No more than two (2) members of the Planning Commission at any time shall be from one (1) councilmanic district. There shall be the same number of

members of the City Planning Commission as there are members of the City Council including the Mayor.

(f) MEETINGS: The Commission and the lawfully established committees thereof shall hold such regular and special meetings as may be required to carry out the provisions of this Article. The Commission shall hold at least one (1) regular meeting every two (2) weeks at an established time and place. All meetings shall be open to the public and the Commission shall, by resolution, adopt rules for the transaction of business and shall keep a public record of its resolutions, transactions, findings, determinations and legislative enactments.

(b) ADMINISTRATIVE AND ADVISORY FUNCTIONS: The Planning Commission shall administer all tentative and final subdivision map processes and the granting of all exceptions and variances to planning and zoning regulations. The Planning Commission shall approve all street name changes and the location and appearance of all public buildings, bridges, retaining walls, approaches, park structures and other public improvements, and shall advise the City Council on all street closings and annexations.

(c) PROCEDURES: The Planning Commission shall establish and define procedures for the administration and enforcement of all planning and zoning ordinances, and shall establish by ordinance its own reasonable rules and regulations to control its functions.

(d) COMPREHENSIVE PLANNING AND ZONING GUIDE: Planning and zoning ordinances of a general nature, adopted by the Planning Commission or the City Council, shall be codified into a separate part or chapter of the Municipal Code. When so codified, such Municipal Code, and all sections thereof,

shall be admissible in all Courts as prima facie evidence of the due passage of the ordinances as codified. The Commission shall cause this Article, all general planning and zoning ordinances, resolutions, rules, regulations and procedures, to be published in a manual. There shall be included in the manual, written in plain language, a description of the procedures to follow with respect to filing plans, subdivision maps, requests for rezonings, initiation of zoning legislation, applications for exceptions and variances and appeals and such other procedures as may be adopted.

Section 229. PROCEDURE FOR ADOPTION OF ORDINANCES.

(a) COMMENCEMENT BY RESOLUTION: Adoption of all planning and zoning ordinances and such related regulatory measures as set forth in this Article, including procedure for appeals and requirements for notice of hearings, shall be commenced by resolution of the Commission carried by the affirmative vote of not less than a majority of its total authorized voting members. Before adopting any such resolution, the Commission shall hold a public hearing. If the Planning Commission after the public hearing disapproves any such resolution, said decision shall become final on the eleventh (11th) day following said action, subject to the right of appeal and action of the City Council as set forth herein.

(b) ADOPTION BY COMMISSION: Each duly adopted resolution shall be forwarded to the City Attorney, who shall prepare an ordinance and submit it to the Planning Commission within seven (7) days. At least five (5) days prior to the date of adoption of said ordinance, a copy of the proposed ordinance shall be mailed to the Mayor and each member of the City Council and to each person who recorded an appearance before the Planning Commission at any prior hearing on the proposed ordinance. The ordinance shall be subject to adoption by the affirmative

vote of not less than a majority of the total authorized voting members of the Commission at the next or any subsequent regular meeting, and shall be filed promptly in the office of the City Clerk. Said ordinance shall become effective on the thirty-first (31st) day following such filing unless an appeal is taken to the City Council in the manner prescribed herein.

(c) APPEAL TO COUNCIL: Within ten (10) days after adoption of the ordinance or disapproval of a resolution by the Planning Commission, any interested person may file in the office of the City Clerk a written notice of appeal, and the City Clerk shall immediately set the matter for public hearing before the City Council. If an appeal is filed within the time specified, it automatically stays proceedings in the matter until a determination is made by the City Council. The City Council after a public hearing may, by the affirmative vote of not less than a majority of the total authorized voting members, repeal, alter, amend or modify the ordinance adopted or the resolution disapproved by the Planning Commission by an ordinance which shall become effective on the thirty-first (31st) day following adoption. In the event that the City Council should deny the appeal or fail to act upon the appeal within thirty (30) days from the date the ordinance of the Planning Commission is filed with the City Clerk, said ordinance shall become effective as if no appeal had been filed.

(d) ORIGINAL JURISDICTION OF THE CITY COUNCIL: Notwithstanding any other provisions of this Article, the City Council, by the affirmative vote of a majority of the total authorized voting members, may after a public hearing initiate and adopt an ordinance with respect to any of the matters included within the legislative functions of the Planning Commission, provided that the subject of the ordinance has

first been referred to the Planning Commission and forty (40) days have elapsed without the Commission's adoption of an ordinance on the subject proposed by the Council.

Section 230. EMERGENCY MEASURES. Notwithstanding any other provisions of this Article, pending the study and adoption of permanent zoning restrictions in an area of land within the City or in the event that new territory may be annexed to the City or whenever the Commission by resolution duly adopted finds that a dire emergency exists in any area, the Commission, by vote of a majority of the total authorized members of the Commission, may, in the interest of protecting the public health, safety and welfare, adopt, without prior notice after a single public hearing, as an emergency measure, a temporary interim zoning ordinance, which shall be effective on the date of adoption and continue in effect until a permanent ordinance is duly adopted, except that no temporary interim ordinance shall be of any effect for a period in excess of one hundred eighty (180) days after adoption; provided, however, that after notice and public hearing, the Commission may extend such temporary interim ordinance for an additional one hundred eighty (180) days. Notice of the adoption of a temporary interim zoning ordinance shall be published in a newspaper of general circulation in the City of San Diego within ten (10) days after its adoption.

Section 231. ZONE VARIANCES.

(a) DUTY OF COMMISSION: The variance procedure as established herein may not be used to rezone property. The Planning Commission shall grant any variance from the Zoning Provisions of the Municipal Code, Zoning Ordinances or Planning and Zoning Regulations, requested by any property owner, after a public hearing, unless it is established by a preponderance of evidence received at the hearing that the proposed use, or any proposed deviation would, if granted:

- (1) Endanger the public health, or the public safety or be contrary to the public welfare; or
- (2) Be incompatible with the existing development or permitted uses and, by reason thereof, injure adjacent properties or destroy the character of an area developed and used for residential purpose.

(b) NOTICE AND HEARING: A public hearing shall be held on all applications for zone variances.

(c) TIME LIMITATION--DATE OF HEARING: Unless the Commission establishes other procedures providing for an earlier hearing, any application for variance shall be heard at the first regular meeting of the Commission occurring more than fifteen (15) days following the filing of an application, and the City Manager shall cause notice to be given within five (5) days following the filing of an application.

(d) TIME LIMITATION--FINAL DECISION: All hearings on applications for variances shall be concluded and a decision rendered within forty-five (45) days following the filing of the application. Failure to render a decision within the time specified shall, unless the time be waived in writing by the applicant, be deemed a decision granting the application.

(e) WRITTEN FINDINGS: A decision denying a variance, or any part thereof, shall be in writing and contain a separate finding for each use and each deviation granted or denied, and each finding shall state the ultimate facts relied on in reaching a decision.

(f) MINOR ADJUSTMENTS: Nothing contained in this section shall prevent the establishment of procedures to permit minor adjustments and deviations by administrative processes. Provisions for a Zoning Administrator and procedures for appeals of the Administrator's decision to the Planning Commission or any committee thereof, as provided herein, may be

adopted by ordinance.

Section 232. ADMINISTRATION AND ENFORCEMENT.

(a) CITY MANAGER: It shall be the duty of the City Manager, as Chief Administrative Officer of the City, to administer and enforce the provisions of this Article and he shall:

- (1) Supervise the City Planning Department and appoint or remove the Director thereof;

(b) APPEAL TO PLANNING COMMISSION: The Planning Commission shall investigate and make a determination upon an appeal where it is alleged that any Department of the City has made any order, regulation, decision or requirement, in the enforcement or administration of the provisions of any planning or zoning ordinance which is contrary to this Article or contrary to any provision in any Planning or Zoning ordinance. Such appeal may be filed by any person aggrieved, and the Planning Commission shall hear and render a decision thereon within twenty (20) days following the filing of any appeal. The Commission shall submit its findings to the City Council for its action.

Section 233. COMMITTEES AND JUDICIAL REVIEW. The Commission may establish committees of three (3) or more members, who need not be members of the Commission, to hear and determine applications for variances other than those authorizing a use of property not permitted under the applicable ordinances, and appeals from actions of City Departments in administering and enforcing planning and zoning laws.

Section 234. INCIDENTAL POWERS. Upon request, all City officials shall furnish to the Planning Commission, within a reasonable time, such available information as is required for the work of the Commission. The Planning Commission shall have such incidental powers as may be necessary to enable it efficiently to perform its planning and zoning functions, as provided in this Article.

Section 235. LIMITATIONS ON LEGISLATIVE POWER. No planning or zoning ordinance shall contain any regulation, restriction or limitation which is not in fact reasonably necessary to protect the public health, the public safety or the public welfare or reasonably necessary to prevent uses so incompatible with existing development or permitted uses that injury to adjacent properties or the general neighborhood would result.

Section 236. PUBLIC HEARINGS.

