(New Series)

AN ORDINANCE AMENDING CHAPTER X, ARTICLE 1, DIVISION 4 OF THE SAN DIEGO MUNICIPAL CODE, BY ADDING THERETO SECTIONS 101.0403 AND 101.0403.1 RELATING TO THE REGULATION OF FLOODPLAINS.

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That Chapter X, Article 1, Division 4 of the San Diego Municipal Code, be, and it is hereby amended by adding Sections 101.0403 and 101.0403.1, to read as follows:

"SEC. 101.0403 FP - FLOODPLAIN ZONE - PURPOSE AND INTENT

The purpose of this zone is to prevent the loss of life and property, disruption of commerce and the interruption of transportation and communication which may be caused by flooding of lands. This zone will be applied to areas within the City of San Diego, exclusive of flood channels, which in the opinion of the City Council after hearing the recommendation of the U.S. Army Corps of Engineers or the City Engineer, are subject to inundation which could endanger life, property and the general welfare.

It is intended that this zone will be overlying and supplemental to the basic underlying land use zone or zones and that zoning under this section will be repealed in those areas zoned FP when, in the opinion of the City Council after hearing the recommendation of the City Engineer, the flood hazard has been eliminated by reason of a change in conditions.

"SEC. 101.0403.1 SAME - PERMITTED USES

All uses permitted in the basic underlying land use zone or zones shall be permitted subject to all the regulations of the particular zone or zones; provided however,

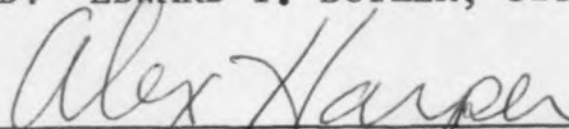

that all structures shall be flood-proof and shall not constitute an unreasonable or unnecessary obstruction to flood flow as determined by the City Engineer.

The determination of the City Engineer may be appealed to the Board of Appeals and Advisors as provided in Chapter IX of the San Diego Municipal Code. Subsequent appeal may be made to the City Council within 10 days after the decision of the Board of Appeals and Advisors has been filed with the City Clerk, and a copy of the decision has been furnished to the appellant."

Section 2. This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

(2) The proposed exception is referred to the Planning Department for a report and recommendation;

(3) The Architectural Control Board, in granting an exception, shall make a finding that the exception is necessary to permit the preservation or restoration of a historic building, structure or site; that strict application of the provisions of the zoning regulations would result in practical difficulties in securing the preservation or restoration of a historic building, structure or site; and that the granting of an exception will not be injurious to the community or detrimental to the public welfare.

(4) In granting any exception the Architectural Control Board shall make a written finding which shall specify facts relied upon in rendering its decision. A copy of this written finding, together with all evidence presented to the Board, including plans required elsewhere in this Division, shall be filed with the Board's decision in the office of the City Clerk, the Department of Building Inspection, and the City Planning Department. The written finding and decision shall be mailed to the applicant and shall be subject to appeal by any interested person in the manner as provided in Sec. 101.1005.

(b) Within the Architectural Control District of the Old San Diego Area Section 101.0303 of the San Diego Municipal Code shall not apply to historic buildings or structures as designated by the Historic Site Board.

(c) The provisions of this Sec. 101.1008 shall become effective on either of the following dates, whichever sooner occurs:

The Council may sell or lease any property acquired for parking district purposes whenever it has determined that the property is no longer needed for that public use. Before making such determination, the Council shall hold a public hearing thereon and shall give notice of such hearing published pursuant to Section 6061 of the Government Code in a newspaper circulated in the City at least ten (10) days before such hearing. The notice shall contain a general description of the property as to which the determination is proposed to be made. The determination shall not be made if prior to the hour fixed for the hearing the owners of more than one-half of the area of the lands within the district have filed with the City Clerk written objections to the proposed determination.

The proceeds of such sale or lease shall be used for only the following purposes and in the following order of priority:

The aggregate amount of any such refund, however, shall in no event exceed the total payments made by such owner or his predecessor in interest on any assessment or reassessment levied in proceedings taken under this Division and creating such district. Any such proceeds remaining after the appropriate distribution shall be credited to the General Fund of The City of San Diego."

