SECTION 1. Amount, Purpose and Description of Bonds.

That said principal amount of \$32,665,000 bonds so authorized at said election of November 8, 1966 having been divided into series may be sold from time to time as money is needed for the purposes and objects set forth in the propositions stated in the recitals hereof. The proceeds of the sale of each series, this being Series 3, are to be allocated among the purposes and objects for which the Bonds were authorized so that not more Bond proceeds shall be used for each purpose and object than that set forth in each of such above-stated propositions. The entire issue shall be designated "THE CITY OF SAN DIEGO, 1966 MUNICIPAL IMPROVEMENT BONDS" (hereinafter sometimes referred to as "1966 MUNICIPAL IMPROVEMENT BONDS") and the third series of such Bonds in the principal amount of \$5,000,000 shall be issued under this ordinance and shall be designated "Series 3." Unless otherwise indicated by the context, the terms "Bonds" or "the Bonds" or similar terms shall be construed to refer only to the Bonds of Series 3.

The Bonds shall be dated as of February 1, 1969 and shall be 1,000 in number, of the denomination of \$5,000 each

shall be numbered from 1 to 1,000, and shall be payable in consecutive numerical order annually on February 1 of each year from 1971 to 1994, in the amounts for each of the several years as follows:

1981	210,000	1993	370,000
1982	220,000	1994	390,000

SECTION 2. Interest, Place of Payment.

The Bonds shall bear interest at the rate or rates to be hereafter fixed by resolution awarding the Bonds to the successful bidder but not to exceed six percent (6%) per annum, payable semiannually, on February 1 and August 1 of each year, except that interest for the first year shall be payable at the end of such year, to wit: On February 1, 1970. Each Bond shall bear interest until its principal sum has been paid; provided, however, that if at the maturity date of any Bond or, if a Bond is callable and redeemable prior to maturity and has been duly called for redemption and at the redemption date funds are available for the payment or redemption of such Bond in full accordance with the terms of this ordinance, then such Bond shall cease to bear interest. The Bonds and interest thereon shall be payable in lawful money of the United States of America at the office of the Treasurer of The City of San Diego or, at the option of the holder, at any fiscal agency of the City in the cities of San Diego,

Los Angeles or San Francisco, California, or the cities of New York, New York, or Chicago, Illinois.

SECTION 3. Useful Life.

It is hereby found and determined that the term of years within which the Bonds are payable does not exceed the estimated period of usefulness of the property or improvements for which the Bonds are issued.

SECTION 4. Execution of Bonds.

The Mayor and the Treasurer of the City are hereby authorized and directed to sign all of the Bonds by their printed, lithographed or engraved facsimile signatures and the City Clerk or his duly authorized deputy is hereby authorized and directed to countersign the Bonds manually and to cause the corporate seal of the City to be impressed, imprinted or reproduced on said Bonds. The Treasurer of the City is hereby authorized and directed to sign the interest coupons of the Bonds by his printed, lithographed or engraved facsimile signature.

SECTION 5. Form of Bond and Coupon and Registration.

The form of Bond and Coupon shall be substantially in the form adopted by this Council by Resolution No. 189607 dated February 21, 1967, provided that the form of Bond and Coupon shall conform with the provisions of this ordinance. The Bonds may be registered either as to principal only or as to both principal and interest; the form of registration of any Bond so registered may be changed; any Bond so registered may be transferred or any Bond so registered may be discharged from registration in the manner and with the effect set forth in the provisions for registration which are contained in the form of Bond previously adopted.

SECTION 6. Call and Redemption Prior to Maturity.

The Bonds maturing on or before February 1, 1979, are not subject to call or redemption prior to maturity. The Bonds maturing on or after February 1, 1980, or any of them, may be called prior to maturity and redeemed at the option of the City on February 1, 1979, or on any interest payment date after February 1, 1979, and prior to maturity at a redemption price for each redeemable Bond equal to the principal amount thereof plus a premium equal to one-fourth of one percent of the principal amount thereof for each year or fraction of a year from the redemption date to the maturity date of such Bond, but in no event shall the premium exceed three and three-fourths percent.

If less than all of the outstanding Bonds subject to call and redemption prior to maturity are called for redemption at any one time, the Bonds shall be called and redeemed in inverse order of maturity and number. The interest payment date on which Bonds are to be presented for redemption prior to maturity is sometimes referred to in this ordinance as the "redemption date."

(a) Notice of Call and Redemption. Notice of the intended redemption prior to maturity shall be published once in a newspaper of general circulation in the City of San Diego and in a financial newspaper or journal of national circulation. Publication shall be at least thirty (30) days but not more than sixty (60) days prior to the redemption date. The notice of call and redemption shall:

- (1) State the redemption date;
- (2) State the redemption price;

(3) State the numbers and dates of the maturity of the Bonds to be redeemed prior to maturity; provided, however, that whenever any call includes all of the Bonds of a maturity, the numbers of the Bonds need not be stated;

(4) Require that the Bonds to be redeemed be surrendered with all interest coupons maturing subsequent to the redemption date, except that no coupons need be surrendered on Bonds registered as to both principal and interest. Surrender shall be made at the office of the Treasurer or at the office of any of the fiscal agencies of the City referred to in Section 2 of this ordinance;

(5) Require that Bonds, which at the time of call are registered so as to be payable otherwise than to bearer, shall be accompanied by appropriate instruments of assignment executed in blank;

(6) Give notice that further interest on Bonds to be so redeemed will not accrue after the redemption date.

The Treasurer shall, on or before the date of publication of the notice of call and redemption prior to maturity, mail a similar notice, postage prepaid, to the person, firm, corporation or syndicate that originally purchases the Bonds (hereinafter sometimes referred to as "original purchaser"); provided, however, that the failure of the Treasurer to mail such notice or any defect in such notice, shall not affect the validity of the proceedings for the call and redemption prior to maturity of the Bonds or the cessation of interest on the redemption date.

If any of the Bonds called for redemption prior to maturity shall be registered so as to be payable otherwise than to bearer, the Treasurer shall, on or before the date of publication of the notice of call and redemption, mail a similar notice, postage prepaid, to the respective registered holders at the addresses appearing on the Bond Registry Books. The actual receipt by the holder of any Bond of notice of call and redemption shall not be a condition precedent to redemption and failure to receive such notice shall not affect the validity of the proceedings for the redemption of the Bonds or the cessation of interest on the redemption date. A certificate by the Treasurer that notice of call and redemption has been given to the original purchasers and to holders of registered Bonds as provided in this section shall be conclusive as against all parties and no holder whose Bond or registered Bond is called for redemption may object to the call for redemption or to the cessation of interest by any claim or showing that he actually failed to receive the notice of call and redemption.

(b) Redemption Fund. Prior to the redemption date there shall be established in the City Treasury a redemption fund to be described or known as "1966 MUNICIPAL IMPROVEMENT BONDS, SERIES 3, REDEMPTION FUND" (sometimes hereinafter referred to as "Redemption Fund") and prior to the redemption date there must be set aside in said Redemption Fund moneys available for the purpose and sufficient to redeem, at the premiums, if any, payable as in this ordinance provided, the Bonds designated in such notice of redemption. Said moneys must be set aside in said Fund solely for that purpose and shall be applied on or after the

redemption date to payment (principal and premium, if any) of the Bonds to be redeemed upon presentation and surrender of such Bonds and (except as to Bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, and shall be used only for that purpose. Any interest coupons due on or prior to the redemption date shall be paid from the Interest and Principal Fund provided for herein upon presentation and surrender thereof. Any interest due on or prior to the redemption date upon Bonds registered as to both principal and interest shall be paid from said Interest and Principal Fund. Each Bond presented (if unregistered or registered as to principal only) must have attached thereto or presented therewith all interest coupons maturing after the redemption date. Moneys may be paid or transferred from the Redemption Fund, in furtherance of the purpose of its establishment, to any special trust accounts established to insure the payment, when due or payable upon such redemption, of the principal of the Bonds so called for redemption, including premiums, if any, due upon such redemption, to such extent as may be necessary to make available at each of the designated places of payment in San Diego, Los Angeles, San Francisco, New York and Chicago, respectively, sufficient funds to meet the redemption price upon the presentation at such place, respectively, of any Bonds so called for redemption. If, after all of the Bonds have been redeemed and canceled or paid and canceled, there are moneys remaining in said Redemption Fund, said moneys shall be transferred to the General Fund of said City; provided, however, that if said moneys are part of the proceeds of refunding Bonds, said moneys shall be transferred to the

fund created for the payment of principal of and interest on such refunding Bonds.

(c) Effect of Notice of Call and Redemption. When notice of call and redemption prior to maturity has been given substantially as provided in this ordinance and when the amount necessary for the redemption of the Bonds called for redemption (principal and premium, if any) is set aside for that purpose in the Redemption Fund, as provided for herein, the Bonds so designated for redemption shall become due and payable on the redemption date, and upon presentation and surrender of said Bonds and (except as to Bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, at the place specified in the notice of redemption and, if any of said Bonds be registered, upon the appropriate assignment thereof in blank, such Bonds shall be redeemed and paid at said redemption price out of the Redemption Fund, and no interest shall accrue on such Bonds so called for redemption or on any interest coupons thereof after the redemption date, and the holders of said Bonds so called for redemption after such redemption date shall look for the payment of such Bonds and the premium, if any, thereon only to said Redemption Fund. All Bonds redeemed and all interest coupons thereof shall be canceled forthwith by the City Treasurer and shall not be reissued.

All interest coupons pertaining to any redeemed Bonds which have matured on or prior to the redemption date shall continue to be payable to the respective holders thereof but without interest thereon. All unpaid interest payable at or prior to the redemption date upon bonds registered in such manner that the interest is payable only to the

registered owners shall continue to be payable to the respective registered owners of such Bonds, or their order, but without interest thereon.

SECTION 7. Disposition of Bond Proceeds.

For the purpose of insuring the application of the proceeds from the sale of the Bonds to the purposes and objects for which such Bonds are to be issued, there have been created in the City Treasury the following three special funds:

<u>NAME OF FUND</u>	<u>Amount of Proceeds of Series 3 to be Deposited Therein</u>
1966 MUNICIPAL IMPROVEMENT BONDS (COMMUNITY PARKS AND RECREATIONAL FACILITIES) CONSTRUCTION FUND	\$4,300,000
1966 MUNICIPAL IMPROVEMENT BONDS (COMMUNITY BUILDINGS AND IMPROVEMENTS PURSUANT TO THE CITY PLAN) CONSTRUCTION FUND	\$ 400,000
1966 MUNICIPAL IMPROVEMENT BONDS (FLOOD CONTROL) CONSTRUCTION FUND	\$ 300,000

The proceeds from the sale of the Bonds (except premium, if any, and accrued interest) shall forthwith be turned over to and placed in the City Treasury in the amounts shown above to the credit of the three above-created Construction Funds and shall be applied exclusively to the said respective purposes and objects described in the Bond propositions above referred to by title and fully set forth in the recitals hereof; provided, however, that when the aforesaid purposes and objects for which the Bonds are issued have been accomplished, any moneys remaining in any one or more of the above-named Construction Funds shall be transferred to the Interest and Principal Fund created by this ordinance to be

used for the payment of the principal of and interest on the Bonds, and further, when such purposes and objects have been accomplished and all principal and interest on the Bonds have been paid, any balance of money then remaining in the above-named Construction Funds shall be transferred to the General Fund.

SECTION 8. Tax Levy, Payment of Bonds.

Any premium or accrued interest received from the sale of the Bonds shall forthwith be turned over to and placed in the City Treasury in the Interest and Principal Fund hereinafter created.

For the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS (which term has been used in Section 1 and is used in this Section 8 to include the amount of \$32,665,000 Bonds which were authorized November 8, 1966, of which these Bonds of Series 3 are a part), the Council of The City of San Diego shall, at the time of making the general tax levy after incurring such bonded indebtedness by the issuance of the Bonds of this Series 3 and the issuance of subsequent series of 1966 MUNICIPAL IMPROVEMENT BONDS, and annually thereafter until the 1966 MUNICIPAL IMPROVEMENT BONDS so issued are paid or until there is a sum in the Treasury of the City set apart for that purpose sufficient to meet all payments of principal and interest on the 1966 MUNICIPAL IMPROVEMENT BONDS so issued as they become due, levy and collect a tax sufficient to pay the interest on the 1966 MUNICIPAL IMPROVEMENT BONDS so issued and such part of the principal thereof which will become due before the proceeds of a tax levied at the next general tax levy will be available. This tax shall be in

addition to all other taxes levied for municipal purposes and shall be levied and collected as other City taxes, and shall forthwith be turned over and paid into a special fund of the City to be known as "1966 MUNICIPAL IMPROVEMENT BONDS, INTEREST AND PRINCIPAL FUND" (herein sometimes referred to as "Interest and Principal Fund"). To the extent that any part of the sum hereby required to be raised by any annual tax levy is appropriated, pursuant to Charter provisions or otherwise, from any fund or funds of the City and placed in the Interest and Principal Fund or set aside in any other fund for the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS which otherwise would be paid from such tax levy, the amount to be raised by that annual tax levy may be reduced, and if all of the sums required to be raised by any annual tax levy have been appropriated and placed in the Interest and Principal Fund or set aside in any other fund for the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS which otherwise would be paid from such annual tax levy, that annual tax levy need not be made. Said Interest and Principal Fund shall be used for no other purpose than the payment of said 1966 MUNICIPAL IMPROVEMENT BONDS and interest thereon until said bonds and interest are fully paid. Any sum appropriated and set aside in any other fund for the payment of principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS shall be used only for the payment of that principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS for which it was so appropriated and set aside.