(a) CONDUCT OF HEARING: All hearings required by this Article shall be open to the public and all interested persons shall be given an opportunity to be heard. Rules of procedure established for the orderly conduct of hearings shall be established by ordinance. When a hearing involves a question of fact such determination must be based on competent evidence. All evidence received at the hearing and all rulings, decisions and actions of the Commission or Council shall be reported by a certified shorthand reporter and shall be transcribed when directed by the Commission or Council, or at the request of any party or interested persons, upon his prepayment of the fee established by ordinance.

(b) NOTICE: A date for each public hearing shall be set and notice of the time, place and purpose of such hearing shall be given in the manner provided by ordinance.

Said propositions shall be presented and printed upon the ballot and submitted to the voters in the manner and form set out in Section 3 of this ordinance.

Section 2. AN ORDINANCE GRANTING TO THE ZOOLOGICAL SOCIETY OF SAN DIEGO THE RIGHT TO OCCUPY ADDITIONAL AREAS IN BALBOA PARK FOR EXPANSION OF THE SAN DIEGO ZOOLOGICAL GARDENS, AND FOR CONSTRUCTION OF AN AUTOMOBILE PARKING AREA FOR PUBLIC USE; AND AMENDING ORDINANCE NO. 6605 (NEW SERIES), ADOPTED AUGUST 2, 1955, TO THAT EFFECT.

WHEREAS, The City of San Diego and the Zoological Society of San Diego desire to occupy an additional area in Balboa Park for expansion of the San Diego Zoological Gardens and for the construction of an automobile parking area for use by the public; NOW, THEREFORE,

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That the title of Ordinance No. 6605 (New Series) of the ordinances of The City of San Diego, passed and adopted August 2, 1955, by the Council of The City of San Diego, be, and the same is hereby amended to read as follows:

"AN ORDINANCE GRANTING TO THE ZOOLOGICAL SOCIETY OF SAN DIEGO THE RIGHT TO OCCUPY, MAINTAIN AND OPERATE THE ZOOLOGICAL GARDENS IN BALBOA PARK, AND COMMITTING TO SAID SOCIETY THE CUSTODY, CARE AND MAINTENANCE OF ZOOLOGICAL EXHIBITS THEREIN; REPEALING AND CANCELING CERTAIN ORDINANCES AND AGREEMENTS; AND GRANTING TO SAID ZOOLOGICAL SOCIETY OF SAN DIEGO THE RIGHT TO OCCUPY ADDITIONAL AREAS IN BALBOA PARK FOR EXPANSION OF THE SAN DIEGO ZOOLOGICAL GARDENS, AND FOR CONSTRUCTION OF AN AUTOMOBILE PARKING AREA FOR PUBLIC USE."

Section 2. That said Ordinance No. 6605 (New Series) be, and the same is hereby amended by adding thereto new sections to be known as and numbered Sections 6A, 6B, 6C, 6D, 6E, 6F and 6G, and to read as follows:

"Section 6A. The Society is permitted to occupy and use, as part of the San Diego Zoological Gardens, additional areas of Balboa Park to increase facilities for automobile parking, as particularly shown on City of San Diego Engineering Department Drawing No. 11573-D as Parcels 1, 2, 2A, 3,

3A and 4. The Society shall construct the proposed automobile parking area at no expense to the City. This includes grading, paving, installation of sidewalks, curbs, water lines for irrigation, planting of trees and shrubs, laying out and lining all parking spaces, and identifying roads and lanes for easy location of automobile parking. The construction is to be done by private contractor aided by the use of Zoological Gardens construction forces and equipment. The Society shall also maintain the planting, keep the area clean, and continuously make the necessary repairs to the above-mentioned installations, paving, curbs, plantings, and lining of parking spaces.

"Section 6B. The entire parking area shall be for the exclusive use of patrons and employees of activities located within Balboa Park, and shall only be used for the parking of the automobiles of such patrons and employees.

"Section 6C. The parking area is to be constructed piecemeal over a four (4) year period. Parcel 1 is set aside to be constructed according to plans and a time schedule mutually agreed upon in advance by the Society and the City Manager, who is authorized to agree on behalf of the City. The City Manager is further authorized to waive variations in the agreed time schedule up to a period not to exceed eighteen (18) months. After the completion of Parcel 1, Parcel 2 is set aside to be constructed according to the same conditions as Parcel 1. Each subsequent parcel, 2A, 3, 3A and 4, is set aside after completion of the parcel immediately preceding it, until all parcels are completed as parking areas; provided, however, the sequence in which said parcels or any portions thereof are constructed may be changed by mutual agreement of the City Manager and the Society, so long as any substitution made for any parcel, or portion thereof, shall be of an area which is equivalent

to the area of the parcel or portion thereof for which it is substituted.

"Section 6D. In the event the construction is not in accordance with the plans and time schedule mutually agreed upon by the Society and the City Manager, or the maintenance and operation is not in accordance with other provisions of this ordinance, the City has the right to delete from the provisions of this ordinance the entire proposed parking area, or any part thereof not so constructed and maintained.

"Section 6E. The Society is permitted to occupy and use as part of the San Diego Zoological Gardens an additional 6.26 acres in Balboa Park lying along the northwesterly boundary of the San Diego Zoological Gardens and facing on Richmond Street, more particularly shown on City of San Diego Engineering Department Drawing No. 11573-D. The additional area is to be used and occupied subject to the same terms and conditions as the remainder of the San Diego Zoological Gardens.

"Section 6F. The Society shall at all times protect and save harmless the City from and against any and all claims for damages on account of injury to persons or property occurring within the automobile parking area, or by reason, directly or indirectly, of the maintenance thereof. It is expressly intended by this provision to exempt and absolve The City of San Diego from any liability whatsoever in any way connected with the maintenance and operation of the automobile parking area. The City has the right to require the Society to furnish and maintain at its own expense for the benefit of the City a policy of insurance in such amount as shall be determined by the City Manager.

"Section 6G. The Society shall, upon its written acceptance of this ordinance, agree to be bound by all of

the terms, provisions and conditions hereof."

Section 3. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

AN ORDINANCE ESTABLISHING A SCHEDULE
OF COMPENSATION FOR OFFICERS AND EM-
PLOYEES OF THE CITY OF SAN DIEGO.

WHEREAS, both the Civil Service Commission and the City Council have made detailed studies of salaries and wages paid by private business and industry in the San Diego area and comparable public agencies in San Diego and other California areas; and

WHEREAS, after such detailed investigation upon the findings and recommendations of the Civil Service Commission, the City Council finds and determines that the salaries and wages established herein are comparable to those paid in private business and industry, as well as other public agencies for comparable services; NOW, THEREFORE,

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. As a schedule of compensation for all officers and employees of The City of San Diego, including the Unclassified and Classified Services, there is hereby adopted and established a Table of Standard Rates of Pay for biweekly salaries, containing minimum, maximum and intermediate range steps for each Standard Rate. Said compensation schedule is attached hereto as Exhibit "A."

The "Equivalent Monthly Rates" set forth in Exhibit "A" are for comparative and information purposes.

Section 2. "COMPENSATION," as used in this ordinance, means the remuneration paid in cash out of City funds controlled by the Council of The City of San Diego, plus the monetary value, as determined by the department head with the approval of the Civil Service Commission, of such housing, lodging, fuel,

public utility services, or other advantages similar in character, furnished to an officer or employee in payment of his services.

For purposes of deduction for contributions of officers and employees required by law, the City Auditor and Comptroller shall use the amount fixed in the Standard Rate hereinafter set forth without regard to the monetary value of the advantages herein enumerated furnished to the officer or employee in payment of his services. Warrants issued for compensation to such officers and employees by such City Auditor and Comptroller shall be for the amount set forth in the Standard Rate attached to the position minus the monetary value of the advantages furnished said employee as compensation, as determined above.

Section 3. For all positions in the Unclassified Service, which are identified by the letters (UC), and for all positions in the Classified Service of The City of San Diego, the Standard Rate numbers, providing uniform compensation for like service, attached hereto as Exhibit "B," are hereby adopted.

Section 4. Increases in compensation for employees in the Classified Service, within the range limits of the Standard Rate number attached to the position, may be granted by the appointing authority upon the basis of efficiency and seniority after first receiving the approval of the Civil Service Commission therefor.

The compensation for officers and employees in the Unclassified Service shall be determined and set by the appointing authority at any one of the range steps of the Standard Rate numbers attached to the position.

Increases in compensation for officers and employees in the Unclassified Service, within the range limits of the Standard Rate number attached to the position, may be granted by the appointing authority upon the basis of efficiency and seniority after first receiving the approval of the City Council

therefor.

Section 5. For the purpose of computing vacations, leaves of absence, overtime, and terminal severance pay, the Auditor and Comptroller is hereby authorized to utilize compilations based upon an eight (8) -hour day and a forty (40) -hour week.

Section 6. The members of the Classified Service, other than firemen and part-time employees, shall receive the salaries provided herein as compensation in full for work performed by them during an average forty (40) -hour week and eight (8) -hour day throughout the fiscal year, except as hereinafter provided.

