ORDINANCE NO. 8215
(New Series)

AN ORDINANCE AMENDING SECTIONS 86.20.2 AND 86.20.3, RENUMBERING SECTIONS 86.20.4 AND 86.20.5, AND ADDING A NEW SECTION 86.20.4, OF THE SAN DIEGO MUNICIPAL CODE.

BE IT ORDAINED, By the Council of The City of San Diego, as follows:

Section 1. That Sections 86.20.2 and 86.20.3 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 86.20.2 AUTHORIZED PARKING PERMITTED

The Council of The City of San Diego and the Board of Supervisors of the County of San Diego shall have power to provide and define areas in the north and south parking lots of the Civic Center in which officers and employees of The City of San Diego and the County of San Diego shall be permitted to park motor vehicles without restriction as to time, and also may reserve exclusively for the use of officers and employees certain sections of said parking lots as shall be set aside and defined by said Council and said Board of Supervisors. Any such areas reserved exclusively for the use of said officers and employees shall be adequately marked and posted with signs so as to clearly define the areas thus reserved. The Administration Building and Grounds Committee is hereby empowered to make such temporary changes to the areas posted for the use of the public as set forth in Section 86.20.1 of the San Diego Municipal Code, and for the use of employees and officers of the County of San Diego and The City of San Diego respectively in order to accommodate increases in either employee or public parking as circumstances may indicate.

It is hereby declared to be unlawful for any person to park any motor vehicle or leave the same unattended

in any areas of said Civic Center parking lots which are reserved for exclusive use of officers or employees of the County of San Diego and The City of San Diego; provided, however, that this paragraph shall not apply to a person who has been given permission as hereinabove provided to use such reserved spaces so long as the use is within the scope of the permission given (e.g. permission to use the south lot confers no privilege to use the north lot) and the vehicle parked or left unattended has clearly displayed on or behind the windshield thereof the sticker issued in connection with such permission.

The Council of said City and the Board of Supervisors of said County shall also have power, notwithstanding anything in this section contained, to lease for public parking purposes any portion of the parking lots lying immediately north and south of the Civic Center Building between the hours of 6:30 P.M. and 7:30 A.M. of any twenty-four hour period and at any time on legal holidays, upon such terms and conditions as shall be prescribed by said Council and said Board of Supervisors for the purpose of enabling the general public to utilize said parking lots for parking motor vehicles during such hours as herein specified and on such legal holidays. The Council of said City and the Board of Supervisors of said County shall, however, in any such lease reserve the right for officers and employees of either the County or the City to utilize said parking lots for parking vehicles during such times as said officers and employees are engaged in the performance of their duties on behalf of either said County or City.

"SEC. 86.20.3 IDENTIFICATION OF OFFICERS AND
EMPLOYEES REQUIRED.

The permission and authority for the use of said Civic Center parking lots for parking of motor vehicles, hereinabove referred to, for officers and employees of the County of San Diego and The City of San Diego shall be manifested by appropriate permits or windshield stickers issued by the Superintendent, Civic Center buildings, which said permits or windshield stickers shall be attached to said motor vehicles. Said Superintendent is hereby authorized to reissue said permits or stickers as circumstances may require.

It is hereby declared to be unlawful for any officer or employee of the County or of The City of San Diego to park or to leave unattended any vehicle bearing such aforesaid permit or windshield sticker in areas of the north and south parking lots of Civic Center which have been restricted for the use of the public, except at such times and under such circumstances as have been or may be established by the Administration Building and Grounds Committee."

Section 2. That the following sections of the San Diego Municipal Code shall be renumbered as follows:

(a) Section 86.20.4 (Parking in Marked Zones and Stalls) shall be renumbered as Section 86.20.5; and

(b) Section 86.20.5 (Penalty, Impounding of Vehicles Authorized) shall be renumbered as Section 86.20.6.

Section 3. That Article 6, Chapter VIII of the San Diego Municipal Code be, and the same is hereby amended by adding thereto a new section to be known as and numbered Section 86.20.4, and to read as follows:

"SEC. 86.20.4 SPECIAL PERMITS

Notwithstanding the provisions of Section 86.20.3 of this Code, the Administration Building and Grounds Committee is hereby authorized to direct the issuance by the Superintendent, Civic Center buildings, of appropriate permits or windshield stickers authorizing certain officers and/or employees of the County of San Diego and The City of San Diego to park without restriction as to time in any space of the Civic Center parking lots designated for parking by employees or officers of the City or County or in any space of the Civic Center parking lots designated for two-hour public parking. The permission hereby granted shall not extend to parking spaces reserved for 30-minute public parking or to parking spaces reserved for the exclusive use of certain designated officers or employees of the County of San Diego or of The City of San Diego. These reserved parking spaces shall be clearly marked with a sign bearing the official title of the officer or employee for whom the space is reserved.

It is hereby declared to be unlawful for any person other than the officer or employee for whom said parking space has been reserved to use same, without first obtaining the permission of said officer or employee.

It is the intent of this section to make provision for parking for the members of various County and City Boards and Commissions, who have occasion to use the Civic Center parking lots at irregular intervals, and for varying periods of time. The Administration Building and Grounds Committee shall have sole discretion to determine which groups and the members thereof who shall receive the special permits or windshield stickers described herein."