SECTION 9. Publication.

The City Clerk is hereby directed to cause this ordinance to be published once in the San Diego Union, the official newspaper of the City.

SECTION 10. Effective Date.

This ordinance shall take effect and be in force on the thirtieth day from and after its passage.

Each Bond shall bear interest until its principal sum has been paid; provided, however, that if at the maturity date of any Bond or, if a Bond is callable and redeemable prior to maturity and has been duly called for redemption and at the redemption date funds are available for the payment or redemption of such Bond in full accordance with the terms of this ordinance, then such Bond shall cease to bear interest. The Bonds and interest thereon shall be payable in lawful money of the United States of America at the office of the Treasurer of The City of San Diego or, at the option of the holder, at any fiscal agency of the City in the cities of San Diego, Los Angeles or San Francisco, California, or the cities of New York, New York, or Chicago, Illinois.

SECTION 3. Useful Life.

It is hereby found and determined that the term of years within which the Bonds are payable does not exceed the estimated period of usefulness of the property or improvements for which the Bonds are issued.

SECTION 4. Execution of Bonds.

The Mayor and the Treasurer of the City are hereby authorized and directed to sign all of the Bonds by their printed, lithographed or engraved facsimile signatures and the City Clerk or his duly authorized deputy is hereby authorized and directed to countersign the Bonds manually and to cause the corporate seal of the City to be impressed, imprinted or reproduced on said Bonds. The Treasurer of the City is hereby authorized and directed to sign the interest coupons of the Bonds by his printed, lithographed or engraved facsimile signature.

SECTION 5. Form of Bond and Coupon and Registration.

The form of Bond and Coupon shall be substantially in the form adopted by this Council by Resolution No. 189607 dated February 21, 1967, provided that the form of Bond and Coupon shall conform with the provisions of this ordinance. The Bonds may be registered either as to principal only or as to both principal and interest; the form of registration of any Bond so registered may be changed; any Bond so registered may be transferred or any Bond so registered may be discharged from registration in the manner and with the effect set forth in the provisions for registration which are contained in the form of Bond previously adopted.

SECTION 6. Call and Redemption Prior to Maturity.

The Bonds maturing on or before February 1, 1979, are not subject to call or redemption prior to maturity. The Bonds maturing on or after February 1, 1980, or any of them, may be called prior to maturity and redeemed at the option of the City on February 1, 1979, or on any interest payment date after February 1, 1979, and prior to maturity at a redemption price for each redeemable Bond equal to the principal amount thereof plus a premium equal to one-fourth of one percent of the principal amount thereof for each year or fraction of a year from the redemption date to the maturity date of such Bond, but in no event shall the premium exceed three and three-fourth percent.

If less than all of the outstanding Bonds subject to call and redemption prior to maturity are called for redemption at any one time, the Bonds shall be called and redeemed in inverse order of maturity and number. The interest payment date on which Bonds are to be presented for redemption prior to maturity is sometimes referred to in this ordinance as the "redemption date."

(a) **Notice of Call and Redemption.** Notice of the intended redemption prior to maturity shall be published once in a newspaper of general circulation in the City of San Diego and in a financial newspaper or journal of national circulation. Publication shall be at least thirty (30) days but not more than sixty (60) days prior to the redemption date. The notice of call and redemption shall:

- (1) State the redemption date;
- (2) State the redemption price;
- (3) State the numbers and dates of the maturity of the Bonds to be redeemed prior to maturity; provided, however, that whenever any call includes all of the Bonds of a maturity, the numbers of the Bonds need not be stated;
- (4) Require that the Bonds to be redeemed be surrendered with all interest coupons maturing subsequent to the redemption date, except that no coupons need be surrendered on Bonds registered as to both principal and interest. Surrender shall be made at the office of the Treasurer or at the office of any of the fiscal agencies of the City referred to in Section 2 of this ordinance;
- (5) Require that Bonds, which at the time of call are registered so as to be payable otherwise than to bearer, shall be accompanied by appropriate instruments of assignment executed in blank;
- (6) Give notice that further interest on Bonds to be so redeemed will not accrue after the redemption date.

The Treasurer shall, on or before the date of publication of the notice of call and redemption prior to maturity, mail a similar notice, postage prepaid, to the person, firm, corporation or syndicate that originally purchases the Bonds (hereinafter sometimes referred to as "original purchaser"); provided, however, that the failure of the Treasurer to mail such notice or any defect in such notice, shall not affect the validity of the proceedings for the call and redemption prior to maturity of the Bonds or the cessation of interest on the redemption date.

If any of the Bonds called for redemption prior to maturity shall be registered so as to be payable otherwise than to bearer, the Treasurer shall, on or before the date of publication of the notice of call and redemption, mail a similar notice, postage prepaid, to the respective registered holders at the addresses appearing on the Bond Registry Books. The actual receipt by the holder of any Bond of notice of call and redemption shall not be a condition precedent to redemption and failure to receive such notice shall not affect the validity of the proceedings for the redemption of the Bonds or the cessation of interest on the redemption date. A certificate by the Treasurer that notice of call and redemption has been given to the original purchasers and to holders of registered Bonds as provided in this section shall be conclusive as against all parties and no holder whose Bond or registered Bond is called for redemption may object to the call for redemption or to the cessation of interest by any claim or showing that he actually failed to receive the notice of call and redemption.

(b) **Redemption Fund.** Prior to the redemption date there shall be established in the City Treasury a redemption fund to be described or known as "1966 MUNICIPAL IMPROVEMENT BONDS, SERIES 3, REDEMPTION FUND" (sometimes hereinafter referred to as "Redemption Fund") and prior to the redemption date there must be set aside in said Redemption Fund moneys available for the purpose and sufficient to redeem, at the premiums, if any, payable as in this ordinance provided, the Bonds designated in such notice of redemption. Said moneys must be set aside in said Fund solely for that purpose and shall be applied on or after the redemption date to payment (principal and premium, if any) of the Bonds to be redeemed upon presentation and surrender of such Bonds and (except as to Bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, and shall be used only for that purpose. Any interest coupons due on or prior to the redemption date shall be paid from the Interest and Principal Fund provided for herein upon presentation and surrender thereof. Any interest due on or prior to the redemption date upon Bonds registered as to both principal and interest shall be paid from said Interest and Principal Fund. Each Bond presented (if unregistered or registered as to principal only) must have attached thereto or presented therewith all interest coupons maturing after the redemption date. Moneys may be paid or transferred from the Redemption Fund, in furtherance of the purpose of its establishment, to any special trust accounts established to insure the payment, when due or payable upon such redemption, of the principal of the Bonds so called for redemption, including premiums, if any, due upon such redemption, to such extent as may be necessary to make available at each of the designated places of payment in San Diego, Los Angeles, San Francisco, New York and Chicago, respectively, sufficient funds to meet the redemption price upon the presentation at such place, respectively, of any Bonds so called for redemption. If, after all of the Bonds have been redeemed and canceled or paid and canceled, there are moneys remaining in said Redemption Fund, said moneys shall be transferred to the General Fund of said City; provided, however, that if said moneys are part of the proceeds of refunding Bonds, said moneys shall be transferred to the fund created for the payment of principal of and interest on such refunding Bonds.

(c) **Effect of Notice of Call and Redemption.** When notice of call and redemption prior to maturity has been given substantially as provided in this ordinance and when the amount necessary for the redemption of the Bonds called for redemption (principal and premium, if any) is set aside for that purpose in the Redemption Fund, as provided for herein, the Bonds so designated for redemption shall become due and payable on the redemption date, and upon presentation and surrender of said Bonds and (except as to Bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, at the place specified in the notice of redemption and, if any of said Bonds be registered, upon the appropriate assignment thereof in blank, such Bonds shall be redeemed and paid at said redemption price out of the Redemption Fund, and no interest shall accrue on such Bonds so called for redemption or on any interest coupons thereof after the redemption date, and the holders of said Bonds so called for redemption after such redemption date shall look for the payment of such Bonds and the premium, if any, thereon only to said Redemption Fund. All Bonds redeemed and all interest coupons thereof shall be canceled forthwith by the City Treasurer and shall not be reissued.

All interest coupons pertaining to any redeemed Bonds which have matured on or prior to the redemption date shall continue to be payable to the respective holders thereof but without interest thereon. All unpaid interest payable at or prior to the redemption date upon bonds registered in such manner that the interest is payable only to the registered owners shall continue to be payable to the respective registered owners of such Bonds, or their order, but without interest thereon.

SECTION 7. Disposition of Bond Proceeds.

For the purpose of insuring the application of the proceeds from the sale of the Bonds to the purposes and objects for which such Bonds are to be issued, there have been created in the City Treasury the following three special funds:

NAME OF FUND	Amount of Proceeds of Series 3 to be Deposited Therein
1966 MUNICIPAL IMPROVEMENT BONDS (COMMUNITY PARKS AND RECREATIONAL FACILITIES) CONSTRUCTION FUND	\$4,300,000
1966 MUNICIPAL IMPROVEMENT BONDS (COMMUNITY BUILDINGS AND IMPROVEMENTS PURSUANT TO THE CITY PLAN) CONSTRUCTION FUND	\$ 400,000
1966 MUNICIPAL IMPROVEMENT BONDS (FLOOD CONTROL) CONSTRUCTION FUND	\$ 300,000

The proceeds from the sale of the Bonds (except premium, if any, and accrued interest) shall forthwith be turned over to and placed in the City Treasury in the amounts shown above to the credit of the three above-created Construction Funds and shall be applied exclusively to the said respective purposes and objects described in the Bond propositions above referred to by title and fully set forth in the recitals hereof; provided, however, that when the aforesaid purposes and objects for which the Bonds are issued have been accomplished, any moneys remaining in any one or more of the above-named Construction Funds shall be transferred to the Interest and Principal Fund created by this ordinance to be used for the payment of the principal of and interest on the Bonds, and further, when such purposes and objects have been accomplished and all principal and interest on the Bonds have been paid, any balance of money then remaining in the above-named Construction Funds shall be transferred to the General Fund.

SECTION 8. Tax Levy, Payment of Bonds.

Any premium or accrued interest received from the sale of the Bonds shall forthwith be turned over to and placed in the City Treasury in the Interest and Principal Fund hereinafter created.

For the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS (which term has been used in Section 1 and is used in this Section 8 to include the amount of \$32,665,000 Bonds which were authorized November 8, 1966, of which these Bonds of Series 3 are a part), the Council of The City of San Diego shall, at the time of making the general tax levy after incurring such bonded indebtedness by the issuance of the Bonds of this Series 3 and the issuance of subsequent series of 1966 MUNICIPAL IMPROVEMENT BONDS, and annually thereafter until the 1966 MUNICIPAL IMPROVEMENT BONDS so issued are paid or until there is a sum in the Treasury of the City set apart for that purpose sufficient to meet all payments of principal and interest on the 1966 MUNICIPAL IMPROVEMENT BONDS so issued as they become due, levy and collect a tax sufficient to pay the interest on the 1966 MUNICIPAL IMPROVEMENT BONDS so issued and such part of the principal thereof which will become due before the proceeds of a tax levied at the next general tax levy will be available. This tax shall be in addition to all other taxes levied for municipal purposes and shall be levied and collected as other City taxes, and shall forthwith be turned over and paid into a special fund of the City to be known as "1966 MUNICIPAL IMPROVEMENT BONDS, INTEREST AND PRINCIPAL FUND" (herein sometimes referred to as "Interest and Principal Fund"). To the extent that any part of the sum hereby required to be raised by any annual tax levy is appropriated, pursuant to Charter provisions or otherwise, from any fund or funds of the City and placed in the Interest and Principal Fund or set aside in any other fund for the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS which otherwise would be paid from such tax levy, the amount to be raised by that annual tax levy may be reduced, and if all of the sums required to be raised by any annual tax levy have been appropriated and placed in the Interest and Principal Fund or set aside in any other fund for the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS which otherwise would be paid from such annual tax levy, that annual tax levy need not be made. Said Interest and Principal Fund shall be used for no other purpose than the payment of said 1966 MUNICIPAL IMPROVEMENT BONDS and interest thereon until said bonds and interest are fully paid. Any sum appropriated and set aside in any other fund for the payment of principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS shall be used only for the payment of that principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS for which it was so appropriated and set aside.

SECTION 9. Publication.

The City Clerk is hereby directed to cause this ordinance to be published once in the San Diego Union, the official newspaper of the City.

