AN ORDINANCE AMENDING SECTION 26.68  
OF THE SAN DIEGO MUNICIPAL CODE  
RELATING TO THE SAN DIEGO CITY-COUNTY  
CAMP COMMISSION--FISCAL PROCEDURES.

BE IT ORDAINED, by the Council of The City of San Diego,  
as follows:

Section 1. That Section 26.68 of the San Diego Municipal  
Code be, and the same is hereby amended to read as follows:

"SEC. 26.68 SAN DIEGO CITY-COUNTY CAMP COMMISSION--  
FISCAL PROCEDURES

(a) BUDGET. The Commission shall annually prepare  
and submit to the Board and the Council for approval an  
itemized estimate of anticipated revenue and expendi-  
tures at the times and in accordance with the procedure  
prescribed by law for the preparation of the County  
budget.

(b) CITY-COUNTY APPROPRIATIONS AND THEIR EXPENDI-  
TURE. Such portion of the revenue received by the Com-  
mission from City and County funds shall be appropriated  
in the respective budgets of City and County. The appro-  
priation by City shall be the reciprocal of and shall  
be conditioned upon the appropriation of a sum by County  
as its share of the total City-County funds to be  
received by the Commission.

The distribution of fiscal year program costs for  
the headquarters office, and nonrecreational and head-  
quarters equipment, shall be made between City and County  
on the basis of the following formula to be computed  
jointly by the City Manager of City and the Chief Admin-  
istrative Officer of County:

(1) Compute the percentage of total camper  
days utilized by non-City residents during the  
preceding fiscal year;

(2) Multiply the total program costs to be shared on the basis of the formula by the percentage developed in item (1);

(3) According to the records of the County Assessor, compute the percentage of the following assessed valuations of real and personal property for the current fiscal year: that which is within the County, but not within the boundaries of the City as compared to the total which is within the boundaries of the County;

(4) Divide the product of item (2) by the percentage developed in item (3). The quotient represents the County share of program costs for the new fiscal year;

(5) Subtract the County share from total program costs to determine the City share for the new fiscal year.

Prior to the commencement of the new fiscal year, City and County shall by concurrent resolutions agree to the amounts to be appropriated by each respective party for the acquisition of real property by lease or purchase, including camp sites, and construction of any camping facilities, including plans and related costs.

Unless otherwise provided by concurrent resolution of the Board and the Council, all funds appropriated in the budgets of City and County for expenditure by the Commission shall be expended only for the acquisition of real property by lease or purchase (including camp sites), for payment of rentals under such leases, construction of new camping facilities (including plans and related costs), acquisition of nonrecreational and headquarters equipment, maintenance and supplies for the headquarters office, and for the payment of salaries and wages, retirement and

insurance costs for compensated County employees assigned to the headquarters office. City and County by so limiting the expenditure of their appropriations do not thereby bind themselves to provide the full amount necessary for the indicated purposes, and will not, in any event, pay for headquarters costs in excess of fifteen percent (15%) of the total of the expenditures for the operation and maintenance of all City-County camps exclusive of headquarters and camp site acquisition costs. The Council, Board and their respective budgetary officers shall provide sufficient detail in the City and County budgets to permit the allocation of expenditure appropriations to these general purposes; where specific items of expenditure may be allocable to more than one such purpose or where their allocation may be uncertain, the allocation shall be determined by the joint action of the City's Manager and the County's Chief Administrative Officer. The Auditor shall develop and prescribe accounting procedures to insure that expenditure of the City's and County's appropriations, whether current or surplus, is made in accordance with the provisions of this ordinance.

(c) FUNDS. There are created in the office of the County Treasurer two special funds known as the San Diego City-County Camp Commission Camping Fund and the San Diego City-County Camp Commission Trust Fund. All revenue received for expenditure for the maintenance and operation of all City-County camps, including, but not limited to, all campers' fees, shall be deposited in and expended from said Camping Fund; all conditional gifts received by the Commission shall be deposited in and expended from said Trust Fund and said fund shall also be used for the temporary deposit of receipts of uncertain allocation. Both funds shall be maintained and

accounted for in accordance with applicable provisions of the County Charter, County ordinances and regulations, and general law. For the purpose of providing money in said Camping Fund for the maintenance and operation of the camps prior to the receipt of campers' fees and other revenue, either City or County may temporarily transfer any available money to said fund; any such temporary transfer shall be returned to the agency or agencies making the transfer when assets in said Camping Fund are sufficient for current operation. Expenditures for other purposes itemized in Section 26.68 (b) above shall be made directly from the County's budget appropriations and reimbursement by the City of its share thereof shall be made monthly or at other regular intervals in arrears in accordance with a procedure to be developed and prescribed by joint action of the Auditor and the City Auditor and Comptroller; no appropriation for acquisition of real property by lease or purchase, including camp sites, construction of new camping facilities or for nonrecreational equipment shall be used for maintenance and operation of any City-County Camp or for any headquarters' costs except by concurrent authorization of the Council and the Board. The County Treasurer shall exercise custody of such funds in the manner and under the restrictions and regulations provided by law for County funds and the Auditor shall exercise such supervision and control over said funds as he exercises over County funds.

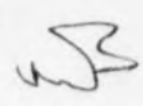

(d) EXPENDITURES FOR CAMP OPERATIONS. It is the intention of the Council and the Board that all costs for the maintenance and operation of all City-County camps, exclusive of headquarters' costs, be met by fees, subvention gifts and grants. It is recognized, however,

that currently these costs are not so met and that a period of adjustment may be necessary; accordingly, the Council and the Board may, by mutual consent, at any time on or before June 30, 1963, appropriate general fund money of the City and the County to the San Diego City-County Camp Commission Camping Fund to supplement other receipts of that fund for camp operational costs.

(e) SURPLUS FROM PRE-EXISTING FUNDS. All surplus funds and unexpended appropriations remaining in the San Diego City-County Camp Commission Operating Fund on the effective date of this amendment are transferred to the San Diego City-County Camp Commission Camping Fund; all surplus funds and unexpended appropriations in the San Diego City-County Camp Commission Administration and Maintenance Fund and the San Diego City-County Camp Commission Capital Outlay Fund on said effective date are transferred to the appropriate accounts in the County Budget for expenditure for the purposes itemized in Section 26.68 (b) above other than for maintenance and operation of camps, except that appropriate funds remaining in said Administration and Maintenance Fund may be transferred to said Camping Fund to supplement that fund during the current fiscal year."

Section 2. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

(c) FUNDS. There are created in the office of the County Treasurer two special funds ~~to-be~~ known as the San Diego City-County Camp Commission Camping Fund and the San Diego City-County Camp Commission Trust Fund. All revenue received for expenditure for the maintenance and operation of all City-County camps, including, but not limited to, all campers' fees, shall be deposited in and expended from said Camping Fund; all conditional gifts received by the Commission shall be deposited in and expended from said Trust Fund and said fund shall also be used for the temporary deposit of receipts of uncertain allocation. Both funds shall be maintained and accounted for in accordance with applicable provisions of the County Charter, County ordinances and regulations and general law. For the purpose of providing money in said Camping Fund for the maintenance and operation of

the camps prior to the receipt of campers' fees and other revenue, ~~the~~ either City and/or ~~the~~ County may temporarily transfer any available money to said fund; any such temporary transfer shall be returned to the agency or agencies making the transfer when assets in said Camping Fund are sufficient for current operation. Expenditures for other purposes itemized in Section 26.68 (b) above shall be made directly from the County's budget appropriations and reimbursement by the City of its share thereof shall be made monthly or at other regular intervals in arrears in accordance with a procedure to be developed and prescribed by joint action of the Auditor and the City Auditor and Comptroller; no appropriation for acquisition of real property by lease or purchase, including camp sites, construction of new camping facilities or for nonrecreational equipment shall be used for maintenance and operation of any City-County Camp or for any headquarters' costs except by concurrent authorization of the Council and the Board. The County Treasurer shall exercise custody of such funds in the manner and under the restrictions and regulations provided by law for County funds and the Auditor shall exercise such supervision and control over said funds as he exercises over County funds.

(d) EXPENDITURES FOR CAMP OPERATIONS. It is the intention of the Council and the Board that all costs for the maintenance and operation of all City-County camps, exclusive of headquarters' costs, be met by fees, subvention gifts and grants. It is recognized, however, that currently these costs are not so met and that a period of adjustment may be necessary; accordingly, the Council and the Board may, by mutual consent, at any time on or before June 30, 1963, appropriate general

fund money of the City and the County to the San Diego City-County Camp Commission Camping Fund to supplement other receipts of that fund for camp operational costs.

(e) SURPLUS FROM PRE-EXISTING FUNDS. All surplus funds and unexpended appropriations remaining in the San Diego City-County Camp Commission Operating Fund on the effective date of this amendment are transferred to the San Diego City-County Camp Commission Camping Fund; all surplus funds and unexpended appropriations in the San Diego City-County Camp Commission Administration and Maintenance Fund and the San Diego City-County Camp Commission Capital Outlay Fund on said effective date are transferred to the appropriate accounts in the County Budget for expenditure for the purposes itemized in Section 26.68 (b) above other than for maintenance and operation of camps, except that appropriate funds remaining in said Administration and Maintenance Fund may be transferred to said Camping Fund to supplement that fund during the current fiscal year."