The Civil Service Commission shall establish and supervise a uniform extra compensation plan which shall provide overtime pay not to exceed one and one-half (1 1/2) times an eligible employee's regular rate of pay, or time off in lieu, and shall provide for extra compensation of one Standard Rate whenever an eligible employee is required for a significant period to work at times substantially unusual for his class of employment, such as (1) working a night shift in which the majority of the hours of work scheduled for said employee throughout any pay period are before 8:00 a.m. or after 6:00 p.m. or (2) on a long-term schedule, working a shift regularly split by more than two (2) consecutive hours or such other work schedule as may be determined by the Civil Service Commission and the City Manager or nonmanagerial appointing authority to be substantially unusual for the class of employment. An eligible employee who is required to work under more than one of the unusual conditions indicated above shall receive one Standard Rate increase for each of said unusual conditions which shall be certified by the appointing authority on the official payroll time sheets to the Personnel Director. Such increases in compensation shall be identified and symbolized on all official payrolls and all

records pertaining to said employee's compensation. When one or more of the said working conditions are commonly accepted conditions for the class of employment, the Civil Service Commission shall take such working conditions into consideration in establishing the compensation for the class.

The employees in the Classified Service who shall be entitled to receive overtime compensation, as herein provided, shall be designated by the Civil Service Commission after consultation with the City Manager and nonmanagerial department heads and in accordance with definitions and procedures developed by the Civil Service Commission in collaboration with the said appointing authorities, which said definitions and procedures shall be binding on all appointing authorities.

In addition to the foregoing provisions for extra compensations, an employee who has been released from work and has left the work premises shall, if he is called back to duty, be paid for the reasonable estimate of the time required for him to travel from and to his residence and the work area, and for the time he actually works. The total time of call-back pay, including travel time, shall not be less than two (2) hours, and shall be computed at the employee's regular rate or at one and one-half (1 1/2) times said rate, if the employee is eligible for premium overtime pay.

Section 7. In fixing and approving the Standard Rates for the officers and employees of the City, this Council has recognized the necessity to increase certain salaries heretofore paid, and in so doing the Council has intended and does hereby intend, in fixing said rates, that where a Standard Rate of pay has been increased from that heretofore paid, said officer and employee whose rate of pay has thus been increased, shall be entitled to the percentage rate of increase intended, and that such new rate of pay shall be fixed

so as to apply to that same step under the new Standard Rate that said employee occupied under the old Standard Rate.

Section 8. There is hereby created a class to be known as "Terminal Employee." Any employee, Classified or Un-classified, taking terminal leave prior to termination of City service shall be transferred to the class of "Terminal Employee" as of the date said terminal leave commences. Upon transfer to said class each employee shall be paid at the rate and step established for the position occupied by him at the time of his transfer. Such employee shall be an employee of the department in which he was serving at the time of his transfer.

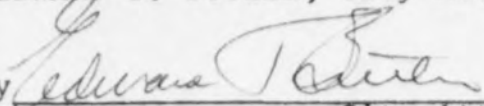

Section 9. Pursuant to Section 117 of the Charter of The City of San Diego, the incumbents in the positions of Planning Director and the principal assistant to the Planning Director on January 1, 1963, shall remain in the Classified Service until the respective positions are vacated by the incumbents.

Section 10. The compensation schedule established by Ordinance No. 8835 (New Series) is hereby continued in force and effect through the pay period ending July 2, 1964. The compensation schedule established by this ordinance shall become effective with the pay period commencing July 3, 1964.

Section 11. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

CBS Reports—"D-Day Plus 20 Years: Eisenhower Returns To Normandy." General Dwight D. Eisenhower returns to the beaches of Normandy where the allied invasion of Europe commenced, and manages to convey his own emotions before and during D-day itself, as well as the high morale of the allied troops under his command. As the program begins, Eisenhower, accompanied by Walter Cronkite, walks across the now nearly deserted beaches, half once the scene of such grim carnage, and reflects on how and why he made the momentous decision to postpone the invasion for one day. The middle section features unforgettable scenes of the battle on Omaha Beach. In the final scene, the image of Eisenhower at the American cemetery at St. Laurent offers special poignancy to his somber plea that "we must find some way to gain eternal peace for the world." 8:30 p.m. Channels 8 and 2.

ORDINANCE NO. 9033
(New Series)

AN ORDINANCE AMENDING CHAPTER III OF THE SAN DIEGO MUNICIPAL CODE BY ADDING ARTICLE 5 THERETO, RELATING TO IMPOSING A TAX UPON THE PRIVILEGE OF TRANSIENT OCCUPANCY AND PROVIDING FOR THE COLLECTION THEREOF.

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That Chapter III of the San Diego Municipal Code, be, and the same is hereby amended by adding thereto a new article to be known as and numbered Article 5, containing Sections 35.0101 through 35.0116 inclusive, and to read as follows:

"ARTICLE 5

"TRANSIENT OCCUPANCY TAX

"SEC. 35.0101 TITLE AND PURPOSE

(a) Title. This Article shall be known as the Transient Occupancy Tax Ordinance of The City of San Diego.

(b) Purpose and Intent. It is the purpose and intent of the Council that there be imposed on transient occupants of hotel rooms in the City of San Diego a tax, the proceeds of which are to be used solely for promoting the City of San Diego.

"SEC. 35.0102 DEFINITIONS.

Except where the context otherwise requires, the definitions given in this section govern the construction of this Article.

(1) Person. 'Person' means any individual, firm, partnership, joint venture, association, social club, fraternal organization, joint stock company, corporation,

estate, trust, business trust, receiver, trustee, syndicate, or any other group or combination acting as a unit.

(b) Hotel. 'Hotel' means any structure, or any portion of any structure, which is occupied or intended or designed for occupancy by transients for dwelling, lodging or sleeping purposes. 'Hotel' does not mean any hospital, convalescent home or sanitarium.

(c) Occupancy. 'Occupancy' means the use or possession, or the right to the use or possession of any room or rooms or portion thereof, in any hotel for dwelling, lodging or sleeping purposes.

(d) Transient. 'Transient' means any person who exercises occupancy or is entitled to occupancy by reason of concession, permit, right of access, license or other agreement for a period of thirty (30) consecutive calendar days or less, counting portions of calendar days as full days. Any such person so occupying space in a hotel shall be deemed to be a transient until the period of thirty (30) days has expired unless there is an agreement in writing between the operator and the occupant providing for a longer period of occupancy. In determining whether a person is a transient, uninterrupted periods of time extending both prior and subsequent to the effective date of this Article may be considered.

(e) Rent. 'Rent' means the consideration charged, whether or not received, for the occupancy of space in a hotel valued in money, whether to be received in money, goods, labor or otherwise, in-

cluding all receipts, cash, credits and property and services of any kind or nature, without any deduction therefrom whatsoever.

(f) Operator. 'Operator' means the person who is proprietor of the hotel, whether in the capacity of owner, lessee, sublessee, mortgagee in possession, licensee, or any other capacity. Where the operator performs his functions through a managing agent of any type or character other than an employee, the managing agent shall also be deemed an operator for the purposes of this Article and shall have the same duties and liabilities as his principal. Compliance with the provisions of this Article by either the principal or the managing agent shall, however, be considered to be compliance by both.

"SEC. 35.0103 TAX IMPOSED.

For the privilege of occupancy in any hotel, each transient is subject to and shall pay a tax in the amount of four per cent (4%) of the rent charged by the operator. Said tax constitutes a debt owed by the transient to the City which is extinguished only by payment to the operator or to the City. The transient shall pay the tax to the operator of the hotel at the time the rent is paid. If the rent is paid in installments, a proportionate share of the tax shall be paid with each installment. The unpaid tax shall be due upon the transient's ceasing to occupy space in the hotel. If for any reason the tax due is not paid to the operator of the hotel, the City Treasurer may require that such tax shall

be paid directly to the City Treasurer.

"SEC. 35.0104 EXEMPTIONS.

No tax shall be imposed:

(a) Upon any person as to whom, or any occupancy as to which, it is beyond the power of the City to impose the tax herein provided;

(b) Upon any federal or State of California officer or employee when on official business;

(c) Upon any officer or employee of a foreign government who is exempt by reason of express provision of federal law or international treaty;

(d) Where the rent is at the rate of two dollars (\$2) a day or less.

No exemption claimed under paragraphs (a), (b), or (c) of this section shall be granted except upon a claim therefor made at the time rent is collected and under penalty of perjury upon a form prescribed by the City Treasurer. All claims of exemption under paragraph (d) of this section shall be made in the manner prescribed by the City Treasurer.

"SEC. 35.0105 OPERATOR'S DUTIES.

Each operator shall collect the tax imposed by this Article to the same extent and at the same time as the rent is collected from every transient. The amount of tax shall be separately stated from the amount of the rent charged, and each transient shall receive a receipt for payment from the operator. No operator of a hotel shall advertise or state in any manner, whether directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the operator, or that it will not be added to the rent, or that, if added, any part will be refunded

except in the manner hereinafter provided.

"SEC. 35.0106 REGISTRATION.

Within thirty (30) days after the effective date of this Article, or within thirty (30) days after commencing business, whichever is later, each operator of any hotel renting occupancy to transients shall register said hotel with the City Treasurer and obtain from him a 'Transient Occupancy Registration Certificate' to be at all times posted in a conspicuous place on the premises. Said certificate shall, among other things, state the following:

- (1) The name of the operator;
- (2) The address of the hotel;
- (3) The date upon which the certificate was issued;

(4) 'This Transient Occupancy Registration Certificate signifies that the person named on the face hereof has fulfilled the requirements of the Transient Occupancy Tax Ordinance by registering with the City Treasurer for the purpose of collecting from transients the Transient Occupancy Tax and remitting said tax to the City Treasurer. This certificate does not constitute a permit.'