WHEREAS, a public hearing was held before the City Planning Commission for the purpose of determining the advisability of recommending to the City Council the repeal of Ordinance No. 4638 (New Series) and Ordinance No. 4791 (New Series), which established a continuous ten-foot setback line on the northerly side of West Point Loma Boulevard, between Loma Riviera Townhouse No. 1 and the northeasterly line of Lot 1, Block 32, Loma Alta No. 2, a point approximately 800 feet east of Nimitz Boulevard; and

The bonds may be registered either as to principal only or as to both principal and interest; the form of registration of any Bond so registered may be changed; any Bond so registered may be transferred or any Bond so registered may be discharged from registration in the manner and with the effect set forth in the provisions for registration which shall be contained in the form of Bond to be subsequently adopted.

SECTION 6. Call and Redemption Prior to Maturity.

The Bonds maturing on or before April 1, 1980, are not subject to call or redemption prior to maturity. The Bonds maturing on or after April 1, 1981, or any of them, may be called prior to maturity and redeemed at the option of the City on April 1, 1978, or on any interest payment date after April 1, 1978, and prior to maturity, at a redemption price for each redeemable Bond equal to the principal amount thereof plus the following premiums (stated as a percentage of par value) if redeemed at the following times:

CALL AND REDEMPTION SCHEDULE AND APPLICABLE PREMIUMS

<u>On or After April 1</u>	<u>And Prior to April 1</u>	<u>Premium</u>
1978	1979	3-1/2%
1979	1980	3-1/4%
1980	1981	3 %

1990	1991	1/2%
1991	1992	1/4%
1992	Maturity	- 0 -

If less than all of the outstanding Bonds subject to call and redemption prior to maturity are called for redemption at any one time, the Bonds shall be called and redeemed in inverse order of maturity and number. The interest payment date on which Bonds are to be presented for redemption prior to maturity is sometimes referred to in this Ordinance as the "redemption date."

(a) Notice of Call and Redemption. Notice of the intended redemption prior to maturity shall be published once in a newspaper of general circulation in the City of San Diego and in a financial newspaper or journal of national circulation. Publication shall be at least thirty (30) days but not more than sixty (60) days prior to the redemption date. The notice of call and redemption shall:

(1) State the redemption date;

(2) State the redemption price;

(3) State the numbers and dates of the maturity of the bonds to be redeemed prior to maturity; provided, however, that whenever any call includes all of the bonds of a maturity, the numbers of the bonds need not be stated;

(4) Require that the bonds to be redeemed be surrendered with all interest coupons maturing subsequent to the redemption date, except that no coupons need be surrendered on Bonds registered as to both principal and interest. Surrender shall be made at the office of the Treasurer or at the office of any of the fiscal agencies of the City referred to in Section 2 of this Ordinance;

(5) Require that Bonds, which at the time of call are registered so as to be payable otherwise

than to bearer, shall be accomplished by appropriate instruments of assignment executed in blank;

(6) Give notice that further interest on Bonds to be so redeemed will not accrue after the redemption date.

The Treasurer shall, on or before the date of publication of the notice of call and redemption prior to maturity, mail a similar notice, postage prepaid, to the person, firm, corporation or syndicate that originally purchases the Bonds (hereinafter sometimes referred to as "original purchaser"); provided, however, that the failure of the Treasurer to mail such notice or any defect in such notice, shall not affect the validity of the proceedings for the call and redemption prior to maturity of the Bonds or the cessation of interest on the redemption date.

If any of the Bonds called for redemption prior to maturity shall be registered so as to be payable otherwise than to bearer, the Treasurer shall, on or before the date of publication of the notice of call and redemption, mail a similar notice, postage prepaid, to the respective registered holders at the addresses appearing on the Bond Registry Books. The actual receipt by the holder of any Bond of notice of call and redemption shall not be a condition precedent to redemption and failure to receive such notice shall not affect the validity of the proceedings for the redemption of the Bonds or the cessation of interest on the redemption date. A certificate by the Treasurer that notice of call and redemption has been given to the original purchasers and to holders of registered Bonds as provided in this section shall be conclusive as against all parties and no

holder whose Bond or registered Bond is called for redemption may object to the call for redemption or to the cessation of interest by any claim or showing that he actually failed to receive the notice of call and redemption.

(b) Redemption Fund.