Section 4. A violation of any provision or the failure to comply with any of the requirements established by this ordinance shall constitute a misdemeanor. Any person convicted of such violation or such failure shall be punishable by a fine of not more than Five Hundred Dollars (\$500.00) or by imprisonment in the City Jail for a period of not more than six months or by both fine and imprisonment. The provisions of Section 11.12 of the San Diego Municipal Code shall apply.

Section 5. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

AN ORDINANCE AMENDING ARTICLE 4, CHAPTER VI OF THE SAN DIEGO MUNICIPAL CODE BY AMENDING SECTION 64.32 AND ADDING THERETO A NEW SECTION NO. 64.32.2 REGULATING SEWER SERVICE CHARGES.

WHEREAS, the rapid growth of The City of San Diego has created an urgent need for additional facilities for the collection, treatment and disposal of sewage and predicted increases in population will multiply the sanitation problems of The City of San Diego; and

WHEREAS, in order to protect the health and safety of its citizens, the City intends to acquire and construct substantial additional facilities for the collection, treatment and disposal of sewage; and

WHEREAS, the sewer service charges as presently being paid by the citizens and property owners of The City of San Diego are not adequate to enable the City of San Diego to finance the required additional sewage facilities; and

WHEREAS, the investigations, reports and analyses of all of the financial, technical and engineering problems connected with the development of additional sewage facilities indicate that the sewer service charges should be increased to the amounts set forth hereinafter in this ordinance, which said amounts will be adequate for the financing of all facilities presently planned, contemplated and required for the people of the San Diego area; and

WHEREAS, the City Manager has recommended that the San Diego Municipal Code be amended to provide the collection of sewer service charges as hereinafter set forth; NOW, THEREFORE,

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

(1) The domestic sewer service charge for each single family dwelling unit serviced by a separate water meter shall be One Dollar Fifty Cents (\$1.50) per month.

(2) The monthly sewer service charge for other parcels of real property used for domestic purposes (as herein defined) AND serviced by a 5/8" or 3/4" water meter shall be 40% of the amount of the total water bill for the property, but in no case less than One Dollar Fifty Cents (\$1.50) per month, nor more than One Dollar Fifty Cents (\$1.50) per dwelling unit per month.

(3) The monthly sewer service charge for all other parcels of real property used for domestic purposes (as herein defined) shall be 40% of the gross water bill for the property, but in no case shall be less than 50% of the minimum water charge, as established by this Code, nor more than One Dollar Fifty Cents (\$1.50) per dwelling unit per month.

(4) The monthly sewer service charge for premises used EXCLUSIVELY for commercial and industrial purposes shall be 40% of the gross water bill for water service as computed in accordance with the rates established by this Code for water supplied, but in no case shall be less than 50% of the minimum monthly water charge as established by this Code.

Real property shall be deemed to be used for domestic purposes within the meaning of this section when such real property is used for single family residence or the furnishing of lodging by the operation of hotels, auto courts, apartment houses, bungalow courts, housing units, rooming houses, motels, trailer parks or the rentals of property for lodging purposes."

Such rules, regulations and sewer service charges shall be effective when approved by resolution of the City Council. The City Manager shall have the power to grant variances from the established sewer service charges upon his own initiative or when the owner or occupant of any premises applies therefor as hereinafter provided and one or more of the following situations exist:

(1) Where the sewage from any plant, building or premises of an industrial or commercial character shall be substantially different in volume or type from the average sewage entering the sewer system of the City. For the purpose of this subsection, "average sewage" shall be:

In volume, 70 gallons of sewage for each 100 gallons of water consumed on any plant, building or premises of an industrial or commercial character, and in type, 300 parts per million of suspended solids and 300 parts per million of biochemical oxygen demand.

(2) Where the water supplied to the real property connected with the sewer system is received from a source other than The City of San Diego water system; provided that the sewer service charge for such property shall as nearly as possible be equivalent to the sewer service charge established under this section for similar property supplied with water from The City of San Diego water system.

(3) Where a substantial portion of the premises of an industrial or commercial establishment is used for industrial, commercial, recreational, horticultural or agricultural purposes of such a nature that the water supplied to such premises is not entirely or substantially discharged into the sewer system.

(4) Where a fire service connection to the municipal water system is installed.

(5) Where the premises are not connected to the sewer system of The City of San Diego and it is not physically possible or reasonably feasible financially to connect such premises with the City sewer system.

(6) When water is supplied to premises through a separate water meter measuring irrigation water and that water is used entirely for irrigation purposes.

B. The owner or occupant of any premises subject to the sewer service charge may apply in writing to the City Manager for a reclassification of such premises under the provisions of Paragraphs A(1), A(2), A(3), A(4), A(5) or A(6); provided, however, that no rebate upon such reclassification shall be allowed for a period more than ninety (90) days preceding the filing of such application. The applicant shall furnish substantial engineering and factual data to support the applicant's contention that the premises should be reclassified as provided in this section. The decision of the City Manager shall be final and conclusive."