"SEC. 35.0107 REPORTING AND REMITTING.

Each operator shall, on or before the last day of the month following the close of each calendar quarter, or at the close of any shorter reporting period which may be established by the City Treasurer, make a return to the City Treasurer, on forms provided by him, of the total rents charged and received and the amount of tax collected for transient occu-

panies. At the time the return is filed, the full amount of the tax collected shall be remitted to the City Treasurer. The City Treasurer may establish shorter reporting periods for any certificate holder if he deems it necessary in order to insure collection of the tax and he may require further information in the return. Returns and payments are due immediately upon cessation of business for any reason. All taxes collected by operators pursuant to this Article shall be held in trust for the account of the City until payment thereof is made to the City Treasurer. All returns and payments submitted by each operator shall be treated as confidential by the City Treasurer and shall not be released by him except upon order of a court of competent jurisdiction or to an officer or agent of the United States, the State of California, the County of San Diego, or the City of San Diego for official use only.

"SEC. 35.0108 PENALTIES AND INTEREST.

(a) Original Delinquency. Any operator who fails to remit any tax imposed by this Article within the time required shall pay a penalty of ten per cent (10%) of the amount of the tax in addition to the amount of the tax.

(b) Continued Delinquency. Any operator who fails to remit any delinquent remittance on or before a period of thirty (30) days following the date on which the remittance first became delinquent shall pay a second delinquency penalty of ten per cent (10%) of the amount of the tax in addition to the amount of the tax and the ten per cent (10%) penalty first

imposed.

(c) Fraud. If the City Treasurer determines that the non-payment of any remittance due under this ordinance is due to fraud, a penalty of twenty-five per cent (25%) of the amount of the tax shall be added thereto in addition to the penalties stated in subparagraphs (a) and (b) of this section.

(d) Interest. In addition to the penalties imposed, any operator who fails to remit any tax imposed by this Article shall pay interest at the rate of one-half of 1% per month or fraction thereof on the amount of the tax, exclusive of penalties, from the date on which the remittance first became delinquent until paid.

(e) Penalties Merged With Tax. Every penalty imposed and such interest as accrues under the provisions of this section shall become a part of the tax herein required to be paid.

(f) Penalties During Pendency of Hearing or Appeal. No penalty provided under the terms of this Article shall be imposed during the pendency of any hearing which is provided for in Section 35.0109 of this Article nor during the pendency of any appeal to the City Council which is provided for in Section 35.0110 of this Article.

"SEC. 35.0109 FAILURE TO COLLECT AND REPORT TAX.

DETERMINATION OF TAX BY CITY TREASURER. If any operator shall fail or refuse to collect said tax and to make, within the time provided in this Article, any report and remittance of said tax or any portion thereof required by this Article, the

City Treasurer shall proceed in such manner as he may deem best to obtain facts and information on which to base his estimate of the tax due. As soon as the City Treasurer shall procure such facts and information as he is able to obtain upon which to base the assessment of any tax imposed by this Article and payable by any operator who has failed or refused to collect the same and to make such report and remittance, he shall proceed to determine and assess against such operator the tax, interest and penalties provided for by this Article. In case such determination is made, the City Treasurer shall give a notice of the amount so assessed by serving it personally or by depositing it in the United States mail, postage prepaid, addressed to the operator so assessed at his last known place of address. Such operator may within ten (10) days after the serving or mailing of such notice make application in writing to the City Treasurer for a hearing on the amount assessed. If application by the operator for a hearing is not made within the time prescribed, the tax, interest and penalties, if any, determined by the City Treasurer shall become final and conclusive and immediately due and payable. If such application is made, the City Treasurer shall give not less than five (5) days written notice in the manner prescribed herein to the operator to show cause at a time and place fixed in said notice why said amount specified therein should not be fixed for such tax, interest and penalties. At such hearing, the operator may appear and offer evidence why such

specified tax, interest and penalties should not be so fixed. After such hearing, the City Treasurer shall determine the proper tax to be remitted and shall thereafter give written notice to the person in the manner prescribed herein of such determination and the amount of such tax, interest and penalties. The amount determined to be due shall be payable after fifteen (15) days unless an appeal is taken as provided in Section 35.0110.

"SEC. 35.0110 APPEAL.

Any operator aggrieved by any decision of the City Treasurer with respect to the amount of such tax, interest and penalties, if any, may appeal to the Council by filing a notice of appeal with the City Clerk within fifteen (15) days of the serving or mailing of the determination of tax due. The Council shall fix a time and place for hearing such appeal, and the City Clerk shall give notice in writing to such operator at his last known place of address. The findings of the Council shall be final and conclusive and shall be served upon the appellant in the manner prescribed above for service of notice of hearing. Any amount found to be due shall be immediately due and payable upon the service of notice,

WALL SIGN. A sign which is affixed to an exterior wall of any building when such sign shall project not more than sixteen inches (16") from the building wall.

"V" TYPE PROJECTING SIGNS. Any projecting sign the two faces of which are greater than sixteen^{inches}/~~(16")~~ ~~inches~~ apart at the building edge and are less than six inches (6") ~~inches~~ apart at the street edge.

AREA OF SIGN. The area of a sign shall be the sum of the areas enclosed within parallelograms drawn around each letter or design, and the area of the borders of the sign which shall be computed by including the area enclosed by a line drawn around and two inches distant from the border on all sides. If the letters or designs are connected to one another as in script writing, the parallelograms shall be drawn around each group of letters or designs so connected.

If the frame or backing of the letters, designs or borders of a sign form an integral part of the sign, then the sign area shall be the total area of the face of the sign.

"SEC. 95.0112 GROUND SIGNS

(a) Materials. The surface of all advertising structures located outside Fire Zone No. 1, on which the advertising matter is painted, may be of wood, at least three-quarters of an inch in thickness.

Within Fire Zone No. 1 no ground sign, for which a permit is required, shall be erected of combustible materials.

EXCEPTIONS: 1. Non-structural trim may be of approved combustible materials or wood.

2. Structural members may be of wood, provided that the least nominal dimension of each member is three inches (3"). ~~inches~~

3. Display surfaces may be of approved combustible materials.

(b) Height. The bottom of every ground sign shall be at least twenty-four inches, (24") above the ground.

(c) Supports and Anchorage. Supports and anchorage shall conform to the following requirements:

1. Ground signs shall be adequately designed to resist dead and wind loads as provided in Section 95.0109 within the stress limits as provided in this Code.

2. The members supporting unbraced signs shall be so proportioned that the bearing loads imposed upon the soil in either a horizontal or vertical direction shall not exceed safe values. Braced signs shall be anchored to resist the specified wind load acting in any direction. Anchors and supports shall be designed for safe bearing loads on the soil and for an effective resistance to pull-out amounting to a force 25 per cent greater than the required resistance to overturning.

The soil used for backfill for the dug-in type of anchor or cantilever support shall be carefully placed and thoroughly compacted.

3. Portable signs supported by frames or posts rigidly attached to bases shall be so proportioned that the weight and size of the base are adequate to resist the wind pressure specified in Section 95.0109. Such signs shall not exceed six feet (6') in height.

4. Whenever anchors or supports consist of wood embedded in the soil or directly in contact therewith, the wood shall be treated under pressure with creosote or other approved preservative before erection.

5. The minimum thickness of hot-rolled structural steel members furnishing structural support for signs shall be three-sixteenths inch (3/16"), provided that if galvanized, such members may be not less than one-eighth inch (1/8") thick. The galvanizing shall comply with Section 95.0111.

Members formed of light gauge steel may be used for support of ground signs, provided that they are designed in accordance with U.B.C. Standard No. 27-3 and provided that the thickness, exclusive of the facing, shall be not less than 12 gauge (0.105 inch).

Steel members may be connected by one galvanized bolt, provided the connection is adequate to transfer the stresses in the members.

"SEC. 95.0113 ROOF SIGNS

(a) Materials. The structural frame, supports and braces shall be constructed entirely of incombustible materials. Display facings, letters, decorations, and trim may be of approved combustible materials except that plastic materials, if used, shall be as provided in Sec. 95.0102.

(b) Location. Roof signs shall be constructed to provide a minimum clear space of 4 feet between the bottom edge of the sign and the roof surface below.

EXCEPTIONS: 1. A minimum clearance of 4 feet shall not be required if the top of the sign is not more than 3 feet above the roof surface below it.

2. A minimum clearance of 4 feet shall not be required if the sign is so located that it does not interfere with access to all portions of the roof from those sides of the building facing on public streets, alleys, or required access yards.

(c) Prohibited Obstructions. No signs shall be placed on the roof of any building or other structure in such manner as to prevent free passage from one part of the said roof to any other part of the roof.

(d) Supports and Anchorage. Roof signs shall be thoroughly secured and anchored to the structural frame of the building over which they are constructed and

erected. The dead and wind loads from the signs shall be distributed to the structural frame of the building in such a manner as not to overload any of the elements thereof. Uplift due to overturning of roof signs shall be adequately resisted by proper counterweights to resist the uplift. Proper anchorage to the structural frame of the building shall include such alterations to the building as may be needed to integrate and adequately interconnect sufficient dead load to equal not less than 10 per cent in excess of the computed uplift applied to the building by the sign. Where uplift is resisted by counterweights, their weight shall exceed the amount of the uplift by 10 percent.