This ordinance shall take effect and be in force on the thirtieth day from and after its passage.

than to bearer, shall be accompanied by appropriate instruments of assignment executed in blank;

(6) Give notice that further interest on Bonds to be so redeemed will not accrue after the redemption date.

The Treasurer shall, on or before the date of publication of the notice of call and redemption prior to maturity, mail a similar notice, postage prepaid, to the person, firm, corporation or syndicate that originally purchases the Bonds (hereinafter sometimes referred to as "original purchaser"); provided, however, that the failure of the Treasurer to mail such notice or any defect in such notice, shall not affect the validity of the proceedings for the call and redemption prior to maturity of the Bonds or the cessation of interest on the redemption date.

If any of the Bonds called for redemption prior to maturity shall be registered so as to be payable otherwise than to bearer, the Treasurer shall, on or before the date of publication of the notice of call and redemption, mail a similar notice, postage prepaid, to the respective registered holders at the addresses appearing on the Bond Registry Books. The actual receipt by the holder of any Bond of notice of call and redemption shall not be a condition precedent to redemption and failure to receive such notice shall not affect the validity of the proceedings for the redemption of the Bonds or the cessation of interest on the redemption date. A certificate by the Treasurer that notice of call and redemption has been given to the original purchasers and to holders of registered Bonds as provided in this section shall be conclusive as against all parties and no holder whose Bond or registered Bond is called for redemption

may object to the call for redemption or to the cessation of interest by any claim or showing that he actually failed to receive the notice of call and redemption.

(b) Redemption Fund. Prior to the redemption date there shall be established in the City Treasury a redemption fund to be described or known as "1968 MUNICIPAL IMPROVEMENT BONDS REDEMPTION FUND" (sometimes hereinafter referred to as "Redemption Fund") and prior to the redemption date there must be set aside in said Redemption Fund moneys available for the purpose and sufficient to redeem, at the premiums, if any, payable as in this ordinance provided, the Bonds designated in such notice of redemption. Said moneys must be set aside in said Fund solely for that purpose and shall be applied on or after the redemption date to payment (principal and premium, if any) of the Bonds to be redeemed upon presentation and surrender of such Bonds and (except as to Bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, and shall be used only for that purpose. Any interest coupons due on or prior to the redemption date shall be paid from the Interest and Principal Fund provided for herein upon presentation and surrender thereof. Any interest due on or prior to the redemption date upon Bonds registered as to both principal and interest shall be paid from said Interest and Principal Fund. Each Bond presented (if unregistered or registered as to principal only) must have attached thereto or presented therewith all interest coupons maturing after the redemption date. Moneys may be paid or transferred from the Redemption Fund, in furtherance of the purpose of its establishment, to any special trust accounts established to insure the

payment, when due or payable upon such redemption, of the principal of the Bonds so called for redemption, including premiums, if any, due upon such redemption, to such extent as may be necessary to make available at each of the designated places of payment in San Diego, Los Angeles, San Francisco, New York and Chicago, respectively, sufficient funds to meet the redemption price upon the presentation at such place, respectively, of any Bonds so called for redemption. If, after all of the Bonds have been redeemed and canceled or paid and canceled, there are moneys remaining in said Redemption Fund, said moneys shall be transferred to the General Fund of said City; provided, however, that if said moneys are part of the proceeds of the refunding Bonds, said moneys shall be transferred to the fund created for the payment of principal of and interest on such refunding Bonds.

(c) Effect of Notice of Call and Redemption. When notice of call and redemption prior to maturity has been given substantially as provided in this ordinance and when the amount necessary for the redemption of the Bonds called for redemption (principal and premium, if any) is set aside for that purpose in the Redemption Fund, as provided for herein, the Bonds so designated for redemption shall become due and payable on the redemption date, and upon presentation and surrender of said Bonds and (except as to Bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, at the place specified in the notice of redemption and, if any of said Bonds be registered, upon the appropriate assignment thereof in blank, such Bonds shall be redeemed and paid at said

redemption price out of the Redemption Fund, and no interest shall accrue on such Bonds so called for redemption or on any interest coupons thereof after the redemption date, and the holders of said Bonds so called for redemption after such redemption date shall look for the payment of such Bonds and the premium, if any, thereon only to said Redemption Fund. All Bonds redeemed and all interest coupons thereof shall be canceled forthwith by the City Treasurer and shall not be reissued.

All interest coupons pertaining to any redeemed Bonds which have matured on or prior to the redemption date shall continue to be payable to the respective holders thereof but without interest thereon. All unpaid interest payable at or prior to the redemption date upon Bonds registered in such manner that the interest is payable only to the registered owners shall continue to be payable to the respective registered owners of such Bonds, or their order, but without interest thereon.

SECTION 7. Disposition of Bond Proceeds.

For the purpose of insuring the application of the proceeds from the sale of the Bonds to the purposes and objects for which such Bonds are to be issued, there is hereby created in the City Treasury the following special fund:

<u>NAME OF FUND</u>	<u>Amount of Proceeds to be Deposited Therein</u>
1968 MUNICIPAL IMPROVEMENT BONDS (BALBOA PARK FACILITIES) CONSTRUCTION FUND	\$3,500,000

The proceeds from the sale of the Bonds (except premium, if any, and accrued interest) shall forthwith be turned over to and placed in the City Treasury in the amount shown

above to the credit of the above-created Construction Fund and shall be applied exclusively to the purpose and object described in the Bond proposition above referred to by title and fully set forth in the recitals hereof; provided, however, that when the aforesaid purpose and object for which the Bonds are issued have been accomplished, any moneys remaining in the above-named Construction Fund shall be transferred to the Interest and Principal Fund created by this ordinance to be used for the payment of the principal of and interest on the Bonds, and further, when such purpose and object have been accomplished and all principal and interest on the Bonds have been paid, any balance of money then remaining in the above-named Construction Fund shall be transferred to the General Fund.

SECTION 8. Tax Levy, Payment of Bonds.

Any premium or accrued interest received from the sale of the Bonds shall forthwith be turned over to and placed in the City Treasury in the Interest and Principal Fund hereinafter created.

For the purpose of paying the principal and interest of the 1968 MUNICIPAL IMPROVEMENT BONDS, the Council of The City of San Diego shall, at the time of making the general tax levy after incurring such bonded indebtedness by the issuance of the Bonds and annually thereafter until the 1968 MUNICIPAL IMPROVEMENT BONDS so issued are paid or until there is a sum in the Treasury of the City set apart for that purpose sufficient to meet all payments of principal and interest on the 1968 MUNICIPAL IMPROVEMENT BONDS so issued as they become due, levy and collect a tax sufficient to pay the interest on the 1968 MUNICIPAL IMPROVEMENT BONDS so issued and such part of the principal thereof which will

become due before the proceeds of a tax levied at the next general tax levy will be available. This tax shall be in addition to all other taxes levied for municipal purposes and shall be levied and collected as other City taxes, and shall forthwith be turned over and paid into a special fund of the City to be known as "1968 MUNICIPAL IMPROVEMENT BONDS, INTEREST AND PRINCIPAL FUND" (herein sometimes referred to as "Interest and Principal Fund"). To the extent that any part of the sum hereby required to be raised by any annual tax levy is appropriated, pursuant to Charter provisions or otherwise, from any fund or funds of the City and placed in the Interest and Principal Fund or set aside in any other fund for the purpose of paying the principal and interest of the 1968 MUNICIPAL IMPROVEMENT BONDS which otherwise would be paid from such tax levy, the amount to be raised by that annual tax levy may be reduced, and if all of the sums required to be raised by any annual tax levy have been appropriated and placed in the Interest and Principal Fund or set aside in any other fund for the purpose of paying the principal and interest of the 1968 MUNICIPAL IMPROVEMENT BONDS which otherwise would be paid from such annual tax levy, that annual tax levy need not be made. Said Interest and Principal Fund shall be used for no other purpose than the payment of said 1968 MUNICIPAL IMPROVEMENT BONDS and interest thereon until said Bonds and interest are fully paid. Any sum appropriated and set aside in any other fund for the payment of principal and interest of the 1968 MUNICIPAL IMPROVEMENT BONDS shall be used only for the payment of that principal and interest of the 1968 MUNICIPAL IMPROVEMENT BONDS for which it was so appropriated and set aside.

SECTION 9. Publication.

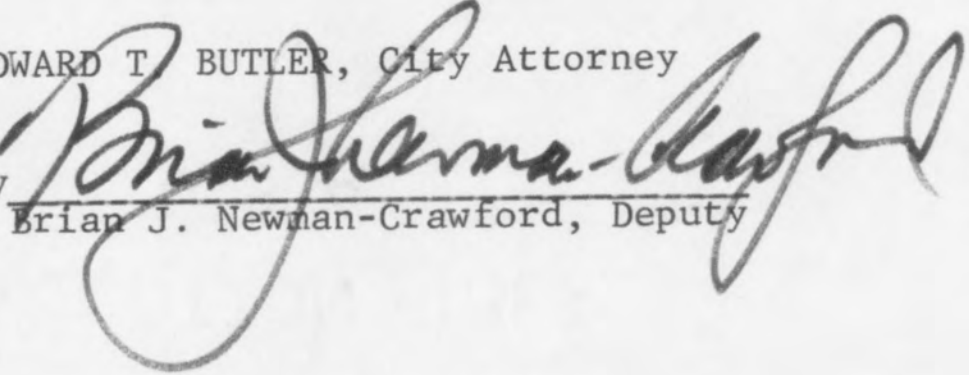

The City Clerk is hereby directed to cause this ordinance to be published once in the San Diego Union, the official newspaper of the City.

SECTION 10. Effective Date.

This ordinance shall take effect and be in force on the thirtieth day from and after its passage.

and WHEREAS, the foregoing proposition received the affirmative vote of more than two-thirds of the votes of the qualified voters voting on the proposition; and

WHEREAS, The City of San Diego is now authorized to issue the Bonds in the amount and for the purpose set forth in the proposition; and

WHEREAS, this Council has determined to issue all of the Bonds so authorized.

BE IT ORDAINED, by the Council of The City of San Diego as follows:

SECTION 1. Amount, Purpose and Description of Bonds.

That said principal amount of \$3,500,000 bonds so authorized at said election of November 5, 1968 is needed for the purpose and object set forth in the proposition stated in the recitals hereof. The bond issue shall be designated "THE CITY OF SAN DIEGO 1968 MUNICIPAL IMPROVEMENT BONDS" (hereinafter sometimes referred to as "1968 MUNICIPAL IMPROVEMENT BONDS" or "Bonds" or "the Bonds").

The Bonds shall be dated as of February 1, 1969 and shall be 700 in number, of the denomination of \$5,000 each, shall be numbered from 1 to 700, and shall be payable in consecutive numerical order annually on February 1 of each year from 1971 to 1994 in the amounts for each of the several years as follows:

1981	150,000	1993	270,000
1982	160,000	1994	290,000

SECTION 2. Interest, Place of Payment.

The Bonds shall bear interest at the rate or rates to be hereafter fixed by resolution awarding the Bonds to the successful bidder but not to exceed six percent (6%) per annum, payable semiannually, on February 1 and August 1 of each year, except that interest for the first year shall be payable at the end of such year, to wit: on February 1, 1970. Each Bond shall bear interest until its principal sum has been paid; provided, however, that if at the maturity date of any Bond or, if a Bond is callable and redeemable prior to maturity and has been duly called for redemption and at the redemption date funds are available for the payment or redemption of such Bond in full accordance with the terms of this ordinance, then such Bond shall cease to bear interest. The Bonds and interest thereon shall be payable in lawful money of the United States of America at the office of the Treasurer of The City of San Diego or, at the option of the holder, at any fiscal agency of the City in the cities of San Diego, Los Angeles or San Francisco, California, or the cities of New York, New York, or Chicago, Illinois.

SECTION 3. Useful Life.

It is hereby found and determined that the term of years within which the Bonds are payable does not exceed the estimated period of usefulness of the property or improvements for which the Bonds are issued.

SECTION 4. Execution of Bonds.

The Mayor and the Treasurer of the City are hereby authorized and directed to sign all of the Bonds by their printed, lithographed or engraved facsimile signatures and the City Clerk or his duly authorized deputy is hereby authorized and directed to countersign the Bonds manually and to cause the corporate seal of the City to be impressed, imprinted or reproduced on said Bonds. The Treasurer of the City is hereby authorized and directed to sign the interest coupons of the Bonds by his printed, lithographed or engraved facsimile signature.

SECTION 5. Form of Bond and Coupon and Registration.

The form of Bond and Coupon shall be substantially in the form adopted by this Council by Resolution No. 189607 dated February 21, 1967, provided that the form of Bond and Coupon shall conform with the provisions of this ordinance. The Bonds may be registered either as to principal only or as to both principal and interest; the form of registration of any Bond so registered may be changed; any Bond so registered may be transferred or any Bond so registered may be discharged from registration in the manner and with the effect set forth in the provisions for registration which are contained in the form of Bond previously adopted.

SECTION 6. Call and Redemption Prior to Maturity.