Section 3. A violation of any provision or the failure to comply with any of the requirements established by this ordinance shall constitute a misdemeanor. Any person convicted of such violation or such failure shall be punishable by a fine of not more than Five Hundred Dollars (\$500.00) or by imprisonment in the City Jail for a period of not more than six months or by both fine and imprisonment. The provisions of Section 11.12 of the San Diego Municipal Code shall apply.

AN ORDINANCE AMENDING ARTICLE 3, CHAPTER III OF THE SAN DIEGO MUNICIPAL CODE BY AMENDING SECTIONS 33.1006 AND 33.1006.1 AND BY ADDING THERETO SECTIONS 33.1006.2 THROUGH 33.1006.7; AND REPEALING SECTIONS 33.0807 AND 33.0808 THEREOF; RELATING TO REGULATION OF CLOSING-OUT SALES.

BE IT ORDAINED by the Council of The City of San Diego, as follows:

Section 1. That Article 3, Chapter III, Sections 33.1006 and 33.1006.1 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 33.1006 CLOSING-OUT SALES - LICENSE REQUIRED

No person shall advertise or conduct a closing-out sale or sell or offer for sale any goods, wares or merchandise at a sale represented to be a closing-out sale without first obtaining a license to conduct such closing-out sale from the Chief of Police. If said sale is to be conducted at a public auction, then in addition to the provisions of this section and subsections, the provisions of Division 8 of Article 3, Chapter III of the San Diego Municipal Code shall apply."

"SEC. 33.1006.1 DEFINITION

Whenever used in this article, the term 'closing-out sale' shall mean any offer to sell to the public, or sale to the public, of goods, wares or merchandise upon the implied or expressed representation that such sale is in anticipation of the ceasing, discontinuance, or termination of a business, or that such sale is other than in the ordinary course of business. Without limiting the generality of the above, a closing-out sale shall include any sale advertised or represented, either specifically or in substance, to be: 'Adjustor's Sale',

'Administrator's Sale', 'Bankrupt Sale', 'Creditor's Sale', 'Close-Out Sale', 'Executor's Sale', 'End of Business Sale', 'Final Sale', 'Forced Out of Business Sale', 'Insolvent Sale', 'Inventory Liquidation Sale', 'Inventory Close-Out Sale', 'Inventory Disposal', 'Last Days Sale', 'Lease Expires Sale', 'Liquidation Sale', 'Lost Lease Sale', 'Must Vacate Sale', 'Quitting Business Sale', 'Receiver's Sale', 'Selling Out Sale', 'Stock Disposal', 'Stock Sell Out', 'Stock Liquidation Sale', 'Termination Sale', 'Wind-up Sale', or any other term tending to convey to the public that upon the disposal of the stock of goods on hand the business will cease and be discontinued."

Section 2. That Article 3, Chapter III of the San Diego Municipal Code be, and the same is hereby amended by adding thereto new sections to be known as and numbered Sections 33.1006.2, 33.1006.3, 33.1006.4, 33.1006.5, 33.1006.6 and 33.1006.7 and to read as follows:

"SEC. 33.1006.2 APPLICATION FOR LICENSE

Application for license required by this section shall be filed with the Chief of Police by the person conducting the closing-out sale at least ten (10) days prior to the commencement thereof. Said application for license shall be in writing, signed and verified under oath, by the person who intends to conduct such sale, and each application shall set forth and contain the following information:

- (a) Description and street location of the place at which such sale is to be held;
- (b) The nature of the occupancy, whether by ownership or lease or sublease and if by lease or sublease, the effective date of termination of such tenancy;

(c) The means to be employed in publishing such sale, together with the proposed contents of such advertising;

(d) The facts in regard to the insolvency, bankruptcy, assignment, receivership or other cause for the dissolution of the business;

(e) An inventory or statement setting forth the quantity and description of all goods, wares and merchandise to be sold at such sale. All goods, wares and merchandise listed upon the inventory or statement shall be so described in detail by lot, number, brand name and other additional detail so that the identity of such goods with the inventory listing may be readily determined. All consignment goods listed upon the inventory or statement shall be so designated. No consignment goods may be included in the sale unless said consigned goods have been in the applicant's possession for at least thirty (30) days prior to the filing of the application as required by this section.

(f) In the event that said sale will be conducted at public auction, the name of the auctioneer who shall conduct said auction sale."

"SEC. 33.1006.3 ISSUANCE OF LICENSE

Upon filing of the application, the Chief of Police may make, or cause to be made, an examination or investigation of the statements put forth in such application, or of the applicant and his affairs, in relation to the proposed closing-out sale. If the Chief of Police finds that the statements in the application are true, that the advertising to be used is not false, deceptive or misleading in any respect, and that the proposed methods

of conducting the sale are not such as, in the opinion of the Chief of Police, would work a fraud or misrepresentation on the purchaser, then the Chief of Police shall issue a license to conduct such a sale in accordance with the provisions of this section; otherwise the Chief of Police shall deny the application and refuse such license. No application for such license shall be accepted by the Chief of Police unless accompanied by a filing fee of Twenty-Five Dollars (\$25.00), no part of which shall be refundable. PROVIDED, FURTHER, that whenever the goods, wares or merchandise is to be sold at public auction and is a stock of jewelry as described in Section 33.0809(a), then in that event the application required herein shall be accompanied by the sum of One Hundred Dollars (\$100.00). At the time of delivery of such license, the licensee shall sign the following agreement, to be witnessed by the Chief of Police: 'The above license is accepted by the undersigned upon the condition that licensee agrees to comply with, and abide by, all the provisions of Section 33.1006 and subsections thereof, of the San Diego Municipal Code.' "

