least one (1") inch lower than the sides and back of such receptor. In no case shall any shower receptor be less than two (2") inches or more than nine (9") inches in depth measured from the top of the finished threshold.

(c) No shower stall or receptor shall have any interior dimension which is less than thirty (30") inches, nor shall it have a floor area of less than nine hundred (900) square inches. On-site construction of a built-up shower receptor shall be permitted when one of the following means is employed:

1. Receptors built directly on the ground: Shower receptors built directly on the ground shall be water-tight and shall be constructed from

SEC. 93.1311 FLOOR DRAINS AND SHOWER STALLS (cont'd)

approved type dense, non-absorbent and non-corrosive materials. Each such receptor shall be adequately reinforced, shall be provided with a suitably flanged floor drain designed to make a water-tight joint in the floor, and shall have smooth, impervious and durable surfaces.

2. Receptors above ground: When shower receptors are built above ground, the sub-floor and rough side walls to a height of not less than three (3") inches above the top of the finished dam or threshold shall be first lined with sheet lead* or copper* or with three layers of fifteen (15) pound tar or asphalt roofing paper, each layer thoroughly mopped with hot asphalt, or shall be lined with such other durable and water-tight materials as the Administrative Authority may deem equivalent to those aforementioned. All such lining materials shall extend upward on the rough jambs of the shower opening to a point not less than three (3") inches above the top of the finished dam or threshold and shall extend outward over the top of the rough threshold and be turned over and fastened on the outside face of both the rough threshold and the jambs.

All corners shall be made thoroughly waterproof by lapping and flashing. Linings shall be properly recessed and fastened to approved backing so as not to occupy the space required for the wall covering and shall not be nailed or perforated at any point which will be less than one (1") inch above the finished dam or threshold. An approved type sub-drain shall be installed with every such shower safe pan or lining. Each such drain shall be of the type that sets flush with the sub floor and shall be equipped with a clamping ring or other device to make a tight connection between the shower stall lining and sub drain. The drain shall have weep holes into the waste line.

*Lead and copper pans shall be insulated from all conducting substances other than their connecting drain by fifteen (15) pound asphalt felt or its equivalent and no lead pan shall be constructed of material weighing less than four (4) pounds per square foot. Copper pans shall be at least No. 24 B&S gauge. Joints in lead pans and copper pans shall not be soldered but shall be burned or silver brazed respectively.

(d) Shower pans are not plumbing fixtures and the requirements of this section are installation requirements for all shower pans.

(e) Hinged shower doors shall open outward.

SEC. 93.1312 COMBINATION CONNECTIONS: Sinks - Laundry Outlet

(a) Combination Sink: A three-compartment sink may be connected to

SEC. 93.1312 COMBINATION CONNECTIONS: Sinks - Laundry Outlet (cont'd)
one trap when such trap is centrally located.

One two-compartment sink may be installed on one trap, if one compartment is not more than six (6") inches deeper than the other compartment and their waste outlets are not more than thirty (30") inches apart.

(b) Double Connections: Two kitchen sinks or two laundry tubs, or two basins located respectively, in the same room, may be connected to one trap if their waste openings from center to center, are not more than thirty (30") inches apart.

(c) Where water service connections are provided for a clotheswasher, an approved receptor shall be provided or the waste may discharge as provided in Section (e) below.

(d) A sink trap used for food handling shall not serve in connection with either a laundry tray or a clotheswasher.

(e) Clothes washer and Tray: One clothes washer may discharge into the trap of an adjacent laundry tray providing that said connection is made on the inlet side of the trap above the water seal.

(f) A trap or laundry tray is required at all rough-ins for clotheswashers.

SEC. 93.1401 SEWER REQUIRED

(a) Each building in which plumbing fixtures are installed and every premises having drainage piping thereon shall have a separate connection to a public or approved private sewage disposal system, except as provided for in SEC. 93.0612.

(b) When no public sewer, intended to serve any lot or premises, is available in any thoroughfare or right of way abutting such lot or premises, drainage pipe from any building or works shall be connected to an approved private sewage disposal system.

(c) The rearrangement or subdivision into smaller parcels of a lot which abuts and is served by a public sewer shall not be deemed cause to permit the construction of a private sewage disposal system, and all plumbing or drainage systems on any such smaller parcel or parcels shall connect to the public sewer when available.

(d) On every lot or premises hereafter connected to a public sewer, all plumbing and drainage systems or part thereof on such lot or premises shall be connected to such public sewer.

(e) Where the grade of the main sewer permits, all building sewers

SEC. 93.1401 SEWER REQUIRED (cont(d))

(house sewers) must be not less than twenty-four (24") inches below established grade at point of connection to public sewer measured from the bottom of the ditch.

(f) Where the grade of the main sewer permits, the building sewer (house sewer) must be properly buried, except where impractical.

SEC. 93.1405 SIZE OF HOUSE SEWERS:

(a) The size of any house sewer shall be determined on the basis of the total number of fixture units drained by such sewer, in accordance with Table No. 3, provided however that the minimum size of the house sewer shall be three (3") inches inside diameter.

(b) Manholes Required: On private property, all house soil lines ten (10") inches or larger in diameter, extending a distance greater than 300 feet from the building sewer connection, to a sewer main, shall be provided with a manhole every 300 feet. Said manhole must comply with City Engineering Department Specifications.

SEC. 93.1406 GRADE, SUPPORT AND PROTECTION OF HOUSE SEWERS

(a) House sewers shall be run in practical alignment and at a uniform slope of not less than one-fourth ($1/4$ ") inch per foot, provided, however, that any such pipe or piping may have a slope of not less than one-eighth ($1/8$ ") inch per foot when approved by the Director of Building Inspection.

(b) House sewer piping, other than cast iron, shall be laid on a firm bed through its entire length. Any such piping laid in made or filled-in ground shall be laid on a bed of approved materials and shall be adequately supported to the satisfaction of the Director of Building Inspection. All cast iron piping shall be adequately supported at maximums of five (5') foot intervals.

Vitrified clay pipe and fittings shall be laid to a true line and an even grade on a firm foundation, with suitable excavation to receive the socket, so as to provide uniform bearing along the entire length of the barrel of the pipe. Pipe laying shall start at the lowest point and proceed up grade with socket pointing up grade.

All vitrified clay pipe house sewers shall have a minimum depth below finish grade of at least eighteen (18") inches except when protected with concrete.

(c) No house sewer or other drainage piping or part thereof which is constructed of materials other than those approved for use under or within

SEC. 93.1406 GRADE, SUPPORT AND PROTECTION OF HOUSE SEWERS (cont'd)

a building shall be installed under or within three (3') feet of any building or structure or part thereof, nor less than one (1') foot below the surface of the ground. The provisions of this subsection include structures such as porches and steps, whether covered or uncovered.

SEC. 93.1408 SEWER AND WATER PIPES

Water service pipes, or any underground water pipes, shall not be run or laid in the same trench with building sewer or drainage piping, except as provided in this section.

The water service pipe may be placed in the same trench with the building drain and building sewer provided both of the following conditions are met:

The bottom of the water service pipe at all points shall be at least twelve (12") inches above the top of the sewer line.

The water service pipe shall be placed on a solid shelf excavated at one side of the common trench.

Section 4. A violation of any provision or the failure to comply with any of the requirements established by this ordinance shall constitute a misdemeanor. Any person convicted of such violation or such failure shall be punishable by a fine of not more than Five Hundred Dollars (\$500.00) or by imprisonment in the City jail for not more than six months or by both fine and imprisonment. All provisions of Section 11.12 of the San Diego Municipal Code shall apply.

Section 5. This ordinance shall take effect and be in force on the 31st day from and after its passage.

(b) Permits shall be obtained before or at the time work is started, except in cases where emergency or urgent necessity can be shown to exist provided a permit is obtained within twenty-four (24) hours, exclusive of Saturdays, Sundays, and holidays.

(c) There shall be one permit for each building in which rough work for a plumbing fixture or fixtures is installed, except in the case of an unoccupied accessory building or a garage that is part of the plumbing system of a single family dwelling.

(d) No privately owned lines or other facilities shall be installed over, under or across any public property without first complying with the requirements established in Section 62.0103 of this Code.

(e) Except as provided in Section 93.0303, permits shall be issued only to Contractors licensed by the State of California to engage in the business or act in the capacity of a contractor relating to plumbing installation.

SEC. 93.0302 WORK NOT REQUIRING PERMIT.

No permit shall be required in the case of any repair work as follows:

The stopping of leaks in drains, soil, waste or vent pipe, provided however, that should any drainpipe, soil, waste or vent pipe be or become defective, and it becomes necessary to remove and replace the same with new material in any part or parts, the same shall be considered as new work and a permit shall be procured and inspection made as hereinbefore provided. No permit shall be required for the clearing of stoppages, or the repair of leaks in soil, waste or vent pipes, valves, fixtures or replacement of exposed traps in existing plumbing systems serving lavatories, sinks, laundry trays and/or similar fixtures.

SEC. 93.0306 INCOMPLETED INSTALLATIONS.

Should any person to whom a permit has been issued quit an installation, the Building Inspection Department shall be so notified in writing by either the permittee, owner or his authorized representative and request an inspection of work installed. Such notice shall be made within forty-eight (48) hours. No person shall resume work on any incompletely installed until such installation has been released by the Building Inspection Department and a new permit obtained. A copy of the written notice must accompany the application for the new permit.

SEC. 93.0401 PERMIT FEES REQUIRED.

Each application for a plumbing permit shall be submitted in writing, shall state the location of the work proposed to be installed and the amount and kind of plumbing in connection therewith. Each such application shall be signed by the person qualified to obtain such permit and shall be accompanied by a permit fee in accordance with the schedule of fees hereinafter established.

SCHEDULE OF FEES

Table with 2 columns: Description of work and Fee amount. Includes items like 'For issuing each permit (not refundable) \$3.00', 'For each plumbing fixture or trap (except replacement of exposed traps...)', 'For each house sewer', etc.

Section 2. That Division 4, Article 3, Chapter IX of the San Diego Municipal Code be, and the same is hereby amended by adding thereto a new Section to be known as numbered Section 93.0403 and to read as follows:

SEC. 93.0403 REINSPECTION FEES.

A reinspection fee of Two Dollars (\$2.00) may be assessed for each inspection or reinspection when such portion of work for which inspection is called is not complete.

Explanation: This section is not to be interpreted to require reinspection fees the first time a job is rejected for failure to comply with code requirements but to control the practice of calling for inspections before a job is ready for inspection or reinspection.

Section 3. That Sections 93.0501, 93.0502, 93.0601.15, 93.0601.73, 93.0612, 93.0614, 93.0703, 93.0705, 93.0706, 93.0708, 93.0710, 93.0711, 93.0712, 93.0801, 93.0802, 93.0804, 93.0806, 93.0807, 93.0809, 93.0902, 93.0904, 93.0905, 93.1001, 93.1004, 93.1005, 93.1009, 93.1013, 93.1101, 93.1102, 93.1202, 93.1204, 93.1305, 93.1308, 93.1311, 93.1312, 93.1401, 93.1405, 93.1406 and 93.1408 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

SEC. 93.0501 INSPECTIONS.

(a) Scope. All new plumbing work, and such portions of existing systems as may be affected by new work or any changes, shall be inspected by the Director of Building Inspection to insure compliance with all the requirements of this Code and to assure that the installation and construction of the plumbing system is in accordance with approved plans.

(b) Advance Notice. It shall be the duty of the person doing the work authorized by the permit to notify the Director of Building Inspection orally or in writing that said work is ready for inspection.

(c) Responsibility. It shall be the duty of the holder of a permit to make sure that the work will stand the test prescribed before giving the notification.

(d) Retesting. If the Director of Building Inspection finds that the work will not pass the test, necessary corrections shall be made and the work shall then be resubmitted for test or inspection.

(e) Test. Tests shall be conducted in the presence of the Administrative Authority or of his duly appointed representative.

(f) Corrections. Notices of correction or violation shall be written by the Director of Building Inspection and may be posted at the site of the work or mailed or delivered to the permittee or his authorized representative. Refusal, failure or neglect to comply with any such notice or order shall be considered a violation of this Code, and shall be subject to the penalties set forth elsewhere in this Code for violations.

(g) Approval. Upon the satisfactory completion and final test of the plumbing system a certificate of approval shall be issued by the Director of Building Inspection to the permittee on demand.

(h) Covering or Using. No plumbing or drainage system, house sewer, private sewer disposal system or part thereof shall be covered, concealed, or used until it has been tested, inspected, and accepted as prescribed in this Code.

(i) Uncovering. If any drainage or plumbing system, house sewer, or part thereof which is installed, altered, or repaired is covered or concealed before being inspected, tested, and approved, as prescribed in this Code, it shall be uncovered for inspection after notice to uncover the work has been issued to the responsible person by the Director of Building Inspection.

SEC. 93.0502 TESTING.

(a) Responsibility. The equipment, material, and labor necessary for inspection or tests shall be furnished by the person to whom the permit is issued or by whom inspection is requested.

(b) Media. The piping of the plumbing, drainage and venting systems shall be tested with water or air. The Director of Building Inspection may require the removal of any cleanouts, etc., to ascertain if the pressure has reached all parts of the system. After the plumbing fixtures have been set and their traps filled with water, they shall be submitted to a running test or such other test as may be necessary to establish compliance.

(c) Water Test. The water test shall be applied to the drainage system either in its entirety or in sections. If applied to the entire system, all openings in the piping shall be tightly closed, except the highest opening, and the system filled with water to point of overflow. If the system is tested in sections, each opening shall be tightly plugged except the highest opening of the section under test, and each section shall be filled with water, but no section shall be tested with less than a 10-foot head of water. In testing successive sections at least the upper 10 feet of the next preceding section shall be tested, so that no joint or pipe in the building (except the uppermost 10 feet of the system) shall have been submitted to a test of less than a 10-foot head of water. The water shall be kept in the system, or in the portion under test, for at least 15 minutes before inspection starts; the system shall then be tight at all points. EXCEPTION: Where more than one vent terminates immediately above the same story, vents need to be tested only to a point of overflow of the lowest vent which is above the highest joint in all other such vents.

(d) Air Test. The air test shall be made by attaching an air compressor testing apparatus to any suitable opening, and, after closing all other inlets and outlets to the system, forcing air into the system until there is a uniform gage pressure of 5 pounds per square inch or sufficient to balance a column of mercury 10 inches in height. This pressure shall be held without introduction of additional air for a period of at least 15 minutes.

(e) House Sewer Test. A "Y" shall be placed at the property line for the purpose of testing the house sewerline. Such test shall consist of filling the system with water to a point producing not less than a ten foot head on the house sewer.

(f) Moved Structures. All plumbing, whether old or new installations, in all building or parts thereof that are moved from one foundation to another, regardless of their location on any property or properties, shall be tested to the water level of the highest fixture.

(g) Test plugs, rubber test plugs or other approved methods shall be used to seal openings of plumbing outlets for testing.

(h) Flooring Removable. Where there is less than 3 ft. clearance below the floor joists of a building, where plumbing is to be installed, no flooring shall be laid over the soil, waste or vent piping until after the plumbing has been installed, inspected

(b) Advance Notice. It shall be the duty of the person doing the work authorized by the permit to notify the Director of Building Inspection orally or in writing that said work is ready for inspection.

(c) Responsibility. It shall be the duty of the holder of a permit to make sure that the work will stand the test prescribed before giving the notification.

(d) Retesting. If the Director of Building Inspection finds that the work will not pass the test, necessary corrections shall be made and the work shall then be resubmitted for test or inspection.

(e) Test. Tests shall be conducted in the presence of the Administrative Authority or of his duly appointed representative.

(f) Corrections. Notices of correction or violation shall be written by the Director of Building Inspection and may be posted at the site of the work or mailed or delivered to the permittee or his authorized representative. Refusal, failure or neglect to comply with any such notice or order shall be considered a violation of this Code, and shall be subject to the penalties set forth elsewhere in this Code for violations.

(g) Approval. Upon the satisfactory completion and final test of the plumbing system a certificate of approval shall be issued by the Director of Building Inspection to the permittee on demand.

(h) Covering or Using. No plumbing or drainage system, house sewer, private sewer disposal system or part thereof shall be covered, concealed, or used until it has been tested, inspected, and accepted as prescribed in this Code.

(i) Uncovering. If any drainage or plumbing system, house sewer, or part thereof which is installed, altered, or repaired is covered or concealed before being inspected, tested, and approved, as prescribed in this Code, it shall be uncovered for inspection after notice to uncover the work has been issued to the responsible person by the Director of Building Inspection.

SEC. 93.0502 TESTING.

(a) Responsibility. The equipment, material, and labor necessary for inspection or tests shall be furnished by the person to whom the permit is issued or by whom inspection is requested.

(b) Media. The piping of the plumbing, drainage and venting systems shall be tested with water or air. The Director of Building Inspection may require the removal of any cleanouts, etc., to ascertain if the pressure has reached all parts of the system. After the plumbing fixtures have been set and their traps filled with water, they shall be submitted to a running test or such other test as may be necessary to establish compliance.

(c) Water Test. The water test shall be applied to the drainage system either in its entirety or in sections. If applied to the entire system, all openings in the piping shall be tightly closed, except the highest opening, and the system filled with water to point of overflow. If the system is tested in sections, each opening shall be tightly plugged except the highest opening of the section under test, and each section shall be filled with water, but no section shall be tested with less than a 10-foot head of water. In testing successive sections at least the upper 10 feet of the next preceding section shall be tested, so that no joint or pipe in the building (except the uppermost 10 feet of the system) shall have been submitted to a test of less than a 10-foot head of water. The water shall be kept in the system, or in the portion under test, for at least 15 minutes before inspection starts; the system shall then be tight at all points. EXCEPTION: Where more than one vent terminates immediately above the same story, vents need to be tested only to a point of overflow of the lowest vent which is above the highest joint in all other such vents.