The Bonds maturing on or before February 1, 1979, are not subject to call or redemption prior to maturity. The Bonds maturing on or after February 1, 1980, or any of them, may be called prior to maturity and redeemed at the option of the City on February 1, 1979, or on any interest payment date after February 1, 1979, and prior to maturity at a redemption price for each redeemable Bond equal to the principal amount thereof plus a premium equal to one-fourth of one percent of the principal amount thereof for each year or fraction of a year from the redemption date to the maturity date of such Bond, but in no event shall the premium exceed three and three-fourths percent.

If less than all of the outstanding Bonds subject to call and redemption prior to maturity are called for redemption at any one time, the Bonds shall be called and redeemed in inverse order of maturity and number. The interest payment date on which Bonds are to be presented for redemption prior to maturity is sometimes referred to in this ordinance as the "redemption date."

(a) **Notice of Call and Redemption.** Notice of the intended redemption prior to maturity shall be published once in a newspaper of general circulation in the City of San Diego and in a financial newspaper or journal of national circulation. Publication shall be at least thirty (30) days but not more than sixty (60) days prior to the redemption date. The notice of call and redemption shall:

(1) State the redemption date;
(2) State the redemption price;
(3) State the numbers and dates of the maturity of the Bonds to be redeemed prior to maturity; provided, however, that whenever any call includes all of the Bonds of a maturity, the numbers of the Bonds need not be stated;

(4) Require that the Bonds to be redeemed be surrendered with all interest coupons maturing subsequent to the redemption date, except that no coupons need be surrendered on Bonds registered as to both principal and interest. Surrender shall be made at the office of the Treasurer or at the office of any of the fiscal agencies of the City referred to in Section 2 of this ordinance;

(5) Require that Bonds, which at the time of call are registered so as to be payable otherwise than to bearer, shall be accompanied by appropriate instruments of assignment executed in blank;

(6) Give notice that further interest on Bonds to be so redeemed will not accrue after the redemption date.

The Treasurer shall, on or before the date of publication of the notice of call and redemption prior to maturity, mail a similar notice, postage prepaid, to the person, firm, corporation or syndicate that originally purchases the bonds (hereinafter sometimes referred to as "original purchaser"); provided, however, that the failure of the Treasurer to mail such notice or any defect in such notice, shall not affect the validity of the proceedings for the call and redemption prior to maturity of the Bonds or the cessation of interest on the redemption date.

If any of the Bonds called for redemption prior to maturity shall be registered so as to be payable otherwise than to bearer, the Treasurer shall, on or before the date of publication of the notice of call and redemption, mail a similar notice, postage prepaid, to the respective registered holders at the addresses appearing on the Bond Registry Books. The actual receipt by the holder of any Bond of notice of call and redemption shall not be a condition precedent to redemption and failure to receive such notice shall not affect the validity of the proceedings for the redemption of the Bonds or the cessation of interest on the redemption date. A certificate by the Treasurer that notice of call and redemption has been given to the original purchasers and to holders of registered Bonds as provided in this section shall be conclusive as against all parties and no holder whose Bond or registered Bond is called for redemption may object to the call for redemption or to the cessation of interest by any claim or showing that he actually failed to receive the notice of call and redemption.

(b) **Redemption Fund.** Prior to the redemption date there shall be established in the City Treasury a redemption fund to be described or known as "1968 MUNICIPAL IMPROVEMENT BONDS REDEMPTION FUND" (sometimes hereinafter referred to as "Redemption Fund") and prior to the redemption date there must be set aside in said Redemption Fund moneys available for the purpose and sufficient to redeem, at the premiums, if any, payable as in this ordinance provided, the Bonds designated in such notice of redemption. Said moneys must be set aside in said Fund solely for that purpose and shall be applied on or after the redemption date to payment (principal and premium, if any) of the Bonds to be redeemed upon presentation and surrender of such Bonds and (except as to Bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, and shall be used only for that purpose. Any interest coupons due on or prior to the redemption date shall be paid from the Interest and Principal Fund provided for herein upon presentation and surrender thereof. Any interest due on or prior to the redemption date upon Bonds registered as to both principal and interest shall be paid from said Interest and Principal Fund. Each Bond presented (if unregistered or registered as to principal only) must have attached thereto or presented therewith all interest coupons maturing after the redemption date. Moneys may be paid or transferred from the Redemption Fund, in furtherance of the purpose of its establishment, to any special trust accounts established to insure the payment, when due or payable upon such redemption, of the principal of the Bonds so called for redemption, including premiums, if any, due upon such redemption, to such extent as may be necessary to make available at each of the designated places of payment in San Diego, Los Angeles, San Francisco, New York and Chicago, respectively, sufficient funds to meet the redemption price upon the presentation at such place, respectively, of any Bonds so called for redemption. If, after all of the Bonds have been redeemed and canceled or paid and canceled, there are moneys remaining in said Redemption Fund, said moneys shall be transferred to the General Fund of said City; provided, however, that if said moneys are part of the proceeds of the refunding Bonds, said moneys shall be transferred to the fund created for the payment of principal of and interest on such refunding bonds.

(c) **Effect of Notice of Call and Redemption.** When notice of call and redemption prior to maturity has been given substantially as provided in this ordinance and when the amount necessary for the redemption of the Bonds called for redemption (principal and premium, if any) is set aside for that purpose in the Redemption Fund, as provided for herein, the Bonds so designated for redemption shall become due and payable on the redemption date, and upon presentation and surrender of said Bonds and (except as to Bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, at the place specified in the notice of redemption and, if any of said Bonds be registered, upon the appropriate assignment thereof in blank, such Bonds shall be redeemed and paid at said redemption price out of the Redemption Fund, and no interest shall accrue on such Bonds so called for redemption or on any interest coupons thereof after the redemption date, and the holders of said Bonds so called for redemption after such redemption date shall look for the payment of such Bonds and the premium, if any, thereon only to said Redemption Fund. All Bonds redeemed and all interest coupons thereof shall be canceled forthwith by the City Treasurer and shall not be reissued.

All interest coupons pertaining to any redeemed Bonds which have matured on or prior to the redemption date shall continue to be payable to the respective holders thereof but without interest thereon. All unpaid

interest payable at or prior to the redemption date upon Bonds registered in such manner that the interest is payable only to the registered owners shall continue to be payable to the respective registered owners of such Bonds, or their order, but without interest thereon.

SECTION 7. Disposition of Bond Proceeds.

For the purpose of insuring the application of the proceeds from the sale of the Bonds to the purposes and objects for which such Bonds are to be issued, there is hereby created in the City Treasury the following special Fund:

NAME OF FUND	Amount of Proceeds to be Deposited Therein
1968 MUNICIPAL IMPROVEMENT BONDS (BALBOA PARK FACILITIES) CONSTRUCTION FUND	\$3,500,000

The proceeds from the sale of the Bonds (except premium, if any, and accrued interest) shall forthwith be turned over to and placed in the City Treasury in the amount shown above to the credit of the above-created Construction Fund and shall be applied exclusively to the purpose and object described in the Bond proposition above referred to by title and fully set forth in the recitals hereof; provided, however, that when the aforesaid purpose and object for which the Bonds are issued have been accomplished, any moneys remaining in the above-named Construction Fund shall be transferred to the Interest and Principal Fund created by this ordinance to be used for the payment of the principal of and interest on the Bonds, and further, when such purpose and object have been accomplished and all principal and interest on the Bonds have been paid, any balance of money then remaining in the above-named Construction Fund shall be transferred to the General Fund.

SECTION 8. Tax Levy, Payment of Bonds.

Any premium or accrued interest received from the sale of the Bonds shall forthwith be turned over to and placed in the City Treasury in the Interest and Principal Fund hereinafter created.

For the purpose of paying the principal and interest of the 1968 MUNICIPAL IMPROVEMENT BONDS, the Council of The City of San Diego shall, at the time of making the general tax levy after incurring such bonded indebtedness by the issuance of the Bonds and annually thereafter until the 1968 MUNICIPAL IMPROVEMENT BONDS so issued are paid or until there is a sum in the Treasury of the City set apart for that purpose sufficient to meet all payments of principal and interest on the 1968 MUNICIPAL IMPROVEMENT BONDS so issued as they become due, levy and collect a tax sufficient to pay the interest on the 1968 MUNICIPAL IMPROVEMENT BONDS so issued and such part of the principal thereof which will become due before the proceeds of a tax levied at the next general tax levy will be available. This tax shall be in addition to all other taxes levied for municipal purposes and shall be levied and collected as other City taxes, and shall forthwith be turned over and paid into a special fund of the City to be known as "1968 MUNICIPAL IMPROVEMENT BONDS, INTEREST AND PRINCIPAL FUND" (herein sometimes referred to as "Interest and Principal Fund"). To the extent that any part of the sum hereby required to be raised by any annual tax levy is appropriated, pursuant to Charter provisions or otherwise, from any fund or funds of the City and placed in the Interest and Principal fund or set aside in any other fund for the purpose of paying the principal and interest of the 1968 MUNICIPAL IMPROVEMENT BONDS which otherwise would be paid from such tax levy, the amount to be raised by that annual tax levy may be reduced, and if all of the sums required to be raised by any annual tax levy have been appropriated and placed in the Interest and Principal Fund or set aside in any other fund for the purpose of paying the principal and interest of the 1968 MUNICIPAL IMPROVEMENT BONDS which otherwise would be paid from such annual tax levy, that annual tax levy need not be made. Said Interest and Principal Fund shall be used for no other purpose than the payment of said 1968 MUNICIPAL IMPROVEMENT BONDS and interest thereon until said Bonds and interest are fully paid. Any sum appropriated and set aside in any other fund for the payment of principal and interest of the 1968 MUNICIPAL IMPROVEMENT BONDS shall be used only for the payment of that principal and interest of the 1968 MUNICIPAL IMPROVEMENT BONDS for which it was so appropriated and set aside.

SECTION 9. Publication.

The City Clerk is hereby directed to cause this ordinance to be published once in the San Diego Union, the official newspaper of the City.

This ordinance shall take effect and be in force on the thirtieth day from and after its passage.

(b) Time is of the essence of this ordinance. Grantee shall not be relieved of its obligation to comply promptly with any provision of this ordinance by any failure of City to enforce prompt compliance with any of its provisions.

(c) Any right or power conferred, or duty imposed upon any officer, employee, department or board of City is subject to transfer by operation of law to any other officer, employee, department or board of City.

(d) Grantee shall have no recourse whatsoever against City for any loss, cost, expense or damage

arising out of any provision or requirement of this ordinance or the enforcement thereof.

(e) This ordinance does not relieve Grantee of any requirement of the City Charter or of any ordinance, rule, regulation or specification of City, including, but not limited to, any requirement relating to street work, street excavation permits, undergrounding of utility facilities, including CATV facilities, or the use, removal or relocation of property in streets.

(f) Provisions of this ordinance shall be construed in accordance with Sections 103, 103.1, 104 and 105 of the Charter of The City of San Diego.

Section 3. PURPOSE AND INTENT.

It is the purpose and intent of this ordinance to grant a franchise to engage in the business of operating an underground community antenna television system in that portion of the City of San Diego known as Rancho Los Penasquitos in a service area particularly described in Section 6 of this ordinance. The service area referred to in Section 2 of this ordinance is described specifically in Appendix "A," which is attached and hereby incorporated into this ordinance by reference.

Section 7. DURATION OF GRANT.

(a) The franchise shall become effective on the thirty-first (31st) day after publication of this ordinance, provided prior to that date Grantee has filed with the City Clerk: (1) a written instrument, addressed to the Council, accepting the franchise and agreeing to comply with all the provisions of this ordinance; (2) a surety bond in accordance with the provisions of Section 19 of this ordinance.

(b) The term of the franchise shall be fifteen (15) years commencing on the effective date of the franchise as provided in paragraph (a) of this section; provided, that upon written notice given by City or Grantee to the other not less than one year prior to the fifteenth (15th) anniversary of the effective date, the terms and conditions of this ordinance may be subject to renegotiation for a succeeding fifteen (15)-year term. Renegotiations shall be directed toward effecting alterations in the terms and conditions of the franchise in order to reflect those technical and economic changes which have occurred during the interim period. If renegotiation prior to the end of the term of the franchise does not result in agreement between City and Grantee for continuance of the franchise for a succeeding fifteen (15)-year term, the franchise shall terminate without further action by City at the end of its first fifteen (15)-year term.

The franchise may be terminated by the City Council in the event the Council finds, after notice and hearing, that:

(1) the Grantee fails to comply with any provision of this ordinance;

(2) any provision of this ordinance becomes invalid or unenforceable and the Council expressly finds that the invalid or unenforceable provision constitutes a consideration material to the grant of the franchise; or

(3) City purchases the property of Grantee, as provided in the Charter of City; provided, however, that Grantee shall be given thirty (30) days' notice of any termination proceedings.

Section 8. LIMITATIONS UPON GRANT.

(a) No privilege or exemption is granted or conferred by this ordinance except those specifically prescribed in it.

(b) The franchise granted by this ordinance is subordinate to any existing public use or any existing franchise or lawful occupancy of any public highway, street, road or other public property for the purpose of erecting, operating and maintaining poles, lines, conduits, cables, gas pipelines and other necessary fixtures used in connection with the purpose of existing franchises or any extension of them.