"SEC. 33.1006.4 CONDITIONS OF THE LICENSE

Any license issued under the provisions of this section shall authorize the conduct and advertising of the one type of sale named therein, and at location specified therein, for a period of not more than sixty (60) calendar days. Provided, however, that the Chief of Police may, upon a verified application therefor, renew said license for a period of not to exceed thirty (30) days, upon the payment of a renewal fee of Twenty-Five Dollars (\$25.00). Such verified petition for renewal shall, upon request of the Chief of Police, include a

listing of such remainder goods, wares or merchandise remaining in stock from the original inventory and shall not contain any goods, wares or merchandise not named in the original application. If a sale is to be conducted at two or more locations, separate licenses must be obtained for each location at which said sale takes place. The conditions prescribed as precedent to the issuance of a license for one location shall be the same conditions to be satisfied for any and all licenses issued for more than one location. Stocks of merchandise in warehouses not located on the premises for which license is issued, shall be listed on separate inventories. If sale of merchandise is to be conducted at the warehouse location, a separate license shall be required. No person who has not been the owner of record of a business for which such license is sought, for a period of at least three (3) months, shall be granted a license."

"SEC. 33.1006.5 RULES AND REGULATIONS

Any license issued under the provisions of this section shall be valid only for the advertising and conducting of sale of the particular goods, wares and merchandise described in the original application therefor, and during the particular time, and at the particular location stated therein and by the particular applicant therefor, and any renewal, replenishment or substitution of such goods, wares or merchandise, or change of time or place of such sale, or change of person conducting such sale, shall be unlawful and shall render such license void. Each and every sale of goods, wares or merchandise as was not included in the original inventory shall constitute a separate offense under this section."

"SEC. 33.1006.6 RECORDS TO BE KEPT

Suitable records of daily sales shall be kept by licensee and shall be made available on request of the Chief of Police or appointed investigators. The Chief of Police, or appointed investigators, shall at all times have access to such records and shall be permitted to examine all merchandise on the premises for comparison with such records."

"SEC. 33.1006.7 EXEMPTIONS

The provisions of this section shall not apply in the case of:

(a) Sales conducted by order or process of a court of competent jurisdiction;

(b) Sales conducted by public officers such as marshals and sheriffs in accordance with their powers and duties;

(c) Sales made under an assignment for the benefit of creditors generally; provided that facts of such termination and liquidation be clearly set forth in the public announcement of such sale."

Section 3. That Sections 33.0807 and 33.0808 of the San Diego Municipal Code be, and the same are hereby repealed.

Section 4. A violation of any provision or the failure to comply with any of the requirements established in this ordinance shall constitute a misdemeanor. Each such person shall be guilty of a separate offense for each and every day during any portion of which any violation of any provision of this ordinance is committed, continued or permitted by such person and shall be punishable accordingly. Any person convicted of such violation or such failure shall be punishable by a fine of not more than \$500.00, or by imprisonment in the City Jail for a period of not

more than six months, or by both fine and imprisonment. The provisions of Section 11.12 of the San Diego Municipal Code shall apply.

Section 5. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

(d) The facts in regard to the insolvency, bankruptcy, assignment, receivership or other cause for the dissolution of the business;

(e) An inventory or statement setting forth the quantity and description of all goods, wares and merchandise to be sold at such sale. All goods, wares and merchandise listed upon the inventory or statement shall be so described in detail by lot, number, brand name and other additional detail so that the identity of such goods with the inventory listing may be readily determined. All consignment goods listed upon the inventory or statement shall be so designated. (f) In the event that said sale will be conducted at public auction, the name of the auctioneer who shall conduct said auction sale."

"SEC. 33.1005.3 ISSUANCE OF LICENSE

Upon filing of the application, the Chief of Police may make, or cause to be made, an examination or investigation of the statements put forth in such application, or of the applicant and his affairs, in relation to the proposed closing-out sale. If the Chief of Police finds that the statements in the application are true, that the advertising to be used is not false, deceptive or misleading in any respect, and that the proposed methods of conducting the sale are not such as, in the opinion of the Chief of Police, would work a fraud or misrepresentation on the purchaser, then the Chief of Police shall issue a license to conduct such a sale in accordance with the provisions of this section; otherwise the Chief of Police shall deny the application and refuse such license. No application for such license shall be accepted by the Chief of Police unless accompanied by a filing fee of Twenty-Five Dollars (\$25.00), no part of which shall be refundable. PROVIDED, FURTHER, that whenever the goods, wares or merchandise is to be sold at public auction and is a stock of jewelry as described in Section 33.0809 (a), then in that event the application required herein shall be accompanied by the sum of One Hundred Dollars (\$100.00). At the time of delivery of such license, the licensee shall sign the following agreement, to be witnessed by the Chief of Police: "The above license is accepted by the undersigned upon the condition that licensee agrees to comply with, and abide by, all the provisions of Section 33.1006 and subsections thereof, of the San Diego Municipal Code."