(d) Air Test. The air test shall be made by attaching an air compressor testing apparatus to any suitable opening, and, after closing all other inlets and outlets to the system, forcing air into the system until there is a uniform gage pressure of 5 pounds per square inch or sufficient to balance a column of mercury 10 inches in height. This pressure shall be held without introduction of additional air for a period of at least 15 minutes.

(e) House Sewer Test. A "Y" shall be placed at the property line for the purpose of testing the house sewerline. Such test shall consist of filling the system with water to a point producing not less than a ten foot head on the house sewer.

(f) Moved Structures. All plumbing, whether old or new installations; in all building or parts thereof that are moved from one foundation to another, regardless of their location on any property or properties, shall be tested to the water level of the highest fixture.

(g) Test plugs, rubber test plugs or other approved methods shall be used to seal openings of plumbing outlets for testing.

(h) Flooring Removable. Where there is less than 3 ft. clearance below the floor joists of a building, where plumbing is to be installed, no flooring shall be laid over the soil, waste or vent piping until after the plumbing has been installed, inspected and approved. Provided however flooring may be cut and loose laid, over such pipe, in a manner to permit easy removal for installation and inspection.

SEC. 93.0601.15 BUILDING DRAIN.

The building (house) drain is that part of the lowest piping of a drainage system which receives the discharge from soil, waste and other drainage pipes inside the walls of the building and conveys it three (3) feet outside the building wall.

SEC. 93.0601.73 HORIZONTAL PIPES.

Any line rising from the true horizontal to a pitch less than thirty (30) degrees shall be considered a "Horizontal Pipe."

SEC. 93.0612 INDEPENDENT SYSTEMS.

(a) The drainage system of each new building and of new work installed in any existing building shall be separate and independent of that of any other building except as permitted in SEC. 93.0612 (c).

(b) The drainage system of each habitable building on a corner lot shall be separate and independent of that of any other building.

(c) Buildings on an inside lot, having the same frontage, under the same ownership and constructed so that each building overlaps the prolongation of another building, may be connected to one and the same building sewer.

(d) Public school districts, governmental agencies or large commercial or industrial installations may be granted deviations from the provisions of this section after plans have been submitted to and approved by the Department of Building Inspection and the City Engineer's Office.

SEC. 93.0614 PROTECTION OF MATERIALS AND STRUCTURES.

(a) All pipes passing under or through walls shall be protected from breakage.

(b) All piping in connection with a plumbing system shall be installed without undue strains or stresses, and provisions shall be made for expansion, contraction and structural settlement. No horizontal piping, fittings or equipment shall be built into or embedded in concrete footings or foundations. Where necessary to penetrate columns, beams, walls or foundations horizontal or vertical piping must be protected by adequate chases, sleeves or by wrapping with several layers of felt.

(c) No structural member shall be seriously weakened or impaired by cutting or notching. All trenches deeper than the footing of any building or structure and paralleling the same must be at least forty-five (45) degrees therefrom, unless permission be otherwise granted by the Director of Building Inspection.

(d) No house sewer or other drainage piping or part thereof constructed of materials other than those approved for use under or within a building shall be installed under or within three (3) feet of any building or structure or less than one (1) foot below the surface of the ground.

SEC. 93.0703 USE OF COPPER TUBING.

(a) No copper tubing of a weight less than type "L" shall be used for underground drainage or vent piping.

(b) No copper tubing of a weight less than type DWV shall be used in any part of the soil, waste or vent piping of any plumbing system above ground.

(c) All copper tubing drainage and vent piping shall be installed in conformance with plans approved by the administrative authority. Fittings shall be of an approved type manufactured for the purpose for which they are used. Fitting patterns shall be comparable to similar fittings of cast iron or brass as regulated by this Code. Design of copper tubing drainage and venting shall provide for the effects of expansion in long lines or stacks. Changes in direction shall be made with approved drainage fittings of copper, bronze or brass. Bending of tubing and made-up fittings are prohibited. Hard temper copper tubing shall be used unless structural conditions warrant the use of soft temper tubing and such use is approved by the Administrative Authority. Drainage and vent fittings for copper tubing shall be cast brass or wrought copper solder joint drainage fittings. Size of copper tubing drainage and vent piping shall be determined in the same manner as required for cast iron and steel and using the same nominal dimensions.

SEC. 93.0705 FERRULES AND BUSHINGS.

Caulking ferrules and bushings shall be manufactured from brass.

SEC. 93.0706 FLOOR FLANGES.

(a) Floor flanges for water closets or similar fixtures shall be of approved type and shall be copper, brass or cast iron.

(b) Caulked-on flanges shall be not less than one fourth (1/4") inch

(Continued on b-7, Col. 1)

ORDINANCE NO. 8144 (NEW SERIES)

AN ORDINANCE AMENDING ARTICLE 3, CHAPTER IX OF THE SAN DIEGO MUNICIPAL CODE AFFECTING PLUMBING REGULATIONS.

BE IT ORDAINED by the Council of the City of San Diego, as follows:
Section 1. That Sections 93.0108, 93.0201, 93.0211, 93.0301, 93.0302, 93.0306 and 93.0401 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

SEC. 93.0108 PROHIBITIONS.
It is unlawful for any person, either as owner, architect, contractor, artisan, or otherwise, to do or knowingly to cause to permit to be done or to maintain any plumbing in such manner that the same shall not conform to all of the provisions of this Code.

SEC. 93.0201 CERTIFICATE OF COMPETENCY REQUIRED.
It shall be unlawful for any person to work or labor as a plumber on work requiring a plumbing permit, unless he is the holder of a valid certificate of competency issued by the Board of Plumber Examiners authorizing him to work or labor as a plumber.

SEC. 93.0211 SPECIAL OWNER'S CERTIFICATE.
An owner or a member of his immediate family may obtain a Special Owner's Certificate for a single family dwelling once every two years after a satisfactory examination by the Board of Plumber Examiners authorizing him to install plumbing work and fixtures as provided in Section 93.0303. The fee for such examination shall be Two Dollars (\$2.00).

SEC. 93.0301 PERMITS REQUIRED.
(a) No plumbing installation, sanitary piping, fixture, device, appliance or equipment shall be installed within or on any building, structure or premises nor shall any alteration, addition or replacement be made in any such existing installation, sanitary piping, device, appliance or equipment unless a permit therefor has first been issued by the Department of Building Inspection, except as stated in Section 93.0302.

(Continued from b-6)

thick and not less than two (2") inches in overall depth.

(c) Flanges shall be caulked to cast iron soil pipe or shall be fastened in an approved manner to other materials.

(d) All such flanges shall be adequately designed and secured to support fixtures connected thereto.

(e) Closet screws and bolts shall be of brass or other approved corrosion resistant metal. All such screws and bolts shall be of adequate size and number to properly support the fixture installed.

SEC. 93.0708 THREAD FITTINGS.

(a) Screwed vent fittings shall be of drainage type cast iron of standard weights and dimensions.

(b) Drainage fittings used as vent fittings shall be of cast iron with smooth interior waterway having threads tapped out of solid metal. The threads of drainage fittings shall be tapped so as to allow one-fourth (1/4") inch per foot grade.

SEC. 93.0710 VALVES AND FITTINGS.

(a) Gate valves when used on drainage work shall be full way type with working parts of corrosion resistant metal. Sizes four (4") inches or more in diameter shall have cast iron bodies, and sizes less than four (4") inches cast iron or brass bodies.

SEC. 93.0711 HANGERS AND SUPPORTS.

(a) Vertical Piping

(1) Attachment. - Vertical piping shall be secured at sufficiently close intervals to keep the pipe in alignment and carry the weight of the pipe and contents. Stacks shall be supported at their bases, and if over two (2) stories in height at each floor by approved metal floor clamps.

(2) Cast iron soil pipe. - Cast iron soil pipe shall be supported at not less than at every story height and at its base.

(3) Screwed pipe. - Screwed pipe (IPS) shall be supported at not less than every other story height.

(4) Copper tubing. - Copper tubing shall be supported at each story for piping 1 1/2 inches and over and at not more than 8 foot intervals for 1 1/2 inches and smaller. Copper pipe or tube in contact with structural members or hangers shall be insulated or padded.

(5) Lead pipe. - Lead pipe shall be supported at intervals not exceeding 4 feet.

(b) Horizontal Piping

(1) Supports. - Horizontal piping shall be supported at sufficiently close intervals to keep it in alignment and prevent sagging.

(2) Cast iron soil pipe. - Cast iron soil pipe shall be supported at not more than 5 foot intervals.

(3) Screwed pipe. - Screwed pipe (IPS) shall be supported at approximately 12 foot intervals.

(4) Copper tubing. - Copper tubing shall be supported at

fixture trap. One change of direction of not more than four (45) degrees will be permitted.

(d) Fixture connections or screw pipe trap arms installed grade or in inaccessible locations shall be copper, cast iron or brass of iron pipe size.

(e) Galvanized iron screw pipe trap arms may be installed a minimum of six (6") inches above grade when entirely exposed view. Galvanized trap arms shall not be installed to serve water closets, bidets or similar fixtures.

(f) No food waste disposal unit or grinder unit shall be installed in any waste on a back to back fitting.

SEC. 93.0806 CLEANOUTS.

(a) Size: All cleanout bodies shall be the same size as the they serve. No cleanout shall be installed in a plumbing or drainage system, which is not an approved type.

(b) There shall be a cleanout placed at the end of each horizontal soil or waste line over fifteen (15") inches in length and at horizontal change of direction, except that one horizontal change of direction of forty-five (45) degrees or less, or two horizontal changes of direction using 1/16 bends may be permitted with a cleanout when said forty-five (45) degree or twenty-two one-half (22 1/2) degree horizontal change of direction is in a served by a cleanout in compliance with this Code.

(c) Distance between Cleanouts: Soil lines or waste lines not be installed with a greater distance between cleanouts one-hundred (100') feet.

(d) Property Line Cleanout: There shall be installed a cleanout in each soil line at the point of connection with the Public Sewer at the property line, said cleanout shall be not more than 1 (3') feet inside the property line and shall be not more than 12 (12") inches below the finished grade line of the property. Cleanouts in paved areas shall be made accessible in the same manner provided for in paragraph (b) of this section. All property cleanout bodies shall be a minimum of four (4") inch size and of same size as the line from the cleanout to the sewer main.

(e) Access to Cleanouts: 1. Under a building, where there is than eighteen (18") inches clearance between the ground and the lower edge of the floor joists, all cleanouts shall be extended through the foundation wall where they shall be accessible, or as required in paragraphs (f) and (i) of this section.

2. Cleanouts under buildings: Cleanouts installed under built and in basements shall be installed so that there will be a clearance of not less than 24 inches in front of each cleanout. Cleanouts three inches or less may have 18 inches clearance in front.

(f) Floor Cleanouts: Where it is structurally impractical to extend cleanouts through the foundation wall, as required in paragraph (e) 1. of this section, they may be extended up through the floor and made accessible as required in (h) 1. of this section.

(g) Line Type Cleanout: Where main line cleanouts are accessible or are not extended through foundation walls as required in (e) 1. of this section, approved directional two-way line cleanout fittings may be used provided they are located outside foundation wall, not more than six (6') feet nor less than (4') feet from said wall and not more than twelve (12') feet from the top of the cleanout to finish grade.

An approved type two-way cleanout fitting installed outside the building at the lower end of the house drain, not more than six (6') feet nor less than four (4') feet from the wall and more than twelve (12") inches from the top of the cleanout finish grade may be installed in lieu of line cleanout. This cleanout opening shall not be used for any purpose except for cleaning line. The Director may, for structural reasons, permit line cleanouts to be placed in other locations than those mentioned in this paragraph. Concrete boxes shall be placed over all line type cleanouts.

(h) Cleanout Floor Plates: 1. Cleanouts extended through floor slabs, decks or drives shall be so installed that the top of the cleanout plug shall be plainly exposed to view.

2. The top of each exterior cleanout shall be brought to twelve (12") inches of grade.

3. Where for structural reasons it is desired to keep the cleanout flush with the finished floor deck or slab, an approved type cleanout plate or an approved type cleanout plug designed for this purpose, shall be used. Where plates are used, the cleanout plug shall be kept as close to the plate as possible.

(i) Cleanout Nuisance: No cleanout shall be installed so as to become an obstruction.

(j) Cleanout Lubrication: Cleanout plugs shall be lubricated with a non-hardening compound.

(k) Cleanouts above First Floors: Soil and waste lines on floors above the first floor, when concealed or completely enclosed, shall be installed without cleanouts.

(l) Cleanouts in Vertical Lines: Where it is structurally impractical to extend the cleanouts through the foundation wall required in paragraph (e) 1. of this section, they may be extended in the vertical and made accessible. Wall cleanouts shall be used only where sweeps or combination of fittings having a radius of not less than 2 1/2 inches are installed at the base of the wall. The wall cleanout shall be installed as close to the horizontal line as practical.

(m) Cleanout plugs shall not be removed except to work the lines involved and then only for the minimum time necessary.

(n) Cleanouts serving plumbing or drainage lines shall not be used for any other purpose.

(o) Vitrified tile cleanouts extended through slabs or drives shall be housed by an approved type meter box with metal cover. The cleanout shall be as close to the surface as possible and not more than twelve (12") inches from the top surface of the box.

(p) Required cleanouts serving soil pipe (Building drain) or waste pipes shall not be permitted in any part of living quarters or any kitchen attached thereto. When structurally impossible to comply with this section, prior approval of an alternate installation must be obtained from the Director before making installation.

SEC. 93.0807 GRADE OF HORIZONTAL DRAINAGE PIPING.

Minimum Grade: Horizontal plumbing and drainage piping shall be installed in the shortest practical alignment using the minimum number of fittings and at a uniform slope of not less than one-fourth (1/4") inch per foot toward the point of disposal; except that where it is impractical due to the depth of the public sewer, or structural features, or the arrangement of the building, or structure does not permit a slope of one-fourth (1/4") inch per foot, such piping may then have a slope of not less than one-eighth (1/8") inch per foot.

SEC. 93.0809 BACK FLOW PROTECTION AND DRAINAGE BELOW MAIN SEWER LEVEL.

(a) Fixtures within a building may be protected from back flow of sewage by installing an approved type back water valve.

(b) 1. Drainage piping serving fixtures within a building located below the crown level of the main sewer, shall discharge into an approved water-tight sump or receiving tank, so located as to receive the sewage or wastes by gravity. From such sump, the receiving tank the sewage or other liquid wastes shall be lifted and discharged into the house drain or house sewer by approved ejectors, pumps, or other equally sufficient mechanical devices.

2. Waste Ejectors: When waste ejectors are to be installed, the discharge of waste water from plumbing fixtures into the main sewer shall be made through a back water valve.

00468

00470

vent shall have less than one-quarter (1/4") inch per foot grade.

(2) Rise of Vent: Vent pipes shall rise vertically to a point not less than four (4') inches above the overflow level of the fixture served before changing to a horizontal direction.

(b) Vent Intersection: All vent intersections shall be not less than four (4') inches above the highest possible water line of the fixtures they serve.

(c) Vent for Double Fitting: Two fixtures back to back or side by side may be served with one vent provided that each fixture wastes separately into an approved type double fitting.

(d) Horizontal vents may be installed provided said vents and other vertical portions of the vent above the horizontal vent shall be constructed of cast iron or copper.

(e) Venting Changes of Direction: Changes in direction of vent piping shall be made by the appropriate use of approved fittings and no vent pipe shall be strained or bent.

SEC. 93.0905 VENT TERMINATION.

(a) Each vent pipe or stack shall extend through its flashing and shall terminate vertically not less than four (4') inches nor more than ten (10') inches above the roof or fire wall and not less than one (1') foot from any vertical surface except as provided for in SEC. 93.0905 (b). A vent may terminate not less than one (1') inch above a finished pitched roof when flashed with not less than a two and one-half (2 1/2) pound lead flashing properly turned down into vent pipe when approved by the Department of Building Inspection.

(b) Each vent shall terminate not less than ten (10') feet from or at least two (2') feet above any window, door opening, air intake or vent shaft, nor less than three (3') feet in every direction from any lot line, alley and street excepted.

(c) Vent pipes shall be extended separately or combined, of full required size, not less than four (4') inches above the roof or fire wall. Flagging of vents is prohibited except where the roof is used for purposes other than weather protection. In such cases the vent shall extend not less than seven (7') feet above the roof and be securely stayed.

(d) Vent pipes for outdoor installations shall extend at least ten (10') feet above the surrounding ground and shall be securely supported.

(e) Joints at the roof, around vent pipes, shall be made watertight by the use of approved flashings or flashing material.

SEC. 93.1011 INDIRECT CONNECTIONS.

No evaporative cooler, air washer, or similar air conditioning equipment and no cold storage room refrigerator, cooling counter, compartment, receptacle, appurtenance or device, which is used, designed or intended to be used for the manufacture, preparation, storage, or handling of food or drinks, shall have any drain pipe in connection therewith directly connected to any soil, waste or vent pipe. Such equipment shall be drained by means of indirect waste pipes as defined in this Code, and all wastes drained by such equipment shall terminate at least one (1') inch above the overflow rim of such fixture.

Counter sinks, bar sinks, fountain sinks and similar fixtures may be drained by indirect waste pipes.