No anchor or support of any roof sign shall be connected to or supported by an unbraced parapet wall.

Section 2. A violation of any provision or the failure to comply with any of the requirements established by this ordinance shall constitute a misdemeanor. Any person convicted of such violation or such failure shall be punishable by a fine of not more than Five Hundred Dollars (\$500.00) or by imprisonment in the City Jail for a period of not more than six (6) months or by both fine and imprisonment. The provisions of Section 11.12 of the San Diego Municipal Code shall apply.

Section 3. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

AN ORDINANCE AMENDING CHAPTER IX, ARTICLE 1,
OF THE SAN DIEGO MUNICIPAL CODE BY AMENDING
SECTION 91.14 THEREOF RELATING TO TENT
STRUCTURES.

BE IT ORDAINED, by the Council of The City of San Diego,
as follows:

Section 1. That Section 91.14 of the San Diego Municipal
Code be, and the same is hereby amended to read as follows:

"SEC. 91.14 TENT STRUCTURES

Upon receipt of an application for temporary
tents or similar temporary structures, the City Manager
shall conduct and complete an investigation and determine
whether the use of such temporary structure by the appli-
cant will conform to the provisions of this section.
The City Manager may grant or deny such permit. The
permit shall be granted only if the City Manager deter-
mines that the permittee will conduct and use the
premises in accordance with the conditions set forth
hereinafter:

(a) The temporary tent or similar temporary
structure shall be used only for legitimate church
purposes, circuses, carnivals, carousels or similar
amusements and accessories thereto.

(b) Such use shall be for a period of time not
exceeding fifteen (15) days. The City Manager, at his
discretion, may extend the period of time for which
such a permit is granted for such additional periods
of fifteen (15) days or less, as he may deem proper.
All other conditions set forth in this section shall
apply to any such permit extended as provided herein.

(c) The tent cloth or canvas structures shall
have been impregnated with a fire-resisting compound
of such quality and fire-resistant characteristics as

will meet with the approval of the City Fire Department.

(d) Emergency lanes of adequate width and directness shall be maintained to all parts of the premises occupied by any structure permitted by this section for use by Fire, Police or other emergency equipment.

(e) No portion of any tent open to the public shall be used for storage or workshop purposes or as dressing rooms. This provision specifically includes, but is not limited to, areas under bleachers, grandstand or similar seating areas.

(f) All exits in tents open to the public shall be equipped with sliding curtains or left entirely open and clear of any obstruction. Sliding curtains shall not be tied or fastened or otherwise secured or arranged in such a manner as to prevent their immediate use in the event of an emergency.

(g) Where the temporary tent or similar temporary structure is to be erected on real property owned or leased by the City, the permittee at the termination of occupancy shall clean and police the ground of all papers, trash and other waste matter, to the satisfaction of The City of San Diego. A deposit in the sum of Five Hundred Dollars (\$500), either in the form of cash, cashier's check or certified check shall be made with the City Treasurer to guarantee the required cleaning and policing of the premises. If it becomes necessary for the City of San Diego to perform any or all of such work, the cost therefor shall be deducted from the deposit, and the balance, if any, returned to the permittee; otherwise, the full sum of said deposit shall be refunded. The foregoing deposit may be waived by the Council of The City of San Diego upon petition for such waiver and good cause appearing therefor.

In the event that City Manager denies the issuance of a permit to maintain such temporary structure, the applicant may appeal to the City Council within fifteen (15) days by filing a petition therefor with the City Clerk. Such denial shall become final if an appeal is not filed in accordance herewith. Upon the filing of such appeal the City Council shall appoint a time for hearing. At least five (5) days' notice of such hearing shall be given by the City Clerk to appellant. Upon the hearing of the appeal the City Council may grant or deny the permit. The decision of the City Council shall be final.

(a) The temporary tent or similar temporary structure shall be used only for legitimate church purposes, circuses, carnivals, circuses, or similar amusements and accessories thereto.

(b) Such use shall be for a period of time not exceeding fifteen (15) days. The City Manager, at his discretion, may extend the period of time for which such a permit is granted for such additional periods of fifteen (15) days or less, as he may deem proper. All other conditions set forth in this section shall apply to any such permit extended as provided herein.

(c) The tent cloth or canvas structures shall have been impregnated with a fire-resisting compound of such quality and fire-resistant characteristics as will meet with the approval of the City Fire Department.

(d) Emergency lanes of adequate width and directness shall be maintained to all parts of the premises occupied by any structure permitted by this section for use by Fire, Police or other emergency equipment.

(f) All exits in tents open to the public shall be equipped with sliding curtains or left entirely open and clear of any obstruction. Sliding curtains shall not be tied or fastened or otherwise secured or arranged in such a manner as to prevent their immediate use in the event of an emergency.

A deposit in the sum of Five Hundred Dollars (\$500) either in the form of cash, cashier's check or certified check shall be made with the City Treasurer to guarantee the required cleaning and policing of the premises if it becomes necessary for the City of San Diego to perform any or all of such work, the cost thereof shall be deducted from the deposit, and the balance, if any, returned to the permittee; otherwise, the full sum of said deposit shall be refunded. The foregoing deposit may be waived by the Council of The City of San Diego upon petition for such waiver and good cause appearing therefor.

In the event that City Manager denies the issuance of a permit to maintain such temporary structure, the applicant may appeal to the City Council within fifteen (15) days by filing a petition therewith with the City Clerk. Such denial shall become final if an appeal is not filed in accordance herewith. Upon the filing of such appeal, the City Council shall appoint a time for hearing. At least five (5) days notice of such hearing shall be given by the City Clerk to appellant. Upon the hearing of the appeal the City Council may grant or deny the permit. Councilmen, including the Mayor, shall be elected at a general municipal election held in the odd numbered years and, except as hereinafter provided, shall hold office for the term of four years from and after the first Monday after the first day of December next succeeding their election and until their successors are elected and qualified. At the next municipal primary and general elections following a redistricting, councilmen shall be elected from those districts not represented and from those districts represented by incumbent councilmen whose terms expire as of the general election in said year. If as a result of any redistricting more than a simple majority of the City Council as redistricted shall be elected at the general election next following any such redistricting, the City Council prior to any such election shall designate one or more new districts for which the initial councilmanic term shall be two (2) years in order to retain staggered terms for councilmen.

The rate of pay of each Councilman shall be ~~Five-Thousand Dollars-(\$5,000.00)~~ Eight Thousand Dollars (\$8,000.00) a year.

No Councilman shall be eligible during the term for which he was appointed or elected to hold any other office or employment with the City, except as Mayor and a member of any Board, Commission or Committee thereof, of which he is constituted such a member by general law or by this Charter.

The rate of pay of the Mayor shall be ~~Twelve-Thousand Dollars-(\$12,000.00)~~ Eighteen Thousand Dollars (\$18,000.00) per year.

In the event of a vacancy occurring in the office of the Mayor, existing by reason of any cause, the Council shall have authority to fill such vacancy, provided, however, that if the Council shall fail to fill such vacancy by appointment within thirty (30) days after the vacancy, the Council must immediately cause an election to be held to fill such vacancy. ARTICLE XV

PLANNING AND ZONING

Section 1. Intent and Purposes.

It is the intent of this Charter Amendment to consolidate and coordinate, in accordance with the terms of this Article, all present and future planning and zoning legislation, regulations and procedures into one comprehensive plan in order to carry out the following specific purposes:

- (a) To preserve the character, and prevent downgrading, of residential areas.
- (b) To segregate various types of compatible industrial and commercial uses into separate areas.
- (c) To provide simple and efficient planning and zoning administration by eliminating duplication of work by public employees; and to provide for speedy processing of applications for approval of plans, subdivision maps and requests for variances.
- (d) To encourage the development and most beneficial use of land and attract new and diversified industries and commercial enterprises to this area.
- (e) To preserve to the people maximum freedom in the use and development of property subject only to those restrictions necessary to protect the public health, safety and general welfare, or to prevent downgrading of residential areas.

Section 2. Local Control.

All planning and zoning laws and regulations for the City of San Diego shall be governed exclusively by this Article of the Charter and no provisions of the General Laws or the Government Code of this State on the subject of planning and zoning shall be applicable to the City of San Diego.

Section 3. City Planning Commission Established.

(a) APPOINTMENT OF MEMBERS: The City Planning Commission shall be organized as provided by this Charter. There shall be one (1) member from each Councilmanic District, plus one (1) member at large. Each member representing a Councilmanic District shall be appointed by the Council Member from that District, and the Mayor shall appoint the member at large.

(b) PRESENT PLANNING COMMISSION: The members of the Planning Commission heretofore appointed, and who were members thereof on the date of the approval of this Amendment, shall hold office until their current terms expire. Immediately following approval of this Amendment the Mayor shall appoint such additional members, each for a term of one (1) year, as may be required to constitute a full complement under this Article.

(c) STAGGERED TERMS: Each Council Member, in the numerical order of the Councilmanic Districts, shall appoint a member to fill each vacancy subsequently occurring by reason of the expiration of any term, or otherwise, until a member has been appointed from each Councilmanic District. The term for each such appointment, and all successive appointments thereafter, shall be for two (2) years.