"SEC. 33.1006.4 CONDITIONS OF THE LICENSE

Any license issued under the provisions of this section shall authorize the conduct and advertising of the one type of sale named therein, and at location specified therein, for a period of not more than sixty (60) calendar days. Provided, however, that the Chief of Police may, upon a verified application therefor, renew said license for a period of not to exceed thirty (30) days, upon the payment of a renewal fee of Twenty-Five Dollars (\$25.00). Such verified petition for renewal shall, upon request of the Chief of Police, include a listing of such remainder goods, wares or merchandise remaining in stock from the original inventory and shall not contain any goods, wares or merchandise not named in the original application. If a sale is to be conducted at two or more locations, separate licenses must be obtained for each location at which said sale takes place. The conditions prescribed as precedent to the issuance of a license for one location shall be the same conditions to be satisfied for any and all licenses issued for more than one location. Stocks of merchandise in warehouses not located on the premises for which license is issued, shall be listed on separate inventories. If sale of merchandise is to be conducted at the warehouse location, a separate license shall be required. No person who has not been the owner of record of a business for which such license is sought, for a period of at least three (3) months, shall be granted a license."

"SEC. 33.1006.5 RULES AND REGULATIONS

Any license issued under the provisions of this section shall be valid only for the advertising and conducting of sale of the particular goods, wares and merchandise described in the original application therefor, and during the particular time, and at the particular location stated therein and by the particular applicant therefor, and any renewal, replenishment or substitution of such goods, wares or merchandise, or change of time or place of such sale, or change of person conducting such sale, shall be unlawful and shall render

WHEREAS, the Civil Service Commission of The City of San Diego has heretofore recommended the amendments of Rules V, VI, VII, VIII, XI and XII of the Rules of the Civil Service Commission, which rules are codified as Article 3, Chapter II of the San Diego Municipal Code; and

WHEREAS, pursuant to the provisions of Section 118 of the Charter of The City of San Diego, the City Council held a public hearing upon the recommended amendments to the said Rules on the 17th day of March, 1960; and

WHEREAS, this Council is of the opinion that it will be in the best interests of the City and its citizens that the proposed amendments be adopted; NOW, THEREFORE,

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That Section 1 of Rule V of the Rules of the Civil Service Commission and Section 23.0601 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 23.0601 RE-EMPLOYMENT LISTS FOR REGULAR WORK:
(Section 1, Rule V of the Civil Service Commission)

An employee whose appointment has become permanent after having served his probationary period satisfactorily, and who, without fault or delinquency on his part

has been separated from the service or reduced in rank because of lack of work or funds or because his class of position has been abolished in accordance with Rule 1 of the Civil Service Commission and Section 23.0202 of the San Diego Municipal Code, shall have his name automatically placed on the re-employment list for his class of position.

(1) The place of such employee's name on said list shall be determined in the same manner as prescribed in Rule XI of the Civil Service Commission and Section 23.1207 of the San Diego Municipal Code for order of layoff, but in reverse order.

(2) Said employee shall be certified to vacancies in his class in accordance with Rule VI of the Civil Service Commission and Section 23.0701 et seq. of the San Diego Municipal Code and may be certified for a vacancy in any comparable or lower class of position for which he is qualified, as determined by the Personnel Director.

(3) Unless the employee is re-employed sooner, his name shall remain on the list for two years. If he is not rehired within said two-year period, the employee may request the Commission in writing to extend his re-employment eligibility for another two years. The Commission may, in its discretion, grant or deny such request. In no event shall a person's name remain on a re-employment list longer than four years."

Section 2. That Section 2 of Rule V of the Rules of the Civil Service Commission and Section 23.0602 of the San Diego

Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 23.0002 RE-EMPLOYMENT LISTS FOR SEASONAL WORK:
(Section 2, Rule V of the Civil
Service Commission)

Employees who have served satisfactorily in seasonal employment shall have their names placed on the seasonal re-employment list for the class of position in which they have served, when their eligibility on the regular employment list for the class has expired.

(1) The order of names on the seasonal list shall be in accordance with the performance ratings received during the most recent season of service. If performance ratings are equal, ties shall be broken first by total length of service in the class, and then by original examination grade.

(2) Seasonal re-employment lists shall be revised at the beginning of each calendar year. If a seasonal eligible fails to work for two consecutive seasons, his name shall automatically be removed from the list and he shall have no further Civil Service standing in such class of position."

Section 3. That Section 1 of Rule VI of the Rules of the Civil Service Commission and Section 23.0701 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 23.0701 REQUEST FOR CERTIFICATION:
(Section 1, Rule VI of the Civil
Service Commission)

Whenever a vacancy in the Classified Service is to be filled other than by transfer or demotion, the appointing authority shall make requisition upon the Personnel

Director for eligibles for appointment to the class of position for which the vacancy exists. Such requisition shall be upon official forms and shall specify the department, the class, and compensation to be paid; also, whether the service is limited or permanent, and when the service is to begin, and the probable length of such service, if not permanent."