The foregoing does not apply to any dishwashing or culinary sink in any food preparation room unless such receptacle is used for soaking or washing ready-to-serve food.

The material and size of indirect waste pipes shall be in accordance with the provisions of other sections of this Code applicable to drainage piping and in addition shall include brass, galvanized steel pipe and fittings.

It is provided however that no indirect waste pipe need be larger in diameter than the drain outlet or tailpiece of the fixture, appliance or equipment served, but in no case shall any such indirect waste pipe be less than one-half (1/2") inch in size.

SEC. 93.1004 INDIRECT WASTE RECEPTORS.

(a) All plumbing fixtures or other receptors receiving indirect waste discharge shall be of such shape and capacity as to prevent splashing or flooding, shall be located where they are readily accessible for inspection and cleaning and shall not be located within the enclosure or housing of any food storage equipment, No floor drain and no plumbing fixture which is used for domestic or culinary purposes, shall be used as an indirect waste receptor. Indirect waste pipes shall discharge into floor sinks, stand-pipe receptors or other approved fixtures. No stand-pipe receptor shall extend more than two (2') feet above its trap. No indirect waste receptor shall be installed in any toilet room, closet, or store room nor in any other portion of a building not in general use by the occupants thereof, except as allowed in SEC. 93.1009.

(b) When impractical to properly trap and vent, laboratory sinks may waste indirectly into floor sinks on approval of the Director of Building Inspection.

SEC. 93.1005 INDIRECT WASTE PIPING.

(a) No indirect waste pipe shall exceed fifteen (15') feet in length, except cooling or condensate drainage. Any indirect waste pipe exceeding four (4') feet in length shall be effectively trapped but such traps need not be vented. Angles and changes of direction of indirect waste pipes shall be provided with cleanliness so as to permit flushing and cleaning.

(b) All stand-pipe receptors serving domestic clothes washing machines shall extend not less than twenty-four (24") inches above its trap nor shall it terminate higher than thirty-four (34") inches above the floor.

SEC. 93.1009 COOLING WATER.

Condensate, or clean running water used exclusively as a cooling medium in an appliance, device, or apparatus, may discharge into the drainage system through the inlet side of a fixture trap. When such an indirect connection is used, the trap connection may be by means of a pipe connected to the inlet side of an approved fixture trap with the upper end terminating in a funnel-shaped receptor set adjacent to, and not less than six (6") inches above the overflow rim of the fixture. Receptor for cooling or condensate water may be installed in toilet rooms. However, water closets, urinals, or similar fixtures may not be used as receptors.

Plastic pipe bearing NSF approval may be used for condensate drains on air conditioning units.

SEC. 93.1013 DOMESTIC FOOD DISPOSERS.

(a) 1. Waste food disposers shall be installed only with a separate properly vented trap and with a separate waste opening to receive the discharge therefrom. The discharge from no other fixture shall discharge into the waste food disposer. Domestic dishwashers may discharge into the house side of the trap serving a domestic sink when approved directional fittings are used but condensate shall not connect into a continuous waste portion of an installation.

2. One waste food disposer and one sink may be connected to approved and properly installed fittings, located at a vertical waste line, provided that the waste openings serving the sink and disposer are not more than seven and one-half (7 1/2") inches center to center apart and that the waste food disposer is connected to the lower waste fitting. Center line of the horizontal outlet of the lower waste fitting shall be not less than nine (9") inches above finished floor.

3. A waste food disposer may be installed in a two-part sink in a dwelling. One of the sink compartments may be connected to the inlet side of a trap serving the food waste disposer by means of a continuous waste, said continuous waste connection shall be below the waste outlet of the grinder and shall be in

accordance with requirements of recognized published standards of practice.

(c) Slip joints: In drainage work slip joints may be used only on the inlet side of the trap.

(d) Expansion joints: Approved expansion joints shall be accessible and may be used where necessary to provide for expansion and contraction of the pipes.

(e) Unions: Approved screw type ground joint metal to metal seat unions may be used in drainage work when accessibly located in the trap seal, or between a fixture and its trap and in the vent system except underground or in wet vents.

(f) Ground joint brass connections: Ground joint brass connections which allow adjustment of water tubing but provides a rigid joint when made up shall not be considered as slip joints.

SEC. 93.1305 STRAINERS AND CONNECTIONS.

(a) Strainers - All plumbing fixtures, other than water closets and syphon action washdown or blowout urinals, shall be provided with approved strainers having an approved waterway area.

(b) Continuous wastes and fixture tail pieces shall be constructed from the materials specified in SEC. 93.0801 for drainage piping, provided, however, that such connections where exposed or accessible may be of seamless drawn brass not less than No. 20 B&S gauge, .032" in thickness. Each such tail piece or continuous waste shall be not less than one and one-half (1 1/2") inches O.D. for sinks, dishwashers, laundry tubs, urinals and similar fixtures, and not less than one and one-quarter (1 1/4") inches for lavatories, drinking fountains and similar small fixtures. Trip lever waste and overflows for bathtub shall be not less than one and one-half (1 1/2") inches O.D. except chain and stopper waste and overflow may be one and three-eighths (1 3/8") inches O.D.

(c) Approved directional type fittings shall be used in any continuous waste line.

(d) The vertical distance between a fixture outlet and the trap weir shall be as short as structurally possible.

SEC. 93.1309 URINALS.

(a) Automatic flushing tank - Tanks flushing more than one urinal shall be automatic in operation and of sufficient capacity to provide the necessary volume to flush and properly cleanse all urinals simultaneously.

(b) Automatic Flush Valves - No flushometer valve shall be used to flush more than one urinal and each urinal flush valve shall be of an approved self-closing type.

(c) 1. Trough urinals - Trough urinals shall have strainers with outlets at least one and one-half (1 1/2") inches in diameter. The washdown pipe shall be perforated so as to flush with an even curtain of water against the back of the urinal. This pipe shall be of approved type brass, and shall be securely clamped as high as practicable to the back of the urinal.

2. Equivalent length - Trough urinals shall be figured on the basis of one urinal for each 18 inches of length, provided that—

24-inch trough equals 1 urinal.

36-inch trough equals 2 urinals.

48-inch trough equals 2 urinals.

60-inch trough equals 3 urinals.

72-inch trough equals 4 urinals.

(d) Floor-type Urinals - Floor-type trough urinals are prohibited.

(e) Urinals shall be provided with an approved type vacuum breaker or an air gap in the water supply line to urinal.

SEC. 93.1311 FLOOR DRAINS AND SHOWER STALLS.

Floor drain Requirement: (a) Floor drains and shower drains shall be considered plumbing fixtures and each such drain shall be provided with an approved type strainer. Floor drains shall be suitably flanged to provide a water-tight joint in the floor.

(b) Each shower receptor shall be an approved type and be so constructed as to have a finished dam, curb or threshold which is at least one (1") inch lower than the sides and back of such receptor. In no case shall any shower receptor be less than two (2") inches or more than nine (9") inches in depth measured from the top of the finished threshold.

(c) No shower stall or receptor shall have any interior dimension which is less than thirty (30") inches, nor shall it have a floor area of less than nine hundred (900) square inches. On-site construction of a built-up shower receptor shall be permitted when one of the following means is employed:

1. Receptors built directly on the ground: Shower receptors built directly on the ground shall be water-tight and shall be constructed from approved type dense, non-absorbent and non-corrosive materials. Each such receptor shall be adequately reinforced, shall be provided with a suitably flanged floor drain designed to make a water-tight joint in the floor, and shall have smooth, impervious and durable surfaces.

2. Receptors above ground: When shower receptors are built above ground, the sub-floor and rough side walls to a height of not less than three (3") inches above the top of the finished dam or threshold shall be first lined with sheet lead or copper or with three layers of fifteen (15) pound tar or asphalt roofing paper, each layer thoroughly mopped with hot asphalt, or shall be lined with such other durable and water-tight materials as the Administrative Authority may deem equivalent to those aforementioned. All such lining materials shall extend upward on the rough jambs of the shower opening to a point not less than three (3") inches above the top of the finished dam or threshold and shall extend outward over the top of the rough threshold and be turned over and fastened on the outside face of both the rough threshold and the jambs.

All corners shall be made thoroughly waterproof by lapping and flashing. Linings shall be properly recessed and fastened to approved backing so as not to occupy the space required for the wall covering and shall not be nailed or perforated at any point which will be less than one (1") inch above the finished dam or threshold. An approved type sub-drain shall be installed with every such shower safe pan or lining. Each such drain shall be of the type that sets flush with the sub floor and shall be equipped with a clamping ring or other device to make a tight connection between the shower stall lining and sub drain. The drain shall have weep holes into the waste line.

Lead and copper pans shall be insulated from all conducting standards other than their connecting drain by fifteen (15) pound asphalt felt or its equivalent and no lead pan shall be constructed of material weighing less than four (4) pounds per square foot. Copper pans shall be at least No. 24 B&S gauge. Joints in lead pans and copper pans shall not be soldered but shall be burned or silver brazed respectively.

(d) Shower pans are not plumbing fixtures and the requirements of this section are installation requirements for all shower pans.

(e) Hinged shower doors shall open outward.

SEC. 93.1312 COMBINATION CONNECTIONS: Sinks - Laundry Outlet

(a) Combination Sink: A three-compartment sink may be connected to one trap when such trap is centrally located. One two-compartment sink may be installed on one trap, if one compartment is not more than six (6") inches deeper than the other compartment and their waste outlets are not more than thirty (30") inches apart.

- (2) Cast iron soil pipe. - Cast iron soil pipe shall be supported at not less than at every story height and at its base.
- (3) Screwed pipe. - Screwed pipe (IPS) shall be supported at not less than every other story height.
- (4) Copper tubing. - Copper tubing shall be supported at each story for piping 1 1/2 inches and over and at not more than 8 foot intervals for 1 1/2 inches and smaller. Copper pipe or tube in contact with structural members or hangers shall be insulated or padded.
- (5) Lead pipe. - Lead pipe shall be supported at intervals not exceeding 4 feet.
- (b) Horizontal Piping
 - (1) Supports. - Horizontal piping shall be supported at sufficiently close intervals to keep it in alignment and prevent sagging.
 - (2) Cast iron soil pipe. - Cast iron soil pipe shall be supported at not more than 5 foot intervals.
 - (3) Screwed pipe. - Screwed pipe (IPS) shall be supported at approximately 12 foot intervals.
 - (4) Copper tubing. - Copper tubing shall be supported at approximately 8 foot intervals for piping 1 1/2 inches and smaller and 10 foot intervals for piping 2 inches and larger.
 - (5) Lead pipe. - Lead pipe shall be supported by strips or otherwise for its entire length.
- (c) Hangers and Anchors

(1) Material. Hangers and anchors shall be of metal of sufficient strength to support their proportional share of the pipe and contents. Hangers and anchors shall be of rust resistant iron or other approved material. In no case shall hangers be less weight than perforated iron 1/32 inch thick and three-fourths (3/4") inch wide securely nailed, bolted to the structure or screwed and held in place with not less than 3/16" x 1/2" stove bolts.

(2) Stone, concrete, brick or similar material shall be used where necessary to support any part of the plumbing system above ground on piers or pedestals.

SEC. 93.0712 TRENCHING, EXCAVATION AND BACKFILL.

- (a) Support of piping. - Buried piping shall be supported throughout its entire length.
- (b) Open trenches. - All excavations required to be made for the installation of a building-drainage system, or any part thereof within the walls of a building, shall be open trench work and shall be kept open until the piping has been inspected, tested and accepted.

SEC. 93.0801 MATERIALS.

- (a) Building drainage pipe shall be cast iron soil pipe, copper tubing or lead pipe.
- (b) Copper tubing installed underground shall be not less than Type "L". Copper tubing above ground shall be not less than Type DWV.
- (c) Drainage fittings shall be of cast iron, lead, brass or copper having smooth interior waterway of the same diameter as the piping served.

1. Fittings on screwed pipe shall be of the recessed drainage type. Burred ends shall be reamed to the full bore of the pipe.

2. The threads of drainage fittings shall be tapped so as to allow one fourth (1/4") inch per foot grade.

SEC. 93.0802 FIXTURE UNIT EQUIVALENTS.

(a) All plumbing fixtures shall be installed with minimum trap and waste line sizes listed in Table No. 1 and/or as provided as a minimum elsewhere in this Code. The unit equivalent of plumbing fixtures as shown in Table No. 1 shall be used for sizing of vent and waste lines. Where more than one trap is used for any plumbing fixture, the proportionate number of units listed in Table No. 1 will be used for each said trap in sizing of the waste and vent lines.

EXAMPLE: (1) A two-compartment sink on a continuous waste system would have a single trap and have a fixture unit equivalent of two (2) for purposes of waste and vent line sizing.

(2) A two-compartment sink using two traps would have a fixture unit equivalent of four (4) for purposes of waste and vent line sizing.

(b) The unit equivalent of fixtures and devices not shown in Table No. 1 shall be based on the rated discharge capacity in gallons per minute in accordance with Table No. 2. The minimum trap size up to four (4") inches for such unlisted fixtures and devices is as follows:

1 1/2"	1
1 3/4"	2

xNOTE: The size and discharge rating of each indirect waste receptor and each interceptor shall be based on the total rated discharge capacity of all fixtures, equipment, or appliances discharging thereto in accordance with Table No. 2.

Where trap sizes are increased over the minimum shown in Table No. 1 or greater waste loadings are evident, the discharge rating shall be determined in accordance with Table No. 2.

DISCHARGE CAPACITY (In Gals. per min.)	
Up to 7 1/2	Equals 1 Unit
8 to 15	Equals 2 Units
16 to 30	Equals 4 Units
31 to 50	Equals 6 Units

Over 50 gals. shall be determined by the Administrative authority.

SEC. 93.0804 FIXTURE CONNECTIONS DRAINAGE.

- (a) Drainage piping shall be provided with approved inlet fittings for fixture connections, correctly located according to the size and type of fixture proposed to be connected and meeting all the requirements of this division.
- (b) Two fixtures of similar usage set within the distance allowed between a trap and its vent, may be served by a single drainage pipe provided that each fixture wastes separately into an approved double fitting having inlet openings at the same level.
- (c) Each waste outlet for a plumbing fixture that requires roughing-in above grade shall be immediately in the rear of the

structural members or the arrangement of the building, or structure does not permit a slope of one-fourth (1/4") inch per foot such pipe or piping may then have a slope of not less than one-eighth (1/8") inch per foot.

SEC. 93.0809 BACK FLOW PROTECTION AND DRAINAGE BELOW MAIN SEWER LEVEL.

- (a) Fixtures within a building may be protected from back flow of sewage by installing an approved type back water valve.
- (b) 1. Drainage piping serving fixtures within a building located below the crown level of the main sewer, shall discharge into an approved water-tight sump or receiving tank, so located as to receive the sewage or wastes by gravity. From such sump or receiving tank the sewage or other liquid wastes shall be lifted and discharged into the house drain or house sewer by approved ejectors, pumps, or other equally sufficient approved mechanical devices.

2. Waste Ejectors: When waste ejectors are to be installed to receive the discharge of waste water from plumbing fixtures other than water closets, urinals and sinks, which waste ejectors are to be located below the flow line of the main sewer, they shall be constructed of cement, cast iron, or other approved material. The cover shall be made gas tight. The capacity of the tank shall meet the approval of the Director. The ejector shall be automatic. All tanks and waste ejectors shall be of an approved type.

(c) The minimum size of any sump pump or any discharge pipe from a sump having a water closet connected thereto shall be not less than two (2") inches.

(d) The discharge line from such ejector, pump, or other mechanical device shall be provided with an accessible back-water valve and gate valve or check valve and gate valve, and if the gravity drainage line to which such discharge line connects is horizontal, the method of connection shall be from the top through a "Wye" branch fitting.

(e) House drains or house sewers receiving discharge from any pump or ejector shall be adequately sized to prevent overloading. Two (2) fixture units shall be allowed for each gallon per minute of continuous flow.

(f) Back-water valves, gate valves, motors, compressors, air tanks, or other mechanical devices, required by this Section shall be located where they will be readily and easily accessible for inspection and repair at all times, and unless continuously exposed, shall be enclosed in a water-tight masonry pit fitted with an adequately sized removable cover.

(g) The drainage and venting systems in connection with fixtures, sumps, receiving tanks and mechanical waste lifting devices, shall be installed as required in this Code for gravity systems.

(h) Sumps and receiving tanks shall be constructed of concrete or metal. If constructed of concrete, the walls and bottom shall be not less than six (6") inches thick, plastered on the inside with cement plaster not less than one-half (1/2") inch thick. Metal sumps and receiving tanks shall be of such thickness as to serve the purpose for which they are intended, and shall be painted inside and outside with corrosion resisting paint.

(i) All such sumps and receiving tanks shall be automatically discharged.

(j) Sumps and receiving tanks shall be provided with substantial air tight covers having a bolt and gasket type manhole that will permit access to the tank for repairs and cleaning. The top shall be provided with a vent pipe which shall extend separately to the roof or, when permitted, may be combined with other vent pipes. Such vent shall be large enough to maintain atmospheric pressure within the sump under all normal operating conditions, and in no case shall be less in size than that required by Table 3 for the number of fixtures discharging into the sump nor less than one and one-half (1 1/2") inches in diameter. When the foregoing requirements are met and the vent after leaving the sump is combined with vents from fixtures discharging into the sump the size of the combined vent need not exceed that required for the total number of fixtures discharging into the sump. No vent from an air operated sewage ejector shall combine with other vents.

(k) Air tanks shall be so proportioned as to be of equal cubical capacity to the ejectors connected therewith in which there shall be maintained an air pressure of not less than two (2) pounds for each foot of height the sewage is to be raised. No water operated ejectors shall be permitted.