Prior to the redemption date there shall be established in the City Treasury a redemption fund to be described or known as 1966 MUNICIPAL IMPROVEMENT BONDS, SERIES 1, REDEMPTION FUND (sometimes hereinafter referred to as "Redemption Fund") and prior to the redemption date there must be set aside in said Redemption Fund moneys available for the purpose and sufficient to redeem, at the premiums, if any, payable as in this Ordinance provided, the Bonds designated in such notice of redemption. Said moneys must be set aside in said Fund solely for that purpose and shall be applied on or after the redemption date to payment (principal and premium, if any) of the bonds to be redeemed upon presentation and surrender of such bonds and (except as to bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, and shall be used only for that purpose. Any interest coupons due on or prior to the redemption date shall be paid from the Interest and Principal Fund provided for herein upon presentation and surrender thereof. Any interest due on or prior to the redemption date upon bonds registered as to both principal and interest shall be paid from said Interest and Principal Fund. Each bond presented (if unregistered or registered as to principal only) must have attached thereto or presented therewith all

interest coupons maturing after the redemption date. Moneys may be paid or transferred from the Redemption Fund, in furtherance of the purpose of its establishment, to any special trust accounts established to insure the payment, when due or payable upon such redemption, of the principal of the Bonds so called for redemption, including premiums, if any, due upon such redemption, to such extent as may be necessary to make available at each of the designated places of payment in San Diego, Los Angeles, San Francisco, New York and Chicago, respectively, sufficient funds to meet the redemption price upon the presentation at such place, respectively, of any Bonds so called for redemption. If, after all of the Bonds have been redeemed and canceled or paid and canceled, there are moneys remaining in said Redemption Fund, said moneys shall be transferred to the General Fund of said City; provided, however, that if said moneys are part of the proceeds of refunding bonds, said moneys shall be transferred to the fund created for the payment of principal of and interest on such refunding bonds.

(c) Effect of Notice of Call and Redemption.

When notice of call and redemption prior to maturity has been given substantially as provided in this Ordinance and when the amount necessary for the redemption of the Bonds called for redemption (principal and premium, if any) is set aside for that purpose in the Redemption Fund, as provided for herein, the Bonds so designated for redemption shall become due and payable on the redemption date, and upon presentation and surrender of said Bonds and (except as to Bonds registered as to both principal and interest)

all interest coupons maturing after the redemption date, at the place specified in the notice of redemption and, if any of said Bonds be registered, upon the appropriate assignment thereof in blank, such Bonds shall be redeemed and paid at said redemption price out of the Redemption Fund, and no interest shall accrue on such Bonds so called for redemption or on any interest coupons thereof after the redemption date, and the holders of said Bonds so called for redemption after such redemption date shall look for the payment of such Bonds and the premium, if any, thereon only to said Redemption Fund. All Bonds redeemed and all interest coupons thereof shall be canceled forthwith by the City Treasurer and shall not be reissued.

All interest coupons pertaining to any redeemed Bonds, which have matured on or prior to the redemption date, shall continue to be payable to the respective holders thereof but without interest thereon. All unpaid interest payable at or prior to the redemption date upon bonds registered in such manner that the interest is payable only to the registered owners shall continue to be payable to the respective registered owners of such Bonds, or their order, but without interest thereon.

SECTION 7. Disposition of Bond Proceeds.

For the purpose of insuring the application of the proceeds from the sale of the Bonds to the purposes and objects for which such Bonds are to be issued, there are hereby created in the City Treasury the following three special funds:

<u>NAME OF FUND</u>	<u>Amount of Proceeds of Series 1 To Be Deposited Therein</u>
1966 MUNICIPAL IMPROVEMENT BONDS (COMMUNITY PARKS AND RECREATIONAL FACILITIES) CONSTRUCTION FUND	\$4,000,000
1966 MUNICIPAL IMPROVEMENT BONDS (COMMUNITY BUILDINGS AND IMPROVEMENTS PURSUANT TO THE CITY PLAN) CONSTRUCTION FUND	\$1,750,000
1966 MUNICIPAL IMPROVEMENT BONDS (FLOOD CONTROL) CONSTRUCTION FUND	\$1,750,000