**"SEC. 57.01.37 SAME - PROMOTERS - APPLICATION**

To obtain such license such promoter shall make and file, at least fifteen (15) days before the proposed commencement of such solicitation in public, an application in writing and under oath with the Chief of Police. In such application the applicant shall set forth, in addition to such other information as may be required by the Chief of Police:

(a) The name and address of the applicant, and if such applicant be a corporation, the name and address of each of its managing officers and agents, and, if it be an unincorporated association, firm or partnership, the name and address of each member of such unincorporated association, firm or partnership;

(b) A succinct statement of facts showing that the applicant, if not a corporation or an unincorporated firm, association or partnership, is of good character and reputation, or if the applicant be a corporation that each of its managing officers and agents is of good character and reputation, or if the applicant be an unincorporated association, firm or partnership that each of its members is of good character and reputation;

(c) The general plan, character and method in or by which applicant proposes to conduct its or his business as a promoter, a statement of any and all agreements or understandings made or had with any person or association in whose behalf such solicitation is being conducted, together with at least one copy each of any such agreement or understanding which may be in writing, and specifically the amount of pecuniary compensation or consideration or percentage of any fund solicited or raised he or it is to receive for said promotion or solicitation.

**"SEC. 57.01.38 SAME - PROMOTERS - BOND**

At the time of filing with the Chief of Police an application for such license the applicant shall file and thereafter maintain with the City Clerk if the said license is

granted, a good and sufficient bond in the aggregate sum of five thousand dollars (\$5,000.00), enuring to the benefit of The City of San Diego, on a form approved by the City Attorney, executed by the applicant and by two or more responsible sureties, or by a surety company authorized to do business in the State of California. Said bond shall be conditioned upon the strict compliance by the principal with the provisions of this article and the payment of any direct pecuniary loss sustained through any act of grand or petty theft on the part of the principal, by any donor, or by any person on whose behalf the funds or personal property were solicited or received by the principal.

(a) Said bond shall remain in force and effect until said bond and undertakings in the solicitation of contributions by the promoter are cancelled by the sureties. The sureties may cancel said bond and be relieved of further liability thereunder by delivery of thirty days' written notice to the department. Such cancellation shall not affect any liability incurred or accrued thereunder prior to the termination of said thirty-day period.

(b) Any person who sustains any injury covered by said bond may in addition to any other remedy that he may have, bring an action in his own name upon said bond for the recovery of any damage sustained by him.

(c) Upon such action being commenced, such bond shall not be void upon first recovery thereon, but may be sued upon from time to time until the whole of such penalty shall be exhausted. The Chief of Police may require the filing of a new bond, and immediately upon the recovery in any action on such bond such promoter shall file a new bond, and upon failure to file the same within ten (10) days in either case the Chief of Police shall forthwith suspend such promoter's license to solicit.

"SEC. 57.01.39 SAME - PROMOTERS - INVESTIGATION

The Chief of Police shall examine such application, and shall make such further investigation of the applicant and its or his affairs as he shall deem necessary. If from such investigation the Chief of Police shall be satisfied:

(b) That applicant has sufficient financial responsibility to carry out the obligations incident to any solicitation such applicant may make within the City of San Diego as such promoter, and that all of the statements made in such application are, and each of them is, true and that neither the applicant, nor any officer, agent or member of the applicant has engaged in any fraudulent transaction or enterprise, and that the applicant intends to conduct its business fairly and honestly and agrees in writing to

Otherwise, the Chief of Police shall deny the application and refuse to issue a license, and shall notify the applicant of his decision by registered mail, giving him a written statement of his findings of fact, and notifying him of his right to a hearing and appeal on the denial. Said Chief of Police shall issue or refuse to issue said license within fifteen (15) days of the filing of said application;

(c) Provided, however, that if the only ground for such refusal or denial is such that it does not substantially affect applicant's honesty and integrity, and if the inability of the applicant to meet any requirement will not in any way interfere with a proper performance by the applicant of his duties as such promoter, the Chief of Police may waive such grounds and grant the application. This proviso relates only to paragraphs (a) and (b) of this section.

"SEC. 57.01.40 SAME - PROMOTERS - FEE PAID TO CITY TREASURER

Upon the granting of such license the Chief of Police shall forward said license to the City Treasurer, who shall deliver said license upon payment by the applicant of a fee of twenty-five dollars (\$25.00).

"SEC. 57.01.41 SAME - PROMOTERS - LICENSE REVOCATION

Upon any complaint being filed with and verified by the Chief of Police or upon his own investigation, if it be found after a hearing upon written notice containing charges, that any person to whom a license has been issued under Section 57.01.36 has violated any of the requirements of this Code or any of its subsections, or of any other law or that the said license holder, his agent or solicitor has made untrue statements or misrepresented the purpose of the solicitation, the Chief of Police shall within two days after the hearing, file in his office for public inspection and serve upon the license holder a written statement of the facts upon which he bases such findings and may suspend or revoke the said license.

If the said Chief of Police shall refuse to approve an application for license as provided for in Sections 57.01.36 to 57.01.40 both inclusive, or if the license already issued shall be revoked, the person, organization, society, association, corporation, firm or partnership, or any agent or representative thereof, affected thereby, may appeal to the City Manager of The City of San Diego within five (5) days after receiving notice of such revocation or refusal.

"SEC. 57.01.44 SAME - SOLICITORS - CERTIFICATE REQUIRED

It shall be unlawful for any promoter to cause or permit any person for pecuniary compensation or consideration received or to be received by such person to solicit or receive on his behalf or at his instigation, under his direction or control, or in his employment, any contribution unless such person shall have a Certificate of Registration from the Chief of Police:

(a) Except as provided in Sections 57.01.36 to 57.01.43 inclusive, it shall be unlawful for any person for pecuniary compensation or consideration to solicit contributions in public for or on behalf of any other person, association, or institution unless such person first obtained a Certificate of Registration from the Chief of Police.

"SEC. 57.01.45 SAME - PROMOTERS - APPLICATION - INVESTIGATION - BOND

To obtain a Certificate of Registration, such solicitor shall make and file at least five (5) days before the proposed commencement of such solicitation in public an application in writing and under oath with the Chief of Police. In such application the applicant shall set forth, in addition to such other information as may be required by the Chief of Police:

(a) The name and address of the applicant and a showing that the applicant is a person of good moral character and that his reputation for honesty is good;

(b) The Chief of Police shall make such further investigation of the applicant as shall be necessary. Said Chief of Police shall approve or deny the application for a Certificate of Registration within ten (10) days of the filing of such application, and shall notify the applicant of his decision by registered mail, giving him a written statement of his findings of facts and notifying him of his right to a hearing and appeal on the denial;

(c) At the time of filing said application for a Certificate of Registration, the applicant shall file with the City Clerk and thereafter maintain, if he is granted a Certificate of Registration, a bond in such form as may be approved by the City Attorney in the sum of five hundred dollars (\$500.00), conditioned for the payment of any direct pecuniary loss which may be sustained by any donee, or by any person or association on whose behalf any contribution was solicited or received through any act of grand or petty theft committed by such person;

(d) The provisions of paragraphs (a), (b), (c) and (d) of Section 57.01.38 above shall apply to bonds filed pursuant to this section;

(e) If the application for a Certificate of Registration is approved by the Chief of Police, said applicant shall be granted a Certificate of Registration signed by the Chief of Police stating that said applicant is a registered solicitor. Upon the granting of said certificate said Chief of Police shall forward said certificate to the City Treasurer who shall deliver said certificate upon payment by the applicant of a fee of three dollars (\$3.00);

(f) The holder of the Certificate of Registration must notify the department in writing of any change of address, and if employed by more than one person, association, corporation or institution, he must inform the department in writing of such fact and of any subsequent termination or change of employment;

(g) Each Certificate of Registration required by this section shall terminate one calendar year from date of issue. Thereafter such holder of Certificate of Registration shall be re-registered by the department upon the payment of a fee of three dollars (\$3.00) and the posting of a bond in the sum of five hundred dollars (\$500.00). Such bond shall comply with the requirements of Sections 57.01.44 and 57.01.45.

"SEC. 57.01.46 SAME - SOLICITORS - REVOCATION - APPEALS

Upon complaint being filed with and verified by the said Chief of Police, or upon his own investigation, if it be found that any person soliciting under a Certificate of Registration, issued under the provisions of Sections 57.01.44 and 57.01.45, is

misrepresenting or making untrue statements or that he has violated any of the requirements of this Section or Subsections, or of any other law, the said Chief of Police after a hearing upon written notice containing charges, may suspend or revoke such certificate. If the said Chief of Police shall refuse to approve an application for a Certificate of Registration, as provided for in Sections 57.01.44 and 57.01.45, or if such certificate already issued shall be revoked, the said solicitor affected thereby may appeal to the City Manager of The City of San Diego within five (5) days after receiving notice of such revocation or refusal."

Section 2. That Sections 22.1601, 22.1602, 22.1603, 22.1604, 22.1605 and 33.1530.14 of the San Diego Municipal Code relating to the Social Welfare Department be, and the same are hereby repealed.