(l) When subsoil drainage systems are installed, they shall be discharged into an approved sump or receiving tank and shall be discharged in a manner satisfactory to the Administrative Authority.

xxxExcept Six-Unit Trap or Fixture

Only two toilets or trailer park traps or fixtures allowed on a branch or drain, and four toilets or trailer park traps or fixtures allowed on any vertical pipe or stack provided that not more than two toilets or trailer park traps or fixtures are connected to the stack in any one story and that water closets are limited to flush tank type. Flushometer water closets are permitted on not less than four (4") inch vertical or horizontal lines.

SEC. 93.0902 MATERIALS.

(a) Vent pipes shall be cast iron soil pipe, galvanized steel, galvanized wrought iron, threaded cast iron, lead, copper or brass, except that no galvanized steel or galvanized wrought iron, shall be used underground and shall be kept at least six (6") inches above slab.

(b) Copper tubing installed underground shall be not less than Type L. Copper tubing installed above ground shall be not less than Type DWV.

(c) Changes in direction of vent piping shall be made by the appropriate use of drainage-type fittings and no such pipe shall be strained or bent. Burred ends shall be reamed to the full bore of the pipe.

SEC. 93.0904 VENT PIPE GRADES AND CONNECTIONS.

(a) Location of Main Vent: The main vent stack may be placed where most practical.

(b) Venting Methods: Venting shall be accomplished by the appropriate use of soil or waste stacks, vents, revents, back vents, circuit of continuous vents or a combination thereof, installed in accordance with the requirements of this Code. The venting methods set forth in sections regulating foot vents and combination waste and vent systems are alternate methods of venting when separate venting is not practical. Such alternate methods shall comply separately and shall not be combined in the installation of any single fixture or group of fixtures.

(c) Trap Protection: Every trap shall be protected from siphonage and back pressure, and air circulation assured, by means of a vent pipe of the caliber, weight, and material as specified in this Code, except as provided for indirect fixtures.

(d) Vent Below Trap: Vent pipes shall not be taken off below the weir of the trap they serve, except for water closets, clinical sinks, urinals or other similar fixtures requiring siphonic action.

(e) Siphon Leg: The vent pipe for plumbing fixtures that require a siphon leg to complete the function of fixture trap, shall be taken off at a point below the fixture, in such manner as not to interfere with the proper operation of the fixture.

(f) Grade of Vent: All vent pipes shall be so graded and connected, as to drain back to the drainage pipe it serves. No

...shall discharge into the waste food disposer. Domestic dishwashers shall discharge into the waste side of the trap serving a domestic sink when approved directional fittings are used but cannot connect into a continuous waste portion of a installation.

2. One waste food disposer and one sink may be connected to approved and properly installed fittings, located in a vertical waste line, provided that the waste openings serving the sink and disposer are not more than seven and one-half (7 1/2) inches center to center apart and that the waste food disposer is connected to the lower waste fitting. Center line of the horizontal outlet of the lower waste fitting shall be not less than nine (9) inches above finished floor.

3. A waste food disposer may be installed in a two-part sink in a dwelling. One of the sink compartments may be connected to the inlet side of a trap serving the food waste disposer by means of a continuous waste said continuous waste connection shall be below the waste outlet of the grinder and shall be entirely above the water seal of the trap, and shall be installed in the most direct method with a minimum of fittings and shall not be more than thirty (30) inches in length. The disposer connection shall be immediately over the trap inlet.

4. A food waste disposal unit shall not be connected to, or discharge into, an interceptor or separator.

SEC. 93.1101 TRAPS AND INTERCEPTORS.

(a) Each plumbing fixture, except those having integral traps, shall be separately trapped by an approved type water seal trap. (b) Continuous Wastes: Continuous wastes and fixture tail pieces shall be constructed of seamless drawn brass not less than No. 20 gauge. Tail pieces, or continuous waste shall not be less than one and one-half (1 1/2) inches O.D. for sink, dishwashers, laundry tubs, bath tubs, and urinals and similar fixtures, and not less than one and one-quarter (1 1/4) inches for lavatories, drinking fountains and similar small fixtures.

(c) Qualities of Fixture Traps. Each trap, except interceptors or similar devices, shall have a uniform interior, smooth waterway and be self-cleaning. Fixture traps shall be of standard design and weight and be of lead, cast iron, cast brass, copper, or of drawn brass tubing of not less than 20 B&S gauge in thickness. Each trap shall have the manufacturer's name stamped legibly on the body of the trap. Each tubing trap shall have the gauge of the tubing stamped legibly thereon.

(d) Trap Seal: Each trap shall have a water seal of not less than two (2) inches and not more than seven (7) inches.

(e) Traps: Traps shall be installed level, so as to provide a full water seal.

(f) Trap Screw Protection: Each trap shall be constructed so that the water seal will protect the trap screw.

(g) Use of Code Traps Only: No type of trap shall be installed in any soil or waste line except fixture traps and traps required by this Code.

(h) Drum Traps: Drum traps or pot traps shall not exceed four (4) inches in diameter nor be more than eight (8) inches deep. Drum traps may be installed only as provided for in this Section or as required by the Director.

1. Drum traps may be installed to receive the waste from dental cuspidors, when it is necessary to provide against dental materials entering the plumbing system.

2. The distance between the drum trap and the vent may be greater than provided for in Section 93.1102, but in no case shall said distance be greater than eight (8) feet.

3. Drum traps shall be installed with the trap screw on top and accessible, to expedite trap cleaning.

(i) Illegal Traps: No trap which depends upon the action of movable parts or concealed interior partitions for its seal shall be used. Full "S" traps are prohibited. Bell traps are prohibited. Crown-vented traps are prohibited.

(j) Slip Joints: Slip joints are prohibited on the sewer side of the trap seal.

SEC. 93.1102 TRAPS PROTECTED BY VENT PIPES.

(a) Each plumbing fixture trap, except as otherwise provided in this Code, shall be protected against siphonage and back pressure, and air circulation assured throughout all parts of the drainage system, by means of a vent pipe, installed in accordance with the requirements of this Code.

(b) Each fixture trap shall have a protecting vent so located that the developed length in the fixture drain from the trap weir to the vent is within the distance given in the following table:

Size of Fixture Drain (Inches)	Distance Trap to Vent (Feet)	Inches
Maximum Slope one-fourth (1/4) inch per foot		
1 1/2" Drinking Fountain only	2	6
1 1/2"	2	6
2"	3	0
2"	3	0
2" and 3" floor drains and floor sinks	3	6
4" and larger floor drains and sand traps	10	0
Water closets, clinic sinks, bedpan washers and similar fixtures	3	6

(c) The vent pipe opening from a soil or waste pipe, except for water closets and similar fixtures having siphonic action, shall not be below the weir of the trap. The developed length between the trap of a water closet or similar fixture and its vent shall not exceed (3'6") three feet 6 inches.

SEC. 93.1202 TYPES OF JOINTS.

(a) Caulked Joints: Caulked joints for cast iron bell-and-spigot soil pipe shall be firmly packed with oakum or hemp and filled with molten lead of standard width to a depth of not less than one (1) inch and not to extend more than one-eighth (1/8) inch below rim of hub. No paint, varnish, or other coatings shall be permitted on the joining material until after the joint has been tested and approved.

(b) Threaded joints - screwed joints: Threads shall conform to American National Taper Pipe thread, ASA B2. 1-1945 or F8 GGG-P-351a. All burrs shall be removed. Pipe ends shall be reamed or filed out to size of bore, and all chips shall be removed. Pipe-joint compound shall be used only on male threads. Pipe-joint compound shall be insoluble in water and all such compound used on water piping shall be non-toxic. Cleanout plugs and caps shall be lubricated with water insoluble non-hardening compound.

(c) Wiped joints: Joints in lead pipe or fittings, or between lead pipe or fittings and brass or copper pipe, ferrules, solder nipples, or traps, shall be full-wiped joints. Wiped joints shall have an exposed surface on each side of a joint not less than three-fourths (3/4) inch and at least as thick as the material being jointed. Wall or floor flange lead-wiped joints shall be made by using a lead ring or flange placed behind the joint at wall or floor. Joints between lead pipe and cast iron, steel or wrought iron shall be made by means of a caulking ferrule or soldering nipple.

(d) Soldered or sweat joints: Soldered or sweat joints for tubing shall be made with approved fittings. Surfaces to be soldered or sweated shall be cleaned bright. The joints shall be properly fluxed with non-corrosive flux and made with approved solder. Tubing traps shall be connected to their waste outlets by means of an approved metal to metal joint, hexagon brass solder bushing, brass solder ring or an approved all brass compression fitting.

(e) Burned lead joints: Burned (welded) lead joints shall be lapped and the lead shall be fused together to form a uniform weld at least as thick as the lead being jointed.

SEC. 93.1204 SPECIAL JOINTS.

(a) 1. Joints from copper tubing to threaded pipe shall be made by the use of copper or brass adapter fittings. Solder rings are not accepted as approved adapter fittings except as provided in SEC. 93.1202 (d). The joints between the copper tubing and fittings shall be properly sweated or soldered and the connection between the threaded pipe and the fitting shall be made with a standard pipe size screw joint.

2. Copper Tubing to Cast Iron Soil Pipe and Cast Iron Soil Fittings: Joints between cast iron soil pipe or cast iron soil pipe fittings and copper tubing shall be made with the proper adapter. The joints between the copper tubing and the adapter shall be properly sweated or soldered and the connection between the adapter and the soil pipe or soil fitting shall be made with a caulked joint as provided in SEC. 93.1202 (a).

(b) Brazing or welding: Brazing or welding shall be performed in

accordance with the requirements of the American Welding Society. All steel and copper parts shall be insulated from all conducting substances other than their conducting drain by fifteen (15) pound asbestos material weighing less than four (4) pounds per square foot. Copper pipe shall be at least No. 24 B&S gauge. Joints in lead pans and brass respectively.

(d) Shower pans are not plumbing fixtures and the requirements of this section are installation requirements for all shower pans.

(e) Hinged shower doors shall open outward.

SEC. 93.1312 COMBINATION CONNECTIONS: Sinks - Laundry Outlet (a) Combination Sink: A three-compartment sink may be connected to one trap when such trap is centrally located.

One two-compartment sink may be installed on one trap, if one compartment is not more than six (6) inches deeper than the other compartment and their waste outlets are not more than thirty (30) inches apart.

(b) Double Connections: Two kitchen sinks or two laundry tubs, or two basins located respectively, in the same room, may be connected to one trap if their waste openings from center to center, are not more than thirty (30) inches apart.

(c) Where water service connections are provided for a clothes-washer, an approved receptor shall be provided or the waste may discharge as provided in Section (e) below.

(d) A sink trap used for food handling shall not serve in connection with either a laundry tray or a clotheswasher.

(e) Clotheswasher and Tray: One clotheswasher may discharge into the trap of an adjacent laundry tray providing that said connection is made on the inlet side of the trap above the water seal.

(f) A trap or laundry tray is required at all rough-ins for clotheswashers.

SEC. 93.1401 SEWER REQUIRED.

(a) Each building in which plumbing fixtures are installed and every premises having drainage piping thereon shall have a separate connection to a public or approved private sewage disposal system, except as provided for in SEC. 93.0612.

(b) When no public sewer, intended to serve any lot or premises, is available in any thoroughfare or right of way abutting such lot or premises, drainage pipe from any building or works shall be connected to an approved private sewage disposal system.

(c) The rearrangement or subdivision into smaller parcels of a lot which abuts and is served by a public sewer shall not be deemed cause to permit the construction of a private sewage disposal system, and all plumbing or drainage systems on any such smaller parcel or parcels shall connect to the public sewer when available.

(d) On every lot or premises hereafter connected to a public sewer, all plumbing and drainage systems or part thereof on such lot or premises shall be connected to such public sewer.

(e) Where the grade of the main sewer permits, all building sewers (house sewers) must be not less than twenty-four (24) inches below established grade at point of connection to public sewer measured from the bottom of the ditch.

(f) Where the grade of the main sewer permits, the building sewer (house sewer) must be properly buried, except where impractical.

SEC. 93.1405 SIZE OF HOUSE SEWERS.

(a) The size of any house sewer shall be determined on the basis of the total number of fixture units drained by such sewer, in accordance with Table No. 3 provided however that the minimum size of the house sewer shall be three (3) inches inside diameter.

(b) Manholes Required: On private property, all house soil lines ten (10) inches or larger in diameter, extending a distance greater than 300 feet from the building sewer connection to a sewer main, shall be provided with a manhole every 300 feet. Said manhole must comply with City Engineering Department Specifications.

SEC. 93.1406 GRADE, SUPPORT AND PROTECTION OF HOUSE SEWERS.

(a) House sewers shall be run in practical alignment and at a uniform slope of not less than one-fourth (1/4) inch per foot, provided, however, that any such pipe or piping may have a slope of not less than one-eighth (1/8) inch per foot when approved by the Director of Building Inspection.

(b) House sewer piping, other than cast iron, shall be laid on a firm bed through its entire length. Any such piping laid in made or filled-in ground shall be laid on a bed of approved materials and shall be adequately supported to the satisfaction of the Director of Building Inspection. All cast iron piping shall be adequately supported at maximums of five (5) foot intervals.

Vitrified clay pipe and fittings shall be laid to a true line and an even grade on a firm foundation, with suitable excavation to receive the socket, so as to provide uniform bearing along the entire length of the barrel of the pipe. Pipe laying shall start at the lowest point and proceed up grade with socket pointing up grade.

All vitrified clay pipe house sewers shall have a minimum depth below finish grade of at least eighteen (18) inches except when protected with concrete.

(c) No house sewer or other drainage piping or part thereof which is constructed of materials other than those approved for use under or within a building shall be installed under or within three (3) feet of any building or structure or part thereof, nor less than one (1) foot below the surface of the ground. The provisions of this subsection include structures such as porches and steps, whether covered or uncovered.

SEC. 93.1408 SEWER AND WATER PIPES.

Water service pipes, or any underground water pipes, shall not be run or laid in the same trench with building sewer or drainage piping, except as provided in this section.

The water service pipe may be placed in the same trench with the building drain and building sewer provided both of the following conditions are met:

The bottom of the water service pipe at all points shall be at least twelve (12) inches above the top of the sewer line.

The water service pipe shall be placed on a solid shelf excavated at one side of the common trench.

Section 4. A violation of any provision or the failure to comply with any of the requirements established by this ordinance shall constitute a misdemeanor. Any person convicted of such violation or such failure shall be punishable by a fine of not more than Five Hundred Dollars (\$500.00) or by imprisonment in the City Jail for not more than six months or by both fine and imprisonment. All provisions of Section 11.12 of the San Diego Municipal Code shall apply.

Section 5. This ordinance shall take effect and be in force on the 31st day from and after its passage.

Passed and adopted by the Council of the City of San Diego, California, this 9th day of July, 1959, by the following vote, to-wit: YEAS—Councilmen: Hartley, Curran, Evenson, Mayor Dail. NAYS—Councilmen: None. ABSENT—Councilmen: Tharp, Schneider, Kerrigan.

ORDINANCE No. 8150
(New Series)

AN INTERIM ORDINANCE ESTABLISHING REGULATIONS
GOVERNING THE USE OF LAND IN THE GOLDEN ARROW
TRACT ANNEXATION AREA IN THE CITY OF SAN DIEGO,
CALIFORNIA.

WHEREAS, the Planning Commission is making a study of a comprehensive zoning plan for certain recently annexed areas within The City of San Diego, which areas include the Unnumbered Lot, Blocks 10, 11, 17, 18, 19, 20, 21, 22 and the streets and alleys adjacent thereto in Grantville and Out Lots in The City of San Diego, California (Golden Arrow Tract Annexation), as indicated on Planning Commission Zone Map Drawing No. C-174, attached to Planning Commission communication on file in the office of the City Clerk as Document No. 595105; and

WHEREAS, it is desirable under the authority of Section 101.0203.1 of the San Diego Municipal Code to regulate the use of said above described lands pending the adoption of a comprehensive zoning plan therefor; and

WHEREAS, the development of the land and use of buildings thereon might be accomplished in a manner adverse to said comprehensive zoning plan; and

WHEREAS, the City Council is of the opinion that the public safety, health and welfare would be promoted by the adoption of such temporary interim zoning ordinance; NOW, THEREFORE,

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That all that territory situated in The City of San Diego, California, within the boundary of the district designated "R-1" on Planning Commission Zone Map Drawing No. C-174, filed in the office of the City Clerk of said City under Document No. 595105, be, and the same is hereby incorporated

into a temporary interim zone with property use restrictions identical with those described in Section 101.0413 of the San Diego Municipal Code.