Section 4. That Section 3 of Rule VI of the Rules of the Civil Service Commission and Section 23.0703 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 23.0703 CERTIFICATION FROM RE-EMPLOYMENT LISTS:
(Section 3, Rule VI of the Civil
Service Commission)

Upon receipt of requisition for certification of an eligible to fill a vacancy, the Personnel Director shall certify from the re-employment list, the name of the eligible who previously worked in the department or major division and is first on the list for the class of position for the department or major division making the request. If no one on the list has previously been employed in the department or major division in the class of position, the names of the three persons standing highest on the list for the class of position shall be certified; provided, however, that a fewer number of names may be certified when there is not the required number on the re-employment list."

Section 5. That Section 4 of Rule VI of the Rules of the Civil Service Commission and Section 23.0704 of the San Diego

Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 23.0704 CERTIFICATION FROM ELIGIBLE LIST:
(Section 4, Rule VI of the Civil
Service Commission)

Upon receipt of requisition for certification of an eligible to fill a vacancy, in the absence of a re-employment list, the Personnel Director shall certify the names and addresses of the first three available eligibles on the list for the class, but shall first certify from the appropriate promotional list. When more than one vacancy is to be filled, the Personnel Director shall certify the number of names equal to the number of vacancies to be filled and two more in addition thereto; provided, however, that a fewer number may be certified when there is not the required number on the eligible list.

(1) When no eligible list for the class of position exists, or when the eligible list contains less than three names, a provisional appointment may be approved by the Personnel Director.

ORDINANCE NO. 8276
(New Series)

AN ORDINANCE AMENDING ARTICLE I OF CHAPTER IX OF THE SAN DIEGO MUNICIPAL CODE BY ADDING THERETO SECTIONS 91.71, 91.72, 91.73, 91.74, 91.75, 91.76, 91.77 AND 91.78, INCLUSIVE.

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That Article I, Chapter IX of the San Diego Municipal Code, be, and the same is hereby amended by adding thereto new sections to be known as and numbered Sections 91.71, 91.72, 91.73, 91.74, 91.75, 91.76, 91.77 and 91.78, inclusive, and to read as follows:

"SEC. 91.71 SWIMMING POOLS--Definition.

A swimming pool is any confined body of water, located either above or below the existing finished grade of the site, exceeding one hundred and fifty (150) square feet in surface area, and two (2) feet in depth, designed, used, or intended to be used for swimming or bathing purposes.

"SEC. 91.72 SWIMMING POOLS--Fence Required.

(a) Every swimming pool shall be enclosed by a natural barrier, retaining wall, fence or other structure having a minimum height of five (5) feet, and constructed or installed so as to obstruct access thereto by persons other than the owners or occupants of the premises on which such swimming pool is located.

(b) Every existing swimming pool shall be enclosed as required by subsection (a) of this section. When any such fence, structure or wall enclosing an existing swimming pool would be located in a required front yard setback, written application shall be made to the Zoning Administrator for a variance to permit the construction and installation of a fence, wall or

structure as required herein or of an equivalent enclosing wall, fence, structure or natural barrier.

"SEC. 91.73 SWIMMING POOLS--Gates.

Such fences may include gates therein. All gates must be self-latching, with latches placed at least four (4) feet above the underlying ground in order to be securely closed. All gates opening through such enclosure shall be kept securely closed and latched at all times.

"SEC. 91.74 SWIMMING POOLS--Ingress and Egress.

Such fence, gate or other protective device as required by these sections, shall be installed in such a manner as to comply with the fire exit requirements as contained in this Code and the State law. No swimming pool shall be installed in any court or yard area which is required for ingress or egress to any building or occupancy.

"SEC. 91.75 SWIMMING POOLS--Front, Side and Rear Yards.

(a) All swimming pools constructed after the effective date of this section shall be subject to the front yard and side yard setback requirements as set forth in Sections 101.0601 and 101.0602 through 101.0611, inclusive, of the San Diego Municipal Code, but in no case shall be located closer than three (3) feet from any property line.

(b) All tanks, heating, filtering and pumping equipment used for the service of said pool shall be subject to the front yard and side yard setback requirements as set forth in Sections 101.0407, 101.0409, 101.0411, 101.0601 and 101.0602 through 101.0611, inclusive, of the San Diego Municipal Code, except when such accessories are located entirely below the

existing finished grade of the site and provided with a permanent, durable, protective cover, in which case the aforementioned front yard and side yard setback requirements pertaining to such equipment shall not apply.

(c) Swimming pools, including heating, filtering, pumping and accessory equipment shall have a five (5) foot rear yard setback.

"SEC. 91.76 SWIMMING POOLS--Variance.

The owner of any swimming pool may request approval of variance from the fencing requirements herein by submitting to the Director of Building Inspection written application for such variance, setting forth a description of such pool and an alternate safeguard or condition of the site by which entry into said swimming pool may be restricted or prevented. The Director may approve such alternate safeguard or obstruction upon finding that one of the following conditions exists:

(1) That physical conditions of the site would make the erection of a fence or wall impractical.

(2) That proposed limitation of access or conditions of control which would be continuously effective would accomplish the intent of the fencing requirements.

"SEC. 91.77 SWIMMING POOLS--Exemptions.

(a) The provisions of Sections 91.72, 91.73 and 91.74 shall not apply to premises where a swimming pool is used or maintained and the premises are used for any hotel, motel, apartment or trailer park consisting of ten (10) or more units, where the

owner or an employee thereof is on duty on such premises twenty-four (24) hours each day.