WHEREAS, the Civil Service Commission of The City of San Diego has heretofore recommended the amendment of Rules III, V, VI, VIII, IX, X, XI and XII of the Rules of the Civil Service Commission, which rules are codified as Chapter II, Article 3 of the San Diego Municipal Code; and

WHEREAS, pursuant to the provisions of Section 118 of the Charter of The City of San Diego, the City Council held a public hearing upon the recommended amendments to Rules III, V, VI, VIII, IX, X, XI and XII of the Rules of the Civil Service Commission on the 10<sup>th</sup> day of November, 1964; and

WHEREAS, this Council is of the opinion that it will be in the best interests of the City and its citizens that the proposed amendments be adopted; NOW, THEREFORE,

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That Rule V of the Rules of the Civil Service Commission, and Article 3, Chapter II, Division 6 of the San Diego Municipal Code be, and the same are hereby amended by adding thereto a new section to be known as and numbered, respectively, as Section 3 of Rule V of the Rules of the Civil Service Commission and Section 23.0603 of the San Diego Municipal Code, and the same shall read as follows:

"SEC. 23.0603 PROBATIONARY EMPLOYEES  
(Section 3, Rule V of the Rules of  
the Civil Service Commission)

A probationary employee who, without fault or delinquency on his part, has been separated from the service or reduced in rank because of lack of work or funds, or because his class has been abolished, shall have his name returned for one year to the top of the open eligible list from which he was last certified for employment. Ties shall be broken first by performance ratings, and then by grades attained in the examination which resulted in certification to the class."

Section 2. That Section 2 of Rule III of the Rules of the Civil Service Commission and Section 23.0402 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 23.0402 KINDS OF EXAMINATIONS  
(Section 2, Rule III of the Rules of  
the Civil Service Commission)

Examinations shall be announced and administered as one or more of the following kinds:

(1) Open examinations or open series examinations, in which all qualified applicants may participate.

(2) Promotional examinations, in which only qualified City employees may compete.

(3) Assembled examinations which shall require applicants to report to a designated place to participate in prescribed tests.

(4) Unassembled examinations, which may be conducted as prescribed by the Personnel Director, according to the class of position involved.

(5) Competitive examinations which, in the case of promotional examinations, may include consideration of efficiency, conduct, and seniority with the approval of the Commission.

(6) Noncompetitive examinations, which may be held for unskilled positions, and for part-time or seasonal work, when competition is determined by the Personnel Director to be impracticable."

Section 3. That Section 11. of Rule III of the Rules of the Civil Service Commission and Section 23.0411 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 23.0411 EXAMINATION GRADES  
(Section 11, Rule III of the Rules  
of the Civil Service Commission)

Candidates shall be ranked on a scale in which a score of 100 represents the highest possible attainment, and 70 represents the minimum acceptable attainment, prior to according any veterans' preference points.

(1) To attain a place on the eligible list, a candidate's general average score in the examination must be no less than 70; provided, however, that the Personnel Director may require at least 70 in some specific part of an examination, as published in the announcement, and failure of the candidate to make such required score of 70 in that part of the examination will disqualify him in the entire examination.

(2) No person who has failed to pass an examination shall be permitted to be re-examined for the same class of position within six months from the date of such failure; provided, however, that the Personnel Director may, if no adequate eligible list was secured, permit persons who have failed the examination to be re-examined after sixty days from the date of such failure. The foregoing restriction on re-examination shall not apply to tests of strength, agility, athletic ability, or qualifying performance tests.

(3) No person whose name appears on a valid eligible list shall be permitted to apply for the same Open Series examination for the same class of position, unless his eligibility is within sixty days of expiration."

Section 4. That Section 3 of Rule VI of the Rules of the Civil Service Commission and Section 23.0703 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

of the Civil Service Commission)

Upon receipt of requisition for certification of an eligible to fill a vacancy, the Personnel Director shall certify from the re-employment list the name of the highest ranking eligible who at any previous time worked with permanent status in the same class or subdivision thereof. If no one on the re-employment list meets this condition, the names of the three persons standing highest on the re-employment list shall be certified. An eligible who is re-employed in a department or major division in which he has worked with permanent status in that class or subdivision thereof for more than sixty days, does not serve a probationary period. An eligible who has permanent status in the requested class or subdivision thereof, and is re-employed in a department or major division in which he has not, at any previous time, worked as a permanent employee in the class or subdivision thereof for more than sixty days, serves a 60-day probationary period. If the appointing authority terminates the employee during this probationary period, the Personnel Director shall, without a hearing, return the employee's name to the re-employment list unless the appointing authority

dismisses the employee from City service as provided in Rule XI. An eligible who has never had permanent status in the class to which he was certified, but who was placed on a re-employment list by the Personnel Director pursuant to the provisions of Rule V, Section 1 (2), shall serve a regular probationary period of six months.

(1) In the absence of a re-employment list, the Personnel Director shall certify the names and addresses of the first three available eligibles on the list for the class or subdivision of the class. When more than one vacancy is to be filled, the Personnel Director shall certify the number of names equal to the number of vacancies to be filled plus two more names; provided, however, that a fewer number may be certified when there is not the required number on the eligible list.

(2) When no eligible list for the class of position exists, or when the eligible list contains less than three names, a provisional appointment may be approved by the Personnel Director.

(3) No person shall be certified from a promotional eligible list who has been permanently separated from the service of the City."

Section 5. That Section 2 of Rule VIII of the Rules of the Civil Service Commission and Section 23.0903 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

(Section 2, Rule VIII of the Rules  
of the Civil Service Commission)

Promotional examinations shall be open to any qualified employee who has completed at least six

months of City service immediately preceding the final date for filing applications, except, at the discretion of the Commission, competition may be limited to any qualified employee who has completed one or more years of City service."

Section 6. That Section 1 of Rule IX of the Rules of the Civil Service Commission and Section 23.1001 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 23.1001 TRANSFERS

All requests for transfer with reasons stated must be made in writing and subject to the approval of the Personnel Director. Transfers may be made upon the request of the employee or upon the request of the appointing authority who must give at least a week's notice to the employee concerned.

(1) Interdepartmental Transfer. The transfer of an employee from a position in one department or major division to a position in the same class in another department or major division shall be called an "Interdepartmental Transfer," and may be made upon written request of the appointing authorities concerned or by an employee with the approval of said appointing authorities; provided, however, that whenever the Personnel Director shall certify that a permanent employee must be transferred from one department or major division to another as a result of an officially approved layoff under the provisions of Rule XI, the appointing authority who has a vacancy in said employee's class or subdivision thereof, shall appoint said employee to said vacancy. In any event, if, at any time within sixty days from the time of transfer, the services rendered by the employee in the position to which he has been transferred are not satis-

factory, he shall be transferred back to his former department.

(2) Class Transfer. The transfer of an employee from a position in one class to a position in another class for which the maximum rate of pay is the same, shall be called a 'Class Transfer' and may be made under the same conditions as provided for in 'Interdepartmental Transfer.'

(3) Transfer for Temporary Work. Transfers for temporary or emergency work may be made after first obtaining the consent of the Personnel Director."

Section 7. That Section 4 of Rule X of the Rules of the Civil Service Commission and Section 23.1104 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 23.1104 SICK, EMERGENCY, AND INJURY LEAVES  
(Section 4, Rule X of the Rules of  
the Civil Service Commission)

(1) SICK LEAVE INTENT, DEFINITION, PROVISIONS. The intent of this section is to provide a continuity of full salary to those employees who are unable because of illness or injury to perform the duties of their positions or who would expose fellow workers or the public to contagious disease and are thereby forced to be absent from employ-

ment, and to provide necessary time off from work for medical and dental care, subject to administrative regulations designed to prevent malingering or abuse of these privileges.

(a) SICK LEAVE DEFINITION. Sick leave is defined as the necessary absence from duty of an employee because of illness, injury, or exposure to contagious disease suffered by the employee, or the serious disability of the employee while on a scheduled vacation, or absence authorized for medical or dental care.

(b) SICK LEAVE PROVISIONS. After the first 6 months of continuous service, an eligible employee will be credited with 7 workdays of paid sick leave. After one year of continuous service, said employee will be credited with 8 additional workdays of paid sick leave. Thereafter, at the completion of each calendar year of service, the employee will be credited with 15 workdays of paid sick leave, cumulative as hereinafter provided. Paid sick leave credits may be used only with the approval of the appointing authority.

(c) ACCUMULATION OF SICK LEAVE. All unused sick leave shall be accumulative, with the following restrictions: As of January first in any calendar year, an employee with less than 16 calendar years of service shall be credited with not more than 75 workdays of accumulated sick leave, and an employee with 16 or more calendar years of service shall be credited with not more than 150 workdays of accumulated sick leave.

(d) SICK LEAVE CREDITS. Effective January 1, 1965, subsections (b) and (c) shall become inoperative, and thereafter paid sick leave credits shall

be earned at the rate of one-half workday at the completion of each biweekly period of active service, and shall be accumulative without restriction. Paid sick leave credits may be used as soon as earned, but only with the approval of the appointing authority. Eligible employees shall be credited on January 1, 1965 with the number of sick leave days earned during 1964, based on an accumulation rate of 15 days a year, without regard to accumulation limitations.

(e) SICK LEAVE - WORKMEN'S COMPENSATION.

Those employees who are absent from duty because of a temporary disability which is defined as industrial under the Workmen's Compensation Act, but who are not granted injury leave, as provided by this Rule, may use sick leave; provided, however, that any such employee who receives a temporary disability allowance, as provided under the Workmen's Compensation Law, must reimburse the City Auditor and Comptroller in the amount of the authorized compensation, in which case, only that amount of his accumulated sick leave credits as when added to said disability allowance will result in a payment to him of not more than his full salary or wages shall be charged against said accumulated sick leave credits.