(c) The franchise granted by this ordinance is a privilege personal to the original Grantee. It cannot in any event be sold, transferred, leased, assigned, or disposed of as a whole, or in part, either by forced sale, merger, consolidation, by operation of law, or otherwise, without prior consent of City expressed by ordinance, and then only under such conditions as may be prescribed in the consenting ordinance; provided, however, that no such consent shall be required for any transfer in trust, mortgage, or other hypothecation, as a whole, to secure an indebtedness.

(d) In the event that Grantee is a corporation, prior approval of the City Council, expressed by ordinance, shall be required where ownership or control of more than thirty percent (30%) of the voting stock of Grantee is acquired by a person or group of persons acting in concert, none of whom already own or control thirty percent (30%) or more of the voting stock, singularly or collectively. Any such acquisition occurring without

prior approval of the City Council shall constitute a failure to comply with a provision of this ordinance within the meaning of subparagraph (1) of paragraph (b) of Section 7 of this ordinance.

Section 9. RIGHTS RESERVED TO CITY.

(a) City provides and reserves to itself every right and power which is required to be reserved or provided in this ordinance by any provision of the Charter of City or of any ordinance of City, and Grantee by its acceptance of this franchise agrees to be bound thereby and to comply with any action or requirement of City in its exercise of any such right or power.

(b) Neither the granting of this franchise nor any provision of this ordinance shall constitute a waiver or bar to the exercise of any governmental right or power of City.

(c) The franchise granted by this ordinance shall be nonexclusive and neither the granting of the franchise nor any of the provisions contained in this ordinance shall prevent City from granting any identical or similar franchise to any person or corporation other than the Grantee, either within or without the area designated in Section 6.

OPERATION OF SERVICE

Section 10. ESTABLISHMENT OF SERVICE.

Installation of a CATV system shall be commenced within one hundred eighty (180) days after the effective date of this ordinance and extensions and service pursued with due diligence thereafter. Failure to commence within one hundred eighty (180) days and diligently to pursue to completion shall be grounds for termination of the franchise.

Section 11. ABANDONMENT OF SERVICE.

(a) After Grantee has established service pursuant to this ordinance in the franchise area, such service shall

not be suspended or abandoned unless the suspension or abandonment is authorized by the City Council.

(b) Whenever Grantee shall file with the City Council a written application alleging that the public interest, convenience and necessity no longer require that Grantee furnish service pursuant to this ordinance, in any part of the service area, the City Council, at a public hearing, shall take evidence upon that question and shall make a finding with respect to it. Notice of the hearing shall be given by Grantee to each subscriber in the part of the service area in question at least fifteen (15) days prior to the date scheduled for the hearing. If the City Council shall find that the public interest, convenience and necessity no longer require that Grantee furnish service, the City Council, after hearing as provided herein, shall authorize suspension or abandonment of service upon such reasonable terms and conditions as may be prescribed by the City Council.

Section 12. REGULATION OF RATES AND SERVICE.

(a) The City Council shall have the power and right at all times for the duration of the franchise granted by this ordinance to require Grantee to conform to reasonable rules and regulations now or hereafter adopted by the City Council, including the power to regulate and establish reasonable rates and charges by Grantee for services rendered under this ordinance. The establishment of such rules and regulations shall be discretionary with the City Council.

(b) Grantee shall:

(1) produce a picture, whether in black and white or in color, that is undistorted, free from ghost images, and accompanied with proper sound on typical standard production television receiver sets in good repair, and as good as the state of the art allows;

(2) provide, maintain and operate facilities which deliver signals of adequate strength to produce good pictures with good sound at all outlets without causing cross-modulation in the cables or interfering with other electrical or electronic systems;

(3) limit failure to a minimum by locating and correcting malfunctions promptly, but in no event longer than twenty-four (24) hours after notice;

(4) upon complaint by a subscriber, make a demonstration satisfactory to the City Manager that a signal is being delivered which is of sufficient strength and quality to meet the standards set forth in this paragraph;

(5) render efficient service, making repairs promptly and interrupting service only for good cause and for the shortest time possible; such interruptions insofar as possible shall be preceded by notice given to subscribers twenty-four (24) hours in advance and shall occur during periods of minimum use of the system;

(6) maintain an office in the service area described in Section 6 of this ordinance, which office shall be open during all the usual business hours, have a telephone number listed in the directories of The Pacific Telephone and Telegraph Company for the San Diego and North San Diego County extended areas, and be so operated that complaints and requests for repairs or adjustments may be received at any time.

(c) Grantee shall operate the CATV system authorized by this ordinance twenty-four (24) hours per day, seven (7) days per week.

Section 13. UNDERGROUND SYSTEM.

(a) The CATV system to be installed under authority of this ordinance shall be placed underground, except as otherwise provided in this section.

(b) Grantee may place aboveground the master antenna facilities necessary to operate the system; provided, however, that no master antenna facilities shall be placed in any street.

(c) With approval of the City Manager, expressed in writing, Grantee may place coaxial cables aboveground in undeveloped regions of the service area. The City Manager, in writing, at his sole discretion, may withdraw such permission at any time, after giving Grantee 30 days' notice of his intention to do so.

(d) Under no circumstances may the City Manager grant permission to place aboveground in any street any portion of the CATV system authorized by this ordinance.

STREET WORK

Section 14. LOCATION OF FRANCHISE PROPERTY.

Franchise property shall be constructed or installed only at such locations and in such manner as shall be approved by the City Engineer, acting in the exercise of reasonable discretion.

Section 15. REMOVAL OR ABANDONMENT OF FRANCHISE PROPERTY.

(a) In the event that (1) the use of any franchise property is discontinued for any reason for a continuous period of twelve (12) months, (2) franchise property has been installed in any street or other dedicated public right of way without complying with the requirements of this ordinance, or (3) the franchise has been terminated, cancelled or has expired, Grantee, at its expense, shall remove promptly from the street all franchise property other than any which the City Engineer may permit

to be abandoned in place. In the event of any such removal, Grantee shall promptly restore to a condition satisfactory to the City Engineer the street or other dedicated public right of way from which the franchise property has been removed.

(b) Franchise property to be abandoned in place shall be abandoned in the manner prescribed by the City Engineer. Upon permanent abandonment of any franchise property in place, Grantee shall submit to the City Manager an instrument, satisfactory in form to the City Attorney, transferring to City the ownership of the franchise property abandoned.

Section 16. CHANGES REQUIRED BY PUBLIC IMPROVEMENTS.

Grantee shall, at its expense, protect, support, temporarily disconnect, relocate in the same street, alley, or public place, or remove from any street, alley or public place, any franchise property when required by the City Engineer by reason of traffic conditions, public safety, street vacation, freeway and street construction, change or establishment of street grade, installation of sewers, drains, water pipes, power lines, signal lines, and tracks or any other type of structures or improvements by governmental agencies when acting in a governmental or proprietary capacity, or any other structures or public improvements; provided, however, that Grantee shall in all such cases have the privileges and be subject to the obligations to abandon franchise property in place, as provided in Section 15.

Section 17. FAILURE TO PERFORM STREET WORK.

Upon failure of Grantee to commence, pursue or complete any work required by law or by the provisions of this ordinance to be done in any street, within the time prescribed and to the satisfaction of the City Engineer, the City Engineer may, at his option, cause such work to be done and the Grantee shall pay to the City the cost thereof in the itemized amounts reported by the City Engineer to Grantee, within thirty (30)

days after receipt of such itemized report.

COMPENSATION AND GUARANTEE TO THE CITY

Section 18. ANNUAL PAYMENTS TO THE CITY.

(a) By its acceptance of this franchise, Grantee agrees to pay to City annually in lawful money of the United States three percent (3%) of the total gross receipts collected or received, or in any manner gained or derived by Grantee in each calendar year, or portion thereof, during the term of this franchise, from the properties, operations and business referred to in Section 5 of this ordinance.

(b) Checks for all such payments shall be made payable to the City Treasurer, and shall be submitted to the City Treasurer on or before March 1 of each year for the previous calendar year or portion thereof.

(c) Each payment shall be accompanied by a statement, in duplicate, verified by Grantee or by a general officer or other duly authorized representative of Grantee, showing in such form and detail as the City Manager may require from time to time the facts material to a determination of the amount due.

(d) The payment made to City by Grantee pursuant to this section for any calendar year shall be in lieu of any license, fee or business tax prescribed by City for the same period, but only to the extent of such payment.

(e) The amount of the annual payment to the City to be made by Grantee in accordance with this section is subject to renegotiation under the terms of paragraph (b) of Section 7 of this ordinance.

Section 19. FAITHFUL PERFORMANCE BOND.

Grantee shall, within the period specified in paragraph (a) of Section 7, file with the City Clerk and, at all times thereafter, maintain in full force and effect an acceptable corporate surety bond, in duplicate, in the amount of

FIVE THOUSAND DOLLARS (\$5,000.00), effective for the entire term of the franchise granted by this ordinance, and conditioned that in the event Grantee shall fail to comply with any one or more of the provisions of this ordinance then there shall be recoverable jointly and severally from the principal and surety of such bond any damages suffered by City as a result thereof, including the full amount of any compensation, indemnification, or cost of removal or abandonment of property as prescribed by Sections 15, 18 or 20 of this ordinance which may be in default, up to the full amount of the bond; the condition to be a continuing obligation for the duration of the franchise granted by this ordinance and thereafter until Grantee has liquidated all of its obligations with City that may have arisen from the acceptance of the franchise by Grantee or from its exercise of any privilege herein granted.

Neither the provisions of this section, any bond accepted by City pursuant thereto, nor any damages recovered by City thereunder shall be construed to excuse faithful performance by Grantee or to limit the liability of Grantee under this ordinance or for damages, either to the full amount of the bond or otherwise.

Section 20. INDEMNIFICATION TO CITY.

Grantee shall indemnify City, its officers and its employees, against all claims, demands, actions, suits and proceedings by others and against all liability to others, and against any loss, cost and expense resulting therefrom, including reasonable attorneys' fees, arising out of the exercise or enjoyment of the franchise granted by this ordinance, irrespective of the amount of the bond designated in Section 19.

Section 21. INSPECTION OF PROPERTY AND RECORDS.

(a) At all reasonable times Grantee shall permit examination by any duly authorized representative of the City Engineer or the City Auditor of all franchise property, together with any appurtenant property of Grantee situated within or without the City. Grantee shall also permit any duly authorized representative of the City Engineer or the City Auditor to examine and transcribe any and all maps and other records kept or maintained by Grantee or under its control concerning the operations, affairs, transactions or property of Grantee. If any of such maps or records are not kept in the City, or upon reasonable request made available in the City, and if the City Engineer or the City Auditor shall determine that an examination of such maps or records is necessary or appropriate to the performance of any of their duties, then all travel and maintenance expense necessarily incurred in making such examination shall be paid by Grantee.

(b) Grantee shall prepare and furnish to the City Engineer or the City Auditor, at the times and in the form prescribed by the City Engineer or the City Auditor, such reports with respect to its operations, affairs, transactions or property as may be reasonably necessary or appropriate to the performance of any of the duties of the City Engineer or the City Auditor in connection with this ordinance. Such reports may include, but are not limited to, a complete set of records and plans of all facilities as finally installed within the franchise service area.

Section 22. FILINGS AND COMMUNICATION WITH REGULATORY AGENCIES.

Copies of all petitions, applications and communications of all types submitted by Grantee to the Federal Communications Commission, Securities and Exchange Commission,

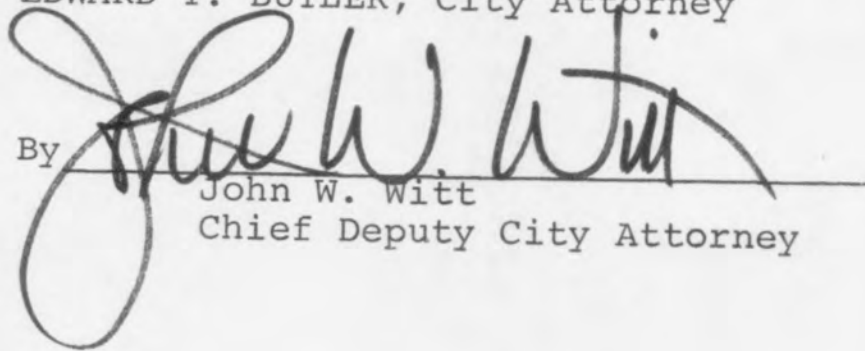

California Public Utilities Commission, or any other Federal or State regulatory commission or agency having jurisdiction over any matter affecting operation of Grantee's CATV system shall be submitted simultaneously to the City by delivery to the City Clerk who shall advise interested City Departments of such filing. A copy of each document filed with the City Clerk in accordance with this section shall be delivered to the City Attorney.

Section 23. Notwithstanding any other provisions contained herein, this franchise is granted solely and exclusively under Sections 103, 103.1, 104 and 105 of the Charter of The City of San Diego and under no other authority.