(d) VACANCIES: Upon completion of any term, it shall be the duty of the elected official responsible for appointing the member whose term expired, to promptly appoint a member to fill the vacancy. Other vacancies occurring shall be filled by appointment for the unexpired portion of the term in the same manner.

(e) COUNCIL VETO OF APPOINTMENTS: Each appointment shall be publicly announced at a regular meeting of the Council and shall become effective on the seventeenth (17) day following such public announcement unless prior thereto the Council, by vote of at least a majority of the total members of the Council, vetoes the appointment. In the event the Council has vetoed three (3) successive appointments made by an elected official, it shall be the duty of the entire Council, at a regular meeting, to fill the vacancy by majority vote.

(f) REMOVAL: Any member of the Planning Commission is subject to removal by resolution adopted at a regular meeting of the City Council by the affirmative vote of not less than two-thirds ($\frac{2}{3}$) of the total authorized members of the Council.

(g) OFFICERS AND EMPLOYEES: The Commission shall elect its Chairman and Vice-Chairman from among the appointed members. The Commission shall appoint a Secretary who need not be a member of the Commission.

(h) EX-OFFICIO MEMBERS: The City Attorney, the City Manager, the City Clerk, the City Engineer, Planning Director, Director of Building Inspection Department, and the Director of Public Works shall be members ex-officio of the Commission and each, or a designated representative, shall be present at each regular meeting, but none of said officials shall have a vote.

(i) MEETINGS: The Commission and the lawfully established committees thereof shall hold such regular and special meetings as may be required to carry out the provisions of this Article. The Commission shall hold at least one (1) regular meeting every two (2) weeks at an established time and place. All meetings shall be open to the public and the Commission shall by resolution, adopt rules for the transaction of business and shall keep a public record of its resolutions, transactions, findings, determinations and legislative enactments.

Section 4. Legislative Functions of the Commission.

(a) PROPERTY USE AND DEVELOPMENT: The Planning Commission shall establish and define zones and enumerate the uses permitted therein, and shall establish and define all

planning and zoning regulation for the use of land, including improvements and structures erected thereon, and shall divide the City, or portions thereof, into zones of the number, shape and area that are in fact best suited to carry out the intent and purposes of this Article.

(b) ADMINISTRATIVE AND ENFORCEMENT PROCEDURES:

The Planning Commission shall establish and define procedures for the efficient administration and enforcement of all planning and zoning ordinances, including procedures for expediting the processing of plans, subdivisions maps, requests for zone changes, applications for variances and review of administrative and enforcement orders.

(c) COMPREHENSIVE PLANNING AND ZONING GUIDE:

The Planning Commission shall, by ordinance, codify all planning and zoning ordinances into a separate part or chapter of the Municipal Code. When so codified, such Municipal Code, and all sections thereof, shall be admissible in all Courts as prima facie evidence of the due passage of the ordinances as codified. The Commission shall cause this Article, all planning and zoning ordinances, and all rules, regulations and procedures, to be published in a manual. There shall be included in the manual, written in plain language, a description of the procedures to follow with respect to filing plans, subdivision maps, requests for zone changes, initiation of zoning legislation, applications for variances and appeals.

Section 5. Procedure for Adoption of Ordinances.

(a) COMMENCEMENT BY RESOLUTION: Adoption of all planning and zoning regulations, administrative procedures, enforcement procedures and penalties and any general plan, including amendments of existing or hereafter enacted legislation, shall be commenced by resolution of the Commission, carried by the affirmative vote of not less than a majority of its total authorized voting members. Before adopting any such resolution, the Commission shall hold at least two (2) public hearings and notice shall be given as provided in this Article.

(b) ADOPTION BY COMMISSION & VETO BY COUNCIL:

Each resolution duly adopted shall be submitted to the City Attorney, who shall prepare an ordinance and submit it to the Planning Commission within seven (7) days. The ordinance shall be subject to adoption by the affirmative vote of not less than a majority of the total authorized voting members of the Commission at the next or any subsequent regular meeting, and shall become effective on the thirtieth (30) day following adoption, unless set aside during said thirty (30) day period by resolution of the City Council adopted by the affirmative vote of not less than two-thirds (2/3) of the total authorized voting members after a public hearing. At least five (5) days prior to said hearing, the City Council shall cause to be deposited in the United States mail, postage prepaid, a notice addressed to each member of the Planning Commission and to each person who appeared and addressed the Planning Commission at the public hearings held concerning the ordinance. After the ordinance has become effective, it shall not be subject to repeal or amendment by the City Council except by the affirmative vote of the total authorized voting members of the Council at a regular meeting following two (2) public hearings with notice given in the same manner as is required for adoption of an ordinance.

Section 6. Emergency Measures.

Notwithstanding any other provision of this Article, pending the study and adoption of permanent zoning restrictions in an area of land within the City or whenever the Commission by resolution duly adopted finds that a dire emergency exists in any area, the Commission, by vote of a majority of the members pres-

ent at a regular meeting in which a quorum is present, may, in the interest of protecting the public health, safety and welfare, adopt without prior notice after a single public hearing, as an emergency measure, a temporary interim zoning ordinance which shall be effective on the date of adoption and continue in effect until a permanent ordinance is duly adopted or amended, except that no temporary interim ordinance shall be of any effect for a period in excess of ninety (90) days after adoption. Notice of the adoption of a temporary interim zoning ordinance shall be published in a newspaper of general circulation in the City of San Diego within ten (10) days after its adoption.

Section 7. Limitations on Legislative Power.

No planning or zoning ordinance shall contain any regulation, restriction or limitation which is not in fact reasonably necessary to protect the public health, the public safety or the public morals, or reasonably necessary to prevent uses so incompatible with existing development or permitted uses that injury to adjacent properties or the general neighborhood would result.

Section 8. Zone Variances.

(a) DUTY OF COMMISSION: The Planning Commission shall grant any variance from the Zoning Provisions of the Municipal Code, Zoning Ordinances or Planning and Zoning Regulations, requested by any property owner, after a public hearing, unless it is established by a preponderance of competent evidence received at the hearing that the proposed use, or any proposed deviation that is denied, would:

- (1) Endanger the public health, or the public safety or be contrary to the public morals; or
- (2) Be incompatible with the existing development or permitted uses and, by reason thereof, injure adjacent properties or destroy the character of an area developed and used for residential purpose.

No regulation or procedure shall be adopted which is inconsistent with any provision, or contrary to the intent or any of the purposes, of this Article.

Such appeal may be filed by any person aggrieved, and the Planning Commission shall hear and render a decision thereon within twenty (20) days following the filing of any appeal. The Commission shall set aside any order, decision or requirement that is in fact found to be contrary to the intent and purposes contained in this Article, or contrary to any ordinance adopted by the Commission. (a) To erect, install, construct, replace, repair, reconstruct, maintain and retain:

(1) television antenna, supporting structures and appurtenances in such streets or other public places as may be authorized by the City Engineer, and

(2) poles, wires, cable, coaxial cable, conductors, ducts, conduit, vaults, manholes, amplifiers, appliances, attachments, and other property as may be necessary and appurtenant to the CATV System, in, along and across streets within the City within the service area designated in Section 3 hereof and, in addition, so to use, operate and provide similar properties rented or leased from other persons, firms, or corporations for such purpose; and

(b) To maintain and operate said franchise properties for the collection, transmission, amplification and distribution of electrical or radiant energy for television and radio reception; and

(c) To provide, use and operate similar properties rented or leased from other persons, firms or corporations for such purpose; and

(d) To engage in the business of the distribution and sale of such energy to subscribers within the City within the service area designated in Section 3 hereof; and

(e) The Grantee shall not engage in the business of selling television or other receivers which make use of signals transmitted by its system, nor shall Grantee engage in the repair of such receivers or the sale of parts for same.

Section 3. DESIGNATION OF SERVICE AREA.

The service area referred to in Section 2 hereof is described and more specifically referred to in Appendix "A" attached hereto and incorporated by reference hereof.

Section 4. DURATION OF GRANT.

(a) This franchise shall be effective on the thirty-first (31st) day after the publication of the enacting ordinance, provided the Grantee has filed with the City Clerk within twenty (20) days after such date of publication a written instrument, addressed to the Council, accepting this franchise and agreeing to comply with all of the provisions hereof.

(b) The term of this franchise shall be thirty (30) years commencing on the effective date hereof; provided, that upon written notice given by the City or Grantee to the other not less than one year prior to the fifteenth (15th) anniversary of said effective date, the terms and conditions of this franchise may be subject to renegotiation for the succeeding fifteen (15)-year term. Renegotiations shall be directed toward effecting alterations in the terms and conditions of the franchise in order to reflect those technical and economic changes which have occurred during the interim period. In no event shall payments under the franchise either be reduced below one per cent (1%) of the total gross annual receipts of the Grantee or be increased in excess of three per cent (3%) of the total gross annual receipts of the Grantee.