(2) EMERGENCY LEAVE INTENT, DEFINITION, PROVISIONS.

The intent of this section is to allow the limited use of sick leave credits by an employee who is confronted with serious emergency illness, injury, or death in his immediate family.

(a) Emergency leave is defined as the necessary absence from duty of an employee because of emergency illness of a member of his immediate family requiring the attendance of the employee upon said member until professional or other attendance can be obtained, or

the absence from duty of an employee because of the death of a member of his immediate family.

(b) An eligible employee may be granted emergency leave with pay chargeable to his accumulated sick leave credits not to exceed a total of 5 workdays for each instance of emergency illness or death in his immediate family. In the case of illness followed by death, an employee may be granted a maximum of 10 consecutive workdays of emergency leave chargeable to his sick leave credits.

(3) NONAPPLICABILITY. None of the foregoing provisions of this Rule shall be applicable to employees paid on an hourly or daily basis.

(4) INJURY LEAVE INTENT, DEFINITION, PROVISIONS.

The intent of this section is to provide a continuity of full salary in lieu of the Workmen's Compensation benefits established by the State and the sick leave provisions of this Rule for any employee who, without misconduct or negligence on his part, is temporarily and totally incapacitated from performing productive City work by reason of injury or illness suffered while properly performing the duties of his position and arising out of his employment, provided he is expected to be able to return to work with the City in his regular position, or a different position which has been approved by the Civil Service Commission, following a reasonable period of recuperation. The provisions herein shall not be applicable when disability retirement is indicated because of the permanent and stationary nature of the disability, as determined by the City Manager or nonmanagerial department head and the Civil Service Commission, based upon authoritative medical and safety advice.

(a) INJURY LEAVE, DEFINITION. Injury leave

is hereby defined as the necessary absence from

duty of an employee because of an injury or illness suffered during the proper performance of the duties of his position without misconduct, negligence, or contributory negligence on the part of the employee.

(b) INJURY LEAVE GRANTING. Any employee who is compelled to be absent from duty because of an injury or illness as defined above, may be granted a leave of absence with full pay only upon (1) the recommendation of the City Manager or nonmanagerial department head and (2) the approval of the Civil Service Commission. Injury leave will be granted only in cases where there is a proven, external, causative employment experience which results in a disabling injury or illness. The disability must have resulted while the employee was engaged in the proper performance of the duties of his position or reasonably related City work, and must be connected logically and medically to a service-connected traumatic incident, exertion, or exposure to contagious disease or virulent environment. In order for the relationship between employment and the disability to be established, the preponderance of medical opinion must verify that the injury resulted because of demands of and/or exposure on the job.

(c) INJURY LEAVE DENIED. Injury leave shall be denied if the employee is injured when performing work

(1) with physical demands substantially different from and not reasonably related to the employee's position, classification, or

- (ii) for which he had been physically disqualified by City medical examination, or
- (iii) in an improper or negligent manner (Negligence includes failure to observe reasonably safe practices, safety rules, regulations, applicable law, or instructions, or to use required safety equipment, and failure to take prompt action after official notice to correct any physical deficiencies which, as determined by authoritative medical and safety investigation, could reasonably be considered significant cause for the injury.), or
- (iv) which aggravates a previously acquired non-industrial disability.

(d) INJURY LEAVE - DURATION. The duration of such injury leave with pay shall be that which is recommended by the City Manager or nonmanagerial department head and approved by the Commission, but shall not exceed one year for each injury, including any recurrence, aggravation, and/or sequela of an injury previously approved for injury leave with pay, which shall be charged to the balance, if any, of the one-year maximum allowance of such leave for said original injury. Injury leave shall be terminated at any time the injury is determined to be permanent and stationary in character.

(e) INJURY LEAVE CONDITIONS.

- (1) No injury leave may be granted unless the injury is accepted as compensable by the State Compensation Insurance Fund; provided, however, that said acceptance shall not con-

stitute acceptance by the City if said injury does not meet the standards and requirements set forth herein and the administrative regulations in the Personnel Manual of The City of San Diego, as provided by Rule XV.

- (ii) An employee who sustains disabilities arising out of employment, but who fails to meet the requirements for injury leave, may use his sick leave credits, pursuant to the sick leave provisions of this section.

(f) INJURY LEAVE - WORKMEN'S COMPENSATION.

Any employee granted injury leave and who receives compensation as authorized under the injury leave provisions of this section, shall reimburse the City Auditor and Comptroller in the amount of the authorized temporary disability allowance as provided under the Workmen's Compensation Law.

(g) INJURY LEAVE REVIEW. In the event of denial of injury leave by the representatives of the City Manager or nonmanagerial department head and/or the Civil Service Commission, the employee may request in writing to the Personnel Director a review of said denial, setting forth the reasons for said request. The case shall be reviewed by the City Manager and the Personnel Director, and the findings shall be reported to the Commission and the employee.

(5) EVIDENCE OF CAUSE OF ABSENCE. In all cases of absence because of sickness or injury of the employee,

or illness or death in his immediate family, the employee may be required to furnish to the Commission or the appointing authority satisfactory evidence substantiating the facts justifying such leave. Failure to furnish such evidence upon request shall be sufficient reason for denying the leave of absence with pay."

Section 8. That Section 6 of Rule XI of the Rules of the Civil Service Commission and Section 23.1206 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 23.1206 REDUCTION IN PERSONNEL  
(Section 6, Rule XI of the Rules  
of the Civil Service Commission)

The appointing authority shall have the power to lay off or suspend any employee because of lack of funds, lack of work, or where there has been an insufficient appropriation to meet the salary requirements necessary to maintain existing personnel in any office, department, division, or bureau. Whenever it becomes necessary to reduce the number of employees in a given class, for the reasons enumerated in this section, the appointing authority shall, prior to such impending reduction, notify the Personnel Director of the number of positions in the class to be vacated, and the reasons therefor. Layoff shall be made by class or, upon the determination by the Personnel Director that separate eligible lists for the class were established in accordance with Rule IV, Section 1, by such subdivision of the class. The Personnel Director shall furnish to the appointing authority the names of the employees in the order in which such layoff shall be effected. The order of any appointing board or officer laying off an employee or employees in accordance with the provisions of this section for any of the reasons enumerated herein shall be final and not subject to review by the Civil Service Commission."

Section 9. That Section 7 (1) of Rule XI of the Rules of the Civil Service Commission and Section 23.1207 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 23.1207 LAYOFFS  
(Section 7 (1), Rule XI of the Rules  
of the Civil Service Commission)

(1) ORDER OF LAYOFF. A reduction in the number of employees in a class or subdivision of a class shall be made in the following order: Provisional, Limited, Probationary, Permanent. The order of layoff for permanent employees in a class or subdivision thereof shall be determined by City-wide seniority. Seniority shall be computed according to the length of last continuous service in the class or subdivision thereof, or a higher ranking class. Ties shall be broken by first considering the length of total City service, and then by grades attained in the examination which resulted in certification to the class affected by the layoff."

Section 10. That Section 7 (2) of Rule XI of the Rules of the Civil Service Commission and Section 23.1208 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 23.1208 JOB RIGHTS  
(Section 7 (2), Rule XI of the Rules  
of the Civil Service Commission)

(2) Subject to the provisions of Rules VI, IX, and XI, a permanent employee whose layoff is imminent shall have the right of transfer to any vacant position in the same class or subdivision thereof in any other department. If there is no such vacancy, said employee shall have the right of competition for retention in the next and successively lower classes in which he has served satisfactorily with permanent status."

Section 11. That Section 1 of Rule XII of the Rules of the Civil Service Commission and Section 23.1301 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 23.1301 STANDARDS OF EFFICIENCY  
(Section 1, Rule XII of the Rules  
of the Civil Service Commission)

It shall be the duty of the Personnel Director to administer such employee development or rating plan as may be approved by the Commission."

Section 12. That Section 2 of Rule XII of the Rules of the Civil Service Commission and Section 23.1302 of the San Diego Municipal Code be, and the same are hereby amended to read as follows:

"SEC. 23.1302 PERFORMANCE RATINGS  
(Section 2, Rule XII of the Rules  
of the Civil Service Commission)

The Personnel Director shall require appointing authorities to submit performance ratings or employee development reports of individual employees on the forms and in the manner prescribed by the Commission.

(1) Performance ratings and employee development reports shall be based upon the independent judgments of two or more supervisory officers, one of whom shall be the immediate supervisor of the employee.

(2) The rating factors and the methods of evaluation shall be the same for all employees in the same class, and shall bear fair relationship to the duties and responsibilities of said employees.

(3) The employee shall receive an exact copy of his performance rating or development review form and any narrative or special report pertaining thereto.

(4) Upon presenting supporting facts and evidence that his performance ratings or development review evaluations were not determined in the manner prescribed, an employee may appeal to the Personnel Director, who

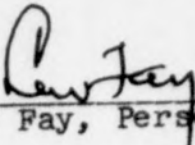

shall have the power after conference with the appointing authority concerned, to change a performance rating or development review when, upon investigation, it appears that they were not determined in conformity with the provisions of this Rule."

(New Series)

AN ORDINANCE AMENDING CHAPTER X, ARTICLE 1, DIVISION 4, OF THE SAN DIEGO MUNICIPAL CODE BY ADDING THERETO A NEW SECTION TO BE KNOWN AS SECTION 101.0434, RELATING TO ZONES.