Section 2. That all that territory situated in The City of San Diego, California, within the boundary of the district designated "A1-1" on Planning Commission Zone Map Drawing No. C-174, filed in the office of the City Clerk of said City under Document No. 595105, be, and the same is hereby incorporated into temporary interim zone, in which no building, and/or improvement, or portion thereof, shall be erected, constructed, converted, established, altered and/or enlarged, nor shall any premises be used for any purpose except as hereinafter specifically provided, subject to the following restrictions:

a. Only one single family dwelling may be erected on any one lot as defined by Section 101.0101.23 of the Code; however, on lots containing more than 5 acres, there may be constructed and maintained one additional single family dwelling for each additional 10 acres or fraction thereof;

b. Elementary and Junior High Schools, public parks and playgrounds, and public or private stables;

c. Crop and tree farming; truck gardening, nurseries, greenhouses, apiaries, commercial hatcheries, aviaries, commercial flower or vegetable gardens;

d. Processing for market of crops raised or produced on the premises;

e. Small livestock farming; the raising or keeping of poultry, fowl, rabbits, sheep, goats or similar animals; farms or ranches for the grazing, breeding or training of horses and cattle; commercial goat or cattle dairies; provided such dairies are located on lots of 5 acres or more. On any lot of less than 5 acres, the number of sheep, goats, cattle, horses or hogs shall not exceed a number per acre, equal to 3 animals in any combination of the foregoing animals.

f. Killing and dressing of poultry, fowl and rabbits raised on the premises, provided the building used for killing and dressing is a minimum of 50 feet from any property line;

g. Public utility substations and transmission lines;

h. Accessory buildings and uses customarily incident to any of the above uses;

i. One stand exclusively of wood frame construction (except the floor), having a floor area of not more than 300 square feet, for the display and sale of products lawfully produced on the property. Such stand shall be placed not nearer than 40 feet from the center line of any street or highway upon which such property fronts;

j. Signs

(1) One double-faced, unlighted sign, not exceeding 12 square feet in area per face, and pertaining only to the sale of the products produced on the premises;

(2) One temporary, double-faced, unlighted sign, not exceeding 8 square feet in area per face, advertising the sale, lease or hire of the premises;

(3) One name plate, not exceeding 1 square foot in area, containing only the name and/or occupation of the occupant of the premises.

k. The following uses may be authorized by Conditional Use Permits granted by the Planning Commission under a finding made as provided by section 101.0505 of the San Diego Municipal Code:

(1) High Schools;

(2) Living quarters for persons employed in work directly related to agriculture, if occupied only by such persons and their immediate families, provided however, that no such permits for living quarters shall be issued for lots of less than 5 acres in area.

l. Yard Requirements

(1) Front Yard - no buildings or structures, except a stand or a fence shall be erected or placed less than 50 feet

from the center line of street or highway;

(2) Side Yard - no buildings or structures, except a fence shall be erected or placed less than 20 feet from the side property line;

(3) Rear Yard - no buildings or structures, except a fence shall be erected or placed less than 25 feet from the rear property line;

(4) Area - any lot in an A1-1 zone shall have a minimum area of one acre.

m. Width of lot and street frontage -

Any lot within the A1-1 zone shall have a minimum width and a minimum frontage on a dedicated street or highway, of 100 feet.

Section 3. This is an ordinance for the preservation of the public peace, health, property and safety of the inhabitants of The City of San Diego and is an emergency measure for the reasons set forth in the preamble to this ordinance and shall take effect and be in force on the 31st day of July, 1959.

ORDINANCE NO. 8151
(NEW SERIES)

AN INTERIM ORDINANCE ESTABLISHING REGULATIONS GOVERNING THE USE OF LAND IN A PORTION OF QUARTER SECTION 26, RANCHO DE LA NACION, IN THE CITY OF SAN DIEGO, CALIFORNIA.

WHEREAS, the Planning Commission is making a study of a comprehensive zoning plan for certain recently annexed areas within The City of San Diego, which areas include a portion of Quarter Section 26, Rancho de la Nacion, in The City of San Diego, California (SUMMER TRACT NO. 2), as indicated on Planning Commission Zone Map Drawing No. B-991, attached to Planning Commission communication on file in the office of the City Clerk as Document No. 595101; and

WHEREAS, it is desirable under the authority of section 101.0203.1 of the San Diego Municipal Code to regulate the use of said above-described lands pending the adoption of a comprehensive zoning plan therefor; and

WHEREAS, the development of the land and use of buildings thereon might be accomplished in a manner adverse to said comprehensive zoning plan; and

WHEREAS, the City Council is of the opinion that the public safety, health and welfare would be promoted by the adoption of such temporary interim zoning ordinance;

NOW, THEREFORE, by the Council of The City of San Diego, as follows:

Section 1. That all that territory situated in The City of San Diego, California, within the boundary of the district designated "R-1" on Planning Commission Zone Map Drawing No. B-991, filed in the office of the City Clerk of said City under Document No. 595101, be, and the same is hereby incorporated into a temporary interim zone with property use restrictions identical with those described in Section 101.0413 of the San Diego Municipal Code.

Section 2. This is an ordinance for the preservation of the public peace, health, property and safety of the inhabitants thereof, and is an emergency measure for the reasons set forth in the preamble to this ordinance and shall take effect and be in force immediately upon its passage.

Passed and adopted by the Council of the City of San Diego, California, this 28th day of July, 1959, by the following vote, to-wit:

YEAS—Councilmen: Tharp, Hartley, Schneider, Kerrigan, Curran, Evenson, Mayor Dail.

TRAILER PARKS.

BE IT ORDAINED, by The Council of The City of San Diego,
as follows:

Section 1: That Chapter IX of the San Diego Municipal
Code be, and the same is hereby amended by adding thereto
a new Article to be known as and numbered Article 7 and to
read as follows:

"ARTICLE 7

TRAILER PARKS

DIVISION 1

DEFINITIONS AND INTERPRETATIONS

SEC. 97.0101 INTERPRETATION. DEFINITIONS.

The general provisions of the Health and Safety
Code of the State of California shall govern the con-
struction of this article. Definitions contained in
Division 13, Part 2, of the Health and Safety Code shall
also apply to this article, except where the following
special definitions shall apply.

SEC. 97.0102 APPROVED

Approved, when used in conjunction with any
material, appliance, structural element, method of
fabrication, type of construction or vehicle, shall
mean:

(1) Meeting the approval of the Director of
Building Inspection as a result of investigations or

tests conducted in accordance with recognized testing procedures by a qualified testing agency; or

(2) Identified by the authorized label or usual marking of a qualified agency as having properties required to meet standards adopted by reference in the San Diego Municipal Code, or;

(3) Constructed, installed, designed, maintained or used in conformance with all applicable provisions of the San Diego Municipal Code and the State of California.

SEC. 97.0103 AWNING

Awning means any shade structure installed, erected, or used, adjoining or adjacent to a trailer coach. Awning does not include a window awning, or door awning.

SEC. 97.0104 CABANA

Cabana means any building or structure, permanent or demountable, partially or wholly located on a trailer site which is constructed, erected, altered, designed, maintained or used for occupancy as living quarters that are accessory or supplementary to a trailer coach. Cabana does not include awning, fence or trellis.

SEC. 97.0105 CABANA - PERMANENT

Cabana - permanent means any cabana which is designed so as to be not regularly disassembled, moved and reassembled.

SEC. 97.0106 CABANA - PORTABLE OR DEMOUNTABLE

Cabana - portable or demountable means any pre-fabricated cabana which is designed to be readily assembled and disassembled and adapted to ready transportation from place to place.

SEC. 97.0107 CARPORT

Carport means an awning or shade structure for an automobile located within six feet (6') of a trailer coach.

SEC. 97.0108 FENCE

Fence means any free standing wall having a vertical surface which is more than fifty per cent (50%) open.

SEC. 97.0109 OCCUPIED AREA

Occupied area means the total area of a trailer site that is occupied by any building, cabana, trailer coach, carport, awning, storage cabinet, or structure.

SEC. 97.0110 STORAGE CABINET

Storage cabinet means a free standing structure located on a trailer site which is designed and used solely for the storage of personal equipment and possessions of the trailer occupants.

SEC. 97.0111 STRUCTURE

Structure means that which is built, or constructed, an edifice or building of any kind, or any piece of work artificially built up or composed of parts joined together in some definite manner. Structure does not include a trailer coach as defined herein.

SEC. 97.0112 TRAILER COACH

Trailer Coach as used in this part, means any trailer or other vehicle, with or without motive power, designed, constructed and maintained to travel on the public thoroughfares at the maximum allowable speed limit and in accordance with the provisions of the Vehicle Code, containing approved cooking facilities and designed, used and maintained for human habitation.

SEC. 97.0113 TRAILER SITE

Trailer site means that portion of a trailer park designated and designed for the occupancy of a trailer coach, and includes any area that is set aside or used for automobile parking, carport, storage, awning, cabana, or other structure. Trailer Site also includes "site". Trailer Site also means "trailer unit" as defined elsewhere in this Code.

SEC. 97.0114 TRELLIS

Trellis means any latticework structure for growing of flowers or vines.

SEC. 97.0115 UNFIT FOR HUMAN HABITATION

Unfit for human habitation or occupancy as applied to cabana or other structures means any cabana or structure which is dangerous to human life or detrimental to health through either lack of maintenance, or repair generally, or because of unsafe or improper construction or installation, and includes but is not limited to cabanas or structures in which any one or more of the following conditions exist:

Exterior walls, supporting structure, doors, windows, floors, roof, appliances, or equipment are so deteriorated, broken, or damaged as to be hazardous to the occupants, or the walls, roof, floors, doors, or windows are in such condition as not to adequately protect the occupants from the elements.

SEC. 97.0116 WINDBREAK

Windbreak means any protective fence, wall, structure, or shelter from the wind which exceeds forty-two inches (42") in height and whose vertical surface is less than fifty percent (50%) open.

SEC. 97.0117 WINDOW AWNING

Window awning means any awning which does not project more than thirty inches (30") from the body of the trailer and which does not extend more than six inches (6") on either side of the window or door it is designed to serve.

DIVISION 2

PERMITS

SEC. 97.0201 PERMIT REQUIRED

No structure regulated by this article shall be erected, constructed, enlarged, altered or moved without first obtaining a building permit therefor.

SEC. 97.0202 FEE SCHEDULE

The permit fee which shall be paid for filing an application for a permit for a structure required to conform to the provisions of this article shall be as established by article 1 of this Chapter.

SEC. 97.0203 PARK OWNER OR OPERATOR RESPONSIBILITY

No trailer park owner or operator, or any other person, shall erect, construct, reconstruct, relocate, alter, maintain, use, or occupy or permit the erection, construction, reconstruction, relocation, conversion, alteration, use, or occupancy of any structure within a trailer park contrary to any provision of this Code.

SEC. 97.0204 PRIOR APPROVAL

No person shall erect, place, maintain, use or occupy a structure in a trailer park without the written consent of the owner of the trailer park or operator thereof.

SEC. 97.0205 OBSTRUCTIONS PROHIBITED

No structure, equipment, or obstruction of any kind shall be erected, placed or maintained on or about the trailer site that would impede the movement of a trailer from a site to a conforming driveway or prevent inspection of plumbing and electrical facilities and related trailer equipment.

DIVISION 3

REGULATIONS

SEC. 97.0301 REGULATED STRUCTURES

Every awning, carport, building or windbreak which is attached to or established or maintained less than six feet (6') from any trailer coach shall comply with all requirements of this Code.

SEC. 97.0302 AUTHORIZED STRUCTURES

No building, structure, or cabana shall be erected on or adjacent to a trailer unit for the exclusive use of the occupants of that trailer unit except as provided in this Code.

SEC. 97.0303 CONSTRUCTION AND MAINTENANCE

Every structure shall be constructed and maintained in a safe, approved and substantial manner.

SEC. 97.0304 STRUCTURE LOCATION

No structure or portion or projection thereof, except an approved awning, shall be located closer than six feet (6') from any adjoining trailer coach, cabana, or awning, or less than three feet (3') from the trailer site boundary or lot line.

*HEB
uf*

SEC. 97.0305 WINDBREAK LOCATION

No windbreak shall be located within three feet (3') of any trailer coach, awning, or any other structure.

SEC. 97.0306 FENCE LOCATION

No fence exceeding forty-two inches (42") in height shall be located within three feet (3') of any trailer coach, awning, or any other structure. All fences must be free standing and not form a part of any other structure, and shall not be more than six feet (6') in height.

No fence shall be so erected as to prevent the free ingress and egress of any trailer coach.

Any fence erected on a trailer site shall be of uniform construction.

A trellis must be free standing and not form a part of any enclosure.

SEC. 97.0307 LOCATION OF STRUCTURES

No awning, building or windbreak or combination thereof shall be erected, placed, or maintained on more than one side or one end of any trailer coach, except as may be authorized in this article.

SEC. 97.0308 CARPORT

A carport may be enclosed on one end with a drop curtain or approved storage cabinet; provided, however, that if a carport is enclosed on more than one side or end its location shall be not less than three feet (3') from the trailer coach it serves. Every carport shall conform to the provisions of Division 5 of this article. Carports shall be constructed of incombustible or plastic material, having a flame spread rating of 75 or less.

SEC. 97.0309 LOCATION OF STORAGE CABINET

Storage cabinet dimensions shall not exceed eight feet (8') by six feet (6') by three feet (3'). Except that where a storage cabinet is placed at the end of a carport, the dimensions may conform to the inside size of the end of the carport and the side facing the automobile must be constructed of one hour fire resistant material.

DIVISION 5

AWNINGS

SEC. 97.0501 MATERIALS

Awning roofs shall be made of lightweight metal or of approved plastic or fabric materials. Awning drops or side curtains shall consist solely of roll or drop curtains of approved fabric or other approved flexible materials.

SEC. 97.0502 ROOF MATERIALS

Metal roofing materials shall be of corrugated or similarly reinforced sheet metals not less than 26 gauge and shall be securely anchored to the framework.

SEC. 97.0503 SUPPORT

Framework for awnings shall be of standard metal pipe or tubing not less than three-quarters inch (3/4") outside diameter. Uprights of framework may be of any approved material of equal or greater strength. All

joints of metal pipe framework shall be securely fastened with standard screw-pipe or pin-connected fittings. Welded joints may be used. Awning roofs of fabric, plastic, or lightweight metal may be attached to an approved awning track on the trailer coach. Awnings or shade structures constructed of heavy metal framework or of wood frame construction shall be free-standing structures and may not be attached to a trailer coach; provided, further, that such structures shall be so designed and constructed to meet all requirements of Division 6 of this ordinance.

SEC. 97.0504 OPENING REQUIRED

The width of an awning shall not exceed ten feet (10'). The awning's length shall not be greater than the length of the trailer which it serves. The awning may be enclosed with roll-up type sides, not exceeding fifty per cent (50%) of the perimeter thereof excluding from the perimeter any side adjacent to the trailer. Side curtains shall hang freely and shall not be permanently attached.

SEC. 97.0505 COOKING PROHIBITED

Cooking shall not be permitted within any awning nor shall any heating or cooking appliance be installed or used within any awning.

SEC. 97.0506 PROHIBITED LOCATION

No awning shall be erected or maintained over, or enclose, wholly or in part, any private toilet or bath compartment. An awning will not be erected within three feet (3') of a trailer site lot line, except that on the lot line adjoining the street or driveway the awning may extend to said lot line.

DIVISION 6

WINDBREAKS

SEC. 97.0601 DESIGN

A windbreak shall be designed, erected, and maintained as a free-standing structure. A windbreak shall be erected only on one side of a trailer site. When a windbreak is erected, other fence structures shall not exceed forty-two inches (42") in height.

SEC. 97.0602 HEIGHT

Windbreaks shall not exceed seventy-two inches (72") in height.

SEC. 97.0603 PROHIBITION

A windbreak shall be erected and maintained so that neither of the ends nor any other portion shall be returned to form an enclosure or cabana. No windbreak shall support a roof or awning. No windbreaks shall be erected on a trailer site upon which there is a cabana.

DIVISION 7

ELECTRICAL AND PLUMBING INSTALLATIONS

SEC. 97.0701 PLUMBING

All plumbing shall be installed and maintained in accordance with the plumbing requirements of this Code pertaining to single family residences.

SEC. 97.0702 ELECTRICAL WORK

Electrical wiring shall be installed and maintained in accordance with the electrical requirements of this Code pertaining to single family residences; provided, however, where there are no applicable provisions of this Code, such installations shall conform to the requirements of the California Administrative Code, Title 8, Chapter 9, Article 5, 1956 edition and the National Electrical Code, 1953 edition.

(a) The electrical source of supply to other structures shall not be derived from a trailer coach.

(b) Each site shall be provided with a fusible switch or circuit breaker and shall be readily accessible to the occupants.

(c) Conductors supplying each site shall be enclosed in suitable raceways or cable approved for burial in the earth shall be used.

(d) Conductors shall be not less than No. 14 AWG in size. Non-metallic sheathed cable shall not be exposed.

(e) Flexible drop cords shall not be employed as part of an interior or exterior wiring.

(f) Exposed non-current carrying metal parts of each structure shall be effectively grounded.

SEC. 97.0703 AWNINGS

Electrical work fastened to an awning or its supporting structure shall be contained in water tight metallic raceways. No plumbing shall be fastened to an awning or its supporting structure."

Section 2. That Sections 101.0101.12, 101.0640 and 101.0641 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 101.0101.12 CABANA

Cabana means any building or structure, permanent or demountable, partially or wholly located on a trailer site which is constructed, erected, altered, designed, maintained or used for occupancy as living quarters that are accessory or supplementary to a trailer coach. Cabana does not include awning, fence or trellis."

"SEC. 101.0640 TRAILER PARK REQUIREMENTS

Every trailer park heretofore or hereafter constructed shall meet the following requirements:

(a) All corners of each trailer unit shall be clearly, distinctly and permanently marked.

(b) The occupied area of a trailer unit constructed prior to May 4, 1954 shall not exceed 60% of the total

area of the trailer unit; provided, however, that if a carport is constructed upon such trailer unit, the occupied area may be increased not to exceed 75% of the total area of the trailer unit.

(c) Each trailer unit shall be surfaced with lawn or dust-restricting material. Rocks or other obstructions shall be removed from each trailer unit. Each new trailer unit hereafter constructed shall be surfaced in such manner within thirty (30) days after such trailer unit has been first rented.