The proceeds from the sale of the Bonds (except premium if any and accrued interest) shall forthwith be turned over to and placed in the City Treasury in the amounts shown above to the credit of the three above created Construction Funds and shall be applied exclusively to the said respective purposes and objects described in the Bond propositions above referred to by title and fully set forth in the recitals hereof; provided, however, that when the aforesaid purposes and objects for which the Bonds are issued have been accomplished, any moneys

remaining in any one or more of the above named Construction Funds shall be transferred to the Interest and Principal Fund created by this Ordinance to be used for the payment of the principal of and interest on the Bonds, and further, when such purposes and objects have been accomplished and all principal and interest on the Bonds have been paid, any balance of money then remaining in the above named Construction Funds shall be transferred to the General Fund.

SECTION 8. Tax Levy, Payment of Bonds.

Any premium or accrued interest received from the sale of the Bonds shall forthwith be turned over to and placed in the City Treasury in the Interest and Principal Fund hereinafter created.

For the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS (which term has been used in Section 1 and is used in this Section 8 to include the entire \$32,665,000 Bonds authorized November 8, 1966, of which these Bonds of Series 1 are a part) the Council of The City of San Diego shall, at the time of making the general tax levy after incurring such bonded indebtedness by the issuance of the Bonds of this Series 1 and the issuance of subsequent series of 1966 MUNICIPAL IMPROVEMENT BONDS, and annually thereafter until the 1966 MUNICIPAL IMPROVEMENT BONDS so issued are paid or until there is a sum in the Treasury of the City set apart for that purpose sufficient to meet all payments of principal and interest on the 1966 MUNICIPAL IMPROVEMENT BONDS so issued as they become due, levy and collect a tax sufficient to pay the interest on the

1966 MUNICIPAL IMPROVEMENT BONDS so issued and such part of the principal thereof which will become due before the proceeds of a tax levied at the next general tax levy will be available. This tax shall be in addition to all other taxes levied for municipal purposes and shall be levied and collected as other City taxes, and shall forthwith be turned over and paid into a special fund of the City to be known as "1966 MUNICIPAL IMPROVEMENT BONDS, INTEREST AND PRINCIPAL FUND," (herein sometimes referred to as "Interest and Principal Fund"). To the extent that any part of the sum hereby required to be raised by any annual tax levy is appropriated, pursuant to Charter provisions or otherwise, from any fund or funds of the City and placed in the Interest and Principal Fund or set aside in any other fund for the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS which otherwise would be paid from such tax levy, the amount to be raised by that annual tax levy may be reduced, and if all of the sums required to be raised by any annual tax levy have been appropriated and placed in the Interest and Principal Fund or set aside in any other fund for the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS which otherwise would be paid from such annual tax levy, that annual tax levy need not be made. Said Interest and Principal Fund shall be used for no other purpose than the payment of said 1966 MUNICIPAL IMPROVEMENT BONDS and interest thereon until said bonds and interest are fully paid. Any sum appropriated and set aside in any other fund for the payment of principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS shall

be used only for the payment of that principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS for which it was so appropriated and set aside.

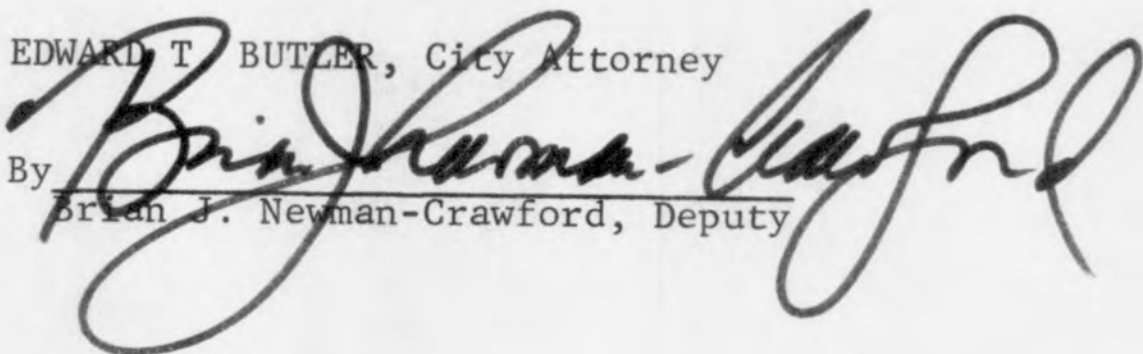

Section 9. Publication.