(b) All swimming pools which are completely contained within the walls of a building shall be exempt from the provisions of the fencing requirements.

"SEC. 91.78 SWIMMING POOLS--Lot Coverage.

Swimming pools shall not be considered residential structures for purposes of computing lot coverage as set forth in Section 101.0601.1 of the San Diego Municipal Code."

Section 2. Within ninety (90) days from and after the effective date of this ordinance, property owners shall comply with the provisions of Sections 91.71 through 91.78, inclusive.

Section 3. A violation of any provision or the failure to comply with any of the requirements established by this ordinance shall constitute a misdemeanor. Any person convicted of such violation or such failure shall be punishable by a fine of not more than \$500.00 or by imprisonment in the City Jail for a period of not more than six months or by both fine and imprisonment. AN ORDINANCE OF THE CITY OF SAN DIEGO, CALIFORNIA, ORDERING, CALLING, PROVIDING FOR AND GIVING NOTICE OF A SPECIAL MUNICIPAL ELECTION TO BE HELD IN SAID CITY ON TUESDAY, JUNE 7, 1960, FOR THE PURPOSE OF PROPOSING AND SUBMITTING TO THE ELECTORS OF SAID CITY TWO PROPOSITIONS TO AMEND THE CHARTER OF THE CITY OF SAN DIEGO AND CERTAIN PROPOSITIONS FOR THE RATIFICATION OF SEVEN ORDINANCES AUTHORIZING THE SALE OR CONVEYANCE OF CERTAIN PARK LANDS AND PUEBLO LANDS OF THE CITY OF SAN DIEGO; AND CONSOLIDATING SAID SPECIAL MUNICIPAL ELECTION WITH THE STATEWIDE PRIMARY ELECTION TO BE HELD IN SAID CITY ON JUNE 7, 1960.

BE IT ORDAINED, By the Council of The City of San Diego, as follows:

Section 1. There is hereby ordered, called and proclaimed a special municipal election to be held in the City of San Diego, California, on the 7th day of June, 1960; and pursuant to Section 219 of the Charter of The City of San Diego and the provisions of Section 8 of Article XI of the Constitution of the State of California the Council of The City of San Diego, being the legislative body thereof, hereby proposes and submits to the qualified voters of said City at said special municipal election the following propositions:

PROPOSITION B

Amend Section 54 of Article V of the Charter of The City of San Diego to read as follows:

"Section 54. HARBOR DEPARTMENT.

(a) The Mayor, with the approval of the Council, shall appoint five electors of the City as members of the Harbor Commission, one to serve for one year, one for two years, one for three years, one for four years, and one for five years. Thereafter, members of the Harbor Commission shall be appointed to serve for five years and until their successors have been appointed and qualified. The members of the Harbor Commission in

office at the time this amendment becomes effective shall remain in office until their successors are appointed and qualified. The Council may at any time by a vote of at least five (5) of their members remove from office any or all of said Harbor Commissioners. The members of the Harbor Commission shall serve without pay.

(b) The Harbor Commission is vested with jurisdiction and authority to exercise in the name of the City of San Diego such powers as are prescribed by general laws now in force and hereafter enacted, together with such additional powers and duties as may be prescribed by ordinance, this Charter, or the laws of the United States. The Commission shall have jurisdiction, supervision, management and control of the Bay of San Diego fronting upon The City of San Diego and within the jurisdiction of said City, including all tide and submerged lands, whether filled or unfilled, situated below the line of mean high tide within said bay, except, however, such tide and submerged lands within said bay which have heretofore or which hereafter may be transferred to the exclusive control of the United States, and excepting further such other tidelands as may by vote of the people or act of the State Legislature be transferred to a purpose and use inconsistent with commerce, navigation and fisheries.

(c) The Harbor Commission shall have power to adopt, with the approval of the Council by ordinance, such rules and regulations as may be necessary to exercise and carry out the powers and duties prescribed by this Charter for said Harbor Commission.

(d) The Harbor Commission, subject to the Civil Service provisions of this Charter, shall appoint a Port Director, together with such other officers, employees and subordinates as may be necessary in the judgment of said Harbor Commission to carry out the duties prescribed by this Charter for said Harbor Commission and for the promotion of commerce, navigation and fisheries. All such offices and employments shall be created by ordinance upon the direct recommendation of the Harbor Commission. The Harbor Commission shall also have authority and power to employ legal counsel whenever in the judgment of said Commission such employment is necessary.

(e) The Port Director shall be the chief administrative officer of the Harbor Commission, and he shall exercise such powers and perform such duties as may be prescribed by the Harbor Commission. In addition to any duties imposed by the Harbor Commission and this Charter the Port Director shall also perform such duties as may be imposed upon harbor masters, port directors and administrative heads of harbors and ports by State or Federal law.