(d) The following structures and no others may be constructed on or adjacent to a trailer unit for the exclusive use of the occupants of that trailer unit:

One awning; one carport; one toilet room, under the provisions of paragraph "e"; fences; trellises; storage cabinets; windbreaks.

(e) A toilet room designed for the exclusive use of the occupants of one trailer unit may be constructed upon such trailer unit. Such toilet room shall have a maximum size of 8 feet by 10 feet. Such toilet room may be part of a building composed of more than one such toilet room, provided that each such toilet room is located upon the trailer unit, the occupants of which have the exclusive use thereof. Trailers shall be parked a minimum distance of three (3) feet from such toilet room.

Trailer parks in existence on May 4, 1954 shall have three (3) years from and after such date to comply with the provisions of this section."

"SEC. 101.0641 TRAILER PARKS - REQUIREMENTS FOR
NEW CONSTRUCTION OR ADDITIONS

From and after May 4, 1954, every new trailer park and additions to trailer parks shall be constructed in accordance with and shall meet the following requirements:

00514

(a) Each trailer unit shall be not less than one thousand (1,000) square feet. When the trailer unit is adjacent to a property boundary, the required area shall not include area set aside for hedges. The occupied area of the trailer unit shall not exceed 40% of the total area of the trailer unit; provided, however, that if a carport is constructed upon such trailer unit, the occupied area may be increased not to exceed 75% of the total area of the trailer unit.

(b) Each trailer unit shall have:

- (1) Minimum width and minimum frontage on a roadway of 25 feet.
- (2) If the trailer unit consists of two separated areas, one for the accommodation of the trailer and one for the accommodation of the automobile, such areas shall have the following minimum dimensions:
 - a. For the trailer: width, 25 feet; depth, 30 feet; area, 875 square feet.
 - b. For the automobile: width, 8 feet; depth, 20 feet; area, 160 square feet.

(c) All roadways shall be graded in accordance with an approved grade plan and shall be hard-surfaced for the full width, with a minimum of 2-inch thick asphalt concrete road mix, plant mix, or other approved material. All roadways shall have the following minimum width:

- (1) Twelve (12) feet for each traffic lane for moving vehicles.
- (2) Eight (8) feet for each traffic lane for parked vehicles.

(d) A compact hedge at least 3 feet high at the time of planting shall be installed around the property

and be maintained in first class condition at all times, or in lieu thereof, a 5-foot fence or wall shall be constructed around the property."

Section 3. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

Awnings or shade structures constructed of heavy metal framework or of wood frame construction shall be free-standing structures and may not be attached to a trailer coach; provided, further, that such structures shall be so designed and constructed to meet all requirements of Division 5 of this ordinance.

SEC. 97.0504 OPENING REQUIRED
The width of an awning shall not exceed ten feet (10'). The awning's length shall not be greater than the length of the trailer which it serves. The awning may be enclosed with roll-up type sides, not exceeding fifty per cent (50%) of the perimeter thereof excluding from the perimeter any side adjacent to the trailer. Side curtains shall hang freely and shall not be permanently attached.

SEC. 97.0505 COOKING PROHIBITED
Cooking shall not be permitted within any awning nor shall any

(c) Each trailer unit shall be surfaced with lawn or dust-resisting material. Rocks or obstructing material shall be removed from each trailer unit. Each new trailer unit hereafter constructed shall be surfaced in such manner within thirty (30) days after such trailer unit has been first rented.
(d) The following structures and no others may be constructed on or adjacent to a trailer unit for the exclusive use of the occupants of that trailer unit: One awning; one carport; one toilet room, under the provisions of paragraph "e"; fences; trellises; storage cabinets; windbreaks.

(e) A toilet room designed for the exclusive use of the occupants of one trailer unit may be constructed upon such trailer unit. Such toilet room shall have a maximum size of 5 feet by 10 feet. Such toilet room may be part of a building composed of more than one such toilet room, provided that each such toilet room is located upon the trailer room is located upon the trailer unit, the occupants of which have the exclusive use thereof. Trailers shall be parked a minimum distance of three (3) feet from such toilet room.

Trailer parks in existence on May 4, 1954 shall have three (3) years from and after such date to comply with the provisions of this section.

SEC. 101.0641 TRAILER PARKS - REQUIREMENTS FOR NEW CONSTRUCTION OR ADDITIONS
From and after May 4, 1954, every new trailer park and additions to trailer parks shall be constructed in accordance with and shall meet the following requirements:

(a) Each trailer unit shall be not less than one thousand (1,000) square feet. When the trailer unit is adjacent to a property boundary, the required area shall not include area set aside for hedges. The occupied area of the trailer unit shall not exceed 40% of the total area of the trailer unit; provided, however, that if a carport is constructed upon such trailer unit, the occupied area may be increased not to exceed 75% of the total area of the trailer unit.

(b) Each trailer unit shall have:
(1) Minimum width and minimum frontage on a roadway of 25 feet.
(2) If the trailer unit consists of two separated areas, one for the accommodation of the trailer and one for the accommodation of the automobile, such areas shall have the following minimum dimensions:
A. For the trailer: width, 25 feet; depth, 30 feet; area, 875 square feet.
B. For the automobile: width, 8 feet; depth, 20 feet; area, 160 square feet.

(c) All roadways shall be graded in accordance with an approved grade plan and shall be hard-surfaced for the full width, with a minimum of 3-inch thick asphalt concrete road mix, plant mix, or other approved material. All roadways shall have the following minimum width:
(1) Twelve (12) feet for each traffic lane for moving vehicles.
(2) Eight (8) feet for each traffic lane for parked vehicles.
(d) A compact hedge at least 3 feet high at the time of planting shall be installed around the property and be maintained in first class condition at all times, or in lieu thereof, a 5-foot fence or wall shall be constructed around the property.

Section 3. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

SEC. 97.0117 WINDOW AWNING
Window awning means any awning which does not project more than thirty inches (30") from the body of the trailer and which does not extend more than six inches (6") on either side of the window or door it is designed to serve.

DIVISION 3 PERMITS

SEC. 97.0201 PERMIT REQUIRED
No structure regulated by this article shall be erected, constructed, enlarged, altered or moved without first obtaining a building permit therefor.

SEC. 97.0202 FEE SCHEDULE
The permit fee which shall be paid for filing an application for a permit for a structure required to conform to the provisions of this article shall be as established by article 1 of this Chapter.

SEC. 97.0203 PARK OWNER OR OPERATOR RESPONSIBILITY
No trailer park owner or operator, or any other person, shall erect, construct, reconstruct, relocate, alter, maintain, use, or occupy or permit the erection, construction, reconstruction, relocation, conversion, alteration, use, or occupancy of any structure within a trailer park contrary to any provision of this Code.

SEC. 97.0204 PRIOR APPROVAL
No person shall erect, place, maintain, use or occupy a structure in a trailer park without the written consent of the owner of the trailer park or operator thereof.

SEC. 97.0205 OBSTRUCTIONS PROHIBITED
No structure, equipment, or obstruction of any kind shall be erected, placed or maintained on or about the trailer site that would impede the movement of a trailer from a site to a conforming driveway or prevent inspection of plumbing and electrical facilities and related trailer equipment.

DIVISION 3 REGULATIONS

SEC. 97.0301 REGULATED STRUCTURES
Every awning, carport, building or windbreak which is attached to or established or maintained less than six feet (6') from any trailer coach shall comply with all requirements of this Code.

SEC. 97.0302 AUTHORIZED STRUCTURES
No building, structure, or cabana shall be erected on or adjacent to a trailer unit for the exclusive use of the occupants of that trailer unit except as provided in this Code.

SEC. 97.0303 CONSTRUCTION AND MAINTENANCE
Every structure shall be constructed and maintained in a safe, approved and substantial manner.

SEC. 97.0304 STRUCTURE LOCATION
No structure or portion or pre-

of similarly reinforced metals not less than 28 gauge and shall be securely anchored to the framework.

SEC. 97.0303 SUPPORT
Framework for awnings shall be of standard metal pipe or tubing not less than three-quarters inch (3/4") outside diameter. Uprights of framework may be of any approved material of equal or greater strength. All joints of metal pipe framework shall be securely fastened with standard screw-pipe or pin-connected fittings. Welded joints may be used. Awning roofs of fabric, plastic, or lightweight metal may be attached to an approved awning track on the trailer coach. Awnings or shade structures consisting of heavy metal framework or of wood frame construction shall be free-standing structures and may not be attached to a trailer coach; provided, further, that such structures shall be so designed and constructed to meet all requirements of Division 6 of this ordinance.

SEC. 97.0304 OPENING REQUIRED
The width of an awning shall not exceed ten feet (10'). The awning's length shall not be greater than the length of the trailer which it serves. The awning may be enclosed with roll-up type sides, not exceeding fifty per cent (50%) of the perimeter thereof excluding from the perimeter any side adjacent to the trailer. Side curtains shall hang freely and shall not be permanently attached.

SEC. 97.0305 COOKING PROHIBITED
Cooking shall not be permitted within any awning nor shall any heating or cooking appliance be installed or used within any awning.

SEC. 97.0306 PROHIBITED LOCATION
No awning shall be erected or maintained over, or enclose wholly or in part, any private toilet or bath compartment. An awning shall not be erected within three (3') of a trailer site lot line, except that on the lot line adjoining the street or driveway the awning may extend to said lot line.

DIVISION 6 WINDBREAKS

SEC. 97.0301 DESIGN
A windbreak shall be designed, erected, and maintained as a free-standing structure. A windbreak shall be erected only on one side of a trailer site. When a windbreak is erected, other fence structures shall not exceed forty-two inches (42") in height.

SEC. 97.0302 HEIGHT
Windbreaks shall not exceed seventy-two inches (72") in height.

SEC. 97.0303 PROHIBITION
A windbreak shall be erected and maintained so that neither of the ends nor any other portion shall be returned to form an enclosure or cabana. No windbreak shall support a roof or awning. No windbreaks shall be erected on a trailer site upon which there is a cabana.

DIVISION 7 ELECTRICAL AND PLUMBING INSTALLATIONS

SEC. 97.0701 PLUMBING
All plumbing shall be installed and maintained in accordance with the plumbing requirements of this Code pertaining to single family residences.

SEC. 97.0702 ELECTRICAL WORK
Electrical wiring shall be installed and maintained in accordance with the electrical requirements of this Code pertaining to single family residences; provided, however, where there are no applicable provisions of this Code, such installations shall conform to the requirements of the California Administrative Code, Title 8, Chapter 9, Article 5, 1956 edition and the National Electrical Code, 1953 edition.

(a) The electrical source of supply to other structures shall not be derived from a trailer coach.

(b) Each site shall be provided with a fusible switch or circuit breaker and shall be readily accessible to the occupants.

(c) Conductors supplying each site shall be enclosed in suitable raceways or cable approved for burial in the earth shall be used.

(d) Conductors shall be not less than No. 14 AWG in size. Non-metallic sheathed cable shall not be exposed.

(e) Flexible drop cords shall not be employed as part of an interior or exterior wiring.

(f) Exposed non-current carrying metal parts of each structure shall be effectively grounded.

SEC. 97.0703 AWNING
Electrical work fastened to an awning or its supporting structure shall be contained in water tight metallic raceways. No plumbing shall be fastened to an awning or its supporting structure.

Section 2. That Sections 101.0101.12, 101.0640 and 101.0641 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 101.0101.12 CABANA
Cabana means any building or structure, permanent or demountable, partially or wholly located on a trailer site which is constructed, erected, altered, designed, maintained or used for occupancy as living quarters that are accessory or supplementary to a trailer coach. Cabana does not include awning, fence or trellis."

"SEC. 101.0640 TRAILER PARK REQUIREMENTS
Every trailer park heretofore or hereafter constructed shall meet the following requirements:

(a) All corners of each trailer unit shall be clearly, distinctly and permanently marked.

(b) The occupied area of a trailer unit constructed prior to May 4, 1954 shall not exceed 80% of the total area of the trailer unit; provided, however, that if a carport is constructed upon such trailer unit, the occupied area may be increased not to exceed 75% of the total area of the trailer unit.

(c) All roadways shall be graded in accordance with an approved grade plan and shall be hard-surfaced for the full width, with a minimum of 3-inch thick asphalt concrete road mix, plant mix, or other approved material. All roadways shall have the following minimum width:

(1) Twelve (12) feet for each traffic lane for moving vehicles.

(2) Eight (8) feet for each traffic lane for parked vehicles.

(d) A compact hedge at least 3 feet high at the time of planting shall be installed around the property and be maintained in first class condition at all times, or in lieu thereof, a 5-foot fence or wall shall be constructed around the property."

Section 3. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

ORDINANCE No. 8157
(New Series)

AN ORDINANCE AMENDING SECTIONS 101.0436 AND 101.0440 OF THE SAN DIEGO MUNICIPAL CODE, RELATING TO USES IN M-1A and M-2A ZONES IN THE CITY OF SAN DIEGO, CALIFORNIA.

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That Section 101.0436 of the San Diego Municipal Code be, and it is hereby amended to read as follows:

"SEC. 101.0436 M-1A ZONE

In an M-1A Zone no building or premises shall be erected, constructed, converted, established, altered, and/or enlarged or used except for one or more of the uses permitted in M-1 Zone as set forth in Section 101.0437; provided, however;

- (1) The following uses shall be prohibited:
 - (a) Churches;
 - (b) Dwellings, whether single-family or multiple-family, including house trailers, except one dwelling on the same lot or parcel of land which is legally being used so as to require the continuous supervision of a caretaker or superintendent and his immediate family;
 - (c) Hospitals, except for emergency hospitals incident to uses permitted in this zone;
 - (d) Hotels, motels, rooming houses, boarding houses and all other similar uses offering lodging to guests;
 - (e) Institutions or homes for the treatment or care of convalescent persons, children, aged persons, alcoholics, the wounded or mentally infirm;

00538

(f) Schools, public and private, except for trade schools instructing in subjects incidental to a permitted use;

(g) Trailer parks;

(h) All signs not directly relating to the particular use of the property on which they are located.

(2) That one-half of the total area of the property within M-1A zones shall be reserved to uses for automobile parking areas, driveways, and off-street loading platforms and docks; any areas set aside for parking shall have clear and unobstructed access of at least ten feet in width to a public street; and further providing that (except ways of ingress and egress), the perimeter of said M-1A zone property adjoining streets, highways and public places shall consist of a ten-foot planting strip; that the areas herein required for said ten-foot strip may be deducted from the areas herein required for parking.

(3) That all building material storage, carting express storage yards, contractor's plant or storage yard, cement pipe storage, lumber yard, shall be carried on, maintained or conducted entirely inside an enclosed building or buildings, unless the premises on which such business is carried on, maintained or conducted shall be entirely enclosed by a solid fence or wall at least six feet in height and constructed according to the requirements of the Building Code of said City. That such fence or wall shall be maintained in a neat, substantial, safe condition and shall be painted. No sign, picture, transparency, advertisement, or mechanical device which is used for the purpose of, or which does advertise or bring to notice any person or persons, or article or articles of merchandise,

or any business or profession, or anything that is to be or has been sold, bartered, or given away, shall be placed, or cause to be placed or to be maintained or cause to be maintained, upon the outward face of such fence or wall; and shall be located a minimum of 100 feet from any public street, highway, or public place or property.

(4) That every lot or building site shall contain not less than fifteen thousand (15,000) square feet in area; excepting that any lot or building site appearing as a lot of record on an approved subdivision map prior to the 13th day of October, 1957, may be used as a site for M-1A use regardless of the fact that it may contain less than 15,000 square feet.

(5) Front yard required. No building or portion thereof shall be located closer to the front property line than 25 feet.

(6) Side yard required. 10% of width of lot with a maximum of 25 feet.

(7) Street frontages. Any lot or building site in Zone M-1A subsequent to October 13, 1957, shall have a width of at least 75 feet and shall have a frontage on a dedicated street of at least 75 feet."

Section 2. That Section 101.0440 of the San Diego Municipal Code be, and it is hereby amended to read as follows:

"SEC. 101.0440 M-2A ZONE

In an M-2A Zone no building or premises shall be erected, constructed, converted, established, altered, and/or enlarged or used except for one or more of the uses permitted in M-2 Zone as set forth in Section 101.0441; provided, however:

(1) The following uses shall be prohibited:

(a) Churches;

(b) Dwellings, whether single-family or multiple-family, including house trailers, except one dwelling on the same lot or parcel of land which is legally being used so as to require the continuous supervision of a caretaker or superintendent and his immediate family;

(c) Hospitals except for emergency hospitals incident to uses permitted in this zone;

(d) Hotels, motels, rooming houses, boarding houses and all other similar uses offering lodging to guests;

(e) Institutions or homes for the treatment or care of convalescent persons, children, aged persons, alcoholics, the wounded or mentally infirm;

(f) Schools, public and private, except for trade schools instructing in subjects incidental to a permitted use;

(g) Trailer parks;

(h) All signs not directly related to the particular use of the property on which they are located.

(2) That one-half of the total area of the property within M-2A zones shall be reserved to uses for automobile parking areas, driveways, and off-street loading platforms and docks; and further providing that (except for ways of ingress and egress) the perimeter of said M-2A zone property adjoining streets, highways, and public places, shall consist of a ten-foot planting strip; that the areas herein required for said ten-foot planting strip may be deducted from the areas herein required for parking.

(3) That all junk yards, auto wrecking yards, scrap metal and salvage or processing plants or building material storage, carting express storage yards, contractor's plant or storage yard, cement pipe storage, lumber yard, unless

contained in a building, shall be located a minimum of 100 feet from any public street, highway, or public place or property."