The City Clerk is hereby directed to cause this ordinance to be published once in the San Diego Union, the official newspaper of the City.

Section 10. Effective Date.

This ordinance shall take effect and be in force on the thirty-first day from and after its passage.

SECTION 1. Amount, Purpose and Description of Bonds.

That said principal amount of \$8,000,000 bonds so authorized at said election of November 8, 1966, shall be divided into series and sold from time to time as money is needed for the purposes and objects set forth in the propositions stated in the recitals hereof, the proceeds of the sale of each series to be allocated among the purposes and objects for which the Bonds were authorized so that not more Bond proceeds shall be used for each purpose and object than that set forth in each of such above stated propositions. The entire issue shall be designated THE CITY OF SAN DIEGO, 1966 MUNICIPAL IMPROVEMENT BONDS (hereinafter sometimes referred to as "1966 MUNICIPAL IMPROVEMENT BONDS") and the first series of such Bonds in the principal amount of \$8,000,000 shall be issued under this Ordinance and shall be designated "Series 1." The Bonds shall bear interest at the rate or rates to be hereafter fixed by resolution awarding the bonds to the successful bidder but not to exceed six percent (6%) per annum, payable semi-annually, on April 1 and October 1 of each year, except that interest for the first year shall be payable at the end of such year, to-wit: on April 1, 1968. Each Bond shall bear interest until its principal sum has been paid; provided, however, that if at the maturity date of any Bond or, if a Bond is callable and redeemable prior to maturity and has been duly called for redemption and at the redemption date funds are available for the payment or redemption of such Bond in full accordance with the terms of this Ordinance, then such Bond shall cease to bear interest. The Bonds and interest thereon shall be payable in lawful money of the United States of America at the office of the Treasurer of The City of San Diego or, at the option of the holder, at any fiscal agency of the City in the cities of San Diego, Los Angeles or San Francisco, California or the cities of New York, New York, or Chicago, Illinois.

The Treasurer of the City is hereby authorized and directed to sign the interest coupons of the bonds by his printed, lithographed or engraved facsimile signature.

The bonds may be registered either as to principal only or as to both principal and interest; the form of registration of any Bond so registered may be changed; any Bond so registered may be transferred or any Bond so registered may be discharged from registration in the manner and with the effect set forth in the provisions for registration which shall be contained in the form of Bond to be subsequently adopted.

SECTION 6. Call and Redemption Prior to Maturity.
The Bonds maturing on or before April 1, 1980, are not subject to call or redemption prior to maturity. If less than all of the outstanding Bonds subject to call and redemption prior to maturity are called for redemption at any one time, the Bonds shall be called and redeemed in inverse order of maturity and number. The interest payment date on which Bonds are to be presented for redemption prior to maturity is sometimes referred to in this Ordinance as the "redemption date."

(a) Notice of Call and Redemption. Notice of the intended redemption prior to maturity shall be published once in a newspaper of general circulation in the City of San Diego and in a financial newspaper or journal of national circulation. Publication shall be at least thirty (30) days but not more than sixty (60) days prior to the redemption date. The notice of call and redemption shall:

- (1) State the redemption date;
- (2) State the redemption price;
- (3) State the numbers and dates of the maturity of the bonds to be redeemed prior to maturity; provided, however, that whenever any call includes all of the bonds of a maturity, the numbers of the bonds need not be stated;
- (4) Require that the bonds to be redeemed be surrendered with all interest coupons maturing subsequent to the redemption date, except that no coupons need be surrendered on Bonds registered as to both principal and interest. Surrender shall be made at the office of the Treasurer or at the office of any of the fiscal agencies of the City referred to in Section 2 of this Ordinance;
- (5) Require that Bonds, which at the time of call are registered so as to be payable otherwise than to bearer, shall be accomplished by appropriate instruments of assignment executed in blank;
- (6) Give notice that further interest on Bonds to be so redeemed will not accrue after the redemption date.