(f) All revenues derived from the tidelands and the operation of San Diego Harbor shall be used exclusively for the purpose of improving the harbor and tidelands fronting thereon, including the payment of principal and interest of any general obligation bonds or revenue bonds issued by the City for harbor purposes, and the maintenance and operation of the Harbor Department. Each year there shall be appropriated from funds derived from said revenues the amount or amounts re-

quired by any ordinance or resolution authorizing or providing for the issuance of revenue bonds for harbor purposes and such amount or amounts, if any, as the Council shall direct for the payment of principal of and interest on general obligation bonds of the City issued after June 15, 1960, for harbor purposes. If, at the time of submission of its annual budget estimate, as provided in Section 69 of this Charter, the Harbor Commission determines there are or will be revenues available for the payment of any principal or interest coming due the next fiscal year on general obligation bonds of the City issued prior to June 15, 1960, for harbor purposes, said revenues may be appropriated and used for such payment.

(g) The Harbor Commission shall have authority to lease tidelands for such terms and upon such conditions as may be authorized by law; provided, however, that no lease of any tidelands within the jurisdiction of the City for a term longer than one year shall be valid unless said lease shall have been confirmed by the Council.

(h) Any municipal air ports now established or which may hereafter be established on the tidelands shall be under the control and supervision of the Harbor Commission until such time as the Council by ordinance shall create a Department of Aviation under the Manager, at which time the Council may provide in such ordinance for the control, regulation and supervision of municipal airports by the Department of Aviation.

(i) And all matters concerning the development of the Harbor of San Diego in which the Planning Commission of The City of San Diego shall have an interest, and which relate to the planning and zoning of The City of San Diego, shall be referred by the Harbor Commission to the Planning Commission for recommendation before final

action is taken thereon. In the event of a disagreement between the Harbor Commission and the Planning Commission concerning such proposed development, the matter shall be referred to the Council, whose decision on such development shall be final."

PROPOSITION C

(b) The Harbor Commission is vested with jurisdiction and authority to exercise in the name of the City of San Diego such powers as are prescribed by general laws now in force and hereafter enacted, together with such additional powers and duties as may be prescribed by ordinance, this Charter, or the laws of the United States. The Commission shall have jurisdiction, supervision, management and control of the Bay of San Diego fronting upon the City of San Diego and within the jurisdiction of said City, including all tide and submerged lands, whether filled or unfilled, situated below the line of mean high tide within said bay, except, however, such tide and submerged lands within said bay which have heretofore or which hereafter may be transferred to the exclusive control of the United States, and excepting further such other tidelands as may by vote of the people or act of the State Legislature be transferred to a purpose and use inconsistent with commerce, navigation and fisheries.

(c) The Harbor Commission shall have power to adopt, with the approval of the Council by ordinance, such rules and regulations as may be necessary to exercise and carry out the powers and duties prescribed by this Charter for said Harbor Commission.

(g) The Harbor Commission shall have authority to lease tidelands for such terms and upon such conditions as may be authorized by law; provided, however, that no lease of any tidelands within the jurisdiction of the City for a term longer than one year shall be valid unless said lease shall have been confirmed by the Council.

TO BE KNOWN AS AND NUMBERED SECTION 55.25,

section. The method and location of every installa-
tion of such system or device must be approved by
the Fire Marshal of The City of San Diego, and every
such installation shall be subject to such periodic
tests or maintenance procedure as he may reasonably
require; provided however, that the provisions of
this section and subsections shall not apply to fire
alarm signaling systems installed as an integral part
of an approved automatic fire extinguishing system or
an approved fire alarm signaling system designed or
installed as required by the building laws of The City
of San Diego and the Health and Safety Code of the

authorized by a building permit.

"SEC. 55.25.1 SAME - SALE OR SOLICITATION

No person shall sell or solicit the sale or installation of, any fire alarm signaling system or device designed or intended to indicate a fire emergency, without first having filed with the Treasurer of The City of San Diego a surety bond in favor of The City of San Diego in the amount of \$1,000.00. Said bond shall be approved as to form by the City Attorney prior to acceptance by the Treasurer. The condition of said bond shall be that any person injured by any misrepresentation or fraud or breach of contract of the principal acting in the course and scope of his occupation or business, or by any officer, agent or employee of said principal acting in the course and scope of his employment or agency, may recover against said bond damages occasioned by such injury.

"SEC. 55.25.2 SAME - APPROVED SYSTEMS

No person shall sell or offer for sale, any fire alarm signaling device or system designed or intended to indicate a fire emergency unless such system or device has been approved by a nationally recognized testing laboratory having re-examination and labeling service, and bears the label, decalcomania, or other evidence of approval by such testing authority.

"SEC. 55.25.3 SAME - INSTALLATION PERMIT REQUIRED

(b) Written certification by the applicant that the installation for which the permit is desired will conform to all specifications, installation methods, equipment used, and other relevant details incorporated in standard installation plans or diagrams previously filed by the applicant with the Fire Department and approved by the Fire Marshal.

No variation from the use of equipment, specifications, installation methods, and other relevant details from those specified in such pre-filed plans or diagrams will be permitted unless two sets of plans and specifications are submitted in accordance with the provisions of (a).

The Fire Marshal shall investigate as to the proposed location and manner of the installation, and upon his approval thereof, he shall issue the permit applied for. Should such permit be denied, written notice shall be made to the applicant."

Section 2. A violation of any provision or the failure to comply with any of the requirements established by this ordinance shall constitute a misdemeanor. Any person convicted of such violation or such failure shall be punished by a fine of not more than \$500.00 or by imprisonment in the