Section 3. A violation of any provision or the failure to comply with any of the requirements established by this ordinance shall constitute a misdemeanor. Any person convicted of such violation or such failure shall be punishable by a fine of not more than \$500.00 or by imprisonment in the City Jail for a period of not more than six months or by both fine and imprisonment. The provisions of Section 11.12 of the San Diego Municipal Code shall apply.

ORDINANCE NO. 8157 (NEW SERIES)

AN ORDINANCE AMENDING SECTIONS 101.0436 AND 101.0440 OF THE SAN DIEGO MUNICIPAL CODE, RELATING TO USES IN M-1A AND M-2A ZONES IN THE CITY OF SAN DIEGO, CALIFORNIA.

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That Section 101.0436 of the San Diego Municipal Code be, and it is hereby amended to read as follows:

"SEC. 101.0436 M-1A ZONE.
In an M-1A Zone no building or premises shall be erected, constructed, converted, established, altered, and/or enlarged or used except for one or more of the uses permitted in M-1 Zone as set forth in Section 101.0437; provided, however:

(1) The following uses shall be prohibited:

(a) Churches;
(b) Dwellings, whether single-family or multiple-family, including house trailers, except one dwelling on the same lot or parcel of land which is legally being used so as to require the continuous supervision of a caretaker or superintendent and his immediate family;

(c) Hospitals, except for emergency hospitals incident to uses permitted in this zone;

(d) Hotels, motels, rooming houses, boarding houses and all other similar uses offering lodging to guests;

(e) Institutions or homes for the treatment or care of convalescent persons, children, aged persons, alcoholics, the wounded or mentally infirm;

(f) Schools, public and private, except for trade schools, instructing in subjects incidental to a permitted use;

(g) Trailer parks;
(h) All signs not directly relating to the particular use of the property on which they are located.

(2) That one-half of the total area of the property within M-1A zones shall be reserved to uses for automobile parking areas, driveways, and off-street loading platforms and docks; any areas set aside for parking shall have clear and unobstructed access of at least ten feet in width to a public street; and further providing that (except ways of ingress and egress), the perimeter of said M-1A zone property adjoining streets, highways and public places shall consist of a ten-foot planting strip; that the areas herein required for said ten-foot strip may be deducted from the

areas herein required for parking.

(3) That all building material storage, carting, express storage yards, contractor's plant or storage yard, cement pipe storage, lumber yard, shall be carried on, maintained or conducted entirely inside an enclosed building or buildings, unless the premises on which such business is carried on, maintained or conducted shall be entirely enclosed by a solid fence or wall at least six feet in height and constructed according to the requirements of the Building Code of said City. That such fence or wall shall be maintained in a neat, substantial, safe condition and shall be painted. No sign, picture, transparency, advertisement, or mechanical device which is used for the purpose of, or which does advertise or bring to notice any person or persons, or article or articles of merchandise, or any business or profession, or anything that is to be or has been sold, bartered, or given away, shall be placed, or cause to be placed or to be maintained, upon the outward face of such fence or wall; and shall be located a minimum of 100 feet from any public street, highway, or public place or property.

(4) That every lot or building site shall contain not less than fifteen thousand (15,000) square feet in area; excepting that any lot or building site appearing as a lot of record on an approved subdivision map prior to the 13th day of October, 1957, may be used as a site for M-1A use regardless of the fact that it may contain less than 15,000 square feet.

(5) Front yard required. No building or portion thereof shall be located closer to the front property line than 25 feet.

(6) Side yard required. 10% of width of lot with a maximum of 25 feet.

(7) Street frontages. Any lot or building in Zone M-1A subsequent to October 13, 1957, shall have a width of at least 75 feet and shall have a frontage on a dedicated street of at least 75 feet.

Section 2. That Section 101.0440 of the San Diego Municipal Code be, and it is hereby amended to read as follows:

"SEC. 101.0440 M-2A ZONE.
In an M-2A Zone no building or premises shall be erected, constructed, converted, established, altered, and/or enlarged or used except for one or more of the uses permitted in Section

(1) The following uses shall be prohibited:

(a) Churches;
(b) Dwellings, whether single-family or multiple-family, including house trailers, except one dwelling on the same lot or parcel of land which is legally being used so as to require the continuous supervision of a caretaker or superintendent and his immediate family;

(c) Hospitals except for emergency hospitals incident to uses permitted in this zone;

(d) Hotels, motels, rooming houses, boarding houses and all other similar uses offering lodging to guests;

(e) Institutions or homes for the treatment or care of convalescent persons, children, aged persons, alcoholics, the wounded or mentally infirm;

(f) Schools, public and private, except for trade schools, instructing in subjects incidental to a permitted use;

(g) Trailer parks;
(h) All signs not directly related to the particular use of the property on which they are located.

(2) That one-half of the total area of the property within M-2A zones shall be reserved to uses for automobile parking areas, driveways, and off-street loading platforms and docks; and further providing that (except for ways of ingress and egress) the perimeter of said M-2A zone property adjoining streets, highways, and public places, shall consist of a ten-foot planting strip; that the areas herein required for said ten-foot planting strip may be deducted from the areas herein required for parking.

(3) That all junk yards, auto wrecking yards, scrap metal and salvage or processing plants or building material storage, carting, express storage yards, contractor's plant or storage yard, cement pipe storage, lumber yard, unless contained in a building, shall be located a minimum of 100 feet from any public street, highway, or public place or property.

Section 3. A violation of any provision or the failure to comply with any of the requirements established by this ordinance shall constitute a misdemeanor. Any person convicted of such violation or such failure shall be punishable by a fine of not more than \$500.00 or by imprisonment in the City Jail for a period of not more than six months or by both fine and imprisonment. The provisions of Section 11.12 of The San Diego Municipal Code shall apply.

Section 4. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

42.0415 OF THE SAN DIEGO MUNICIPAL CODE
ESTABLISHING A HOUSING DEPARTMENT AND HOUS-
ING DIRECTOR OF THE CITY OF SAN DIEGO AND
REGULATIONS IN CONNECTION THEREWITH.

BE IT ORDAINED, by The Council of The City of San Diego,
as follows:

Section 1: That Sec. 31.030~~5.1~~ and Sec. 33.2515 of the
San Diego Municipal Code be and the same are hereby amended to
read as follows:

SEC. 31.0305.1 LICENSE TAX - TRAILER PARKS

Every person conducting, operating, or managing any
trailer park shall pay a license tax, payable annually as
follows:

For each trailer unit \$2.00 per year.

Provided, however, that the minimum license tax for any
trailer park shall be \$25.00 per year. The number of taxable
units shall be determined on July 1 of each year. All li-
censees shall have obtained, prior to and in addition to the
license herein named, a housing permit as required by Sec.

98.03.

SEC. 33.2515 TRAILER PARKS -- ENTRY AND INSPECTION

The Director of Public Health, the Chief of the Fire Department and the Housing Director or any of their authorized agents may enter and inspect the community facilities of a trailer park whenever necessary to secure compliance with, or prevent violation of, any provisions of this Code.

Section 2: That Sec. 41.33 of the San Diego Municipal Code be and the same is hereby amended to read as follows:

SEC. 41.33 NUISANCE -- POWERS OF HEALTH OFFICER

Any establishment or activity which is found by the Health Officer to be unsanitary or a menace to the public health or which is a violation of this Chapter, is declared to be a public nuisance. The Health Officer is authorized and empowered to take such action as is provided in the laws of the State of California and in the San Diego Municipal Code. In the event that immediate and emergency action is necessary to preserve the public health or safety, the Health Officer is authorized and empowered to summarily abate such nuisance by any reasonable means.

Section 3: That Chapter IX of the San Diego Municipal Code be and the same is hereby amended by adding thereto a new article to be known as and numbered Article 8 and to read as follows:

ARTICLE 8

HOUSING

SEC. 98.01 HOUSING DEPARTMENT AND DIRECTOR ESTABLISHED

Under and pursuant to the authority established in Division 13, Part 1, Chapter 3, Article 2 of the Health and Safety Code of the State of California, Sec. 15254, the Department of Inspection of The City of San Diego be and the same is hereby established as the Housing Department for The City of San Diego and the Director of Building Inspection be, and he is hereby appointed as Director of said Housing Department.

SEC. 98.02 HOUSING DEPARTMENT REGULATED BUSINESSES --

PERMIT REQUIRED

The occupations, businesses and activities which are the subject of Article 8 of this Chapter are designated as "Housing Department Regulated Businesses."

SEC. 98.03 HOUSING PERMITS REQUIRED

No person or owner shall conduct, manage, operate, engage or work in any Housing Department Regulated Business unless there shall have been procured and be then in effect a housing permit therefor. A separate housing permit shall be required for each establishment.

SEC. 98.04 APPLICATIONS FOR HOUSING PERMIT

Every applicant for a housing permit shall file with the Housing Department a written application which shall state the name and address of the applicant, description of the property, its location, street and number wherein and whereon it is proposed to conduct the Housing Department Regulated Business and such other information as the Department may require.

At the time of filing such application, the applicant shall pay the fee hereinafter established.

SEC. 98.05 ISSUANCE OF HOUSING PERMITS -- SUSPENSION AND REVOCATION

Upon receipt of the application and fee, the Housing Director shall issue a Housing Permit therefor if the Housing Department's investigation discloses that the facts set forth in such application are true, the conditions in and about the place wherein and whereon it is proposed to conduct the Housing Department Regulated Business and the

business or activity itself conforms to the requirements of this Code, to the rules and regulations of the Housing Department and to the requirements of any codes of the State of California and any regulations issued pursuant thereto pertaining to particular activities subject to regulation therein; that the activity shall not result in a violation of such codes and regulations, otherwise, such Housing Permit shall be denied, or, if previously issued, shall be suspended or revoked.

SEC. 98.06 HOUSING PERMITS -- DURATION AND TRANSFER

A Housing permit may be granted at any time during the year, but all Housing permits shall expire on December 31 in the year in which the same are granted.

Housing permits shall not be transferrable from one person to another or from one location to another.

SEC. 98.07 HOUSING PERMIT FEES -- APARTMENT HOUSES AND HOTELS

The fee for the Housing permit required by Sec. 98.03 shall be as follows:

- (1) For each apartment house or hotel containing not more than six (6) units.....\$6.50
- (2) For each apartment house or hotel containing not less than seven(7) but no more than ten (10) units.....\$8.50
- (3) For each apartment house or hotel containing not less than eleven(11) but no more than fifteen (15) units.....\$10.00
- (4) For each apartment house or hotel containing more than fifteen (15) units..\$10.00 plus
\$.25 for
each unit
in excess of 15.

For the purpose of this section a "unit" shall mean each apartment in an apartment house, each sleeping room in

a hotel, and each apartment and each hotel sleeping room in a building containing both apartments and hotel sleeping rooms.

Separate apartment house buildings and separate hotel buildings, or combination thereof located upon a single parcel of land or contiguous parcels of land under the same ownership shall be treated as one apartment house or hotel for the purpose of computing the fee prescribed by this section.

In any case where the applicant has failed for a period of thirty (30) days to file the application and obtain the permit required by this Chapter, there shall be added to and collected with the inspection fee a penalty equal to ten percent (10%) of the fee or \$1.00, which ever is the greater; and for each additional month or fraction of a month after the expiration of said 30-day period that the applicant fails to file such application and obtain such permit, there shall be added to and collected with the fee an additional penalty equal to ten percent (10%) of the fee; provided, however, in no event shall the total penalty added to the fee pursuant to this section be more than sixty percent (60%) of the fee. The imposition of or payment of the penalty imposed by this section shall not prevent the imposition of any other penalty prescribed by this Chapter or prosecution for violation of this Chapter.

Annual renewal fees shall be the same as the fee established in this section. The failure of the permittee to renew within 30 days after the expiration of the permit for the previous year shall invoke the penalties prescribed for failure to apply for the initial period as stated in this section.

SEC. 98.08 HOTELS AND APARTMENT HOUSES -- REGULATED

Housing Regulated Businesses shall include the operation of hotels and apartment houses as defined by the State Housing Act.

SEC. 98.09 TRAILER PARKS -- REGULATED

Housing Regulated Businesses shall include the operation of trailer parks.

SEC. 98.10 TRAILER PARKS -- APPROVAL OF HOUSING DEPARTMENT
REQUIRED

Prior to the issuance of a building permit the Building Inspector shall first ascertain that the plans, diagrams, and specifications for the construction of the trailer park have been approved by the Housing Director.

The Housing Director shall approve such plans, diagrams, and specifications if the Housing Department investigation discloses that such plans, diagrams, and specifications comply with the provisions of this Code and with the Health and Safety Code of the State of California. Violation of such requirement shall be grounds for denial of such approval, or if previously approved, grounds for revocation of approval.

No person shall occupy or allow to be occupied a trailer park until a certificate of occupancy therefor has been issued by the Housing Director.

SEC. 98.11 TRAILERS -- LOCATED OUTSIDE TRAILER PARKS --
SPECIAL HOUSING PERMIT -- FEE

It shall be unlawful for any person to camp, place, stand, park, or locate any occupied automobile trailer on private property, except within a licensed trailer park, without a special housing permit first having been obtained from the Housing Director.

(a) Such trailer shall be used for sleeping purposes only.

(b) The presence of such trailer on private property without the existence of a valid special housing permit therefor shall be deemed a violation of this Section. This Section shall not apply to trailers situated on trailer sales lots and used for office purposes in connection therewith.

(c) The special housing permit shall expire on the eighth (8th) day after its issuance and may be renewed once by the permittee for an additional eight (8) day period.

The fee for the special housing permit shall be Five Dollars (\$5.00).

SEC. 98.12 TRAILERS FOR WATCHMEN IN CONSTRUCTION AREAS --
SPECIAL HOUSING PERMIT -- FEE

Occupied automobile trailers may be parked on large construction projects to provide temporary residence for watchmen if there first shall have been obtained a special housing permit therefor from the Housing Director; provided, however, that such trailer shall have sanitary facilities which meet the requirements of the Housing Director. The special housing permit shall expire sixty-one (61) days after its issuance, and may be renewed once by the permittee for an additional thirty (30) days.

The fee for the special housing permit shall be five dollars (\$5.00).

SEC. 98.13 TRAILER PARKS -- LAVATORIES

There shall be not less than one-third (1/3) as many lavatories as toilets in all toilet rooms; in no case shall there be less than two (2) lavatories. The walls of toilet rooms to which, or adjacent to which, lavatories are installed,

shall be smooth and water-proof for a minimum height of 54" above the floor and for a minimum horizontal distance of 24" from the center of each lavatory.

(a) A toilet room designed for the exclusive use of the occupants of one trailer unit may have one (1) lavatory and one (1) toilet.

SEC. 98.14 TRAILER PARKS -- LAUNDRY AND DRYING AREA

There shall be constructed in every trailer park one (1) or more laundry rooms. A minimum of one (1) washing machine and one (1) double laundry tray shall be provided for each thirty-five (35) trailer units or fractional part thereof.

SEC. 98.15 TRAILER PARKS -- PROXIMITY TO FIRE HYDRANT

Every trailer unit in the trailer park shall be located not more than five hundred (500) feet from a fire hydrant. When necessary, fire hydrants approved by the Fire Department may be installed within the trailer park.

SEC. 98.25 RULES AND REGULATIONS -- AUTHORITY

The Housing Department shall provide such rules and regulations for any subject regulated in this article as it shall be necessary to prevent such from becoming a nuisance or in any way affecting the peace, health or safety of the residents of The City of San Diego.

SEC. 98.26 ENFORCEMENT AND INSPECTION

The Housing Director is authorized and empowered to enforce the provisions of this Article and to inspect such activities as are regulated in this Article for the purpose of determining the condition of such activities. No person shall obstruct or interfere with the Housing Director in the performance of his duties.

Any building, structure, establishment or activity which is found by the Housing Director to be unsafe, unsanitary or a menace to the public health or which is a violation of this Chapter is declared to be a public nuisance. The Housing Director is authorized and empowered to take such action as

is provided in Chapter 2 of the Uniform Building Code as adopted by The City of San Diego.

SEC. 98.27 POSTING HOUSING PERMITS

Every housing permit shall be kept posted in a conspicuous place in the establishment for which the permit is issued. The Housing Director may prescribe the location in the establishment where such permit shall be kept posted.

SEC. 98.28 LIST OF EMPLOYEES

Where the owner of a business designated in this Article as a Housing Regulated Business delegates management authority to another person, such owner shall furnish to the Housing Director a list of employees to whom such authority is delegated. Such list must be constantly revised to conform to any changes in ownership or responsibility and such revised list shall be filed with the Housing Director.

Section 4: Sections 41.07.3, 42.0401, 42.0402, 42.0410, 42.0411, 42.0412, 42.0412.1, 42.0413, 42.0414 and 42.0415 of the San Diego Municipal Code be and the same are hereby repealed.

Section 5: A violation of any provision or the failure to comply with any of the requirements established by this ordinance shall constitute a misdemeanor. Any person convicted of such violation or such failure shall be punishable by a fine of not more than five hundred dollars (\$500.00) or by imprisonment in the City jail for a period of not more than six (6) months or by both fine and imprisonment. The provisions of Sec. 11.12 of the San Diego Municipal Code shall apply.

Section 6: This ordinance shall take effect and be in force on the 31st day from and after its passage.

- (1) For each apartment house or hotel containing not more than six (6) units \$ 6.50
- (2) For each apartment house or hotel containing not less than seven (7) but no more than ten (10) units \$ 8.50
- (3) For each apartment house or hotel containing not less than eleven (11) but no more than fifteen (15) units \$10.00
- (4) For each apartment house or hotel containing more than fifteen (15) units - \$10.00 plus \$.25 for each unit in excess of 15.