The Treasurer shall, on or before the date of publication of the notice of call and redemption prior to maturity, mail a similar notice, postage prepaid, to the person, firm, corporation or syndicate that originally purchases the Bonds (hereinafter sometimes referred to as "original purchaser"); provided, however, that the failure of the Treasurer to mail such notice or any defect in such notice, shall not affect the validity of the proceedings for the call and redemption prior to maturity of the Bonds or the cessation of interest on the redemption date.

If any of the Bonds called for redemption prior to maturity shall be registered so as to be payable otherwise than to bearer, the Treasurer shall, on or before the date of publication of the notice of call and redemption, mail a similar notice, postage prepaid, to the respective registered holders at the addresses appearing on the Bond Registry Books. The actual receipt by the holder of any Bond of notice of call and redemption shall not be a condition precedent to redemption and failure to receive such notice shall not affect the validity of the proceedings for the redemption of the Bonds or the cessation of interest on the redemption date. A certificate by the Treasurer that notice of call and redemption has been given to the original purchasers and to holders of registered Bonds as provided in this section shall be conclusive as against all parties and no holder whose Bond or registered Bond is called for redemption may object to the call for redemption or to the cessation of interest by any claim or showing that he actually failed to receive the notice of call and redemption.

(b) Redemption Fund.
Prior to the redemption date there shall be established in the City Treasury a redemption fund to be described or known as 1966 MUNICIPAL IMPROVEMENT BONDS, SERIES 1, REDEMPTION FUND (sometimes hereinafter referred to as "Redemption Fund") and prior to the redemption date there must be set aside in said Redemption Fund moneys available for the purpose and sufficient to redeem, at the premiums, if any, payable as in this Ordinance provided, the Bonds designated in such notice of redemption. Said moneys must be set aside in said Fund solely for that purpose and shall be applied on or after the redemption date to payment (principal and premium, if any) of the bonds to be redeemed upon presentation and surrender of such bonds and (except as to bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, and shall be used only for that purpose. Any interest coupons due on or prior to the redemption date shall be paid from the Interest and Principal Fund provided for herein upon presentation and surrender thereof. Any interest due on or prior to the redemption date upon bonds registered as to both principal and interest shall be paid from said Interest and Principal Fund. Each bond presented (if unregistered or registered as to principal only) must have attached thereto or presented therewith all interest coupons maturing after the redemption date. Moneys may be paid or transferred from the Redemption Fund, in furtherance of the purpose of its establishment, to any special trust accounts established to insure the payment, when due or payable upon such redemption, of the principal of the Bonds so called for redemption, including premiums, if any, due upon such redemption, to such extent as may be necessary to make available at each of the designated places of payment in San Diego, Los Angeles, San Francisco, New York and Chicago, respectively, sufficient funds to meet the redemption price upon the presentation at such place, respectively, of any Bonds so called for redemption. If, after all of the Bonds have been redeemed and canceled or paid and canceled, there are moneys remaining in said Redemption Fund, said moneys shall be transferred to the General Fund of said City; provided, however, that if said moneys are part of the proceeds of refunding bonds, said moneys shall be transferred to the fund created for the payment of principal of and interest on such refunding bonds.

(c) Effect of Notice of Call and Redemption.
When notice of call and redemption prior to maturity has been given substantially as provided in this Ordinance and when the amount necessary for the redemption of the Bonds called for redemption (principal and premium, if any) is set aside for that purpose in the Redemption Fund, as provided for herein, the Bonds so designated for redemption shall become due and payable on the redemption date, and upon presentation and surrender of said Bonds and (except as to Bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, at the place specified in the notice of redemption and, if any of said Bonds be registered, upon the appropriate assignment thereof in blank, such Bonds shall be redeemed and paid at said redemption price out of the Redemption Fund, and no interest shall accrue on such Bonds so called for redemption or on any interest coupons thereof after the redemption date, and the holders of said Bonds so called for redemption after such redemption date shall look for the payment of such Bonds and the premium, if any, thereon only to said Redemption Fund. All Bonds redeemed and all interest coupons thereof shall be canceled forthwith by the City Treasurer and shall not be reissued.

All interest coupons pertaining to any redeemed Bonds, which have matured on or prior to the redemption date, shall continue to be payable to the respective holders thereof but without interest thereon. All unpaid interest payable at or prior to the redemption date upon bonds registered in such manner that the interest is payable only to the registered owners shall continue to be payable to the respective registered owners of such Bonds or their order, but without interest thereon.