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That Chapter X, Article 1, Division 4, of the San Diego Municipal Code is hereby amended by adding thereto a new section to be known as Section 101.0434, to read as follows:

"SEC. 101.0434 S-R SCIENTIFIC RESEARCH ZONE

A. PURPOSE AND INTENT

The S-R zone is intended to provide areas for scientific research to the exclusion of other land uses and activities. The use contemplated within the S-R zone is that of research laboratories and supporting facilities such as offices and personnel accommodations. The provisions of this section are intended to be used to encourage scientific research and development and to effect a high degree of compatibility of specialized uses which cannot be easily interspersed throughout the community. This zone is intended to be applied to areas which are designated for such purpose on the general plan or any adopted community plan.

B. PERMITTED USES

1. No land zoned S-R shall be used for any purpose other than scientific research and development. No new structure or improvement shall be erected, constructed, established, or otherwise created within the S-R zone other than laboratories and facilities

for scientific research, development and testing, and such administrative offices and accessory use buildings as are customarily used in connection with such laboratories and facilities, subject however to the limitations on dwelling units as provided in the following paragraph. No existing structure or improvement shall be altered, enlarged or converted other than for the aforementioned uses. Manufacturing shall be prohibited in the S-R zone except manufacturing which is limited to prototype fabrication, the production of experimental products or the manufacturing of such products as may be necessary to the development of production or operating systems where such systems are to be installed and operated at another location.

2. One dwelling unit for occupancy

only by the owner of the scientific research laboratory or facility, or by his employee or lessee, will be permitted on the site of the scientific research laboratory or facility if an onsite residence is necessary for security or safety of the facility, or is needed for the convenience of caretaking and maintenance. A trailer or mobile home shall not be permitted for such purpose.

3. Signs. No signs shall be permitted in the S-R zone except as follows:

a. One unlighted or non-flashing lighted, double- or single-faced sign not exceeding 125 square feet in area per display face, and not exceeding 15 feet in height, identifying the occupant of each building site. Such sign may be located in any required yard area provided that such sign is erected

not closer than 20 feet to any lot line.

b. Unlighted or non-flashing lighted signs, attached to but not projecting more than sixteen (16) inches beyond the face of the building, nor projecting above the parapet or eaves of the building.

c. Unlighted or non-flashing lighted, double- or single-faced directional signs not exceeding 12 square feet in area per display face as may be necessary to direct and control vehicular and pedestrian traffic. Such directional signs may be located in any required yard area.

d. The aggregate area of all signs permitted on the premises shall not exceed one square foot for each 3 lineal feet of the perimeter of the premises.

#### C. PROPERTY DEVELOPMENT REGULATIONS

No building or portion thereof shall be erected, constructed, converted, established, altered, enlarged, or used in the S-R zone unless the lot and building shall comply with the following requirements and special regulations:

1. Minimum Lot Dimensions.

a. Area - one acre.

b. Street frontage - 100 feet, except that for any lot which fronts principally on a turnaround or on a curving street having a radius of curvature of less than 100 feet, the minimum frontage shall be 60 feet.

c. Width - 100 feet.

d. Depth - 200 feet.

2. Minimum Yards.

a. Front - 25 feet. The required front yard except for driveways shall be landscaped and permanently

maintained. No parking, loading, or outdoor storage shall be permitted within the required front yard area.

b. Side:

(1) Interior - 15 feet.

(2) Street - 25 feet. The required street side yard must be landscaped and permanently maintained.

Outdoor storage or loading may be permitted in a required side yard area which does not abut a public street, and provided that it is appropriately screened by a landscape or architectural feature so as not to be visible from any adjoining property or street or highway.

c. Rear - 25 feet. Where the required rear yard abuts a public street, such yard shall be landscaped and permanently maintained. Outdoor storage or loading may be permitted in a required rear yard area which does not abut a public street, provided that it is appropriately screened by a landscape or architectural feature so as not to be visible from any adjoining property or street or highway.

3. Maximum Lot Coverage - 50 per cent.

D. OFF-STREET PARKING AND LOADING

Every lot or premises on which any building is hereafter constructed shall be provided with a minimum of permanently maintained off-street parking spaces in a parking area or private garage on the same lot or premises as follows:

1. One space shall be provided for each 500 square feet of gross floor area;

3. No parking or loading area shall be established within 25 feet of any abutting public street;

4. Loading platforms shall be located or shall be screened by a landscape or architectural feature so as not to be visible from any adjoining street or highway or adjoining property; and

5. Off-street parking facilities shall be constructed, maintained, and operated in compliance with Division 8 of this Article.

E. EXTERNAL EFFECTS

The following effects shall not be permitted to emanate beyond the boundaries of the premises upon which a permitted use is located:

For purposes of determining if phenomena are significant in the zone, the standards prescribed by the regulations of the California Department of Public Health shall be taken into account in addition to the factors enumerated above.

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

"ARTICLE 5

"TRANSIENT OCCUPANCY TAX

"SEC. 35.0101 TITLE AND PURPOSE.

(a) Title. This Article shall be known as the Transient Occupancy Tax Ordinance of The City of San Diego.

(b) Purpose and Intent. It is the purpose and intent of the Council that there be imposed on transient occupants of hotel rooms in the City of San Diego a tax, the proceeds of which are to be used solely for promoting the City of San Diego.

"SEC. 35.0102 DEFINITIONS.

Except where the context otherwise requires, the definitions given in this section govern the construction of this Article.

(1) Person. 'Person' means any individual, firm, partnership, joint venture, association, social club, fraternal organization, joint stock company, corporation,

estate, trust, business trust, receiver, trustee, syndicate, or any other group or combination acting as a unit.

(b) Hotel. 'Hotel' means any structure, or any portion of any structure, which is occupied or intended or designed for occupancy by transients for dwelling, lodging or sleeping purposes. 'Hotel' does not mean any hospital, convalescent home or sanitarium.

(c) Occupancy. 'Occupancy' means the use or possession, or the right to the use or possession of any room or rooms or portion thereof, in any hotel for dwelling, lodging or sleeping purposes.

(d) Transient. 'Transient' means any person who exercises occupancy or is entitled to occupancy by reason of concession, permit, right of access, license or other agreement for a period of thirty (30) consecutive calendar days or less, counting portions of calendar days as full days. Any such person so occupying space in a hotel shall be deemed to be a transient until the period of thirty (30) days has expired unless there is an agreement in writing between the operator and the occupant providing for a longer period of occupancy. In determining whether a person is a transient, uninterrupted periods of time extending both prior and subsequent to the effective date of this Article may be considered.

(e) Rent. 'Rent' means the consideration charged, whether or not received, for the occupancy of space in a hotel valued in money, whether to be received in money, goods, labor or otherwise, in-

cluding all receipts, cash, credits and property and services of any kind or nature, without any deduction therefrom whatsoever.

(f) Operator. 'Operator' means the person who is proprietor of the hotel, whether in the capacity of owner, lessee, sublessee, mortgagee in possession, licensee, or any other capacity. Where the operator performs his functions through a managing agent of any type or character other than an employee, the managing agent shall also be deemed an operator for the purposes of this Article and shall have the same duties and liabilities as his principal. Compliance with the provisions of this Article by either the principal or the managing agent shall, however, be considered to be compliance by both.

"SEC. 35.0103 TAX IMPOSED.

For the privilege of occupancy in any hotel, each transient is subject to and shall pay a tax in the amount of four per cent (4%) of the rent charged by the operator. Said tax constitutes a debt owed by the transient to the City which is extinguished only by payment to the operator or to the City. The transient shall pay the tax to the operator of the hotel at the time the rent is paid. If the rent is paid in installments, a proportionate share of the tax shall be paid with each installment. The unpaid tax shall be due upon the transient's ceasing to occupy space in the hotel. If for any reason the tax due is not paid to the operator of the hotel, the City Treasurer may require that such tax shall

be paid directly to the City Treasurer.

"SEC. 35.0104 EXEMPTIONS.

No tax shall be imposed:

(a) Upon any person as to whom, or any occupancy as to which, it is beyond the power of the City to impose the tax herein provided;

(b) Upon any federal or State of California officer or employee when on official business;

(c) Upon any officer or employee of a foreign government who is exempt by reason of express provision of federal law or international treaty;

(d) Where the rent is at the rate of two dollars (\$2) a day or less.

No exemption claimed under paragraphs (a), (b), or (c) of this section shall be granted except upon a claim therefor made at the time rent is collected and under penalty of perjury upon a form prescribed by the City Treasurer. All claims of exemption under paragraph (d) of this section shall be made in the manner prescribed by the City Treasurer.

"SEC. 35.0105 OPERATOR'S DUTIES.

Each operator shall collect the tax imposed by this Article to the same extent and at the same time as the rent is collected from every transient. The amount of tax shall be separately stated from the amount of the rent charged, and each transient shall receive a receipt for payment from the operator. No operator of a hotel shall advertise or state in any manner, whether directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the operator, or that it will not be added to the rent, or that, if added, any part will be refunded

except in the manner hereinafter provided.

"SEC. 35.0106 REGISTRATION.