Section 24. This ordinance shall take effect and be in force on the thirtieth day from and after its passage.

(b) Time is of the essence of this ordinance. Grantee shall not be relieved of its obligation to comply promptly with any provision of this ordinance by any failure of City to enforce prompt compliance with any of its provisions.

(c) Any right or power conferred, or duty imposed upon any officer, employee, department or board of City is subject to transfer by operation of law to any other officer, employee, department or board of City.

(d) Grantee shall have no recourse whatsoever against City for any loss, cost, expense or damage arising out of any provision or requirement of this ordinance or the enforcement thereof.

(e) This ordinance does not relieve Grantee of any requirement of the City Charter or of any ordinance, rule, regulation or specification of City, including, but not limited to, any requirement relating to street work, street excavation permits, undergrounding of utility facilities, including CATV facilities, or the use, removal or relocation of property in streets.

(f) Provisions of this ordinance shall be construed in accordance with Sections 103, 103.1, 104 and 105 of the Charter of The City of San Diego.

Section 3. PURPOSE AND INTENT.

It is the purpose and intent of this ordinance to grant a franchise to engage in the business of operating an underground community antenna television system in that portion of the City of San Diego known as Rancho Los Penasquitos in a service area particularly described in Section 6 of this ordinance. by the City Council in the event the Council finds, after notice and hearing, that:

(1) the Grantee fails to comply with any provision of this ordinance;

(2) any provision of this ordinance becomes invalid or unenforceable and the Council expressly finds that the invalid or unenforceable provision constitutes a consideration material to the grant of the franchise; or

(3) City purchases the property of Grantee, as provided in the Charter of City; provided, however, that Grantee shall be given thirty (30) days' notice of any termination proceedings.

Section 8. LIMITATIONS UPON GRANT.

(a) No privilege or exemption is granted or conferred by this ordinance except those specifically prescribed in it.

(b) The franchise granted by this ordinance is subordinate to any existing public use or any existing franchise or lawful occupancy of any public highway, street, road or other public property for the purpose of erecting, operating and maintaining poles, lines, conduits, cables, gas pipelines and other necessary fixtures used in connection with the purpose of existing franchises or any extension of them.

(c) The franchise granted by this ordinance is a privilege personal to the original Grantee. It cannot in any event be sold, transferred, leased, assigned, or disposed of as a whole, or in part, either by forced sale, merger, consolidation, by operation of law, or otherwise, without prior consent of City expressed by ordinance, and then only under such conditions as may be prescribed in the controlling ordinance; provided, however, that no such consent shall be required for any transfer in trust, mortgage, or other hypothecation, as a whole, to secure an indebtedness.

(d) In the event that Grantee is a corporation, prior approval of the City Council, expressed by ordinance, shall be required where ownership or control of more than thirty per cent (30%) of the voting stock of Grantee is acquired by a person or group of persons acting in concert, none of whom already own or control thirty per cent (30%) or more of the voting stock, singularly or collectively. Any such acquisition occurring without prior approval of the City Council shall constitute a failure to comply with a provision of this ordinance within the meaning of subparagraph (1) of paragraph (b) of Section 7 of this ordinance.

Section 9. RIGHTS RESERVED TO CITY.

(a) City provides and reserves to itself every right and power which is required to be reserved or provided in this ordinance by any provision of the Charter of City or of any ordinance of City, and Grantee by its acceptance of this franchise agrees to be bound thereby and to comply with any action or requirement of City in its exercise of any such right or power.

(b) Neither the granting of this franchise nor any provision of this ordinance shall constitute a waiver or bar to the exercise of any governmental right or power of City.

(c) The franchise granted by this ordinance shall be nonexclusive and neither the granting of the franchise nor any of the provisions contained in this ordinance shall prevent City from granting any identical or similar franchise to any person or corporation other than the Grantee, either within or without the area designated in Section 6.

OPERATION OF SERVICE

Section 10. ESTABLISHMENT OF SERVICE.

Installation of a CATV system shall be commenced within one hundred eighty (180) days after the effective date of this ordinance and extensions and service pursued with due diligence thereafter. Failure to commence within one hundred eighty (180) days and diligently to pursue to completion shall be grounds for termination of the franchise.

Section 11. ABANDONMENT OF SERVICE.

(a) After Grantee has established service pursuant to this ordinance in the franchise area, such service shall not be suspended or abandoned unless the suspension or abandonment is authorized by the City Council.

(b) Whenever Grantee shall file with the City Council a written application alleging that the public interest, convenience and necessity no longer require that Grantee furnish service pursuant to this ordinance, in any part of the service area, the City Council, at a public hearing, shall take evidence upon that question and shall make a finding with respect to it. Notice of the hearing shall be given by Grantee to each subscriber in the part of the service area in question at least fifteen (15) days prior to the date scheduled for the hearing. If the City Council shall find that the public interest, convenience and necessity no longer require that Grantee furnish service, the City Council, after hearing as provided herein, shall authorize suspension or abandonment of service upon such reasonable terms and conditions as may be prescribed by the City Council.

Section 12. REGULATION OF RATES AND SERVICE.

(a) The City Council shall have the power and right at all times for the duration of the franchise granted by this ordinance to require Grantee to conform to reasonable rules and regulations now or hereafter adopted by the City Council, including the power to regulate and establish reasonable rates and charges by Grantee for services rendered under this ordinance. The establishment of such rules and regulations shall be discretionary with the City Council.

(b) Grantee shall:

(1) produce a picture, whether in black and white or in color, that is undistorted, free from ghost images, and accompanied with proper sound on typical standard production television receiver sets in good repair, and as good as the state of the art allows;

If any of such maps or records are not kept in the City, or upon reasonable request made available in the City, and if the City Engineer or the City Auditor shall determine that an examination of such maps or records is necessary or appropriate to the performance of any of their duties, then all travel and maintenance expense necessarily incurred in making such examination shall be paid by Grantee.

A copy of each document filed with the City Clerk in accordance with this section shall be delivered to the City Attorney.

Section 23. Notwithstanding any other provisions contained herein, this franchise is granted solely and exclusively under Sections 103, 103.1, 104 and 105 of the Charter of the City of San Diego and under no other authority.

SEC. 61.0660 RESOLUTION

Before ordering any changes made, the Council shall adopt a resolution briefly describing the

changes proposed to be made, stating the amount of the estimated increase or decrease in the cost of the work by reason of said proposed changes and giving notice of a time and place when and where any interested person having any objection to the changes proposed to be made may appear before the Council and show cause why said changes should not be ordered; said notice shall be omitted if the hearing of objections is not required as provided hereunder. This section shall not apply if the hearing of objections is not required pursuant to Section 61.0660.

SEC. 61.0662 OBJECTIONS

The Council shall hear and pass upon such objections at the time appointed, or at any time to which the hearing thereof may be adjourned, and its decision thereon shall be final and conclusive. If no written objections to said changes have been delivered to the Clerk up to the hour set for hearing thereon, or if said objections have been heard and found by the Council to be insufficient or have been overruled or denied, immediately thereupon the Council by an

affirmative vote of four-fifths of its members shall acquire jurisdiction to order said changes made. If the hearing of objections is not required, pursuant to Section 61.0660 immediately upon passage of the resolution the Council shall acquire jurisdiction to order said changes made. The decisions and determinations of the Council ordering such changes shall be final and conclusive upon all persons entitled to appear thereupon to the Council.

SEC. 61.0663 LIMITATIONS

No changes shall be made pursuant to this part which will increase the estimated cost by more than twenty percent (20%) of the total estimated cost of the work as determined from:

(a) The Engineer's estimate, if the change is ordered prior to the award of the contract; or

(b) The successful bid, if the change is ordered after the award of the contract; provided, that any changes so made shall also be subject to the limitations, if any, contained in any law applicable to the proceedings, which law may impose limitations upon the amount by which the estimated cost of the work or improvement may be increased by reason of such changes.

SEC. 61.0664 SURETIES

Any changes made pursuant to this part shall not release or discharge the sureties upon any bond required under this Ordinance.

DIVISION 7: FINANCING

SEC. 61.0704 ITEMS INCLUDED

The total cost and expense include:

- (a) The amounts awarded the defendants

in the condemnation action and their costs and the estimated amount of interest, if any, which will accrue on the amounts awarded.

(b) Any amounts fixed by contract for the purchase of any land or rights of way to be acquired.

(c) All costs and expenses of plaintiff in the condemnation action, attorneys' fees, fees of expert witnesses, service of process, and other costs or expenses.

SEC. 61.0705 ASSESSABLE LANDS, EXCEPTIONS

All land within the district shall be assessed to pay the costs and expenses of the acquisition and improvement. If any lot or parcel of land belonging to the United States or to the State or to any county, city, public agent, mandatory of the

government, school board, educational, penal or reform institution or institution for the feebleminded or insane is in use in the performance of any public function and is included within the district to be assessed to pay the costs and expense thereof, Council may in the resolution of intention declare that such lots or parcels of land, or any of them, shall be omitted from the assessment thereafter to be made to cover the costs and expense of the acquisition and improvement.

SEC. 61.0706 ASSESSMENT ON REMAINDER

If any such lots or parcels of land are omitted for the assessment, the total costs of all acquisition and improvement shall be assessed on the remaining lots or parcels of land lying within the limits of the assessment district without regard to such omitted lots or parcels of land.

SEC. 61.0707 PAYMENT

If the Council in the resolution of intention declares that any lot or parcel of land owned and used as provided in Section 61.0705 shall be included in the assessment, or if no declaration is made respecting any such lot or parcel of land, then any assessment upon such lot or parcel of land, except any lot or parcel owned by the United States or any department thereof or by the State of California or any department thereof, shall be an enforceable obligation against the owner of such property and shall be paid within 30 days

after the date of the recording of the assessment by the owner of such lot or parcel of land.

SEC. 61.0708 MAKING ASSESSMENT

The assessment shall be made, notice given, hearing held, and the assessment confirmed and recorded substantially in the manner provided in The Improvement Act of 1911 and the provisions of that Act relating to the method of making or spreading the assessment, the giving of notice, the making and waiving of objections, appeals or protests, the holding of the hearing, the finality and conclusiveness of the decisions and determinations of the Council, and the confirmation and recordation of the assessment are adopted as the procedure to be followed pursuant to this Ordinance. Except as provided by this Ordinance, all of the powers and authority granted in the Improvement Act of 1911 are applicable to any assessment to be levied pursuant to this Ordinance.

SEC. 61.0709 NOTICE

After the assessment roll is recorded with the City Engineer, all persons are deemed to have notice of its contents.

SEC. 61.0710 ASSESSMENTS DUE

Immediately upon the recording, the several assessments contained in the assessment roll are due and payable, and each assessment is a lien upon the property against which it is made. Unless sooner discharged, the lien shall continue

for four years from the date of recording, or if bonds are issued to represent the assessment, the lien shall continue until the expiration of four years after the due date of the last installment upon the bonds or the last principal coupon attached to them.

SEC. 61.0711 PRIORITY OF LIENS

The lien, whether bonds are issued to represent the assessment or otherwise, shall be subordinate to all fixed special assessment liens previously imposed upon the same property, but it shall have priority over all fixed special assessment liens which may thereafter be created against the property. The lien of a reassessment and of a refunding assessment shall be the same as the original assessment to which it relates.

SEC. 61.0712 EFFECT OF DEED IN FORECLOSURE

Any deed issued in the foreclosure of the assessment lien or sale of property for the lien conveys the property to the purchaser free and clear of all encumbrances, except taxes, and such special assessment liens as are, at the date of creation of the lien, equal or superior to the assessment lien.

SEC. 61.0713 LIMITATION OF ACTIONS

Any action or proceeding to set aside, cancel, avoid, annul, or correct any assessment or reassessment, or to review any of the proceedings,

acts, or determinations pursuant to this Ordinance, or to question the validity or enjoin the collection of any assessment or reassessment, or to enjoin the issuance of bonds to represent any assessment or reassessment, shall not be maintained by any person unless such action or proceeding is commenced within thirty (30) days after the recording of the diagram and assessment or reassessment. C. Acquisition and Improvement

SEC. 61.0751 SAME

On receipt of the money the Treasurer shall place it in a special fund, designated the acquisition and improvement fund of the park district for which the assessments were levied. All proceeds of any bonds issued pursuant to this Ordinance shall also be placed in the special fund.

SEC. 61.0752 PAYMENT FOR CONDEMNED PROPERTY

As soon as there is sufficient money from bond sale in the special fund devoted to the proposed acquisition and improvement to pay the amounts awarded to the defendants by the interlocutory judgment in the condemnation action, the amounts shall be paid to the parties entitled to

them or into court for their benefit. Said payment shall be made within one (1) year after final judgment.

SEC. 61.0753 PAYMENT FOR PURCHASED PROPERTY

If any property is being acquired by private purchase, the amounts fixed by the contract of purchase shall be paid to the parties entitled to them upon delivery to the City of a good and sufficient deed conveying to the City the property or the interest in property to be acquired when there is sufficient money from bond sales in the special fund.