For the purpose of this section a "unit" shall mean each apartment in an apartment house, each sleeping room in a hotel, and each apartment and each hotel sleeping room in a building containing both apartments and hotel sleeping rooms.

Separate apartment house buildings and separate hotel buildings, or combination thereof located upon a single parcel of land or contiguous parcels of land under the same ownership shall be treated as one apartment house or hotel for the purpose of computing the fee prescribed by this section.

In any case where the applicant has failed for a period of thirty (30) days to file the application and obtain the permit required by this Chapter, there shall be added to and collected with the inspection fee a penalty equal to ten per cent (10%) of the fee or \$1.00, whichever is the greater; and for each additional month or fraction of a month after the expiration of said 30-day period that the applicant fails to file such application and obtain such permit, there shall be added to and collected with the fee an additional penalty equal to ten per cent (10%) of the fee; provided, however, in no event shall the total penalty added to the fee pursuant to this section be more than sixty per cent (60%) of the fee. The imposition of or payment of the penalty imposed by this section shall not prevent the imposition of any other penalty prescribed by this Chapter or prosecution for violation of this Chapter.

Annual renewal fees shall be the same as the fee established in this section. The failure of the permittee to renew within 30 days after the expiration of the permit for the previous year shall invoke the penalties prescribed for failure to apply for the initial period as stated in this section.

SEC. 98.08 HOTELS AND APARTMENT HOUSES - REGULATED HOUSING REGULATED BUSINESSES

shall include the operation of hotels and apartment houses as defined by the State Housing Act.

SEC. 98.09 TRAILER PARKS - REGULATED HOUSING REGULATED BUSINESSES

shall include the operation of trailer parks.

SEC. 98.10 TRAILER PARKS - APPROVAL OF HOUSING DEPARTMENT REQUIRED

Prior to the issuance of a building permit the Building Inspector shall first ascertain that the plans, diagrams, and specifications for the construction of the trailer park have been approved by the Housing Director. The Housing Director shall approve such plans, diagrams, and specifications if the Housing Department investigation discloses that such plans, diagrams, and specifications comply with the provisions of this Code and with the Health and Safety Code of the State of California. Violation of such requirement shall be grounds for denial of such approval, or if previously approved, grounds for revocation of approval.

No person shall occupy or allow to be occupied a trailer park until a certificate of occupancy therefor has been issued by the Housing Director.

... shall have been obtained a special housing permit therefor from the Housing Director; provided, however, that such trailer shall have sanitary facilities which meet the requirements of the Housing Director. The special housing permit shall expire sixty-one (61) days after its issuance, and may be renewed once by the permittee for an additional thirty (30) days.

SEC. 98.13 TRAILER PARKS - LAVATORIES

There shall be not less than one-third (1/3) as many lavatories as toilets in all toilet rooms; in no case shall there be less than two (2) lavatories. The walls of toilet rooms to which, or adjacent to which, lavatories are installed, shall be smooth and water-proof for a minimum height of 54" above the floor and for a minimum horizontal distance of 24" from the center of each lavatory.

(a) A toilet room designed for the exclusive use of the occupants of one trailer unit may have one (1) lavatory and one (1) toilet.

SEC. 98.14 TRAILER PARKS - LAUNDRY AND DRYING AREA

There shall be constructed in every trailer park one (1) or more laundry rooms. A minimum of one (1) washing machine and one (1) double laundry tray shall be provided for each thirty-five (35) trailer units or fractional part thereof.

SEC. 98.15 TRAILER PARKS - PROXIMITY TO FIRE HYDRANT

Every trailer unit in the trailer park shall be located not more than five hundred (500) feet from a fire hydrant. When necessary, fire hydrants approved by the Fire Department may be installed within the trailer park.

SEC. 98.25 RULES AND REGULATIONS - AUTHORITY

The Housing Department shall provide such rules and regulations for any subject regulated in this article as it shall be necessary to prevent such from becoming a nuisance or in any way affecting the peace, health or safety of the residents of The City of San Diego.

SEC. 98.26 ENFORCEMENT AND INSPECTION

The Housing Director is authorized and empowered to enforce the provisions of this Article and to inspect such activities as are regulated in this Article for the purpose of determining the condition of such activities. No person shall obstruct or interfere with the Housing Director in the performance of his duties.

Any building, structure, establishment or activity which is found by the Housing Director to be unsafe, unsanitary or a menace to the public health or which is a violation of this Chapter is declared to be a public nuisance. The Housing Director is authorized and empowered to take such action as is provided in Chapter 2 of the Uniform Building Code as adopted by The City of San Diego.

SEC. 98.27 POSTING HOUSING PERMITS

Every housing permit shall be kept posted in a conspicuous place in the establishment for which the permit is issued. The Housing Director may prescribe the location in the establishment where such permit shall be kept posted.

SEC. 98.28 LIST OF EMPLOYEES

Where the owner of a business designated in this Article as a Housing Regulated Business delegates management authority to another person, such owner shall furnish to the Housing Director a list of employees to whom such authority is delegated. Such list must be constantly revised to conform to any changes in ownership or responsibility and such revised list shall be filed with the Housing Director.

Section 4: Sections 41.07.3, 42-0401, 42.0402, 42.0403, 42.0411, 42-0412, 42.0412.1, 42.0413, 42.0414 and 42.0415 of the San Diego Municipal Code be and the same are hereby repealed.

Section 5: A violation of any provision of the failure to comply with any of the requirements established by this ordinance shall constitute a misdemeanor. Any person convicted of such violation or such failure shall be punishable by a fine of not more than five hundred dollars (\$500.00) or by imprisonment in the City jail for a period of not more than six (6) months or by both fine and imprisonment. The provisions of Sec. 11.12 of the San Diego Municipal Code shall apply.

Section 6: This ordinance shall take effect and be in force on the 31st day from and after its passage.

Passed and adopted by the Council of the City of San Diego, California, this 1st day of September, 1959, by the following vote, to-wit:

YEAS - Councilmen: Schneider, Tharp, Kerrigan, Curran, Mayor Dall.

NAYS - Councilmen: None.

ABSENT - Councilmen: Hartley, Evenson.

AUTHENTICATED BY: CHARLES C. DAIL, Mayor of the City of San Diego, California.

PHILLIP ACKER, City Clerk of the City of San Diego, California.

By ELFA F. HAMEL, Deputy

I HEREBY CERTIFY that the foregoing ordinance was not finally passed until six calendar days had elapsed between the day of its introduction and the day of its final passage, to-wit, on the 25th day of August, 1959, and on the 1st day of September, 1959.

I FURTHER CERTIFY that the reading of said ordinance in full prior to its final passage was dispensed with by a vote of not less than four members of the Council, and that there was available for the consideration of each member of the Council prior to the day of its final passage a written or printed copy of said ordinance.

(New Series)

AN INTERIM ORDINANCE ESTABLISHING REGULATIONS GOVERNING THE USE OF LANDS IN A PORTION OF BLOCK 21, ROSEDALE, IN THE CITY OF SAN DIEGO, CALIFORNIA, AND REPEALING ALL ORDINANCES INSOFAR AS THEY CONFLICT HEREWITH.

WHEREAS, the public safety, health and welfare of the people of The City of San Diego require that immediate action be taken to zone certain lands in The City of San Diego, in the vicinity of Montgomery Airfield, so that said lands may be properly utilized; and

WHEREAS, the Planning Commission of The City of San Diego, is causing a comprehensive zoning study of said area to be made; and

WHEREAS, the public safety, health and welfare of the people of The City of San Diego require that said lands be utilized in connection with production of guided missiles which are essential for the national defense; and

WHEREAS, acting pursuant to the provisions of Section 101.0203.1 of the San Diego Municipal Code, this Council finds that the public safety, health and welfare of the people of The City of San Diego require the placing of said lands into an interim M-1A Zone as said zone is defined in Section 101.0436 of the San Diego Municipal Code; NOW, THEREFORE,

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That that certain real property within The City of San Diego described as a portion of Block 21, Rosedale, within the boundary of the district designated "M-1A" on Planning Commission Zone Map Drawing No. B-1004, filed in the office of the City Clerk of said City under Document No. 597844

be, and the same is hereby incorporated into an interim M-1A zone with property use restrictions identical with those described in Section 101.0436 of the San Diego Municipal Code; and this Council finds, and a finding is hereby made, that the warehousing of supplies, materials, and equipment necessary and incidental to the manufacture of guided missiles, exclusive of warheads, to be used by the armed forces of the United States, is an enterprise and/or business which is similar to, and not more obnoxious or detrimental to the welfare of the particular area hereinbefore described, than the uses described in Section 101.0436 of the San Diego Municipal Code.

Section 2. That any and all ordinances of The City of San Diego in conflict herewith, be, and they are hereby repealed.

Section 3. This is an ordinance for the preservation of the public peace, health, property and safety of the inhabitants thereof, and is an emergency measure for the reasons set forth in the preamble to this ordinance and shall take effect and be in force from and after its passage.

CITY OF SAN DIEGO }

ORDINANCE NO. 8175
(NEW SERIES)

AN INTERIM ORDINANCE ESTABLISHING REGULATIONS GOVERNING THE USE OF LANDS IN A PORTION OF BLOCK 21, ROSEDALE, IN THE CITY OF SAN DIEGO, CALIFORNIA, AND REPEALING ALL ORDINANCES INsofar AS THEY CONFLICT HEREWITH.

WHEREAS, the public safety, health and welfare of the people of The City of San Diego require that immediate action be taken to zone certain lands in The City of San Diego, in the vicinity of Montgomery Airfield, so that said lands may be properly utilized; and

WHEREAS, the Planning Commission of The City of San Diego, is causing a comprehensive zoning study of said area to be made; and

WHEREAS, the public safety, health and welfare of the people of The City of San Diego require that said lands be utilized in connection with production of guided missiles which are essential for the national defense; and

WHEREAS, acting pursuant to the provisions of Section 101.0203.1 of the San Diego Municipal Code, this Council finds that the public safety, health and welfare of the people of The City of San Diego require the placing of said lands into an interim M-1A Zone as said zone is defined in Section 101.0436 of the San Diego Municipal Code; NOW, THEREFORE,

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That certain real property within The City of San Diego described as a portion of Block 21, Rosedale, within the boundary of the district designated "M-1A" on Planning Commission Zone Map Drawing No. B-1004, filed in the office of the City Clerk of said City under Document No. 597844 be, and the same is, hereby incorporated into an interim M-1A zone with property use restrictions identical with those described in Section 101.0436 of the San Diego Municipal Code; and this Council finds, and a finding is hereby made, that the warehousing of supplies, materials, and equipment necessary and incidental to the manufacture of guided missiles, exclusive of warheads, to be used by the armed forces of the United States, is an enterprise and/or business which is similar to, and not more obnoxious or detrimental to the welfare of the particular area hereinbefore described, than the uses described in Section 101.0436 of the San Diego Municipal Code.

Section 2. That any and all ordinances of The City of San Diego in conflict herewith, be, and they are hereby repealed.

Section 3. This is an ordinance for the preservation of the public peace, health, property and safety of the inhabitants thereof, and is an emergency measure for the reasons set forth in the preamble to this ordinance and shall take effect and be in force from and after its passage.

Passed and adopted by the Council of the City of San Diego, California, this 17th day of September, 1959, by the following vote, to-wit:

YEAS—Councilmen: Tharr, Hartley, Schneider, Kerrigan, Evenson.
NAYS—Councilmen: None.

AN ORDINANCE ADDING SECTION 91.45 TO
THE SAN DIEGO MUNICIPAL CODE ESTABLISH-
ING A VARIANCE PROCEDURE AFFECTING
ROOF STRUCTURES

BE IT ORDAINED, by the Council of The City of San Diego,
as follows:

Section 1. That Article 1, Chapter IX of the San Diego
Municipal Code be, and the same is hereby amended by adding
thereto a new section to be known as and numbered Section
91.45 and to read as follows:

"SEC. 91.45 ROOF COVERING VARIANCE PROCEDURE--ESTABLISHED

When the owner of property desires to utilize
upon a structure or portion thereof, thick butt, shake
shingles for roof covering, which type of roof covering
is prohibited by the requirements of the San Diego
Municipal Code because of the proposed occupancy of
the structure or portion thereof, then the owner of
such property may apply for special permission to use
such shingles as the roofing material on said structure
or portion thereof. If the Director of Building Inspec-
tion, the Chief of the Fire Department and the Planning
Director, acting as a board, determine that the construc-
tion on such property and the use thereof will not
constitute a hazard to the public safety, health and
welfare, then permission may be granted to use such
shake shingles as the roofing material providing the
construction and utilization of such property meets the
following requirements:

1. That the use of thick butt, shake shingles
is authorized by the provisions of the San Diego
Municipal Code for the primary and basic occupancy
proposed for the premises;

2. That all shake shingles shall be split, smooth flat-back, vertical grain redwood with a minimum one inch nominal thickness laid not to exceed the exposure to weather permitted by the City Building Code, but not to exceed eight (8) inches exposed in any case, and fastened with 8d nails; all such shingles shall be installed over one inch nominal solid sheathing or one-half inch exterior type plywood; that a thirty (30) pound minimum base sheet of asphalt saturated felt or equal fire retardant roof be applied over solid sheathing before shingles are applied and that an interlayment of fifteen (15) pound asphalt saturated roofing felt having an eighteen (18) inch minimum width be applied shingle fashion between shake courses;

3. That the maximum roof height shall not exceed forty-five (45) feet above adjacent ground level to the exterior wall of the building; that the roof shall **have a** slope exceeding four (4) inches in **twelve (12) inches**;

4. That the structure or portion thereof for which special permission is sought to use such shingles for roofing material has a roof height which does not exceed thirty (30) feet at the mid-height of the roof gable;

5. That the ground floor area of the structure for which special permission is sought to utilize such shingle roof does not exceed twenty per cent (20%) of the ground floor area of the structures used for the primary and basic occupancy for which the use of such shingles is authorized by this Code;

6. That the structure or portion thereof for which special permission is sought to utilize such shingle roof is situated not less than twenty (20) feet from the property lines;

7. That the structure or portion thereof for which special permission is sought to utilize such shingle roof is constructed with egress which complies with the requirements of this Code and of the State of California for the

proposed occupancy and contains complying egress on not less than two (2) sides of said structure to a court or yard containing a minimum width of not less than twenty (20) feet;

8. That permission shall not be granted for thick butt, shake shingle roofing upon any structure or portion thereof for which the proposed occupancy is A, B-1 or theatre as defined in this Code;

9. That permission to utilize a thick butt, shake shingle roof under the provisions of this section shall not be given within the limits of Fire Zone No. 1 as defined in this Code; and

10. Construction and use shall be in accordance with such other conditions and requirements imposed by the board as in the opinion of the board are necessary in order to protect the public safety, health and welfare."

ORDINANCE NO. 8188
(NEW SERIES)

AN ORDINANCE AMENDING ARTICLE 1, CHAPTER VII, SECTION 71.01 OF THE SAN DIEGO MUNICIPAL CODE, RELATING TO DEFINITIONS.

BE IT ORDAINED By the Council of The City of San Diego, as follows:

Section 1. That Article 1, Chapter VII, Section 71.01 of the San Diego Municipal Code be, and the same is hereby amended to read as follows:

SEC. 71.01 DEFINITIONS
Unless otherwise expressly stated, whenever used in this Chapter the following terms shall respectively be deemed to mean:

(a) STREET, any place commonly used for the purpose of public travel.

(b) OWNER, every person, firm or corporation having use or control of any passenger-carrying automobile or motor-propelled vehicle, as herein defined, whether as owner, lessee or otherwise.

(c) DRIVER, every person in charge of, or operating any passenger-carrying or motor-propelled vehicle, as herein defined, either as agent, employee, or otherwise, of owner, as owner, or under the direction of the owner, as herein defined.

(d) TAXIMETER, any mechanical instrument, appliance, device, or machine by which the charge for hire of a passenger-carrying vehicle is mechanically calculated, either for distance traveled or time consumed, or both, and upon said instrument, appliance, device or machine such charge is indicated by figures.

(e) TAXICAB, every automobile or motor-propelled vehicle of a distinctive color or colors, and/or driver's seat separated from the passenger's compartment by a glass partition, and/or of public appearance such as is in common usage in this country for taxicabs, and/or operated at rates per mile, or for wait-time or for both, or for a compensation, and equipped with a taximeter, used for the transportation of passenger for hire over the public streets of The City of San Diego and not over a defined route and irrespective of whether the operations extend beyond the boundary limits of said City, and such vehicle is routed under the direction of such passenger or passengers, or of such persons hiring the same.

(f) COMPENSATION as used in this Chapter shall mean and include any money, thing of value, payment, consideration, reward, tip, donation, gratuity or profit paid to, accepted, or received by the driver of any vehicle in exchange for transportation of a person, or persons, whether paid upon solicitation, demand or contract, or voluntarily, or intended as gratuity or donation.

(g) AUTOMOBILE FOR HIRE, every automobile or motor-propelled vehicle operated by its owner or an employee, agent or representative of its owner, which is not equipped with a taximeter, used for the transportation of passengers over the public streets of The City of San Diego, whether over a definite route or not; and irrespective of whether such operations extend beyond the boundary limits of said City for compensation which is fixed in accordance with the distance traveled and/or the time elapsed, or at rates per trip, per hour, per day, per week, or per month, and which vehicle is routed or its destination fixed by the person or persons hiring the same.

(h) TRANSFER, any ticket or token conferring upon a passenger the right of transfer from one public conveyance to another public conveyance.

Section 2. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.