Within thirty (30) days after the effective date of this Article, or within thirty (30) days after commencing business, whichever is later, each operator of any hotel renting occupancy to transients shall register said hotel with the City Treasurer and obtain from him a 'Transient Occupancy Registration Certificate' to be at all times posted in a conspicuous place on the premises. Said certificate shall, among other things, state the following:

- (1) The name of the operator;
- (2) The address of the hotel;
- (3) The date upon which the certificate was issued;

(4) 'This Transient Occupancy Registration Certificate signifies that the person named on the face hereof has fulfilled the requirements of the Transient Occupancy Tax Ordinance by registering with the City Treasurer for the purpose of collecting from transients the Transient Occupancy Tax and remitting said tax to the City Treasurer. This certificate does not constitute a permit.'

"SEC. 35.0107 REPORTING AND REMITTING.

Each operator shall, on or before the last day of the month following the close of each calendar quarter, or at the close of any shorter reporting period which may be established by the City Treasurer, make a return to the City Treasurer, on forms provided by him, of the total rents charged and received and the amount of tax collected for transient occu-

pancies. At the time the return is filed, the full amount of the tax collected shall be remitted to the City Treasurer. The City Treasurer may establish shorter reporting periods for any certificate holder if he deems it necessary in order to insure collection of the tax and he may require further information in the return. Returns and payments are due immediately upon cessation of business for any reason. All taxes collected by operators pursuant to this Article shall be held in trust for the account of the City until payment thereof is made to the City Treasurer. All returns and payments submitted by each operator shall be treated as confidential by the City Treasurer and shall not be released by him except upon order of a court of competent jurisdiction or to an officer or agent of the United States, the State of California, the County of San Diego, or the City of San Diego for official use only.

"SEC. 35.0108 PENALTIES AND INTEREST.

(a) Original Delinquency. Any operator who fails to remit any tax imposed by this Article within the time required shall pay a penalty of ten per cent (10%) of the amount of the tax in addition to the amount of the tax.

(b) Continued Delinquency. Any operator who fails to remit any delinquent remittance on or before a period of thirty (30) days following the date on which the remittance first became delinquent shall pay a second delinquency penalty of ten per cent (10%) of the amount of the tax in addition to the amount of the tax and the ten per cent (10%) penalty first

imposed.

(c) Fraud. If the City Treasurer determines that the non-payment of any remittance due under this ordinance is due to fraud, a penalty of twenty-five per cent (25%) of the amount of the tax shall be added thereto in addition to the penalties stated in subparagraphs (a) and (b) of this section.

(d) Interest. In addition to the penalties imposed, any operator who fails to remit any tax imposed by this Article shall pay interest at the rate of one-half of 1% per month or fraction thereof on the amount of the tax, exclusive of penalties, from the date on which the remittance first became delinquent until paid.

(e) Penalties Merged With Tax. Every penalty imposed and such interest as accrues under the provisions of this section shall become a part of the tax herein required to be paid.

(f) Penalties During Pendency of Hearing or Appeal. No penalty provided under the terms of this Article shall be imposed during the pendency of any hearing which is provided for in Section 35.0109 of this Article nor during the pendency of any appeal to the City Council which is provided for in Section 35.0110 of this Article.

"SEC. 35.0109 FAILURE TO COLLECT AND REPORT TAX.

DETERMINATION OF TAX BY CITY TREASURER. If any operator shall fail or refuse to collect said tax and to make, within the time provided in this Article, any report and remittance of said tax or any portion thereof required by this Article, the

City Treasurer shall proceed in such manner as he may deem best to obtain facts and information on which to base his estimate of the tax due. As soon as the City Treasurer shall procure such facts and information as he is able to obtain upon which to base the assessment of any tax imposed by this Article and payable by any operator who has failed or refused to collect the same and to make such report and remittance, he shall proceed to determine and assess against such operator the tax, interest and penalties provided for by this Article. In case such determination is made, the City Treasurer shall give a notice of the amount so assessed by serving it personally or by depositing it in the United States mail, postage prepaid, addressed to the operator so assessed at his last known place of address. Such operator may within ten (10) days after the serving or mailing of such notice make application in writing to the City Treasurer for a hearing on the amount assessed. If application by the operator for a hearing is not made within the time prescribed, the tax, interest and penalties, if any, determined by the City Treasurer shall become final and conclusive and immediately due and payable. If such application is made, the City Treasurer shall give not less than five (5) days written notice in the manner prescribed herein to the operator to show cause at a time and place fixed in said notice why said amount specified therein should not be fixed for such tax, interest and penalties. At such hearing, the operator may appear and offer evidence why such

specified tax, interest and penalties should not be so fixed. After such hearing, the City Treasurer shall determine the proper tax to be remitted and shall thereafter give written notice to the person in the manner prescribed herein of such determination and the amount of such tax, interest and penalties. The amount determined to be due shall be payable after fifteen (15) days unless an appeal is taken as provided in Section 35.0110.

"SEC. 35.0110 APPEAL.

Any operator aggrieved by any decision of the City Treasurer with respect to the amount of such tax, interest and penalties, if any, may appeal to the Council by filing a notice of appeal with the City Clerk within fifteen (15) days of the serving or mailing of the determination of tax due. The Council shall fix a time and place for hearing such appeal, and the City Clerk shall give notice in writing to such operator at his last known place of address. The findings of the Council shall be final and conclusive and shall be served upon the appellant in the manner prescribed above for service of notice of hearing. Any amount found to be due shall be immediately due and payable upon the service of notice.

"SEC. 35.0111 RECORDS.

It shall be the duty of every operator liable for the collection and payment to the City of any tax imposed by this Article to keep and preserve, for a period of three years, all records as may be necessary to determine the amount of such tax as he may have been liable for the collection of and pay-

ment to the City, which records the City Treasurer shall have the right to inspect at all reasonable times.

"SEC. 35.0112 REFUNDS.

(a) Whenever the amount of any tax, interest, or penalty has been overpaid or paid more than once or has been erroneously or illegally collected or received by the City under this Article, it may be refunded as provided in subparagraphs (b) and (c) of this section provided a claim in writing therefor, stating under penalty of perjury the specific grounds upon which the claim is founded, is filed with the City Treasurer within three years of the date of payment. The claim shall be on forms furnished by the City Treasurer.

(b) An operator may claim a refund or take as credit against taxes collected and remitted the amount overpaid, paid more than once or erroneously or illegally collected or received when it is established in a manner prescribed by the City Treasurer that the person from whom the tax has been collected was not a transient; provided, however, that neither a refund nor a credit shall be allowed unless the amount of the tax so collected has either been refunded to the transient or credited to rent subsequently payable by the transient to the operator.

(c) A transient may obtain a refund of taxes overpaid or paid more than once or erroneously or illegally collected or received by the City by filing a claim in the manner provided in subparagraph (a)

of this section, but only when the tax was paid by the transient directly to the City Treasurer, or when the transient having paid the tax to the operator, establishes to the satisfaction of the City Treasurer that the transient has been unable to obtain a refund from the operator who collected the tax.

(d) No refund shall be paid under the provisions of this section unless the claimant establishes his right thereto by written records showing entitlement thereto.

"SEC. 35.0113 ACTIONS TO COLLECT.

Any tax required to be paid by any transient under the provisions of this Article shall be deemed a debt owed by the transient to the City. Any such tax collected by an operator which has not been paid to the City shall be deemed a debt owed by the operator to the City. Any person owing money to the City under the provisions of this Article shall be liable to an action brought in the name of The City of San Diego for the recovery of such amount.

"SEC. 35.0114 VIOLATIONS; MISDEMEANOR.

Any person violating any of the provisions of this Article shall be guilty of a misdemeanor and shall be punishable therefor by a fine of not more than five hundred dollars (\$500.00) or by imprisonment in the City jail for a period of not more than six months or by both such fine and imprisonment.

Any operator or other person who fails or refuses to register as required herein, or to furnish

any return required to be made, or who fails or refuses to furnish a supplemental return or other data required by the City Treasurer, or who renders a false or fraudulent return or claim, is guilty of a misdemeanor, and is punishable as aforesaid. Any person required to make, render, sign or verify any report or claim who makes a false or fraudulent report or claim with intent to defeat or evade the determination of any amount due required by this Article to be made, is guilty of a misdemeanor and is punishable as aforesaid.

"SEC. 35.0115 SEVERABILITY.

If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Article or any part thereof is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portions of this Article or any part thereof. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional.

"SEC. 35.0116 UTILIZATION OF REVENUES.

(a) All revenues collected by the City under this Article and remaining after payment of the costs incurred in the administration of this Article shall be used solely for the purpose of promoting the City of San Diego.

(b) The total amount of the City's annual contribution to the San Diego Convention and Tourist Bureau, except as affected by Subsection (c), below, shall be determined as follows:

(1) Revenue collected under this Article shall be used to match dollar for dollar the amount raised by the San Diego Convention and Tourist Bureau from private sources during the preceding fiscal year; provided, the amount so used shall not exceed forty per cent (40%) of the revenue collected in any single fiscal year under this Article.

(2) Revenue collected under this Article shall be used to match dollar for dollar the amount appropriated by the County of San Diego as its annual contribution to the San Diego Convention and Tourist Bureau; provided, the amount so used shall not exceed twenty per cent (20%) of the revenue collected in any single fiscal year under this Article.