SEC. 61.0754 FINAL JUDGMENT

When satisfactory proof is made to the court of payment of the amounts awarded by the interlocutory judgment to the respective parties entitled to them, or into court for their benefit, the court shall direct the interlocutory judgment to be satisfied, and shall make and enter a final judgment condemning the land described in the complaint to the use of the plaintiff for the purposes specified in the complaint.

SEC. 61.0755 CONTRACT FOR IMPROVEMENTS

If the proceedings provide for any improvements to be constructed, contracts for the construction of the improvements shall be let by the Council in the same manner and with the same faithful performance or labor and material bonds as is

provided by law for contracts payable from the General Fund of the City. The contractor shall be paid from the special district fund.

SEC. 61.0756 DEFICIENCY IN SPECIAL FUND

If there is a deficiency in the special fund for the improvement, the Council may provide for the deficiency by an appropriation out of the General Fund, or by ordering a supplementary assessment to be made by the City Engineer upon the property in the district in the same manner and form, and subject to the same procedure as the original assessment.

SEC. 61.0757 SAME: ADVANCEMENT

At any time either before ^{or R.K.F.} ~~or~~ after the amount required for the acquisition of the property to be acquired has been fixed by interlocutory judgment or by contract, the Council may advance from the General Fund of the City or out of any other available funds such amount as may be necessary to acquire such property or any part thereof and may use such money to acquire such property or part thereof under the contract or to satisfy the interlocutory judgment as to such property or part thereof, and may also make such an advance to pay the cost of making the improvements on any property so acquired. Following the recordation of the assessment, any such advance shall be repaid from the first moneys available from cash collections of assessments or sale of bonds or both.

D. Reassessment

SEC. 61.0760 EVENTS REQUIRING REASSESSMENT

A reassessment shall be issued in any of the following events:

(a) When an assessment made, issued, or filed in the office of the Clerk, or any bonds issued to represent the amounts of any such assessment, have been set aside by a court of competent jurisdiction, or when the court has refused to enforce an assessment or has decreed any such bonds not to constitute or represent valid and subsisting liens against the lots or parcels of land upon which the assessments represented by them have been levied.

(b) If for any reason the assessments or bonds, or both, are not effective and the curative and waiver provisions of this Ordinance or any curative act passed by the Legislature in relation to them fail to make them valid and enforceable.

(c) Upon the initiative of the Council if it is of the opinion that all or any part of the assessments or bonds are not enforceable.

SEC. 61.0761 SCOPE

It is the intent of this part to make the cost and expense of the acquisition and improvement made,

or attempted to be made, through an attempted compliance with this Ordinance payable by the real property benefited by the acquisition and improvement by making a reassessment for that purpose. The power of reassessment embraces both a full and partial reassessment, and is not exhausted by a single attempted exercise of the power.

SEC. 61.0762 CIRCUMSTANCES REQUIRING REASSESSMENT

Whenever the owner or holder of any bonds issued to represent or to be secured by assessments requests the Council to order a reassessment and the Council is of the opinion that such bonds are not enforceable, it shall order the making and issuing of a reassessment covering only the assessments represented by, or securing the bonds owned or held by, the petitioner.

SEC. 61.0763 SAME

If in any suit involving the validity of the obligation of any bond or assessment a court of competent jurisdiction for any reason holds the lien of the assessment or bond to be unenforceable, the court in and by its decree shall direct the making of a reassessment to cover the assessments involved in the suit.

SEC. 61.0764 SAME

If in any suit to set aside the lien of any assessment or of any bond representing any

assessment, or in any suit to quiet title against the lien of any such assessment or bond, or in any suit to enjoin the making, filing, confirmation, or issuance of any assessment or bond to pay for the cost and expenses of any acquisition and improvement pursuant to this Ordinance, a court of competent jurisdiction in its judgment decrees such assessments or bonds to be void or unenforceable or enjoins the making, filing, issuance, or confirmation of any such assessment or bond, the court in and by its decree shall direct the making of a reassessment to cover the assessments involved in the suit.

SEC. 61.0765 SAME

If in any suit contesting the validity and legal force and effect of a sale to foreclose the lien of any assessment or bond a court of competent jurisdiction decrees the sale to be void or unenforceable for any reason, the court in and by its decree shall direct the making of a reassessment to cover the assessments involved in the suit.

SEC. 61.0766 DECREE

If a reassessment is directed by a decree of court or by an order of the Council, the City Engineer shall proceed to make a reassessment.

SEC. 61.0768 SAME

If the reassessment is a partial one only, it is not necessary for the diagram to show any lots other than those covered by the partial reassessment.

If it is a full reassessment, the City Engineer shall prepare and file with the reassessment a diagram showing the lots or parcels of land deemed by him to be benefited by the improvement.

SEC. 61.0769 AMOUNT AND BASIS

The reassessment shall assess upon and against each of the lots or parcels of land contained in it an amount determined as follows:

(a) The benefits derived, or to be derived, by each of the lots or parcels of land from the acquisition and improvement estimated as of the date of the filing in the Clerk's office of the original assessment shall first be listed.

(b) Interest shall be added to amounts determined pursuant to (a) from the date of recording of the original assessment at the rate of seven percent (7%) a year.

SEC. 61.0770 LIMITATION

The total of the reassessment, exclusive of interest, shall not exceed the cost and expense of the acquisition and improvement.

SEC. 61.0771 FORM

The reassessment need not be in any prescribed form. It shall:

(a) Refer to the original assessment and set forth the date it was filed.

(b) State that it is made pursuant to the order of the Council or decree of court, as the case may be.

(c) Be accompanied by a diagram showing the lots or parcels of land to be reassessed and their relation to the improvement.

SEC. 61.0772 PRESENTATION TO COUNCIL

The reassessment shall be presented to the Council which shall fix a time for hearing. The hearing shall be at least twenty (20) days after the presentation of the reassessment.

SEC. 61.0773 NOTICE

The Clerk shall advertise the time of hearing by publishing a notice in the newspaper in which the resolution of intention for the acquisition and improvement was published unless the Council directs publication in some other newspaper. The notice shall be published once, the publication being at least ten (10) days prior to the date of the hearing. If the reassessment is to be against the property in a district, this fact shall be set forth and the reassessment diagram referred to for particulars.

SEC. 61.0774 HEARING

At the time fixed for the hearing or at any time to which the hearing is adjourned, the Council shall consider the objections to the

reassessment and may informally direct the revision, correction, and modification of the reassessment in such manner as is most equitable to apportion to each lot or parcel of land benefited the amount of the actual benefits derived from the acquisition and improvement.

SEC. 61.0775 CONFIRMATION

When the reassessment is revised, corrected, or modified to comply with its judgment, the Council shall pass a resolution confirming the reassessment.

SEC. 61.0776 CERTIFICATION

The Clerk shall certify at the end of the reassessment that it is the reassessment approved by the Council.

SEC. 61.0777 RECORDATION

The City Engineer shall record the reassessment with the Clerk's certificate.

The City Engineer shall note opposite the several assessments in the original assessment that have been displaced by the reassessment the fact that the reassessment has been made, giving its date, and shall credit upon the reassessment all payments made upon the original assessment, or upon the bonds issued to represent the original assessment, and interest on the payments at the rate of seven percent (7%) a year from the date of the payments.

SEC. 61.0778 COLLECTION

The reassessment shall be collected, paid, and enforced in the same manner as an original assessment, and shall have the same weight in evidence.

SEC. 61.0779 BONDS

If bonds were issued under or upon the security of the original assessment, they shall issue upon the reassessment for the sum reassessed against the lots or parcel of land covered by it.

SEC. 61.0780 CANCELLATION

When the reassessment is recorded, the original assessment shall be canceled by the City Engineer so far as it affects the particular assessments involved. New bonds shall not be issued until the original bonds are delivered up to the Treasurer who shall cancel them. The lien of the reassessment shall hold its relative rank as to other special assessment liens as of the date of filing of the original assessment.

E. Taxation

SEC. 61.0785 ANNUAL ESTIMATE OF EXPENDITURES

Annually on or before June 30, the Council shall prepare an estimate of the expenditures required for the maintenance and operation of the park lands under its charge for the ensuing fiscal year.

At the time for levying general taxes, the Council shall levy and collect upon and against all of the taxable land and improvements within the

district a special ad valorem tax sufficient to raise the sum of money estimated as required.

SEC. 61.0787 COLLECTION

The special tax shall be levied and collected at the same time, in the same manner, by the same officers, and with the same interest and penalties as general taxes levied by the Council.

SEC. 61.0788 PROCEEDS

The proceeds of the tax levied for maintenance and operation shall be placed in the district maintenance and operation fund and expended only for the maintenance and operation of the park lands.

F. Miscellaneous

SEC. 61.0792 TITLE

All real property shall be acquired or condemned in the name of the City, and title to such property shall be in the City.

SEC. 61.0793 LANDS UNDER CONTRACT

Whenever under this part an assessment may be levied, either in connection with the original formation of the district or subsequent thereto, for the purpose of acquiring land for the district, the lands to be acquired may include lands as to which the City has previously entered into a contract to purchase, whether or not the title to said lands has already passed to the City under such contract, and the proceeds of such assessment may be used to pay all or any part of the unpaid balance of the purchase price.

SEC. 61.0794 CITY LANDS INCLUDED

The Council may, at any time after the filing of the petition but before the adoption of the resolution of intention, by resolution declare that certain available City-owned lands shall for all purposes be held, ^{RKF} used and treated the same as lands acquired from the acquisition and improvement fund of the district. The resolution shall describe the City-owned lands to be so held, used and treated, and shall state the amount of compensation, if any, to be paid to the City therefor from said fund. required by this Ordinance shall refer to the resolution, shall contain a general description of such City-owned lands, and shall state the amount of compensation as provided ^{in R.K.F.} ~~on~~ the resolution.

SEC. 61.0795 ADVISORY BOARD

At its discretion the Council may by ordinance provide for the appointment, removal, qualifications, terms of office, and number of members of a park district advisory board of a district formed pursuant to this Ordinance.

SEC. 61.0796 SURPLUS

After completion of the acquisition and improvement and the payment of all claims from the improvement fund, the Council shall determine the amount of the surplus remaining, if any, in the acquisition and improvement fund by reason of the assessment and any supplemental assessment levied for such acquisition and improvement. Said surplus shall be used as provided for in Sections 10142, 10427.1 and 10427.5 of the Municipal Improvement Act of 1913, and said provisions are incorporated herein and made a part hereof by reference.

Following the recordation of the assessment, any such advance shall be repaid from the first moneys available from cash collections of assessments or sale of bonds or both.

D. Reassessment

SEC. 61.0760 EVENTS REQUIRING REASSESSMENT

A reassessment shall be issued in any of the following events:

(a) When an assessment made, issued, or filed in the office of the Clerk, or any bonds issued to represent the amounts of any such assessment, have been set aside by a court of competent jurisdiction, or when the court has refused to enforce an assessment or has decreed any such bonds not to constitute or represent valid and subsisting liens against the lots or parcels of land upon which the assessments represented by them have been levied.

(b) If for any reason the assessments or bonds, or both, are not effective and the curative and waiver provisions of this Ordinance or any curative act passed by the Legislature in relation to them fail to make them valid and enforceable.

(c) Upon the initiative of the Council if it is of the opinion that all or any part of the assessments or bonds are not enforceable.

SEC. 61.0761 SCOPE

It is the intent of this part to make the cost and expense of the acquisition and improvement made, or attempted to be made, through an attempted compliance with this Ordinance payable by the real property benefited by the acquisition and improvement by making a reassessment for that purpose. The power of reassessment embraces both a full and partial reassessment, and is not exhausted by a single attempted exercise of the power.

SEC. 61.0762 CIRCUMSTANCES REQUIRING REASSESSMENT

Whenever the owner or holder of any bonds issued to represent or to be secured by assessments requests the Council to order a reassessment and the Council is of the opinion that such bonds are not enforceable, it shall order the making and issuing of a reassessment covering only the assessments represented by, or securing the bonds owned or held by, the petitioner.

SEC. 61.0763 SAME

If in any suit involving the validity of the obligation of any bond or assessment a court of competent jurisdiction for any reason holds the lien of the assessment or bond to be unenforceable, the court in and by its decree shall direct the making of a reassessment to cover the assessments involved in the suit.

SEC. 61.0764 SAME

If in any suit to set aside the lien of any assessment or of any bond representing any assessment, or in any suit to quiet title against the lien of any such assessment or bond, or in any suit to enjoin the making, filing, confirmation, or issuance of any assessment or bond to pay for the cost and expenses of any acquisition and improvement pursuant to this Ordinance, a court of competent jurisdiction in its judgment decrees such assessments or bonds to be void or unenforceable or enjoins the making, filing, issuance, or confirmation of any such assessment or bond, the court in and by its decree shall direct the making of a reassessment to cover the assessments involved in the suit.

SEC. 61.0765 SAME

If in any suit contesting the validity and legal force and effect of a sale to foreclose the lien of any assessment or bond a court of competent jurisdiction decrees the sale to be void or unenforceable for any reason, the court in and by its decree shall direct the making of a reassessment to cover the assessments involved in the suit.