SECTION 7. Disposition of Bond Proceeds.
For the purpose of insuring the application of the proceeds from the sale of the Bonds to the purposes and objects for which such Bonds are to be issued, there are hereby created in the City Treasury the following three special funds:

NAME OF FUND	Amount of Proceeds of Series I To Be Deposited Therein
1966 MUNICIPAL IMPROVEMENT BONDS (COMMUNITY PARKS AND RECREATIONAL FACILITIES) CONSTRUCTION FUND	\$4,000,000
1966 MUNICIPAL IMPROVEMENT BONDS (COMMUNITY BUILDINGS AND IMPROVEMENTS PURSUANT TO THE CITY PLAN) CONSTRUCTION FUND	\$1,750,000
1966 MUNICIPAL IMPROVEMENT BONDS (FLOOD CONTROL) CONSTRUCTION FUND	\$1,750,000

The proceeds from the sale of the Bonds (except premium if any and accrued interest) shall forthwith be turned over to and placed in the City Treasury in the amounts shown above to the credit of the three above created Construction Funds and shall be applied exclusively to the said respective purposes and objects described in the Bond propositions above referred to by title and fully set forth in the recitals hereof; provided, however, that when the aforesaid purposes and objects for which the Bonds are issued have been accomplished, any moneys remaining in any one or more of the above named Construction Funds shall be transferred to the Interest and Principal Fund created by this Ordinance to be used for the payment of the principal of and interest on the Bonds, and further, when such purposes and objects have been accomplished and all principal and interest on the Bonds have been paid, any balance of money then remaining in the above named Construction Funds shall be transferred to the General Fund.

SECTION 8. Tax Levy. Payment of Bonds.
Any premium or accrued interest received from the sale of the Bonds shall forthwith be turned over to and placed in the City Treasury in the Interest and Principal Fund hereinafter created.

For the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS (which term has been used in Section 1 and is used in this Section 8 to include the entire \$32,665,000 Bonds authorized November 8, 1966, of which these Bonds of Series 1 are a part) the Council of The City of San Diego shall, at the time of making the general tax levy after incurring such bonded indebtedness by the issuance of the Bonds of this Series 1 and the issuance of subsequent series of 1966 MUNICIPAL IMPROVEMENT BONDS, and annually thereafter until the 1966 MUNICIPAL IMPROVEMENT BONDS so issued are paid or until there is a sum in the Treasury of the City set apart for that purpose sufficient to meet all payments of principal and interest on the 1966 MUNICIPAL IMPROVEMENT BONDS so issued as they become due, levy and collect a tax sufficient to pay the interest on the 1966 MUNICIPAL IMPROVEMENT BONDS so issued and such part of the principal thereof which will become due before the proceeds of a tax levied at the next general tax levy will be available. This tax shall be in addition to all other taxes levied for municipal purposes and shall be levied and collected as other City taxes, and shall forthwith be turned over and paid into a special fund of the City to be known as "1966 MUNICIPAL IMPROVEMENT BONDS, INTEREST AND PRINCIPAL FUND" (herein sometimes referred to as "Interest and Principal Fund"). To the extent that any part of the sum hereby required to be raised by any annual tax levy is appropriated, pursuant to Charter provisions or otherwise, from any fund or funds of the City, and placed in the Interest and Principal Fund or set aside in any other fund for the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS which otherwise would be paid from such tax levy, the amount to be raised by that annual tax levy may be reduced, and if all of the sums required to be raised by any annual tax levy have been appropriated and placed in the Interest and Principal Fund or set aside in any other fund for the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS which otherwise would be paid from such annual tax levy, that annual tax levy need not be made. Said Interest and Principal Fund shall be used for no other purpose than the payment of said 1966 MUNICIPAL IMPROVEMENT BONDS and interest thereon until said bonds and interest are fully paid. Any sum appropriated and set aside in any other fund for the payment of principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS shall be used only for the payment of that principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS for which it was so appropriated and set aside.

Section 9. Publication.
The City Clerk is hereby directed to cause this ordinance to be published once in The San Diego Union, the official newspaper of the City.

Section 10. Effective Date.
This ordinance shall take effect and be in force on the thirty-first day from and after its passage.