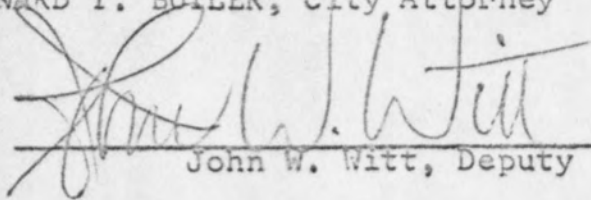

(c) The amount of the City's annual contribution to the San Diego Convention and Tourist Bureau shall be not less than \$100,000.00 regardless of the provisions of Subsection (b), above.

(d) Any remaining revenues shall be used to support any program, including but not limited to programs of the San Diego Convention and Tourist Bureau, designed to promote the City as the Council may direct.

Section 2. This ordinance shall take effect thirty-one (31) days from and after the date of its passage.

Uncle Bob insisted on driving us, that magical day, along the crooked, ridge road through flaming red maples and yellow-leaved elms.

We parked at a crest and looked into the sinking sun, across the lovely, undulating countryside, stretching with sweep and grace to the wide green river.

Our eyes picked up movement in an abandoned apple orchard. A majestic deer — he must have had 10 points

to a side — nipped casually at apples still clutching the stiff, bare limbs. A wisp of wood smoke hung in a pale smudge over the tumbled-down log cabin behind him.

Uncle Bob, a sportsman all the way, looked and marveled, a thin smile playing at the corners of his mouth. The deer shook his antlers, scratched the soft, green turf and pranced into the forest shade.

It was probably Uncle Bob's last deer. He died a few months later.

"He didn't have a moment free of pain the last year of his life," the doctor said.

Any of a number of the contestants could provide a surprise for Azure Orphan. There's Monte Blanco who has two sharp efforts to his credit since he began a comeback and will take Esteban Medina for his jockey this time.

Holly Tree has been running nothing but good races here and Observation comes off an impressive victory last Sunday.

Fall Brookletie has twice gone wire-to-wire in claiming races but the last was a 1:09.3-5 effort while never being extended.

For instance, Ralph, who, with his dad, owned a piece of his hometown Detroit Lions before he took over in Buffalo, will be talking to his pal, Bill Ford, present Lions' boss.

He'll say, "Bill, how about getting together on an exhibition game. We'd sell out with you coming into Buffalo and it would be good business for both of us."

Or it could be Art Rooney, of the Pittsburgh Steelers, suggesting it to his friend Wilson.

Contrary to general belief, many owners in the two leagues do get along. Some are close friends and a few even share business interests.

There are some diehards among the NFL owners but they are not stupid and they will not turn their backs on a buck. Now that they know the AFL can't be bought off, it takes no genius to figure that the policy to be adopted is one

The franchise hereby granted by the City authorizes

VIDEO CABLE SYSTEMS CORPORATION

(a) To erect, install, construct, replace, repair, reconstruct, maintain and retain:

(1) television antenna, supporting structures and appurtenances in such streets or other public places as may be authorized by the City Engineer, and

(2) poles, wires, cable, coaxial cable, conductors, ducts, conduit, vaults, manholes, amplifiers, appliances, attachments, and other property as may be necessary and appurtenant to the CATV System, in, along and across streets within the City within the service area designated in Section 3 hereof and, in addition, so to use, operate and provide similar properties rented or leased from other persons, firms, or corporations for such purpose; and

(e) The Grantee shall not engage in the business

of selling television or other receivers which make use of signals transmitted by its system, nor shall Grantee engage in the repair of such receivers or the sale of parts for same.

Section 3. DESIGNATION OF SERVICE AREA.

The service area referred to in Section 2 hereof is described and more specifically referred to in Appendix "A" attached hereto and incorporated by reference hereof.

Section 4. DURATION OF GRANT.

(a) This franchise shall be effective on the thirty-first (31st) day after the publication of the enacting ordinance, provided the Grantee has filed with the City Clerk within twenty (20) days after such date of publication a written instrument, addressed to the Council, accepting this franchise and agreeing to comply with all of the provisions hereof.

(b) The term of this franchise shall be thirty (30) years commencing on the effective date hereof; provided, that upon written notice given by the City or Grantee to the other not less than one year prior to the fifteenth (15th) anniversary of said effective date, the terms and conditions of this franchise may be subject to renegotiation for the succeeding fifteen (15)-year term. Renegotiations shall be directed toward effecting alterations in the terms and conditions of the franchise in order to reflect those technical and economic changes which have occurred during the interim period. In no event shall payments under the franchise either be reduced below one per cent (1%) of the total gross annual receipts of the Grantee or be increased in excess of three per cent (3%) of the total gross annual receipts of the Grantee.

This franchise may be terminated by the City

Council in the event the Council shall have found, after notice and hearing, that:

(1) the Grantee fails to comply with any provision hereof;

(2) any provision hereof becomes invalid or unenforceable and the Council expressly finds that such provision constituted a consideration material to the grant of this franchise; or

(3) the City purchases the property of the Grantee, as provided in the Charter of the City; provided, however, that the Grantee shall be given thirty (30) days' notice of any termination proceedings.

(c) The Grantee shall not commence construction or operation under this franchise until the happening of the following events:

(1) the written acceptance hereof by the Grantee accepting all of the terms and conditions of this franchise and agreeing to be bound thereby, delivered to the City Clerk in a form approved by the City Attorney;

(2) the filing of surety bond or bonds with the City Clerk, as required by Section 16 of this franchise, in the amount specified therein and in a form satisfactory to the City Attorney;

(3) the Grantee shall file with the City Clerk a contract between Grantee and the Pacific Telephone and Telegraph Company and a contract between Grantee and the San Diego Gas & Electric Company, or such other or additional utility companies as may be necessary, wherein Grantee is granted the nonexclusive right to use the

facilities of such utility or utilities in its operations, said contract to be approved as to form by the City Attorney.

Failure of Grantee to comply with the conditions precedent as stated hereinabove in Section 4 (c) within one hundred eighty (180) days after such date of publication shall, at the option of the City, cause this franchise to be forfeited.

#### CONSTRUCTION OF FRANCHISE

##### Section 5. INTERPRETATION.

Unless otherwise specifically prescribed herein, the following provisions shall govern the interpretation and construction of this franchise:

(a) When not inconsistent with the context, words used in the present tense include the future, words in the plural number include the singular number, and words in the singular number include the plural number.

(b) Time is of the essence of this franchise. The Grantee shall not be relieved of its obligation to promptly comply with any provision hereof by any failure of the City to enforce prompt compliance with the same or any other provision.

(c) Any right or power conferred, or duty imposed upon any officer, employee, department or board of the City is subject to transfer by operation of law to any other officer, employee, department or board of the City.

(d) The Grantee shall have no recourse whatsoever against the City for any loss, cost, expense or damage arising out of any provision or requirement of this franchise or the enforcement thereof.

(e) This franchise does not relieve the Grantee

of any requirement of the City Charter or of any ordinance, rule, regulation or specification of the City, including, but not limited to, any requirement relating to street work, street excavation permits, or the use, removal or relocation of property in streets.

(f) Provisions of this ordinance shall be construed in accordance with Sections 103, 103.1, 104 and 105 of the Charter of The City of San Diego.

Section 6. LIMITATIONS UPON GRANT.

(a) No privilege or exemption is granted or conferred by this franchise except those specifically prescribed herein.

(b) The said franchise and privilege shall be subordinate to any existing franchise or lawful occupancy of any public highway, street, road or other public property for the purpose of erecting, operating and maintaining poles, lines, conduits, cables, gas pipelines and other necessary fixtures used in connection with the purpose of said existing franchise or franchises or any extension thereof.

(c) This franchise is a privilege to be held in personal trust by the original Grantee. It cannot in any event be transferred in part, and it is not to be sold, transferred, leased, assigned, or disposed of as a whole, either by forced sale, merger, consolidation or otherwise, without prior consent of the City expressed by ordinance, and then only under such conditions as may be therein prescribed; provided, however, that no such consent shall be required for any transfer in trust, mortgage,

or other hypothecation, as a whole, to secure an indebtedness.

Section 7. RIGHTS RESERVED TO CITY.

(a) There is hereby provided and reserved to the City every right and power which is required to be herein reserved or provided by any provision of the Charter of the City or of any ordinance of the City, and the Grantee by its acceptance of this franchise agrees to be bound thereby and to comply with any action or requirement of the City in its exercise of any such right or power.

(b) Neither the granting of this franchise nor any provision hereof shall constitute a waiver or bar to the exercise of any governmental right or power of the City.

(c) This franchise shall be nonexclusive and neither the granting of this franchise nor any of the provisions contained herein shall prevent the City from granting any identical or similar franchise to any person or corporation other than the Grantee, either within or without the designated area.

Section 8. ESTABLISHMENT OF SERVICE.

Installation of a CATV System shall be commenced within one hundred eighty(180) days after the effective date of this franchise, and extensions and service pursued with due diligence thereafter. Failure to so commence and diligently pursue to completion shall be grounds for termination of this franchise.

Section 9. ABANDONMENT OF SERVICE.

(a) After the Grantee shall have established service pursuant to this franchise in the franchise area, such service shall not be suspended or abandoned unless

such suspension or abandonment be authorized by the City Council.

(b) Whenever the Grantee shall file with the City Council a written application alleging that public interest, convenience and necessity no longer require that the Grantee furnish service as authorized or required by, or pursuant to this franchise, in any service area, the City Council shall, at a public hearing, take evidence upon that question and shall make a finding with respect thereto. Notice of such hearing shall be given by the Grantee to each subscriber in such area at least fifteen (15) days prior thereto. If the City Council shall find that public interest, convenience and necessity no longer require that the Grantee furnish such service, then the City Council shall, after hearing as provided herein, authorize suspension or abandonment of such service upon such reasonable terms and conditions as may be prescribed by the City Council.