SEC. 61.0766 DECREE

If a reassessment is directed by a decree of court or by an order of the Council, the City Engineer shall proceed to make a reassessment.

SEC. 61.0768 SAME

If the reassessment is a partial one only, it is not necessary for the diagram to show any lots other than those covered by the partial reassessment. If it is a full reassessment, the City Engineer shall prepare a diagram showing the lots or parcels of land deemed by him to be benefited by the improvement.

SEC. 61.0769 AMOUNT AND BASIS

The reassessment shall assess upon and against each of the lots or parcels of land contained in it an amount determined as follows:

(a) The benefits derived, or to be derived, by each of the lots or parcels of land from the acquisition and improvement estimated as of the date of the filing in the Clerk's office of the original assessment shall first be listed.

(b) Interest shall be added to amounts determined pursuant to (a) from the date of recording of the original assessment at the rate of seven per cent (7%) a year.

SEC. 61.0770 LIMITATION

The total of the reassessment, exclusive of interest, shall not exceed the cost and expense of the acquisition and improvement.

SEC. 61.0771 FORM

The reassessment need not be in any prescribed form. It shall:

(a) Refer to the original assessment and set forth the date it was filed.

(b) State that it is made pursuant to the order of the Council or decree of court, as the case may be.

(c) Be accompanied by a diagram showing the lots or parcels of land to be reassessed and their relation to the improvement.

SEC. 61.0772 PRESENTATION TO COUNCIL

The reassessment shall be presented to the Council which shall fix a time for hearing. The hearing shall be at least twenty (20) days after the presentation of the reassessment.

SEC. 61.0773 NOTICE

The Clerk shall advertise the time of hearing by publishing a notice in the newspaper in which the resolution of intention for the acquisition and improvement was published unless the Council directs publication in some other newspaper. The notice shall be published once, the publication being at least ten (10) days prior to the date of the hearing. If the reassessment is to be against the property in a district, this fact shall be set forth and the reassessment diagram referred to for particulars.

SEC. 61.0774 HEARING

At the time fixed for the hearing or at any time to which the hearing is adjourned, the Council shall consider the objections to the reassessment and may informally direct the revision, correction, and modification of the reassessment in such manner as is most equitable to apportion to each lot or parcel of land benefited the amount of the actual benefits derived from the acquisition and improvement.

SEC. 61.0775 CONFIRMATION

When the reassessment is revised, corrected, or modified to comply with its judgment, the Council shall pass a resolution confirming the reassessment.

SEC. 61.0776 CERTIFICATION

The Clerk shall certify at the end of the reassessment that it is the reassessment approved by the Council.

SEC. 61.0777 RECORDATION

The City Engineer shall record the reassessment with the Clerk's certificate.

The City Engineer shall note opposite the several assessments in the original assessment that have been displaced by the reassessment the fact that the reassessment has been made, giving its date, and shall credit upon the reassessment all payments made upon the original assessment, or upon the bonds issued to represent the original assessment, and interest on the payments at the rate of seven per cent (7%) a year from the date of the payments.

SEC. 61.0778 COLLECTION

The reassessment shall be collected, paid, and enforced in the same manner as an original assessment, and shall have the same weight in evidence.

SEC. 61.0779 BONDS

If bonds were issued under or upon the security of the original assessment, they shall issue upon the reassessment for the sum reassessed against the lot or parcel of land covered by it.

SEC. 61.0780 CANCELLATION

When the reassessment is recorded, the original assessment shall be canceled by the City Engineer so far as it affects the particular assessments involved. New bonds shall not be issued until the original bonds are delivered up to the Treasurer who shall cancel them. The lien of the reassessment shall hold its relative rank as to other special assessment liens as of the date of filing of the original assessment.

E. Taxation

SEC. 61.0785 ANNUAL ESTIMATE OF EXPENDITURES

"SEC. 101.0414 RV ZONE (RESIDENTIAL-VISITOR)

A. PURPOSE AND INTENT

The RV Zone is intended to designate areas for relatively small scale hotel and motel developments and medium density multiple residential developments which accommodate both short and long-term visitors to the City and permanent apartment dwellers. The zone is expressly designed for application to areas in the vicinity of major tourist attractions or recreational areas where existing subdivision, ownership and land use patterns make the assembly and development of large parcels of land to accommodate extensive commercial recreation facilities either extremely difficult or impossible. This zone does not contemplate development of the full range of visitor services and facilities provided for in the R-5 Zone, therefore, it is intended that this zone be located in close proximity to commercial zones which can meet the convenience and service needs of visitors and residents. The regulations of the zone are designed to minimize any adverse effects of motel and hotel facilities on multiple residential developments within or abutting this zone.

B. PERMITTED USES

In an RV zone, no building or improvement, or portion thereof, shall be erected, constructed, converted, established, altered or enlarged, nor shall any premises be used except for one or more of the following purposes:

1. Apartment houses, group dwellings and multiple dwellings.

2. Hotels and motels.

3. Private clubs, lodges and fraternal organizations.

4. Public parks, ~~public~~ and playgrounds.

5. Public utility electric distribution substations, gas regulators and communication equipment buildings developed in accordance with building and landscaping plans approved by the Board of Architectural Review.

6. Any other use which the Planning Commission may find to be similar in character to the uses, including accessory uses, enumerated in this section and consistent with the purpose and intent of this zone. The adopted resolution embodying such finding shall be filed in the office of the City Clerk.

7. Accessory uses ~~for~~ and buildings customarily incidental to any of the foregoing permitted uses, including the following:

a. Business services customarily catering to hotel and motel guests and apartment occupants. These may include sales of newspapers and magazines; agencies for laundering, dry cleaning and pressing; barber and beauty shops; agencies for

tickets, travel and car rentals, and restaurants and bars; provided, however, such service facilities may not be established in apartments, group dwellings or multiple dwellings containing less than 80 dwelling units.

b. Recreational facilities including swimming pools, shuffleboard courts, sauna baths, tennis courts, golf putting greens, and exercise rooms.

c. Signs

The following signs shall be permitted:

(1) Wall signs as defined in Section 95.0101 designating the permitted uses of the premises provided that no such sign shall project above the parapet or eaves of the building to which affixed.

(2) Signs designating the permitted uses of the premises on the faces of canopies or porch roofs or hung from the underside of said canopies or porch roofs; provided, however, that signs attached to any face of a canopy or porch roof shall be parallel to the face of said canopy or porch roof and shall not project above the parapet or eaves of the building to which the canopy or porch roof is attached. Signs hung from the underside of canopies or porch roofs shall not project beyond any face of said canopy or porch roof.

(3) One single or double-faced freestanding sign designating the permitted uses of the

premises (except the accessory uses permitted by B.7.a. and B.7.b. above) facing or adjacent to each street abutting the property.

(4) One directional sign located at each driveway entering or leaving the premises.

(5) Wall or freestanding signs designating the premises for sale, rent or lease.

(6) The combined total face area of all wall signs or signs which are attached to the face or hung from the underside of canopies or porch roofs, freestanding signs and directional signs on the premises (excluding signs designating the premises for sale, rent or lease) shall not exceed one-fifth of a square foot for each linear foot of street frontage. The height of any freestanding sign shall not exceed the height of eight feet measured vertically from the base at ground level to the apex of said sign.

(7) Signs permitted herein may be lighted; however, none shall contain visibly moving parts or be illuminated by flashing lights.

C. SPECIAL REGULATIONS

1. All accessory uses shall be located in the same building as the permitted use or uses which they serve. There shall be no entrance to any such accessory uses except through a foyer, court, lobby, hall, patio or other similar interior area. However, neither of the foregoing regulations shall be applicable to accessory uses exclusively serving outdoor recreational activities. The

combined gross floor area of all accessory uses (excluding outdoor recreational facilities) on any premises shall occupy not more than 20 percent of the gross floor area of the permitted use.

2. No mechanical equipment, tank duct, elevator enclosure, cooling tower or mechanical ventilator shall be erected, constructed, maintained or altered anywhere on the premises unless all such equipment and appurtenances are contained within a completely enclosed penthouse or other portion of a building having walls and roofs with construction and appearance similar to the main building.

In the matter of the publication of ORDINANCE NO.
 9994 NEW SERIES, RV ZONE

ORDINANCE NO. 9994
 (NEW SERIES)
AN ORDINANCE AMENDING CHAPTER X, ARTICLE 1, OF THE SAN DIEGO MUNICIPAL CODE, BY AMENDING SECTION 101.0414, REGULATING USES IN THE RV ZONE (RESIDENTIAL-VISITOR).

BE IT ORDAINED, by the Council of the City of San Diego, as follows:

Section 1. That Chapter X, Article 1, Section 101.0414, of the San Diego Municipal Code be, and the same is hereby amended to read as follows: "SEC. 101.0414 RV ZONE (RESIDENTIAL-VISITOR)

A. PURPOSE AND INTENT
 The RV Zone is intended to designate areas for relatively small scale hotel and motel developments and medium density multiple residential developments which accommodate both short and long-term visitors to the City and permanent apartment dwellers. The zone is expressly designed for application to areas in the vicinity of major tourist attractions or recreational areas where existing subdivision, ownership and land use patterns make the assembly and development of large parcels of land to accommodate extensive commercial recreation facilities either extremely difficult or impossible. This zone does not contemplate development of the full range of visitor services and facilities provided for in the R-5 Zone, therefore, it is intended that this zone be located in close proximity to commercial zones which can meet the convenience and service needs of visitors and residents. The regulations of the zone are designed to minimize any adverse effects of motel and hotel facilities on multiple residential developments within or abutting this zone.

B. PERMITTED USES

In an RV zone, no building or improvement, or portion thereof, shall be erected, constructed, converted, established, altered or enlarged, nor shall any premises be used except for one or more of the following purposes:

1. Apartment houses, group dwellings and multiple dwellings.
2. Hotels and motels.
3. Private clubs, lodges and fraternal organizations.
4. Public parks and playgrounds.
5. Public utility electric distribution substations, gas regulators and communication equipment buildings developed in accordance with building and landscaping plans approved by the Board of Architectural Review.
6. Any other use which the Planning Commission may find to be similar in character to the uses, including accessory uses, enumerated in this section and consistent with the purpose and intent of this zone. The adopted resolution embodying such finding shall be filed in the office of the City Clerk.
7. Accessory uses and buildings customarily incidental to any of the foregoing permitted uses, including the following:
 - a. Business services customarily catering to hotel and motel guests and apartment occupants. These may include sales of newspapers and magazines; agencies for laundering, dry cleaning and pressing; barber and beauty shops; agencies for tickets, travel and car rentals, and restaurants and bars; provided, however, such service facilities may not be established in apartments, group dwellings or multiple dwellings containing less than 80 dwelling units.
 - b. Recreational facilities including swimming pools, shuffleboard courts, sauna baths, tennis courts, golf putting greens, and exercise rooms.
 - c. Signs

The following signs shall be permitted:

- (1) Wall signs as defined in Section 95.0101 designating the permitted uses of the premises provided that no such sign shall project above the parapet or eaves of the building to which affixed.
- (2) Signs designating the permitted uses of the premises on the faces of canopies or porch roofs or hung from the underside of said canopies or porch roofs; provided, however, that signs attached to any face of a canopy or porch roof shall be parallel to the face of said canopy or porch roof and shall not project above the parapet or eaves of the building to which the canopy or porch roof is attached. Signs hung from the un-

derside of canopies or porch roofs shall not project beyond any face of said canopy or porch roof.

(3) One single or double-faced freestanding sign designating the permitted uses of the premises (except the accessory uses permitted by B.7.a. and B.7.b. above) facing or adjacent to each street abutting the property.

(4) One directional sign located at each driveway entering or leaving the premises.

(5) Wall or freestanding signs designating the premises for sale, rent or lease.

(6) The combined total face area of all wall signs or signs which are attached to the face or hung from the underside of canopies or porch roofs, freestanding signs and directional signs on the premises (excluding signs designating the premises for sale, rent or lease) shall not exceed one-fifth of a square foot for each linear foot of street frontage. The height of any freestanding sign shall not exceed the height of eight feet measured vertically from the base at ground level to the apex of said sign.

(7) Signs permitted herein may be lighted; however, none shall contain visibly moving parts or be illuminated by flashing lights.

C. SPECIAL REGULATIONS

1. All accessory uses shall be located in the same building as the permitted use or uses which they serve. There shall be no entrance to any such accessory uses except through a foyer, court, lobby, hall, patio or other similar interior area. However, neither of the foregoing regulations shall be applicable to accessory uses exclusively serving outdoor recreational activities. The combined gross floor area of all accessory uses (excluding outdoor recreational facilities) on any premises shall occupy not more than 20 percent of the gross floor area of the permitted use.

2. No mechanical equipment, tank duct, elevator enclosure, cooling tower or mechanical ventilator shall be erected, constructed, maintained or altered anywhere on the premises unless all such equipment and appurtenances are contained within a completely enclosed penthouse or other portion of a building having walls and roofs with construction and appearance similar to the main building.