This franchise may be terminated by the City Council in the event the Council shall have found, after notice and hearing, that:

(1) the Grantee fails to comply with any provision hereof;

(2) any provision hereof becomes invalid or unenforceable and the Council expressly finds that

such provision constituted a consideration material to the grant of this franchise; or

(3) the City purchases the property of the Grantee, as provided in the Charter of the City; provided, however, that the Grantee shall be given thirty (30) days' notice of any termination proceedings.

(c) The Grantee shall not commence construction or operation under this franchise until the happening of the following events:

(1) the written acceptance hereof by the Grantee accepting all of the terms and conditions of this franchise and agreeing to be bound thereby, delivered to the City Clerk in a form approved by the City Attorney;

(2) the filing of surety bond or bonds with the City Clerk, as required by Section 16 of this franchise, in the amount specified therein and in a form satisfactory to the City Attorney;

(3) the Grantee shall file with the City Clerk a contract between Grantee and the Pacific Telephone and Telegraph Company and a contract between Grantee and the San Diego Gas & Electric Company, or such other or additional utility companies as may be necessary, wherein Grantee is granted the non-exclusive right to use the facilities of such utility or utilities in its operations, said contract to be approved as to form by the City Attorney.

Failure of Grantee to comply with the conditions precedent as stated hereinabove in Section 4(c) within one hundred eighty (180) days after such date of publication shall, at the option of the City, cause this franchise to be forfeited.

CONSTRUCTION OF FRANCHISE

Section 5. INTERPRETATION.

Unless otherwise specifically prescribed herein, the following provisions shall govern the interpretation and construction of this franchise:

(a) When not inconsistent with the context, words used in the present tense include the future, words in the plural number include the singular number, and words in the singular number include the plural number.

(b) Time is of the essence of this franchise. The Grantee shall not be relieved of its obligation to promptly comply with any provision hereof by any failure of the City to enforce prompt compliance with the same or any other provision.

(c) Any right or power conferred, or duty imposed upon any officer, employee, department or board of the City is subject to transfer by operation of law to any other officer, employee, department or board of the City.

(d) The Grantee shall have no recourse whatsoever against the City for any loss, cost, expense or damage arising out of any provision or requirement of this franchise or the enforcement thereof.

(e) This franchise does not relieve the Grantee of any requirement of the City Charter or of any ordinance, rule, regulation or specification of the City, including, but not limited to, any requirement relating to street work, street excavation permits, or the use, removal or relocation of property in streets.

(f) Provisions of this ordinance shall be construed in accordance with Sections 103, 103.1, 104 and 105 of the Charter of The City of San Diego.

Section 6. LIMITATIONS UPON GRANT.

(a) No privilege or exemption is granted or conferred

by this franchise except those specifically prescribed herein.

(b) The said franchise and privilege shall be subordinate to any existing franchise or lawful occupancy of any public highway, street, road or other public property for the purpose of erecting, operating and maintaining poles, lines, conduits, cables, gas pipe lines and other necessary fixtures used in connection with the purpose of said existing franchise or franchises or any extension thereof.

(c) This franchise is a privilege to be held in personal trust by the original Grantee. It cannot in any event be transferred in part, and it is not to be sold, transferred, leased, assigned, or disposed of as a whole, either by forced sale, merger, consolidation or otherwise, without prior consent of the City expressed by ordinance, and then only under such conditions as may be therein prescribed; provided, however, that no such consent shall be required for any transfer in trust, mortgage, or other hypothecation, as a whole, to secure an indebtedness.

Section 7. RIGHTS RESERVED TO CITY.

(a) There is hereby provided and reserved to the City every right and power which is required to be herein reserved or provided by any provision of the Charter of the City or of any ordinance of the City, and the Grantee by its acceptance of this franchise agrees to be bound thereby and to comply with any action or requirement of the City in its exercise of any such right or power.

(b) Neither the granting of this franchise nor any provision hereof shall constitute a waiver or bar to the exercise of any governmental right or power of the City.

(c) This franchise shall be nonexclusive and neither

the granting of this franchise nor any of the provisions contained herein shall prevent the City from granting any identical or similar franchise to any person or corporation other than the Grantee, either within or without the designated area.

Section 8. ESTABLISHMENT OF SERVICE.

Installation of a CATV System shall be commenced within one hundred eighty (180) days after the effective date of this franchise, and extensions and service pursued with due diligence thereafter. Failure to so commence and diligently pursue to completion shall be grounds for termination of this franchise.

Section 9. ABANDONMENT OF SERVICE.

(a) After the Grantee shall have established service pursuant to this franchise in the franchise area, such service shall not be suspended or abandoned unless such suspension or abandonment be authorized by the City Council.

(b) Whenever the Grantee shall file with the City Council a written application alleging that public interest, convenience and necessity no longer require that the Grantee furnish service as authorized or required by, or pursuant to this franchise, in any service area, the City Council shall, at a public hearing, take evidence upon that question and shall make a finding with respect thereto. Notice of such hearing shall be given by the Grantee to each subscriber in such area at least fifteen (15) days prior thereto. If the City Council shall find that public interest, convenience and necessity no longer require that the Grantee furnish such service, then the City Council shall, after hearing as provided herein, authorize suspension or abandonment of such service upon such reasonable terms and conditions as may be prescribed by the City Council.

Section 10. REGULATION OF RATES AND SERVICE.

(a) The City Council shall have the power and right at all times for the duration of this franchise and privilege to require Grantee to conform to reasonable rules and regulations adopted by the City Council, including the power to regulate and establish reasonable rates and charges by Grantee for services rendered under this franchise and privilege. The establishment of such rules and regulations shall be discretionary with the City Council.

(b) The said CATV System shall be installed and maintained in accordance with the accepted standards of the industry to the effect that the subscriber shall receive the best signal to his TV set. The City shall establish, in accordance with the practice of the television industry, minimum acceptable standards of signal quality. The provisions of this subsection are a "material provision hereof" as these words are used in Section 4(b)(2) hereof.

(c) The said CATV System shall include, but not be limited to, the broadcast signal of all television stations located within the San Diego Metropolitan Area.

STREET WORK

Section 11. LOCATION OF FRANCHISE PROPERTY.

Franchise property shall be constructed or installed only at such locations and in such manner as shall be approved by the City Engineer, acting in the exercise of reasonable discretion.

Section 12. REMOVAL OR ABANDONMENT OF FRANCHISE PROPERTY.

(a) In the event that the use of any franchise property is discontinued for any reason for a continuous period of twelve (12) months or that franchise property has been installed in any street without complying with the requirements of this franchise, or the franchise has been terminated, cancelled or has expired, the Grantee shall

promptly remove from the street all such property other than any which the City Engineer may permit to be abandoned in place. In the event of any such removal, the Grantee shall promptly restore the street or other area from which such property has been removed to a condition satisfactory to the City Engineer.

(b) Franchise property to be abandoned in place shall be abandoned in such manner as the City Engineer shall prescribe. Upon permanent abandonment of any franchise property in place, the Grantee shall submit to the City Manager an instrument, satisfactory to the City Attorney, transferring to the City the ownership of such property.

Section 13. CHANGES REQUIRED BY PUBLIC IMPROVEMENTS.

The Grantee shall, at its expense, protect, support, temporarily disconnect, relocate in the same street, alley, or public place, or remove from any street, alley or public place, any franchise property when required by the City Engineer by reason of traffic conditions, public safety, street vacation, freeway and street construction, change or establishment of street grade, installation of sewers, drains, water pipes, power lines, signal lines, and tracks or any other type of structures or improvements by governmental agencies when acting in a governmental or proprietary capacity, or any other structures or public improvements; provided, however, that Grantee shall in all such cases have the privileges and be subject to the obligations to abandon franchise property in place, as provided in Section 9.

Section 14. FAILURE TO PERFORM STREET WORK.

Upon failure of the Grantee to commence, pursue or complete any work required by law or by the provisions of this franchise to be done in any street, within the time prescribed and to the satisfaction of the City Engineer, the City Engineer may, at

his option, cause such work to be done and the Grantee shall pay to the City the cost thereof in the itemized amounts reported by the City Engineer to the Grantee, within thirty (30) days after receipt of such itemized report.

COMPENSATION AND GUARANTEE TO THE CITY

Section 15. ANNUAL PAYMENTS TO THE CITY.

(a) By its acceptance of this franchise, the Grantee agrees to pay to the City annually in lawful money of the United States two per cent (2%) of the total gross receipts collected or received, or in any manner gained or derived by the Grantee in each calendar year, or portion thereof, during the term of this franchise, from the properties, operations and business referred to in Section 2 hereof.

(b) Checks for all such payments shall be made payable to the City Treasurer, and shall be submitted to the City Treasurer on or before March 1 of each year for the previous calendar year or portion thereof.

(c) Each payment shall be accompanied by a statement, in duplicate, verified by the Grantee or by a general officer or other duly authorized representative of the Grantee, showing in such form and detail as the City Manager may require from time to time the facts material to a determination of the amount due.

(d) The payment made to the City by the Grantee pursuant to this section for any calendar year shall be in lieu of any license, fee or business tax prescribed by the City for the same period, but only to the extent of such payment.

Section 16. FAITHFUL PERFORMANCE BOND.