Section 10. REGULATION OF RATES AND SERVICE.

(a) The City Council shall have the power and right at all times for the duration of this franchise and privilege to require Grantee to conform to reasonable rules and regulations adopted by the City Council, including the power to regulate and establish reasonable rates and charges by Grantee for services rendered under this franchise and privilege. The establishment of such rules and regulations shall be discretionary with the City Council.

(b) The said CATV System shall be installed and maintained in accordance with the accepted standards of the industry to the effect that the

subscriber shall receive the best signal to his TV set. The City shall establish, in accordance with the practice of the television industry, minimum acceptable standards of signal quality. The provisions of this subsection are a "material provision hereof" as these words are used in Section 4 (b) (2) hereof.

(c) The said CATV System shall include, but not be limited to, the broadcast signal of all television stations located within the San Diego Metropolitan Area.

#### STREET WORK

##### Section 11. LOCATION OF FRANCHISE PROPERTY.

Franchise property shall be constructed or installed only at such locations and in such manner as shall be approved by the City Engineer, acting in the exercise of reasonable discretion.

##### Section 12. REMOVAL OR ABANDONMENT OF FRANCHISE PROPERTY.

(a) In the event that the use of any franchise property is discontinued for any reason for a continuous period of twelve (12) months or that franchise property has been installed in any street without complying with the requirements of this franchise, or the franchise has been terminated, cancelled or has expired, the Grantee shall promptly remove from the street all such property other than any which the City Engineer may permit to be abandoned in place. In the event of any such removal, the Grantee shall promptly restore the street or other area from which such property has been removed to a condition satisfactory to the City Engineer.

(b) Franchise property to be abandoned in place shall be abandoned in such manner as the City Engineer shall prescribe. Upon permanent abandonment of any

franchise property in place, the Grantee shall submit to the City Manager an instrument, satisfactory to the City Attorney, transferring to the City the ownership of such property.

Section 13. CHANGES REQUIRED BY PUBLIC IMPROVEMENTS.

The Grantee shall, at its expense, protect, support, temporarily disconnect, relocate in the same street, alley, or public place, or remove from any street, alley or public place, any franchise property when required by the City Engineer by reason of traffic conditions, public safety, street vacation, freeway and street construction, change or establishment of street grade, installation of sewers, drains, water pipes, power lines, signal lines, and tracks or any other type of structures or improvements by governmental agencies when acting in a governmental or proprietary capacity, or any other structures or public improvements; provided, however, that Grantee shall in all such cases have the privileges and be subject to the obligations to abandon franchise property in place, as provided in Section 9.

Section 14. FAILURE TO PERFORM STREET WORK.

Upon failure of the Grantee to commence, pursue or complete any work required by law or by the provisions of this franchise to be done in any street, within the time prescribed and to the satisfaction of the City Engineer, the City Engineer may, at his option, cause such work to be done and the Grantee shall pay to the City the cost thereof in the itemized amounts reported by the City Engineer to the Grantee, within thirty (30) days after receipt of such itemized report.

COMPENSATION AND GUARANTEE TO THE CITY

Section 15. ANNUAL PAYMENTS TO THE CITY

(a) By its acceptance of this franchise, the Grantee agrees to pay to the City annually in lawful money of the United States two per cent (2%) of the

total gross receipts collected or received, or in any manner gained or derived by the Grantee in each calendar year, or portion thereof, during the term of this franchise, from the properties, operations and business referred to in Section 2 hereof.

(b) Checks for all such payments shall be made payable to the City Treasurer, and shall be submitted to the City Treasurer on or before March 1 of each year for the previous calendar year or portion thereof.

(c) Each payment shall be accompanied by a statement, in duplicate, verified by the Grantee or by a general officer or other duly authorized representative of the Grantee, showing in such form and detail as the City Manager may require from time to time the facts material to a determination of the amount due.

(d) The payment made to the City by the Grantee pursuant to this section for any calendar year shall be in lieu of any license, fee or business tax prescribed by the City for the same period, but only to the extent of such payment.

Section 16. FAITHFUL PERFORMANCE BOND.

The Grantee shall within the period specified in Section 4 (c) file with the City Clerk and, at all times thereafter, maintain in full force and effect an acceptable corporate surety bond, in duplicate, in the amount of FIVE THOUSAND DOLLARS (\$5,000.00), effective for the entire term of this franchise, and conditioned that in the event the Grantee shall fail to comply with any one or more of the provisions of this franchise then there shall be recoverable jointly and severally from the principal and surety of such bond any damages suffered by the City as a result thereof, including the full amount of any compensation, indemnification, or

cost of removal or abandonment of property as prescribed by Sections 15, 17 or 12 hereof which may be in default, up to the full amount of the bond; said condition to be a continuing obligation for the duration of this franchise and thereafter until the Grantee has liquidated all of its obligations with the City that may have arisen from the acceptance of this franchise by the Grantee or from its exercise of any privilege herein granted.

Neither the provisions of this Section 16, any bond accepted by the City pursuant thereto, nor any damages recovered by the City thereunder shall be construed to excuse faithful performance by the Grantee or to limit the liability of the Grantee under this franchise or for damages, either to the full amount of the bond or otherwise.

Section 17. INDEMNIFICATION TO CITY.

The Grantee shall indemnify the City, its officers and its employees, against all claims, demands, actions, suits and proceedings by others and against all liability to others, and against any loss, cost and expense resulting therefrom, including reasonable attorneys' fees, arising out of the exercise or enjoyment of this franchise, irrespective of the amount of the bond designated in Section 16 hereof.

Section 18. INSPECTION OF PROPERTY AND RECORDS.

(a) At all reasonable times the Grantee shall permit any duly authorized representative of the City Engineer and/or the City Auditor to examine all franchise property, together with any appurtenant property of the Grantee situated within or without the City, and to examine and transcribe any and all maps and other records kept or maintained by the Grantee or under its control which treat of the operations, affairs, transactions or property of the Grantee with respect thereto. If any of such maps or records are not kept in the City, or upon reasonable request made available in the City, and if the City Engineer and/or the City

Auditor shall determine that an examination thereof is necessary or appropriate to the performance of any of his duties, then all travel and maintenance expense necessarily incurred in making such examination shall be paid by the Grantee.

(b) The Grantee shall prepare and furnish to the City Engineer and/or the City Auditor, at the times and in the form prescribed by the City Engineer and/or the City Auditor, such reports with respect to its operations, affairs, transactions or property as may be reasonably necessary or appropriate to the performance of any of the duties of the City Engineer and/or the City Auditor in connection with this franchise. Such reports may include, but are not limited to, a complete set of as-built records and plans of all facilities installed within the franchise service area.

Section 19. Notwithstanding any other provisions contained herein, this franchise is granted solely and exclusively under Sections 103, 103.1, 104 and 105 of the Charter of The City of San Diego and under no other authority.

Section 20. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

## Ruling Expected On American He In Mexico Slaying

By HAROLD Y. JONES  
Copley News Service

MEXICO CITY — A Mexican federal appeals court is expected to rule within a few weeks on procedural points in the case of an American convicted of killing another American here in 1961.

Lower courts found Joel David Kaplan, 36, of New York, guilty of killing Luis Melchior Vidal Jr., also of New York, and sentenced him to 28 years in prison.

If the appeals court agrees with the defense attorney's assertion of procedural irregularities, Kaplan could go free. If not, attorneys said, the case would be appealed to the Supreme Court of Mexico.

The case is extraordinary because some Mexican officials have been charged with trying to extort money from Kaplan and because of mysterious references to international intrigue, gun running, narcotics and use of false passports.

### RULING UPHELD

Defense Attorney Victor Velazquez, an associate of a New York law firm headed by Louis Nizer, appealed to the federal court last month after the Mexico City Federal District (equivalent to a state court in the United States) upheld the conviction.

"It was a perversion of Mexican law to convict Kaplan," said Velazquez in an interview. "Under our law there is no proof whatever that a man named Vidal was, in fact, killed."

It was on this point that the attorney appealed to the "Tribunal Colegiado," a branch of the Mexican Supreme Court that studies and rules on alleged breaches of procedure.

He said the body, found in a shallow grave outside Mexico City, did not resemble photographs of Vidal and that clothing found two miles away and alleged to be Vidal's did not fit the body.

### NO PRINT CHECK

"And nobody checked the fingerprints or the dental work of the body," said Velazquez.

"Not only that," he added, "a man with a U.S. passport belonging to Vidal crossed from Mexico into Guatemala 12 days after the murder was supposed to have taken place."

The prosecution, on the other hand, said that a woman who identified herself as Vidal's wife came to Mexico and identified the body as that of her husband.

The other mysterious angles of the case came in when it was learned that Kaplan is the nephew of J. M. Kaplan, president and treasurer of the J.

J. A. Denton, being duly sworn, deposes and says: That he is a resident of the County of San Diego, State of California, over twenty-one years of age, and not interested as a party or otherwise in the above-named matter.

That he is the principal clerk of the printers of The San Diego Union, a newspaper published daily in the City of San Diego, County of San Diego, State of California, and of general circulation in said City; that as such principal clerk he has charge of all the advertisements published in said newspaper; that the said