The Grantee shall within the period specified in Section 4(c) file with the City Clerk and, at all times thereafter,

maintain in full force and effect an acceptable corporate surety bond, in duplicate, in the amount of FIVE THOUSAND DOLLARS (\$5,000.00), effective for the entire term of this franchise, and conditioned that in the event the Grantee shall fail to comply with any one or more of the provisions of this franchise then there shall be recoverable jointly and severally from the principal and surety of such bond any damages suffered by the City as a result thereof, including the full amount of any compensation, indemnification, or cost of removal or abandonment of property as prescribed by Sections 15, 17 or 12 hereof which may be in default, up to the full amount of the bond; said condition to be a continuing obligation for the duration of this franchise and thereafter until the Grantee has liquidated all of its obligations with the City that may have arisen from the acceptance of this franchise by the Grantee or from its exercise of any privilege herein granted.

Neither the provisions of this Section 16, any bond accepted by the City pursuant thereto, nor any damages recovered by the City thereunder shall be construed to excuse faithful performance by the Grantee or to limit the liability of the Grantee under this franchise or for damages, either to the full amount of the bond or otherwise.

Section 17. INDEMNIFICATION TO CITY.

The Grantee shall indemnify the City, its officers and its employees, against all claims, demands, actions, suits and proceedings by others and against all liability to others, and against any loss, cost and expense resulting therefrom, including reasonable attorneys' fees, arising out of the exercise or enjoyment of this franchise, irrespective of the amount of the bond designated in Section 16 hereof.

Section 18. INSPECTION OF PROPERTY AND RECORDS.

(a) At all reasonable times the Grantee shall permit any duly authorized representative of the City Engineer

and/or the City Auditor to examine all franchise property, together with any appurtenant property of the Grantee situated within or without the City, and to examine and transcribe any and all maps and other records kept or maintained by the Grantee or under its control which treat of the operations, affairs, transactions or property of the Grantee with respect thereto. If any of such maps or records are not kept in the City, or upon reasonable request made available in the City, and if the City Engineer and/or the City Auditor shall determine that an examination thereof is necessary or appropriate to the performance of any of his duties, then all travel and maintenance expense necessarily incurred in making such examination shall be paid by the Grantee.

(b) The Grantee shall prepare and furnish to the City Engineer and/or the City Auditor, at the times and in the form prescribed by the City Engineer and/or the City Auditor, such reports with respect to its operations, affairs, transactions or property as may be reasonably necessary or appropriate to the performance of any of the duties of the City Engineer and/or the City Auditor in connection with this franchise. Such reports may include, but are not limited to, a complete set of as-built records and plans of all facilities installed within the franchise service area.

Section 19. Notwithstanding any other provisions contained herein, this franchise is granted solely and exclusively under Sections 103, 103.1, 104 and 105 of the Charter of The City of San Diego and under no other authority.

Section 20. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

AN EMERGENCY ORDINANCE AMENDING SECTION
22.0207 OF THE SAN DIEGO MUNICIPAL CODE
RELATING TO THE REGULATION OF STREETS AND
PUBLIC PLACES.

WHEREAS, the City of San Diego does not presently have
an ordinance effectively regulating parades; and

WHEREAS, in order to facilitate the movement of traffic,
fire trucks, ambulances and other emergency vehicles, it is
necessary to immediately enact an ordinance regulating parades;
and

WHEREAS, in order to provide for the immediate preserva-
tion of the peace, health, safety, and welfare of the people
of the City of San Diego, it is necessary to pass and adopt
this ordinance as an emergency measure; NOW, THEREFORE,

BE IT ORDAINED, by the Council of The City of San Diego,
as follows:

Section 1. That Section 22.0207 of the San Diego Municipi-
pal Code be, and the same is hereby amended to read as follows:

"SEC. 22.0207 PARADES.

(a) Definitions. As used in this section:

1. "PARADE" means any march, procession or
assembly consisting of persons, animals or
vehicles, or combination thereof, upon any
public street, sidewalk or alley which does
not comply with normal and usual traffic
regulation or controls.
2. "CONGESTED TRAFFIC AREA" shall include that
part of the City of San Diego which is within
Fire Zone No. 1, as defined by Section 91.09.1
of the San Diego Municipal Code, and all
through streets.

- (b) Permit required. No person shall conduct, manage or participate in any parade without a written permit from the City Manager.
- (c) Parade Prohibited. The City Manager may continue the policy that no permit shall be issued authorizing a parade whose primary function is to publicize or advertise a person, business, organization or event, even though that event is sponsored for charity. Permits will not be approved for a parade, if any major portion of the theme of the parade is directed at solicitation of funds, sale of merchandise, or tickets, or any other exploitation of the crowd. Permits shall not be issued if the parade would require extraordinary police service or endanger public safety.
- (d) Application For Permit. Any person desiring to conduct or manage a parade shall, not less than thirty (30) nor more than one hundred eighty (180) days before the date on which it is proposed to conduct such parade, file an application for a permit.

If such parade is designed to be held by and on behalf of or for any organization other than the applicant, the applicant for such permit shall file a communication in writing from such organization, authorizing the applicant to apply for such permit on its behalf.

The application shall include information as to the sponsoring organization, the number of vehicles, animals, and persons to be in the

parade, the nature of items of equipment to be utilized to produce sounds or noise during the parade, the name of the marshal or person in charge of the parade while it is being conducted, the proposed assembly area, route, duration in time, speed, and dispersal area of the parade, and the proposed alternate routes or times, if any.

(f) Permit--Issuance of.

1. Outside Congested Traffic Area. If the City Manager finds that the parade is to be conducted wholly outside the Congested Traffic Area, the City Manager shall issue a permit therefor subject to the provisions of paragraph (c).

2. Within Congested Traffic Area. If the parade is to be conducted within the Congested Traffic Area, the City Manager shall issue the permit if he finds that:

(i) The parade will not interrupt the safe and orderly movement of other traffic along and across its route;

(ii) The conduct of such parade will not require the diversion of so great a number of police officers of the City to properly police the line of movement and the areas contiguous thereto, as to prevent normal police protection to the remainder of City;

(iii) The conduct of such parade will not require the diversion of so great a number of ambulances as to prevent normal ambulance service to portions of the City other than that to be occupied by the proposed line of march and areas contiguous thereto;

(iv) The concentration of persons, animals and vehicles at assembly points of the parade will not unduly interfere with proper fire and police protection of, or ambulance service to, areas contiguous to such assembly areas;

(v) The conduct of such parade will not unduly interfere with the movement of fire-fighting equipment en route to a fire;

(vi) The conduct of such parade is not reasonably likely to cause injury to persons or property;

(vii) Such parade will move from its point of origin to its point of termination expeditiously and without stopping en route.

3. Contents of Permit. In each permit, the City Manager shall prescribe:

(i) Starting time;

(ii) The minimum speed;

(iii) The maximum speed;

(iv) The maximum interval of space to be maintained between the units of such parade;

(v) What portions of the street to be traversed may be occupied by such parade;

(vi) The maximum length of such parade in miles or fractions thereof.

(g) Request for Hearing. If the denial of a permit is based in whole or in part upon the date, hour, or route of travel, the applicant may submit a new request proposing alternate dates, hours or routes of travel. When a permit is denied, the applicant may within fifteen (15) days of such action appeal to the City Council by filing a petition therefor with the City Clerk. Such denial shall become final if an appeal is not filed. The City Council shall appoint a time for hearing the petition, and upon hearing the petition, the City Council may approve or disapprove the denial of the permit. The decision of the City Council shall be final as to all issues involved.

(h) Alternate Permit. Within twenty-four (24) hours after completion of a hearing or denial of a permit, the City Manager shall make his order denying or granting said application, or the alternative application, if any, and shall (by special delivery mail) notify the applicant of his action. The City Manager, in denying such application, may authorize the conduct of such parade on a date, at a time, or over a route different from that named by the applicant, and if the applicant desires to accept the proposed date, time and route, he shall, within two (2) days after notice of the action of the City Manager, file a notice of acceptance with the City Manager. The City Manager shall thereupon issue a permit. Such permit shall conform to the requirements of Subsection (c).

- (i) City Manager May Consider Late Applications. The City Manager shall have authority, in his discretion, to consider any application for a permit to conduct a parade which is filed less than thirty (30) days before the date such parade is proposed to be conducted.
- (j) Officials To Be Notified. Immediately upon the granting of a parade permit, the City Manager shall send a copy thereof to the following:
1. The Chief of Police;
 2. The Chief of the Fire Department;
 3. City Engineer;
 4. Director of Public Works;
 5. General Manager or responsible head of each public transportation utility, the regular routes of whose vehicles are affected by the route of the proposed parade.
- (k) Interference With Parade. No person shall, without the consent of the permittee, join or participate in a parade, nor in any manner interfere with its progress or orderly conduct.
- (l) The City Manager, in his discretion, may delegate any or all of his functions hereunder, subject to all of the conditions hereof, to the Chief of Police.
- (m) It shall be unlawful for any person to violate any provision or to fail to comply with any of the requirements of this ordinance. Any person violating any of the provisions or failing to comply with any of the requirements of this

ordinance shall be guilty of a misdemeanor and shall be punished by a fine of not more than \$500, or by imprisonment for a period of not more than six (6) months, or by both fine and imprisonment."

Section 2. This is an ordinance for the immediate preservation of the public peace, health and safety, for the reasons hereinabove set forth in the preamble, and shall take effect and be in force immediately.
